Dear Mr. Czornonoh:

Your letter concerning the assassination of President Kennedy has been received and turned over to the staff of the Senate Committee on Intelligence. Thank you for your information.

The Senate Committee is continuing its investigation and the House of Representatives has established a new Select Committee on Assassinations to look into the death of the President and Martin Luther King, Jr. Hopefully these inquiries will remove the cloud of confusion and suspicion that still surround the tragic deaths of these leaders.

Thank you for your concern and desire to be of help in this matter of national interest. Your views are welcome.

With best wishes,

Aloha,

Daniel K. Inoué
