He furnished the following information on a local notorious murder which occurred last Friday, 4/19/68:

The victim, OLIVIA BROWN, aka Olivia Akles, was a long-time friend of his and she was by his house the day before she was killed, at which time she said that her pimp (no other information) had a cousin who was a mutual acquaintance, named WILLIAM SAUNDERS, aka William Sanders, who is a Negro male, about 23, and has a Portland police record. She also told him that she had been hit in the head (no other information) a couple of days prior by a young Negro male named HAROLD HANNICK, who just got out of Rocky Butte Jail and has a local police record.

This information was immediately furnished to Detective MURRAY LOGAN, Portland PD, who advised he would utilize same in furthering his investigation.
