FUGITIVE

CIVIL RIGHTS - CONSPIRACY; INTERSTATE FLIGHT - ARMED ROBBERY

"TEN MOST WANTED FUGITIVES" PROGRAM

James Earl Ray, a Missouri prison escapee who has been sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., has been added to the FBI's list of "Ten Most Wanted Fugitives."

FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Ten Most Wanted Fugitives" list, which already contains ten fugitives, to insure the widest possible dissemination of Ray's photograph and description to help effect his earliest possible location.

Ray has been the subject of a massive and intensive search since the brutal gunshot slaying of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel. One rifle bullet, believed fired from the window of a nearby rooming house, felled the victim.

SERIALIZED FILED APR 25 195H
FBI — LAS VYGAS

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons
on whom wanted notices have been posted in the FBI's Identification Division,
succeeded in determining that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery, based on a Federal warrant issued on July 20, 1967, at Jefferson City, Missouri. He had been confined at the Missouri State Penitentiary, Jefferson City, Missouri, in March, 1960, with a 20-year sentence following conviction for armed robbery and operating a motor vehicle without permission of the owner. In September, 1966, while serving the sentence, he was confined for a time in the maximum security ward at the State Hospital, Fulton, Missouri. He was reported missing from the Missouri State Penitentiary since April 23, 1967.

Ray, who has an arrest record dating back to 1949 and has been convicted of burglary, armed robbery and forging United States Postal Money Orders, has also been confined in the Los Angeles County Jail, the Joliet and Pontiac, Illinois, State Prisons and the United States Penitentiary, Leavenworth, Kansas.

He served in the Army between February, 1946, and December, 1948, received a three-month sentence at hard labor for being drunk and breaking arrest and was given a General Discharge due to ineptness and lack of adaptability for military service.

Ray is a 40-year-old white male, reportedly born in Illinois on March 10, 1928. He is approximately 5'10" inches tall, weighs from 163 to 174 pounds, has blue eyes and brown hair which he has worn cut short. He has a small scar on the center of his forehead and a scar on the palm of his right hand. He has been described as having a straight, narrow nose and straight and even teeth and to have a nervous habit of occasionally tugging at an ear lobe. His left ear protrudes noticeably.

Acquaintances describe him as a "loner" and "drifter" whose language and diction reflect a "rural" quality and indicate he has had limited education.

He is reportedly a fan of western and country music, drinks vodka and beer, dresses neatly and claims past employment as a merchant seaman and cook on Mississippi River vessels. He is known to have worked as a baker, laborer and color matcher.

He is known as an avid dancer who has taken dancing lessons. He also completed a course at a school of bartending in the Los Angeles area early in 1968.

Ray should be considered armed and extremely dangerous.

Anyone with information concerning this fugitive is requested to immediately contact the nearest office of the FBI, the telephone number of which may be found on the first page of local telephone directories.

Being forwarded under separate cover is a supply of newspaper mats and proofs for expeditious distribution to all cooperative daily and weekly newspapers in your territory. Additional publications such as shoppers' guides should not be overlooked in obtaining the greatest possible publicity regarding this fugitive.

In most cases, these mats and proofs may be distributed by mail but when circumstances warrant they may be personally delivered by Special Agents. A form letter over the signature of the Special Agent in Charge may be utilized in distributing this material by mail and this letter should point out that the FBI is requesting the aid of the Nation's press in bringing about the prompt apprehension of this badly sought fugitive.

Prompt distribution should be made and additional supplies, if needed, are available at the Bureau. The following number of mats and proofs are being forwarded to your office under separate cover: 50.

As an additional means of securing widespread publicity concerning Ray, offices covering the place of publication of magazines which have previously cooperated in publicizing FBI fugitives should request the assistance of such publications in carrying an article on captioned fugitive. The Bureau press release, copies of which are available in each office, along with a glossy photograph of this fugitive can be furnished. The earliest possible utilization of this material should be encouraged and special attention should be given to publications aimed at minority groups.

Fellow Inmate: King Suspect Spoke of Bounty

DALTON, Ga. (AP) — James Sarl Ray was quoted by a forner, fellow inmate Tuesday as saying he would be willing to cill Dr. Martin Luther King Jr. for a \$1 million bounty.

Ray, 40, is now sought in connection with the April 4 assassination of King in Memphis, Tenn.

Raymond Curtis, 40, now in Whitfield, County jail here, discussed Ray while awaiting action on appeal of a murder conviction.

Curtis said the talk about a bounty on King's life came up while both he and Ray were prisoners at the Missouri State Penitentiary at the time of John F. Kennedy's assassination Nov. 22, 1963, in Dallas, Tex.

No new developments were reported Tuesday in the nation wide search for the fugitive.

Curtis said he was sent to the penitentiary to serve a 10-year armed robbery sentence and Ray was there on a 20-year armed robbery term. Prison records confirm the two were inmates at the same time. Curtis said he saw Ray "almost daily."

After the Kennedy assassina-

After the Kennedy assassination, Curtis said, a new prisoner, tolo mar a \$1-million bounty had been put on King by a "K-K businessman's association."

TO : SAC, LAS VEGAS (157-133) (P)

DATE: 5/3/68

FROM : ASAC MOUNT C. DULINSKY, JR.

SUBJECT: MURKIN

At 3:45 PM Supervisor BILL NOLAN, Los Angeles, called and stated that an unknown individual had attempted to trade two Frontier Airline tickets in at the Los Angeles airport for a trip to Hawaii. He stated the tickets were purchased with a Frontier temporary 30-day air travel card, No. 31088, issued 4/26/68, expires 5/25/68. The card was issued to one Mr. CARL RAY, Ray Land and Cattle Co., Route 4, Box 868, Pecos, Texas, and was signed CARL RAY.

NOLAN said that El Paso has determined that there is no such individual as CARL RAY and no company known as the Ray Land and Cattle Co. in Pecos, Texas. The card is a phony.

The two tickets this individual attempted to turn in were for flights from Las Vegas to St. Louis and return and were purchased 5/1/68. The tickets indicate they are for Flight 710 departing on 5/2/68, at 10:30 AM from Las Vegas. The tickets are numbered 1 028 201 829 753 6 and 1 028 201 829 754 0, and are for Mr. C. RAY and Mrs. C. RAY. NOLAN said the tickets are stamped in red in the upper right corner, "DEN May 1, 1968" and under this "ATO".

NOLAN requested that Las Vegas contact Frontier Airlines and ascertain all possible information concerning these tickets and the individuals who purchased them.
