UNITED STATES GOVERNMENT

Memorandum

TO : SAC (157-10673) (P)

FROM : SA STEPHEN M. CALLENDER

SUBJECT: MURKIN

DATE: 5/15/68

Predication for Investigation

CHARLES METHVIN, the former owner and operator of the Music Box Bar on Canal Street in New Orleans, when shown photographs of JAMES EARL RAY appearing on the IO, stated that during the Spring of 1967 he occasionally hired two individuals to play music at the bar a couple of nights a week. He states that the smaller of these two unrecalled individuals who played the guitar, resembled the photograph and description of JAMES EARL RAY. He stated they also have played in the area of Denham Springs, La.

METHVIN stated he paid them in cash for each night they played and they were traveling in a late model white Cadillac convertible, believed to have California license. He states that possibly an ex-convict bartender of his by the name of BILL MILLER, who last resided about three weeks ago at Dutch's Hotel, located in the 2800 to 3000 block of Magazine Street, might possibly provide more information.

METHVIN said there was a barmaid at the Music Box by the name of DIANE SHAW, residing in New Orleans at telephone number 242-2009, who might provide additional information.

LEAD:

AT NEW ORLEANS, LA. Will locate and interview BILL MILLER and DIANE SHAW regarding the two musicians mentioned above and exhibit photos of JAMES EARL RAY.

According to Mr. DURYEA, this document is an affidavit filed by the student when he returns his first lesson to the Locksmithing Institute. He has no way of determining when this document might have been received, however, he would assume that it was submitted with the first lesson or else there would be a notation made on the back that his institute had submitted a follow up letter to the student.

In addition to the above documents, he made available two addresses which are as follows:

Mr. ERIC S. GALT

Dr. DURYEA further informed that the order of addresses would have been as follows: the Montreal, Canada, address, the first address that his institute received. The Los Angeles, California, address, the second received. The Birmingham, Alabama, address, the third address and the address on the student ledger card in Atlanta, Georgia, the most recent address which was March 30, 1968.

A search was made of the subscriptions for the Locksmith Ledger which is housed in the same building as the Locksmithing Institute and no subscription could be located under the name ERIC S. GALT.

Mr. DURYEA advised that everything, including lessons, payments, letters or any correspondence of any nature, received by the Locksmithing Institute or Locksmith Ledger would be immediately maintained by him and given to the Federal Bureau of Investigation as soon as possible after it is received.

Specimens received from Newark, 4/13/68

Q134 Enrollment Form of the Locksmithing Institute, Little Falls, N. J., dated 7/31/67, in the name "Eric S. Galt"

Q135 "Confidential Information" form of the Locksmithing Institute, bearing the signature "Eric S. Galt"

Result of examination:

The "Eric S. Galt" signatures on Q128, Q130, Q131, Q132 and Q135 were prepared by the writer of the signatures in this name appearing on items previously submitted in this case.

The typewritten impressions appearing on Q127, Q128, Q130, Q131, Q132 and Q135 were found to be the same style of type but the lack of identifying defects precluded a determination as to whether the same typewriter prepared all of these items; however, no significant differences were noted between the impressions appearing on these items. The style of type appearing on these specimens conforms to a standard for Royal pica style of type spaced ten letters to the inch. This style of type also appears on a typewriter sold under the Singer name.

It was determined that the hand printing appearing the Q133 order blank and the Q134 enrollment form was prepared by the same individual. No questioned hand printing appears on the other items received.

Indented impressions were noted on the reverse side of the Q128 letter. The names "Ray", "Galt" and "Rily" and numerals "ET3623" were some of the notations interpreted on this item.

Specimen received 4/15/68, from FBI, Chicago

K35 Nine sheets of paper bearing known handwriting and hand printing of GINGER NANCE

Result of examination:

It was concluded that the hand printing appearing on the Q215 envelope was prepared by the individual responsible for the preparation of the hand printing on the Locksmithing Institute Enrollment Form and the Superior Bulk Film Company order blank which were previously submitted in this matter.

No significant indented impressions were noted on this envelope.

