Re Tampa teletype to the Bureau, dated 4/13/68;
and Newark teletype to the Bureau, dated 4/12/68.

Regarding MORRIS CLAYTON SKAGGS:

MORRIS C. SKAGGS was arrested for motor violation
4/13/68 and confined to Beaver County Jail. He was born
[REDACTED] at Jonesboro, Arkansas, is 6'2", and then weighed
215 pounds. He has a tattoo on his left forearm and has
FBI Number 204 864 F.

A photograph of SKAGGS has been obtained and will
follow.

Mrs. BETTY WITTENEGGER, Van Buren Homes, Beaver,
Pa., SKAGGS' mother-in-law, advised neither she, her husband,
or her daughter, SKAGGS' wife, have had any contact from
SKAGGS and are unaware of his whereabouts or activities.
She pointed out that her telephone number and her daughter's
telephone number and address are unpublished primarily for
the reason of avoiding contact with SKAGGS. She stated
her mother-in-law, Mrs. RUTH HARRIS, recently had an early
morning telephone call believed to be from SKAGGS, but
his whereabouts at the time of the call were unknown.

The composite drawings of unsub were exhibited to Mrs. NIPPENEGGER, and she stated they did not, in her opinion, look like SKAGGS. She stated SKAGGS' parents reside in Jonesboro, Arkansas, but that family members here have no contact with them primarily to avoid disclosing SKAGGS' wife's address.

Mrs. RUTH HARRIS, Beaver, Pa., advised that sometime during the week prior to 4/13/68, at exactly 4:50 a.m., she received a telephone call from an individual whom she did not initially recognize by his voice, but he mentioned CAROL, and she then determined it to be MORRIS SKAGGS. She stated she talked to another individual who was with SKAGGS, but told them she did not want to talk to them and hung up. She then contacted the operator in an effort to determine where the call had been placed from and the operator told her she could not determine this since it was an out of the district call. Mrs. HARRIS stated the last contact she had was a similarly foolish call in the early hours from SKAGGS prior to Thanksgiving of 1967. She stated her number is the only published telephone number of family members in Beaver County, and the only contact point SKAGGS has.

CAROL SKAGGS resides at 1284 Chapel Road, Monaca, Pa., unlisted telephone 775-8957, and is a high school teacher at Rochester High School. Efforts to locate her, both at her residence and telephonically, the afternoon and evening of 4/16/68, were unsuccessful; however, since a photograph of SKAGGS has been obtained, and based on the contact with CAROL SKAGGS' mother, no further effort will be made to locate her.

RE: Memo NC ROBERT J. O'BRIEN 4/19/68.

On the night of 4/19/68 Sgt. HANSEN, Tampa PD was contacted telephonically at the Kash and Karry Store, 1725 N. Dale Mabry, Tampa and he advised he was working off duty in such store and a customer, who was a "real petite dinky peanut" started talking away to him and mentioned she had seen the picture of ERIC GALT in the paper and several days before she saw the picture she had seen a man who had looked something like it. He said he did not think there was anything to the matter but to just show the girl he had contacts with the FBI he got her name, address and telephone number and said he would tell the FBI about it anyway.

On the night of 4/19/68 Mgs. MARSHAL GOWAN, in the presence of her mother, was interviewed at her mother's residence, 6803 Larmon Ave., Tampa, Florida. She advised she is also known as MARSHA ANN HUDSON and she is in the process of being divorced. Her mother and father are Mr. and Mrs. JOHN T. HUDSON. She is twenty years of age and is employed as a saleswoman for SARA CAVENTRY Jewelry which has headquarters in NYC and they work to sell jewelry as the Tupper Ware people, having parties in neighborhood to get women together to sell to.

