Re: 1967 FORD VIN 7A62H160143
ALA. LICENSE 5-19936

Re vehicle is listed as stolen 3/20/68 at Mobile, Ala., and unrecovered to date.

Detective TROY POUNDER, Auto Theft Detail, Mobile PD, advised SA HARRY J. DEGNAN on 5/7/68, that stolen vehicle report 20837, dated 3/20/68, covers the reported theft of a 1967 Ford VIN 7A62H160143, Alabama license 5-19936. The vehicle is owned by ALTON BOYETTE, 909 Daphne Rd., Bay Minette, Ala. According to theft information the car was stolen from a location at the Shady Banks Motel on Highway 90 West in Mobile. The victim owner had apparently taken or met a female at the motel for the purpose of an illicit sexualdate and after the victim had removed his trousers, his female companion took them and threw them out the motel room door to a companion who was outside. This companion took the trousers, the car keys of the owner, and the two of them drove away in the victim's car, leaving him at the motel sans trousers.

Thereafter, on the evening of 4/16/68, WILLIAM HENRY GATES and his 17 year old wife were arrested following a high speed chase by a State Trooper in Baldwin County, Ala. Shots were fired during the chase and resulted from an armed robbery occurring at Fairhope, Ala. The female companion of GATES was badly injured and is at the Mobile General Hospital. GATES is lodged at the Baldwin County Jail, Bay Minette, Ala., on an Alabama armed robbery charge.

Additionally the vehicle in possession of GATES at time of arrest had been obtained from an Orange County, Fla., resident on 4/17/68. The owner of this car had been held at gun point for eight hours in Florida before the car had been taken from him.

Detective POUNDER stated that following the arrest of GATES he had been identified by ALTON BOYETTE as the person who had stolen the 1967 Ford from him at the Shady Banks Motel.
