PRESS RELEASE

Las Vegas, Nevada April 19, 1968

Attorney General Ramsey Clark announced today that the FBI has identified James Earl Ray, an escapee from the Missourl State Penitentiary, as Eric Starvo Galt, against whom a Federal complaint was filed last Wednesday in connection with the fatal shooting of the Reverend Dr. Martin Luther King, Jr.

Director J. Edgar Hoover said that a systematic and exhaustive search of latent fingerprints uncovered in the Dr. King case against the fingerprints of the over 53,000 persons from whom "wanted notices" have been posted in the files of the FBI's Identification Division led to the determination that Galt and Ray are identical.

Mr. Hoover said that Ray, who is 40 years of age, was reported missing from the Missouri State Penitentiary at Jefferson City, Missouri, since April 23, 1967. He had been received at that institution on March 17, 1960, to serve a 20-year sentence following conviction in St. Louis for armed robbery and for operating a motor vehicle without permission of the owner.

157-133-69

In September, 1966, while serving this sentence, he was confined for a time in the maximum security ward at the state hospital at Fulton, Missouri.

According to Mr. Hoover, Ray has a known arrest record dating back to 1949. Prior to the 1960 conviction for which he received the 20-year term, Ray had been convicted of burglary in Los Angeles, California, in 1949; armed robbery in Chicago, Illinois, in 1952; and forging United States postal money orders in Missouri in 1955.

He has served terms in the Los Angeles County Jail in 1949; in state prisons at Joliet and Pontiac, Illinois, in 1952-1954; and in the Federal penitentiary at Leavenworth, Kansas, in 1955-1958.

Ray was an enlisted man in the United States Army from February, 1946, to December, 1948, at which time he was given a general discharge due to ineptness and lack of adaptability for military service. While in the Army, he received a three-month sentence at hard labor for being drunk and breaking arrest.

Mr. Hoover said that during his criminal career, Ray has also used the names of James McBride, James Walton, W. C. Herron, and James O'Conner. He is a white male; claims to have been born March 10, 1928, in Illinois; is approximately 5'10" tall,

and weighs about 163 to 174 pounds. He has blue eyes and brown hair. There is a small scar on the center of his forehead and a scar on the palm of his right hand.

Ray has claimed that he attended school through the 10th grade in Alton, Illinois. He has had the reputation of being a "drifter" since leaving school. His vocational experience includes working as a baker, laborer, and color matcher.

In connection with his escape from the Missouri State Penitentiary, an FBI complaint was filed in Jefferson City, Missouri, on July 20, 1967, charging Ray with unlawfully fleeing from the State of Missouri to avoid confinement. He has been a Federal fugitive since then.

Ray should be considered armed and extremely dangerous.

Anyone having information concerning him should immediately contact FBI headquarters in Washington, D. C., or the nearest FBI office.

Investigation at Memphis disclosed that an individual had purchased a set of binoculars at the York Arms Company in Memphis on 4/4/68. These binoculars were among the material abandoned with the rifle and recovered in Memphis. Also recovered was a brown and green herringbone bedspread. The items abandoned in Memphis were all wrapped in this bedspread. The blue bag which was inside the bedspread contained numerous items, among which were the binoculars and a set of underwear consisting of a T-shirt and shorts. The T-shirt and shorts are those on which appears the laundry mark which has been a matter of interest in this case.

A search of motel records in the Memphis area disclosed that an individual using the name ERIC S. GALT had spent the night of 4/3/68 at the Rebel Motel, Memphis, Tennessee, and was driving a 1966 white Mustang bearing Alabama License 1-38993. Investigation at Birmsgham disclosed that this automobile had been purchased by ERIC S. GALT on August 30, 1968, from a private person in response to a newspaper ad. He paid a total of \$1995 cash. While in Birmingham he furnished the address of 2608 South Highland Avenue, Birmingham. This is also the address which appeared on a driver's license issued to him by the State of Alabama. The driver's license identifying data listed his birth date as July 20, 1931, his height as 5'll", his weight as 170 and his eyes blue and hair brown.

The automobile in question, the white Mustang bearing the Alabama tags mentioned above, was recovered in Atlanta on 4/11/68 and determined to have been abandoned there prior to 9 a.m. on 4/5/68.

In connection with the evidence submitted by Atlanta, Birmingham, and Memphis, identifiable latent prints were recovered. It was on the basis of these latents that identification was made of JAMES EARL RAY. In handling future leads, all offices should be particularly interested in securing an identifying number, military, police, or FBI, in connection with suspects so that the necessary check can be made through the Identification Division.

On 4/17/68, AUSA R. MACEY TAYLOR, Birmingham, authorized the filing of a complaint charging ERIC STARVO GALT with a conspiracy to violate Section 241, Title 18, U. S. Code. and

ME 44-1987

recommended bond in the amount \$50,000. On that same date, SAC JOSEPH H. GAMBLE filed a complaint before USC MILDRED F. SPRAGUE, Birmingham, and warrant was issued that same date.

For further information re JAMES EARL RAY, all offices are directed to press release furnished them by the Bureau on 4/19/68.
