The following investigation was conducted by
SA JAMES W. SAMMON:

On the dates indicated, motels and Standard Service Stations on the below listed major highways in north central and northeastern portion of the State of Mississippi were contacted in this matter. Personnel at motels were exhibited composite drawings of ERIC STARVO GALT, also known as John Willard, Harvey Lowmeyer, received from the Memphis and Birmingham Divisions, along with a color photograph of a bedspread and bath towel received from the Memphis Division. Personnel at these motels failed to identify the composite photographs of GALT, as well as the bedspread or towel as property of their particular motel. The guest registration cards of motels contacted were personally checked by SA JAMES W. SAMMON from the period of March 29 to April 5, 1968, inclusive in an effort to determine if any guest using the name GALT, WILLARD, or LOWMEYER registered at that motel. These checks met with negative results.

Standard Service Stations on the indicated highways were also contacted and personnel at those service stations were also exhibited artist's conceptions of GALT, along with the colored photographs of the Standard Oil map of the United States and the Standard Oil map of Georgia - Alabama. Personnel at these service stations were questioned regarding a 1966 white Mustang with an Alabama tag. Contacts at these service stations also met with negative results.

Date 4/22/68

DONALD SEWELL, employee, 7-11 Store, Number 34, 6099 Millbranch, Southaven, Mississippi, after being advised of the identity of the interviewing Agent and the nature of the investigation, furnished the following information:

He stated that the 7-11 Store purchases its beer from the Service Beverage Company at Clarksdale, Mississippi.

He stated that the Schlitz delivery man appears at that store every Wednesday.

He advised after examining his stock of Schlitz 12 ounce pop top cans that he had two six packs in his refrigerator with the date March 15, 1968. He stated that this 7-11 Store uses Toreador paper sacks. He advised they do not utilize a number or size 20 paper sack.

He was displayed artist's conception drawings from Birmingham and Memphis, Tennessee.

SEWELL recalled that in the latter part of March, 1968, a white male approximately 5'9" to 5'10" in height, age 27 to 28 years of age, small frame, with a dark crew hair cut, wearing a gray suit with black pin stripes, glasses with black rims, purchased beer at that store.

SEWELL stated that he could not recall what brand of beer this individual bought or how he paid for it.

SEWELL stated that he recalled this incident as the authorities in Memphis, Tennessee, had put a curfew on beer and liquor sales and that at the same time this individual was in the checkout line, a highway patrolman came to the store and told him to cut off beer sales.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

According to SEWELL, the patrolman advised him that the individuals in line could make their purchases but no other individuals would be allowed to purchase beer. SEWELL estimated the time at 3:30 p.m.

He stated that he recalled this incident as after this white male purchased the beer, he, SEWELL, had to request him to leave the store as he was "cursing" due to the fact that the beer sales had been cut off.

SEWELL stated that he had to tell this individual to leave the store.

SEWELL again stated that he believes this incident took place during the latter part of March, 1968, when the City of Memphis first experienced racial problems.

SEWELL stated that he had never seen this individual before and has not seen him since. He stated he did not see which way he turned when he left the store nor did he observe an automobile.

He stated that this individual vaguely resembled the artist's conception drawing from Birmingham.

SEWELL stated that he doubted he could recognize this individual if he saw him again.

Date 4/22/68

Located at the Southaven Minnow Shop, Highway 51, just south of the Tennessee State Line in Mississippi, were numerous six packs of Schlitz twelve-ounce beer in the pop-top can, held together in the six pack with a plastic ring, which beer was brewed by the date March 15, 1968. A can of this beer was obtained.

Also located in that minnow shop was a brown paper bag stamped "Homestead. Stubby. 20". One of the brown paper bags was obtained.

BILL and JANE MC LAUGHLIN and their son [REDACTED], the proprietors of that minnow shop, were all interviewed in this matter, and composite photographs of GALT exhibited to them with negative results. Neither they nor LAWRENCE PARKER, a frequent customer to the minnow shop, could identify GALT by photograph, nor did they recall an individual driving a white Mustang with an Alabama license purchasing a six pack of twelve-ounce pop-top Schlitz beer from their minnow shop.