Mrs. GOWAN advised that on Tuesday afternoon, time unknown, April 16, 1968 she had gone to Madison Drug Store, Northgate Shopping Center, Tampa and while sitting at a food counter she noticed a white, male sitting at the counter also, about ten stools away from her. She said she could not tell how tall he was, nor his weight because he never stood up. She said he had "crooked eyes" and was "twitchy". She said the waitress gave the customer a glass of iced tea, and when asked if could have been iced coffee, she said no it was iced tea. This unknown w,m, just sat there and looked around. His hair was "all messed up". She did not talk to him and merely observed him for about a few minutes. She said she was attracted to this male because he appeared "nervous" and gave a furtive appearance. She has only been in the Drugstore on one occasion. She did not know anything more about this male and she happened to see a photograph of GALT in a local

newspaper several days later and thought he could have been this male she had seen in the Drugstore. She said the only thing that she could think of was that she noticed his eyes and they "got her" and therefore she noticed the eyes in GALT's photo and she thought they looked like the unknown customers's eyes.

Mrs. GOWAN stated she could not "tell what the man word". She stated she did remember the male had a real "red complexion". Wanted Flyer of GALT and JAMES RAY exhibited to Mrs. GOWAN resulted in her stating that she could not identify GALT as being identical to unknown male.

Mrs. GOWAN rambled on for about two hours and really had no concrete information that could establish subject identical to an unknown male she had noticed for a few minutes.

Mrs. MC LENNAN advised that at approximately 3:30 AM, when she was "three sheets to the wind", she engaged in conversation with a young white male, whom she thought to be about 25 years of age and who told her that he was an unemployed merchant seaman. Mrs. MC LENNAN was then shown a series of photographs which included Top Ten Fugitives, other Bureau fugitives, gambling subjects and the photograph of JAMES RAY, aka., Eric Starvo Galt. She stated that none of the photographs shown her were identical to the individuals she had observed at the Lamp Post Restaurant who identified himself as the unemployed merchant seaman. She advised that she had seen RAY's photograph in the newspaper and on TV and believed that she was actually talking with GALT the night she was inebriated. She could not, in effect, recognize the photograph of GALT or JAMES RAY being identical with the merchant seaman with whom she had conversation at the Lamp Post on 4/21/68 in the early AM.

Tonight at 9:05 PM, an individual identifying himself as GEORGE SANFORD telephonically contacted this office and furnished the following information:

Mr. Sanford advised that he is a former college professor and presently employed by the City of Lakeland, Fla., as Director of Planning Department. Sanford furnished address of 539 W. Maxwell, Lakeland, Fla., and telephone 686-4953. Tonight after returning to Tampa from Jacksonville Sanford advised that he dined at BARTKE's Restaurant at the International airport and while there noticed an individual with a female companion who, according to Sanford, had identical features as subject being sought in this case as depicted in today's, 4/20/68, issue of the Tampa Tribune. Sanford alleged that he called the manager of the Restaurant over to his table and asked if he, the manager, did not agree that the individual in question appear identical and the manager allegedly disagreed with Sanford; however, Sanford indicated that he felt the manager did not agree as he, the manager, did not wish to become involved in the matter nor bring any adverse publicity to the restaurant. Sanford continuously contended that the individual, in his opinion, was identical enough in features that he felt this agency should by all means "check him out" to determine his identity.

SUBJECT: MURKIN; CR,
(OO:ME)

At 6:10 PM this date Mr. Arthur De Witt, 6431 - 34th Terrace, North, St. Petersburg, Fla., telephone 345-7837, advised that his wife informed him today that she had observed an individual earlier today at the intersection of 38th Ave. and 49th St., No. which she felt bore a striking resemblance to subject being sought in this case. De Witt advised that his wife indicated that the individual was driving what appeared to be a 1957 Ford bearing Kentucky license 127-634. The only feature Mrs. De Witt questioned was the fact that the individual she observed had blond hair and the subject in this case has been described as having dark hair.

Supervisor Belanger advised and assigned SA Pieper to handle and if investigation developed information of importance considerations should be given to transmit teletype to Louisville Division to attempt through MVC to identify person observed by Mrs. De Witt. SA Pieper advised.

Submitted for information.

