Re Richmond airtel to Atlanta, 4/19/68.

The following investigation was conducted by SA THOMAS C. RENAGHAN, JR., at Atlanta, Georgia:

Mr. D. A. DOED, Supervisor, Crew Scheduling, Delta Airlines, Atlanta Airport, on 4/23/68, identified the stewardesses aboard DAL Flight 725 on 4/1/68, as SYLVIA PAGE, DIANE MOSKLEY and SUE STULLER. DODD advised that SYLVIA PAGE is currently on a leave of absence, having recently been married.

SUB STUNCER, Stewarders, DAL, was interviewed on 4/23/68, at the Atlanta Airport, and advised that on 4/1/68, she was the First Class Stewarders on Delta flight 725. She advised in this capacity she received passengers at the front of the plane and recalled receiving a rifle case from a male passenger. She advised as is customary, she brought the case to the pilot's cabin and stored it there until termination of the flight in Atlanta, Ga. She advised DAL policy does not require that any record be made indicating the name of passengers bringing weapons on plane.

She advised she had little or no recollection of the individual from whom she received the weapon. She stated a review of the passengers as listed on the manifest for that flight did not refresh her memory in identifying this individual. The published wanted flyer of JAMES EARL RAY was exhibited to Miss STUMLER and she advised she recalled having seen photo on television but could not connect it with passenger bringing weapon on plane.

DIANE MOSELEY, 532 Cleveland Avenue, Apt. 12-C, Hapeville, Georgia, advised on 4/23/68, that she was on duty in the tourist section of DAL Flight 725 on 4/1/68, with SYLVIA PAGE. She advised that her duties required her to remain in the rear section of the plane while the passengers bearded and that she does not recall a passenger bringing a weapon case on the plane. She also advised SYLVIA PAGE was in the rear of the plane and would not have been in a position to observe this. Miss MOSELEY advised based on the limited description available, she could not recall the individual described in referenced airtel.

The published wanted flyer of JEAMES EARL RAY was exhibited to Miss MOSELEY who advised she was unable to identify him.

In view of information furnished by Miss MOSELEY it appears as though Stewardess SYLVIA PAGE would not have been in a position to observe incident or identify individual, and in view of her unavailability, she will not be interviewed.