Mr. MC LAUGHLIN advised that GUS (last name unknown), a salesman for the Service Beverage Company of Clarksdale, Mississippi, delivers their beer to them, and that from his records, on April 1, 1968, he purchased 17 cases of twelve-ounce Schlitz pop-top beer; on April 10, eight cases; on April 11, six cases; and on April 15, 1968, two cases.

It was noted that the Southaven Minnow Shop is one-half mile south on Highway 51 from the Tennessee State Line in Mississippi and exactly three miles south of the Oliver Rexall Drug Store on Highway 51, Whitehaven, Memphis, Tennessee.

LEW HOUSTON, Manager of Service Beverage, a Schlitz Beer Distributor, Clarksdale, Mississippi, advised that all their beer is brewed and sent to them from their Schlitz Brewery in Longview, Texas.

HOUSTON said that GUS THOMPSON is their truck salesman to the Southaven, Mississippi, area and does deliver Schlitz beer to the Southaven Minnow Shop in Southaven, Mississippi.

HOUSTON said on March 15, 1968, his company received 2100 cases of the twelve-ounce pop-top Schlitz beer from their Longview, Texas, brewery and all of that beer has been distributed.

HOUSTON said that on March 20, 1968, his company was shipped 924 cases of that beer from Longview, Texas, and that he has 35 cases of that particular beer left, which was brewed at Longview on March 15, 1968, which date is recorded on the cans. HOUSTON said that this particular shipment was sent on March 15, 1968, from Longview to him.

HOUSTON said that therefore all Schlitz beer brewed at Longview, Texas, on March 15, 1968, was received by him on March 20, 1968, and that of the 924 cases received, he has 35 cases remaining. HOUSTON said that from his records, the Southaven Minnow Shop on March 21, 1968, received four cases of the twelve-ounce pop-top Schlitz beer; on March 28, 1968, five cases; and on March 30, 1968, twelve cases. HOUSTON said that that beer received at the Southaven Minnow Shop would have been a portion of the beer brewed in Longview, Texas, on March 15, 1968, and received by him in Clarksdale on March 20, 1968.

By communication dated April 17, 1968, the following items were forwarded to the FBI Laboratory, Washington, D.C., by the Jackson FBI Office:

One empty Schlitz beer can, 12-ounce size, from Southaven Minnow Shop, Southaven, Mississippi;

One brown paper bag from Southaven Minnow Shop, Southaven, Mississippi.

By communication dated April 24, 1968, the FBI Laboratory, Washington, D.C., furnished the following information:

Specimens received 4/19/68

K169 Empty Schlitz beer can, 12-ounce size, from Southaven
Minnow Shop

K170 Brown paper bag from Southaven Minnow Shop

Results of examination:

Marks appearing in the number impressions on the bottoms of K169 and the previously submitted Q53 can of beer were identified as having been made by the same number dies. The marks on the Q52 can of beer were not identified with K169 or Q53, possibly because the marks were not so deeply or completely impressed in Q52.

The K170 paper bag was found to be similar in all observable characteristics to the Q55 paper bag which was previously submitted.

Re San Francisco teletype to the Director, 5/2/68.

SUSPECT HAROLD EDWARD NICHOLS, aka Hal Nichols.

For information of offices not previously having information concerning NICHOLS, he is considered possible suspect and co-conspirator because of an alleged offer to an informant to furnish airline tickets and untraceable weapon if the informant would travel to unspecified place to kill certain designated Negro leaders including MARTIN LUTHER KING.

The reliability and credibility of the informant is unknown but is considered subject to doubt because of discrepancies of his stories, and because of information received from other sources.

NICHOLS has been extremely active in affairs of the American Independent Party in California, promoting GEORGE WALLACE for president.

AGENTS IN INTERVIEWS SHOULD EXERCISE DISCRETION AND CAUTION TO PREVENT ANY FALSE ALLEGATIONS THAT THE FBI IS CONDUCTING INVESTIGATION CONCERNING ACTIVITIES OF THE AIP.

Special Agent in Charge

HAROLD EDWARD NICHOLS, commonly known as HAL NICHOLS, was interviewed at his apartment, #33 Los Palmas Apartments, 15375 Tropic Court, San Leandro, California. After proper identification, he was advised that investigation was being conducted by the Federal Bureau of Investigation concerning a violation of Federal Law in connection with the murder of Dr. MARTIN LUTHER KING. Further, that an allegation had been received that Mr. NICHOLS might have information pertinent to this matter on the basis of remarks NICHOLS is reported to have made concerning such matters in the presence of others.