Except for the word "broult" it was concluded that the questioned writings on Q118 (torn "Kleenex box") were prepared by GINGER NANCE, K35. Similarities were also noted between the word "broult" and the known writings of NANCE but the lack of known writing precluded a definite opinion from being reached.

Result of examination:

It was concluded that the questioned hand printing appearing on Q248, Q249, Q250 and Q251 was prepared by the individual responsible for preparing other hand printing on specimens in this case attributed to Eric S. Galt.

The typewritten impressions appearing on Q252, Q253 and Q254 are similar in style to those appearing on other items received in this matter believed to have emanated from Eric S. Galt, but the lack of identifying defects precluded a definite determination as to whether the same typewriter was used to prepare all of these items; however, no significant differences were noted.

the amount of \$17.50, signed "Eric Galt"

Result of examination:

Although the photocopy, Qc288, lacks the quality necessary for a satisfactory comparison, some differences were noted between the writing appearing on the face of this item when compared with the writings appearing on specimens submitted in this case.

Some features noted on Qc288 which might give an indication of its place of purchase are a stamp with the wording "Montreal 23 VII 67;" the number of the money order, "C-31,600,868;" the printed name "Hector Cormier" at the bottom of the money order and the initials "M." or "N." "D." on the bottom line to the right of the printed Cormier name.

By communicated dated April 23, 1968, the FBI Laboratory advised as follows:

Two latent fingerprints of value developed on envelope, Q253, and two latent fingerprints developed on envelope, Q254. One of the latent fingerprints on Q253 and one of the latent fingerprints on Q254 have been identified as fingerprints submitted for elimination purposes of GEORGE FLOYD DURYE. The two remaining latent fingerprints are not identical with the fingerprints submitted for elimination purposes or of the fingerprints of JAMES EARL RAY, FBI #405942G.

The latent fingerprint previously reported on the white envelope bearing hand printed address in part "Locksmithing Institute," Q215, has been identified as a fingerprint of LYNN CASHNELLI MENZIES, who is an employee of the Locksmithing Institute.

Dear Mr. Johnson:

Following this note are the names and addresses of whites, subscribers to my publication whom I thought might bear checking out in the case of the slaying of Dr. Martin Luther King.

If you don't mind a theory, you might consider the slaying in the same light as the bombing of the church in Birmingham in 1962, or '63. That was done for a purpose, to intimidate the Negroes bent on integrating the schools of Alabama that year, as a prelude to Gov. Wallace's standing in the schoolhouse door. Neither the church nor the children was the primary target, but the resolve of the Negroes.

There must have been many times when Dr. King could have been more, or as, conveniently killed. I have no doubt that the purpose was achieved when the Negroes rioted after the assassination. The only question in my mind is who wanted the riots this time, the Wallace-ites, the leftwing, or even ambitious people in between.

In the event you think it was a "racist", or rightwing political killing, Montgomery, Mobile, and the small towns of Alabama might be a good place to look for Gault or Ray. Gault, by the way, rings a bell in my memory as a fairly common Alabama name. I have traveled and lived in Alabama the best part of the past 10 years. I know Mobile, Montgomery, Barbour County, Macon County and all the surrounding counties very well. Alabama probably has the highest per capita White Citizens Council membership in the country, people who would bomb a church, burn a school, kill one or several people to make their point.

The Tuskegee names I am giving you I know to be white and in the main Council members, people who intended to get me, I have been told, had I continued publishing in Tuskegee, people who were almost equally guilty with that Segrest man who shot and killed Sammy Younge, Jr. in Tuskegee the year after I left and after he had taken up the cudgel -- with a lot less finesse, unfortunately after I left. The others I just think are white.

I also have a number of white liberal southerners, including the usual run of white leftwing southerners and a number of those on the Coast. I don't know whether I should list them or not. The left pretended to great devotion

Mr. Lloyd Johnson, 2

to Dr. King and raised money for him and gave to him liberally; but when it comes to whatever it is they want, a shift of power to themselves, to change the system, etc., I wouldn't trust them behind the shadow of a broomstick. I think they have made it very clear that they have a vested interest in the Negro riots.
