In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

unidentified dead for the period beginning 4-5-68; and if fingerprints on such dead are maintained, they should be compared with those on the Identification Order on Ray in order to effect identification or nonidentification. This should be handled in the normal course of business and only reasonable investigation should be pursued along these lines.

The Identification Division has placed an appropriate stop on unidentified deceased inquiries it may receive. If feasible, appropriate offices and Legats, Mexico City and Ottawa should place similar stops with appropriate state, local or national agencies in your territories.

For your information and investigative assistance, subject James Earl Ray took a bartending course in Los Angeles, California, during the early part of 1968, and prior to his departing Los Angeles, in March of 1968, he made several telephone calls to country clubs in an effort to obtain employment.

This should be borne in mind in covering leads in connection with this and other cases.

Eugene Ore May 13 1938.
Gentlemen: In room Twenty seven
(27) Belvedere Hotel 636 Willamette
St. Eugene is a roomer name
unknown who fits the description
of James Earl Ray or who would
for Rev. Kings assassination. He speaks
when he does speak (generally very faint)
with a slight southern accent
peculiar to most missourians. An
F.B.I. friend on Ray set me up to be
near by so a close comparison is
made and there is very close
resemblance between them.
