The following investigation was conducted at Las Vegas, Nevada, on 5/7/68, by SA JOHN A. NORRIS, JR. Lead set forth in LA airtel, 5/3/68 (Legat; Mexico City airtel, 4/23/68).

CONSUELO MARIN, 2533 Lenna Street, Las Vegas, Nevada, on 5/7/68, advised that during October, 1967, she and her mother JOSEFINA VARELA, visited Mexico. They spent time in Guadalajara and when they left were told that the Hotel Rio, in Puerto Vallarta, Mexico, was an inexpensive place to stay. On their return to Mexico D.F. they stopped for two days at the Hotel Rio.

Mrs. MARIN said they did not associate with persons at the Hotel and their only contact with persons other than Mexican citizens, was with a Canadian couple they had met in Guadalajara.

Mrs. MARIN viewed the photograph of the individual wearing sunglasses and stated she did not recall seeing this person at the Hotel Rio or in Puerto Vallarta. She also viewed photographs of JAMES EARL RAY and said she had seen those likenesses in the newspaper in connection with killing of MARTIN LUTHER KING, and did not recall seeing this person in Mexico.

Mrs. MARIN said she would immediately contact the Las Vegas Office should she recall any information concerning hotel guests at the Hotel Rio.

More King Slaying Suspect Pictures

WASHINGTON (UPI) — The FBI distributed yesterday two more photographs of the accused killer of Dr. Martin Luther King—one of them “an extremely good likeness.”

Both were snapshots of James Earl Ray, alias Eric Starvo Galt, an escaped convict accused of shooting King to death in Memphis April 4.

The “extremely good likeness” is a candid photograph of Ray in a business suit and tie and shows almost his full face, taken in late January or early February somewhere in California.

The other, which the FBI said was taken last November

somewhere in Mexico, shows him wearing sun glasses and what appears to be a white sports shirt. The FBI said Ray is known to wear sun glasses frequently.

The two new photographs—the FBI refused to say where or how they were obtained—will be displayed throughout the country along with three other pictures of Ray which now appear on FBI’s wanted posters.

One of the earlier photographs was taken when Ray was graduated from bartending school in Los Angeles early this year. His eyes were closed when the shutter snapped, but

they were sketched in by an FBI artist. The picture shows him wearing a white shirt and black bow tie.

The other two photographs were made when Ray entered the Missouri state prison in 1960 to serve a 20-year sentence for armed robbery.

Ray, who escaped from prison April 23, 1966, by hiding in a truck, is wanted by the FBI for illegal flight to avoid prosecution in Tennessee for King’s murder.

The civil rights leader was shot to death on a motel balcony, apparently by a rifleman 200 feet away in a rooming house bathroom.

Thirteen days later the FBI announced it had issued a warrant for Galt, but after checking some 53,000 fingerprints, the FBI said two days afterwards that Galt and Ray were the same man.

Ray was added to the FBI’s list of 10 most wanted criminals April 20. There have been reports of the search extending to various foreign countries, including Australia, and authorities along the U.S. borders have been alerted to watch for him.

In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starnes. Ernst Stavro Blofield is a formidable person, John Galt is a "social drop out" and Eric Starnes is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing an alias based on characters in Fleming's books, there is set out as an attachment to this airtel a list of various characters in those books for your assistance.

For your information and investigative assistance, subject James Earl Ray took a bartending course in Los Angeles, California, during the early part of 1968, and prior to his departing Los Angeles, in March of 1968, he made several telephone calls to country clubs in an effort to obtain employment.

This should be borne in mind in covering leads in connection with this and other cases.

In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

unidentified dead for the period beginning 4-5-68; and if fingerprints on such dead are maintained, they should be compared with those on the Identification Order on Ray in order to effect identification or nonidentification. This should be handled in the normal course of business and only reasonable investigation should be pursued along these lines.

The Identification Division has placed an appropriate stop on unidentified deceased inquiries it may receive. If feasible, appropriate offices and Legats, Mexico City and Ottawa should place similar stops with appropriate state, local or national agencies in your territories.

Re Carl Ray, Possible Look-Alike of James Earl Ray

Re Albuquerque, Denver, Los Angeles and Phoenix teletypes 5/4/68; El Paso airtel 5/3/68; and FBI Laboratory Reports 5/10 and 5/13/68.

Enclosed for the Director and Memphis is one copy of referenced Albuquerque teletype for each inasmuch as teletype did not include Director and Memphis.

One copy of this letter is being furnished the other offices due to their investigative interest in CARL RAY.

On 5/7/68, First Class Cabin Stewardess CATHERINE HINES, aboard Frontier Airlines Flight 785 F, 4/27/68, on flight from Albuquerque to Phoenix, and Tourist Cabin Stewardess Miss J. JACKSON, aboard the same flight, advised SA BOYD D. ADSIT that they recall no one by the name of CARL RAY being aboard that flight and neither recognized any picture of JAMES EARL RAY as being that of any person aboard the flight.

On 5/4 and 5/5/68, all hotels in Denver and all motels in vicinity Stapleton International Airport were checked for reservation by CARL RAY with negative results.

In view of the differences between the descriptions given of CARL RAY by the various airlines employees and the description of JAMES EARL RAY, and in view of the information set forth in referenced FBI Laboratory reports, Denver does not contemplate setting forth leads to have other persons aboard Frontier Airlines Flight 785, Albuquerque to Phoenix, 4/27/68, interviewed concerning CARL RAY unless advised to the contrary by the office of origin.
