SUBJECT: JAMES EARL RAY, aka - FUGITIVE
I.O. #4182; W. F. #442-A
CIVIL RIGHTS - CONSPIRACY;
INTERSTATE FLIGHT - ARMED ROBBERY
"TEN MOST WANTED FUGITIVES" PROGRAM
NEWSPAPER MAT

Being forwarded under separate cover is a supply of newspaper mats and proofs for expeditious distribution to all cooperative daily and weekly newspapers in your territory. Additional publications such as shoppers' guides should not be overlooked in obtaining the greatest possible publicity regarding this fugitive.

In most cases, these mats and proofs may be distributed by mail but when circumstances warrant they may be personally delivered by Special Agents. A form letter over the signature of the Special Agent in Charge may be utilized in distributing this material by mail and this letter should point out that the FBI is requesting the aid of the Nation's press in bringing about the prompt apprehension of this badly sought fugitive.

Prompt distribution should be made and additional supplies, if needed, are available at the Bureau. The following number of mats and proofs are being forwarded to your office under separate cover: 30.

As an additional means of securing widespread publicity concerning Ray, offices covering the place of publication of magazines which have previously cooperated in publicizing FBI fugitives should request the assistance of such publications in carrying an article on captioned fugitive. The Bureau press release, copies of which are available in each office, along with a glossy photograph of this fugitive can be furnished. The earliest possible utilization of this material should be encouraged and special attention should be given to publications aimed at minority groups.

EP 157-186

Referenced Butel reads as follows:

During automobile trip of subject RAY and CHARLES STEIN departing Los Angeles on 12/15/67 and arriving New Orleans on 12/17/67, subject RAY made about six telephone calls from various pay stations in Texas.

They traveled via automobile on Interstate 10 through El Paso to Van Horn, Texas, and went south on Route 90 to San Antonio, then Route 90 or Interstate 10 to Houston, Texas, and to New Orleans.

Each office should check with telephone company and determine the long distance calls placed at each public telephone on the above mentioned routes during period of 12/15, 16, and 17, 1967, and have each call checked out.

On 4/30/68, Mrs. HELEN ORNELAS, Service Representative, West Texas Telephone Company, Pecos, Texas, made available duplicate bills on pay stations from Van Horn, Valentine, and Sierra Blanca, Texas.

Noted that these bills reflect the telephone numbers of the individuals receiving the telephone calls from the pay stations in the above mentioned communities. As noted above, the pertinent dates are 12/15, 16, and 17/67. The teletype codes of the respective offices have been added to these duplicate bills, indicating the telephone numbers to be checked out by the various offices receiving this airtel.

ALL OFFICES

Review the enclosed duplicate bills for telephone numbers located in their divisions and conduct appropriate investigation as instructed in referenced Butel, set out above.

1. The first of these is the fact that the
2. government has been unable to establish
3. a consistent policy in the area of
4. foreign relations. This has led to
5. a series of diplomatic setbacks and
6. a loss of respectability in the
7. eyes of the world community. The
8. second major problem is the lack of
9. a strong, unified leadership. The
10. government is divided into several
11. factions, each with its own agenda
12. and interests. This has resulted in
13. a lack of direction and a failure
14. to implement effective policies.
15. The third problem is the economic
16. crisis. The country is suffering from
17. severe inflation and a shortage of
18. basic necessities. The government
19. has been unable to address these
20. issues effectively, leading to
21. widespread discontent and a loss
22. of faith in the government. The
23. fourth problem is the military
24. situation. The armed forces are
25. divided and lack the necessary
26. resources to maintain internal
27. security. This has led to a
28. series of military setbacks and a
29. loss of control over large areas
30. of the country. The fifth and
31. final problem is the social
32. situation. The population is
33. suffering from poverty and
34. social inequality. The government
35. has failed to implement any
36. meaningful social reforms, leading
37. to a growing sense of hopelessness
38. and a desire for change.