He advised that he had told PERSONS about it, without identifying his informant, as he felt it would make a good local story to effectively point out that it takes "a sick mind" to do a thing like that, and this particular crank was such a person. Further, ~~PERSONS XXXXXXXXXXXXXXXXXXXX PERSONS~~ JANE explained that PERSONS has furnished him, JANE, with "confidential tips" which have been helpful to him, JANE, in his business, so JANE passed this "story" on to PERSONS as a way of paying him back for past favors. He said he realized that PERSONS was always trying to "scoop" the Orlando Daily Newspapers (his former employers) with timely news stories having a local angle, and he felt that this incident would provide PERSONS with a story of current interest.

Due to the unreliability of the Corner Cupboard, and particularly Reporter TODD PERSONS, who is accustomed to "making up stories" which have no factual basis, it is felt that no further action is necessary in this matter.

Crank Call To Memphis

About 45 minutes after the assassination of Civil Rights leader Dr. Martin Luther King in Memphis, Tenn. last week, a telephone call was placed from a pay phone in Orlando to a large Memphis newspaper.

The call was made collect by the man who gave the telephone operator a bland, easily-made up name.

The newspaper, grasping as everyone else was, at any clues at all to the crime, accepted the charges.

Then the voice from Orlando said, "We got him tonight. But don't worry, we'll get (Civil Rights

militant) Rapp Brown within a week."

Since the call was made from a pay booth, it was impossible to trace it past that point, and although it was felt the call was nothing more than a cruel prank, the national news services report many of this type of calls made after the death from other parts of the country.

It merely points up the sickness that prevails in segments of our society, and that Orlando is not exempt.

Numerous special church services were held throughout Orlando in predominantly white and black attended churches, in memory of the slain Nobel Prize winner. There were no incidents, just general grief and mourning.

Re the news article in the 4/11/68 issue of "The Corner Cupboard" weekly newspaper, Orlando, relating to the crank phone call allegedly made from Orlando to Memphis about 45 minutes after MURKIN occurred.

Pursuant to Supervisor # 4's instructions, on 4/11/68 I contacted GROVER MCCLURE, Gen. Mgr., Corner Cupboard News, Orlando. He explained that his reporter, TODD PERSONS, had written the story in question, and that PERSONS was temporarily out of the city. MCCLURE said it was his understanding that the call had been made by an unidentified crank, and that the purpose of PERSONS's story on the incident was to point out the fact that there are a lot of "sick" people in this country, even in Orlando. MCCLURE said there was no reason to believe that the caller had any remote connection with MURKIN.

This info was related to Supervisor BELANGER by the writer on 4/11/68, and he instructed that I interview PERSONS for details.

On 4/12/68 PERSONS advised me that he had gotten his information in this matter from ROBERT JANE, a local private detective and bill collector who has an office at 2218 Edgewater Drive, Orlando. (JANE resides in Seminole County and is currently running for the office of Constable there.)

I interviewed JANE on 4/12/68 and he explained that a confidential informant of his, who is a telephone operator at Southern Bell, Orlando, told him the night MURKIN occurred, that while she was on duty about 45 minutes after KING was killed, an unidentified man placed a collect long distance call from a public pay phone located somewhere in the Pine Hills area of Orlando, telephone number not recorded by the Orlando operator. He gave her some very common name, similar to WILLIAM HOWARD or HOWARD WILSON, and said he wanted to make a collect call to "the largest newspaper in Memphis, Tennessee." Through the Memphis Information operator, she identified the newspaper (possibly the "Memphis Press-Scimitar"), rang the number, and ascertained that the paper would accept the charges of the collect call. The man at the paper said he would, and the Orlando caller briefly said "We got KING tonight and we'll get RAP BROWN next," or words to that effect. The caller then hung up abruptly, without saying anything else. 157-3231-269

JANE said he could not under any circumstances identify the operator, as she would lose her job if it ever became known that she had listened in on the conversation about it.

Mrs. Arthur De Witt, 6431 34th Terrace North, St. Petersburg, Florida, telephone 345-7837, advised on 4/20/68 that on the afternoon of 4/20/68 she was stopped behind a car at 49th Street North and 38th Avenue, when she observed a man in the car in front of her waiting for the light to change to turn left.