Mr. NICHOLS advised that he has no information concerning the murder, and except for his personal opinion as to who might be responsible, has no specific information concerning the murder. He said he had absolutely no objection to discussion of the matter.

Mr. NICHOLS advised that he is extremely active in the political field at the present time and in the recent past. He is a member of an eight man board in charge of promoting candidates for the American Independent Party (AIP) in California, and particularly in behalf of the candidacy of former Governor GEORGE WALLACE of Alabama for President. He stated that most persons not familiar with the AIP program and objectives, seem to assume that those favoring AIP are what is sometimes termed "negro-baiters." He denied that this is true, and said that from the view point of promoting the AIP, the murder of Dr. KING under such circumstances was a set back to the AIP who might have favored their principles.

He said that no one knowledgeable in affairs of the AIP would have caused or participated in a situation or action such as this in that it would be certain to make a "Martyr" of Dr. KING, which would hurt the AIP.

However, since persons generally seem to associate AIP members with "negro-baiters," he is frequently "kidded" along such lines by certain persons with whom he regularly comes into contact.

SF 173-65

WH:ay

He said that in recent months he has regularly frequented the Blue Dolphin, a San Leandro restaurant, and in fact assisted in arranging a couple of luncheons there in honor of WALLACE. Therefore, he has become acquainted with the owner of the Blue Dolphin, BILL PELUSO, and with many of the employees, including the bartenders.

When he goes to the cafe, he frequently goes to the bar and the bartenders frequently "kid" him concerning some current event involving Negroes or the AIP. This has been going on for several months, and everything said has been in jest.

However, he speculated that some person hearing such conversation might misinterpret the conversation, and draw a conclusion which would not be warranted.

In connection with Dr. KING's murder, he recalls such a conversation in the bar of the Blue Dolphin either the same night Dr. KING was killed, or possibly the evening after that.

As he recalled he had been driving on the Nimitz Freeway in Oakland, about 5:00 pm the night of the murder, April 4, 1968, when he first heard the announcement on the car radio.

When next visiting the Blue Dolphin, he recalled one of the employees greeting him with the comment "Well, I see you got him," or some similar comment. He believed he replied that "It wasn't me."

The next comment dealt with "How did you get back from Memphis so soon?"

As he recalled, he made some facetious remark such as "There's planes leaving every hour."

He again stated that the above conversation was strictly in the nature of "kidding," and except for the actual specific subject matter, was very similar to other comments made at the same place on numerous occasions.

He believed that these comments could have been misconstrued by someone who heard them, if the listener did not understand the circumstances or attached some literal interpretation to the remarks.

Mr. NICHOLS said that he had no objection to furnishing his whereabouts on March 29,30, 1968 and April 4, 1968, and to furnishing independent substantiation if he could.

Relative to the date April 4, 1968, Mr. NICHOLS said that he could definitely establish his whereabouts on that date. He stated that he left the Bay Area in his own car sometime between 7:00 and 9:00 am, drove to Berkeley, California, where he picked up a real estate dealer named CYRIL STEVENSON, Jr., telephone 524-2392. They then proceeded to Oroville, California, to look at some real estate which they were considering for investment purposes.

He recalled that they visited a savings and loan association in Oroville, but does not recall the name of it, although Mr. STEVENSON would probably know. To the best of his recollection, they returned to the Bay Area about 5:00 pm. He dropped Mr. STEVENSON off at his car in Berkeley, and proceeded out the Nimitz Freeway toward San Leandro. It was at this time that he first heard of the killing of Dr. KING on his car radio.

In further support of his whereabouts, Mr. NICHOLS said that when in San Leandro he frequently charges his gasoline at a Douglas Service Station on Marina Blvd. When traveling, he pays cash. He does not use a credit card. Whether charged to his account, or when paying cash, he usually obtains a purchase ticket. He throws these tickets in the glove compartment of his Cadillac where they are available if needed for his business records.

He located in his glove compartment the following charge tickets which he said recorded purchases at Douglas Service Station, Marina Blvd., San Leandro, both dated April 4, 1968:

Ticket #B 036026 dated 4/4/68 recording purchase of \$5.00 of gasoline.

Ticket #B 36186 recording purchase of \$4.55 of gasoline.

Mr. NICHOLS said that undoubtedly he had put gas in the car in the morning when leaving for Oroville, and had put in gas upon his return that evening.

SF 173-65

WH:ay

A search of the available tickets failed to record any purchase of gasoline in the Oroville area, although Mr. NICHOLS believed they must have purchased gasoline. He does not recall, but thought that perhaps Mr. STEVENSON had paid for some gasoline in the area.

Relative to his whereabouts on March 29,30, 1968, Mr. NICHOLD said that he does not recall specifically where he was. He stated that he tries to go to his home in Southern California every other weekend to visit his wife and 2 1/2 year old son. By consulting a calendar, he determined that this would have been the weekend when he normally visited his wife.

When he makes this trip, he normally leaves on Saturday morning, which in this instance would have been March 30, 1968. He sometimes drives and sometimes flies via Air California from Oakland, California Airport to Orange County Airport.

He searched his available gasoline tickets and could locate no record of purchases on March 29 or 30, 1968. This indicated to him that if he had visited his home in Southern California that weekend he had probably gone by air.

Mr. NICHOLS was asked if he could establish his whereabouts on March 29 & 30, 1968 through other records. He said that his business records probably would not show such information, with the exception of his appointment book, which might give him a clue as to where he had been. He contacted his secretary and ascertained there were no notations in his appointment book for those dates.

He said that he has discontinued the use of a checking account due to several civil suits having been filed against him, so he could not establish his whereabouts by cancelled checks.

He does not use credit cards, whether for gasoline or airline travel. He examined numerous airline ticket folders which he found in his apartment. He said he makes no particular effort to save these. He found some undated and none for the pertinent dates. There were no copies of tickets.

SF 173-65

WH:ay

Mr. NICHOLS advised that he makes numerous long distance telephone calls, business, personal and political in nature. He makes them from his business phone, 483-3151, and from the phone in his apartment, 483-1270.

He said his telephone bill for the period contains record of numerous long distance telephone calls which could definitely establish that he was in San Leandro on March 29, 1968 and probably on March 30, 1968. He furnished the following concerning these records:

March 29, 1968

- 10:13 am Telephone call to 714 774 2969, Anaheim, California where he talked to an ex-business associate RUSSELL TOWNSEND.
- 4:34 pm Telephone call to 714 871 2950, Fullerton, California, where he talked to JIM TOWNSEND, brother of above RUSSELL TOWNSEND.
- 3:49 pm Telephone call to 805 831 5379, where he talked to Mr. MAYALL, State Chairman of the Committee directing AIP campaign in California. He believes this telephone number is no longer in use, but Mr. MAYALL can be reached through 871 6283 in Bakersfield, which Mr. NICHOLS believes is the home telephone of Mr. MAYALL.

Collect telephone call, person to person, received by him from AL STANLEY, who was calling from telephone 553 4530 in Oroville, California. Mr. STANLEY does not have a telephone, so location of above phone is unknown to him. STANLEY can be located through the M&K Hancock Service Station in Oroville.

March 30, 1968

His telephone records reflect that at 12:11 pm, a call was placed from his office to 916 725 2908, Roseville, California. He noted that this is the telephone number of his employee, CHUCK SULLIVAN, who works in San Leandro but returns to his home in Roseville on Friday evening for the weekend.

SF 173-65

WH:ay

Mr. NICHOLS does not specifically recall making this call, and in reality it could have been made by any company employee. However, he sometimes handles Saturday business at the office so SULLIVAN can go home on Friday, and it is most likely that he is the one who made the call.

Since this is the last recorded call on Saturday, March 30, 1968, and since he is quite certain he visited his wife in Southern California on that weekend, he feels that shortly after this call he went to the Oakland Airport and got a flight to Orange County Airport.

He said he would have flown Air California Air Lines and since they make their reservations by name, this line should have a record of his having made such a trip.

He also volunteered information on a trip he had made back East. He said his mother-in-law, JEANNETTE CRITTENDEN, 502 Lee Circle, Johnson City, Tennessee, died about two to three weeks prior to March 1, 1968. His wife had naturally gone back for the funeral. His wife remained there for two or three weeks after the funeral to clear up details of the death and the estate.