He took a glance to the right and from his profile she thought it resembled Galt. From the momentary opportunity she had of observing him his shoulders looked heavy; his neck was short and thick. He wore a very short crew cut, and his hair was very light colored, tow-headed. She is a beautician and the color of the hair looked natural, not dyed, or bleached. He had a short pointed nose.

She thought he resembled the photo in the St. Pete Times in which the eyes had been drawn in. She was not positive in her identification and would not have called the FBI on her own initiative, because she was not that certain of the identification, but when she related the incident to her husband he insisted that she call.

The unidentified man was driving a old Ford Sedan, and as she described it to her husband, he thought it would be about a 1957. It bore Kentucky license tag, ~~127-634~~.

ACTION SUGGESTED:

Re tel call Fri., Pm . 4/19/68.

On 4/19/68, Mr. ROBERT C. HASSARD, 3316 Flowertree Rd. Orlando, Fla., who had obviously been drinking, advised that he had encountered an individual in MAC'S BAR on South Orange Blossom Trail Orlando, Fla. just south of Sand Lake Rd. about 7:30PM on the previous evening and he had gotten to thinking about him and felt he bore some similarity to the published photograph of GALT who was being sought in connection with the shooting of Dr. MARTIN LUTHER KING. He said that the individual he had seen had a thinner face than the person in the photograph and described him as a white, male, about 5'8 $\frac{1}{2}$ " or 9", thin black hair, wavy on top, and appearing suntanned. He carried a cheap, cardboard type suitcase. He came into the bar about 7:30 pm 4/18/68, and was served one beer by MRS. DIANNE HAINIE, wife of the owner of the bar. He said he did not know where this individual had gone from the bar. He could not make a positive identification from photograph of GALT, saying he had mostly observed his profile.

On 4/20/68, Mr. WILLIAM HAINIE owner of Mac's Bar, South Orange Blossom Trail and Sand Lake Rd., Orlando, Fla. advised his wife was working the bar on the evening of 4/18/68. He said that ROBERT C. HASSARD was in the bar on 4/19/68, and he was drinking and pretty far along toward being drunk. He said he had left a message to contact Mrs. HAINIE about the KING matter and an individual who was in the bar on 4/18/68, but Mrs. HAINIE did not feel he was the same person as published in photographs of GALT.

On 4/20/68, Mrs. DIANNE HAINIE said she could not identify the stranger who had come into the bar on the evening of 4/18/68 with the photographs of GALT. She said that this individual was carrying a cheap type suitcase which was light tan with brown stripes around it. He ordered two beers instead of one as HASSARD recalled, giving her a \$5.00 bill which she changed. He did not have short brown hair of a crew cut but had longer hair which came to a peak in front at his forehead, it was black, curly and a curl hung down slightly on his forehead. He asked about bus service and left after drinking his two beers. He was a white, male, possibly being 5'10" or 11", medium build, about in his late 20's or possibly early 30's, he was about 170 to 180 lbs., he was not seen to put his hands about his ear, one ear was not noticed to protrude farther from his head than the other, he did appear sun tanned, but his hair was not noticed to be graying according to Mrs. HAINIE.

Sgt. LEE BUNYARD, USAF, MC COY AFB, Orlando, Fla. advised on 4/20/68, he is a steady customer in MAC'S BAR and was there on the evening of 4/18/68, and recalled the stranger coming into the bar with a cheap type suitcase. He could not identify this individual with the photographs of GALT and said he had paid little attention to the stranger. He was a W, M, about 5'9", about 160 lbs. but he was not sure of his description as he had paid little attention to him.

On 4/19/68 Mrs. ADA HAYES, 530 W. Columbia, tel. # 423-7479, Orlando, telephonically contacted the Orlando RA and advised as follows:

Approximately four years ago she had dated a man named EARL SHANNON LEE at Orlando. It was her understanding that this man had used the alias JAMES EARL RAY, and had been arrested by the Orange County SO at Orlando about two years ago on a state probation violation charge. She said this person was a white male, about 5'5" tall, 150 lbs., brown hair, blue eyes, and she estimated he would be about 30 years old now. He is alleged to have an ex-wife, JOAN G. LEE, living at Webster, Fla.