Mr. NICHOLS said that he desired to visit his wife's relatives and to bring his wife back to California. He decided to drive his car back to Johnson City, and because of his interest in activities of the AIP, he decided to stop and confer with leaders of that party in Montgomery, Alabama.

He said that en route to Johnson City, he stopped in Montgomery on the night of February 27, 1968, at which time he stayed at the Holiday Inn, Midtown. Next day he drove to Johnson City, where he stayed a few days at 502 Lee Circle.

On March 3, 1968, accompanied by his wife and small son, he was again in Montgomery en route to California. At this time, he stayed at the Town House Motel.

He next has record of a cash receipt from Cotton's Truck Stop, Las Cruces, New Mexico on March 5, 1968, which he said was for the purchase of gasoline on his return trip to California.

SF 173-65
WH:ay

Mr. NICHOLS advised that he was born [redacted] Aberdeen, Washington. He has been in California most of the time since 1945. He attended high school at Golden Gate Academy, which was at that time in Berkeley, California, but which moved to some hill area near Oakland. He is not sure it is still in operation. He graduated in 1947.

During the school year 1950-51 he attended La Sierra College in Riverside, California.

From 1951 to 1953 he was in the U.S. Marine Corps under MSN 1206458. Since 1953, he has worked as a salesman, principally in California, but actually traveling in numerous states.

He is married and his wife lives in Southern California. He said he is reluctant to furnish her specific address because he feels that reprisals against his wife and child are very possible because of his political activities in behalf of AIP should her address become generally known.

He said that he established a business in Sacramento, California in July, 1967, known as Certified Wire Service. This business is still in operation but he intends to dissolve it as it is losing money.

He came to San Leandro in December, 1967, and established his present business known as Diamond Fence Co., 14494 Wickes Blvd., San Leandro.

He is active in experimenting with gold dredging combined with skin diving, and spends some weekends in the Sierra stream areas searching for gold, or conducting experiments along those lines.

He also had interest in speculative investment in businesses in the Oroville area, which are in a depressed state due to departure of the workmen engaged in building the now completed Oroville Dam. He believed such property could be purchased cheaply and held until business picks up, insuring an excellent profit. He has abandoned this idea, at least temporarily.

SF 173-65

WH:ay

He said that he has no photo of himself at the present time due to theft of his billfold, with the exception of the photo on his driver's license, California #B 295 330.

He said he has been arrested, but not since he was in the US Marine Corps.

He is described as:

Race	White
Sex	Male
Nationality	American
Date of birth	
Place of birth	Aberdeen, Washington
Height	5' 8"
Weight	220

Mr. NICHOLS volunteered that should further information or clarification be desired, he would be pleased to attempt to furnish such information.

MATCH BOOK FROM REID MOTEL,
GREENVILLE, ALABAMA, FOUND BEHIND
107-113 14TH STREET, N.E., ATLANTA, GEORGIA

The following investigation was conducted on
May 3, 1968 by SA DANIEL W. MC ALLEN, III, at Greenville,
Alabama:

Mr. LONNIE DANIELS, SR., Manager, Reid Motel,
Highway 31, advised that he has been working at this motel
for the past two years, and presently is managing same in
the absence of the owner, Mrs. ETHEL B. DYKES. He said that
he normally checks guests in and out of the motel and feels
certain he would recognize individual guests from photographs.
DANIELS said he was a law enforcement officer for 16 years
and has had experience in identifying people from photographs.

DANIELS was shown photographs of JAMES EARL RAY and
could not identify any of the photographs as anyone having
stayed at this motel in the past. In addition he made avail-
able records of the motel which were examined by SA DANIEL W.
MC ALLEN, III, but no registration for Subject RAY, under his
true name or aliases, was found. This check covered the
period from April, 1967 to date.

DANIELS stated that match books at this motel are
not kept out in the open where anyone could pick them up, but
are given out to persons only on request. He said that the
motel has used several different colored match books, and
the printing on the match books have differed at times. He
stated that if the color of any particular match book and the
writing thereon were made known to him, he would possibly be
able to pinpoint the approximate time the match book was
dispensed at that motel. DANIELS advised that numerous persons
from the Atlanta, Georgia, area frequent this motel.

Mrs. MARY OWENS, maid, Reid Motel, was shown photo-
graphs of RAY, but could not identify the photographs as anyone
having stayed at that motel in the past.