The writer, on 4/19/68, checked the Orange County SO records, and ascertained that EARL SHANNON LEE, aka. James Earl Ray, who has FBI # 435 728 E, was arrested by that office on 3/3/66, their number 38479, on a local state probation violation charge. He was delivered to the Florida State Penitentiary at Raiford on 3/21/66. The records of the Orange County S.O. reflect this person is a white male, born [REDACTED] at McKenzie, Alabama, 30 years old, 5'5½", 152 lbs., brown hair, blue eyes, in U. S. Army 1957-58 under ASN RA 24559836, Social Security # [REDACTED] Occupation - Roofer, Father - HOUSTON LEE, MCKENZIE, ALA., Divorced wife - JOAN G. LEE, P. O. Box 267, Webster, Ala.

On 4/19/68 the writer contacted FRED SHEPHERD, Florida Parole Commission, Orlando, and he advsd that the above EARL SHANNON LEE, aka. James Earl Ray, is presently incarcerated at the Apalachee Correctional Institution, Chattahoochee, Fla., and is receiving consideration for parole at the present time.

Inasmuch as the above EARL SHANNON LEE, aka. James Earl Ray, has been incarcerated in Florida since 3/21/66, and is ten years younger than the JAMES EARL RAY who is sought in the MURKIN case, no further action in this particular matter is indicated.

Tip Fails in Hunt For King Slayer

BIRMINGHAM, Ala. (UPI) — The FBI reportedly has an informer — apparently the conspirator of fugitive Eric Starvo Galt — in their nationwide search for the assassin of Dr. Martin Luther King Jr.

A tip from the alleged informer led the FBI to believe it could arrest the mysterious Galt in California Wednesday. This belief led federal authorities to rapidly obtain a conspiracy warrant against Galt. Memphis, Tenn., officials swore out a murder warrant.

BUT THE tip either was wrong or Galt eluded authorities, sources close to the investigation disclosed yesterday. A good part of the investigation apparently still centers in California, where Galt attended a bartending school in February and March.

The FBI in its warrant charged Galt and his "alleged brother" with conspiring to harm King, shot to death by a white sniper in Memphis April 4. The conspirator was not charged in the federal warrant or in the murder warrant.

The FBI in Washington yesterday said it "has no one in custody in connection with Dr. King's slaying," but a reliable source said agents either were in communication with or questioning Galt's "alleged brother."

THE INFORMER, according to sources, had rejected a .243 Remington rifle purchased by Galt in Birmingham as "not the gun we need." Galt returned to a sporting goods store and exchanged the gun for a .30-06 Remington pump rifle March 30. Such a gun was found abandoned near the Memphis flophouse from where King was shot. It was traced through the Remington firm to the Birmingham store and Galt.

The FBI has traced Galt's activities to Birmingham, Memphis, Atlanta and Los Angeles. He lived in a South Birmingham, rooming house before the King murder and agents have questioned numerous landlords in Birmingham, apparently on the theory Galt may have returned to Alabama after the killing.

A picture of Galt, 36, described as "armed and extremely dangerous," was obtained by the FBI from the International School of Bartending in Los Angeles, where Galt graduated March 2. School director Thomas Reyes Lau said the picture was taken for Galt's graduation.

"HE WAS A nice fellow with a nice personality, very intelligent," said Lau of Galt. "I don't believe he did this. There must be some mistake somewhere."

Lau said Galt was desperate for a job, but refused one he offered with the explanation: "Well, I have to leave to go see my brother. What good would it do for me to work for only two or three weeks? I'd better wait until I return to town and get a permanent job."

A devotee of hillbilly music and an avid dancer, Galt took lessons at several dance studios in Los Angeles.

"He showed no signs of racial prejudice," said dance instructor Kathy Nolan, 21. "He was repressed and withdrawn and no swinger."
