

Monday Afternoon
P.V., JAL.

Dear John (Part II)

Mr. Marroquin never did show up so the desk clerk gave me the whole works. Therefore, you now have all names, Mex and U.S. ^{Mexicans} Some were illegals without address but that only lets out one or 2.

Most of the Mexicans appear to be commercial travelers. If they occupied a room numbered 100-110 they paid 60 pesos and were usually overnight guests. They may not be worth talking to. Most guests were Americans & it is a typical resort hotel with a pool - patio - bar in the lobby area where all the gamblers gather.

If the photostat is not enclosed (Galt's Registration Card) then they won't have it till later today. Marroquin wants to keep it but we are having it photostated. I'll ask him to put it in a safe place for the future. P.S. Toll tickets being sought RJJ

Eduardo Marroquin, owner, Hotel Rio, Morelos 86, Puerto Vallarta, Jalisco, advised Mex - 38 & myself on 4/14/68 that Galt was alone, doesn't recall anything re car or friendships with other guests. He says the photo with the crew cut looks like him - especially from the eyebrows to the chin it is very good & the eyes are just right. He didn't like the other drawing too much.

After considerable persuasion, Marroquin is calling out his registration cards for last year. This is the first installment. Hope to get the rest this afternoon since he has not shown up at the Hotel this morning.

5/2

A.D. STANGE, Jr.

On 5/2/68, Gerardo Candelario Ramos, Immig. Agent, advised he had seen man resembling photo of suspect about 2 weeks earlier. The man was with a woman who was a drug addict. Cand. said he had encountered them on the road in a yellow rental jeep with a friend of his who is in the cock fighting business. The friend ~~told~~ asked Cand. for a pistol for the man & morphine for the woman - Cand. refused. The friend said they are going into the area for several days to hunt. Cand. did not speak to the am. (he does not speak Eng.)

Cand. said he had never associated the am with the portender photo but recalled he was wearing ident dark glasses. ^{was cowboy clothes} He saw the am & girl in P.V. on 4/27 but he was out of town in Tepic until 5/2 & had not seen them since. His friend, the cock fighter, is in Tepic but he would see if he could find out what happened to the am.

On 5/3/68, Cand. reported the am's left town on 4/25 but would return in a month. The had stayed in Room 21425 of the Hotel Las Glorias. This info from a hunter who guided them & another am.

~~Described~~ Cand. described subj, whom he only saw seated in jeep, as 5'10" slender; brown hair like in photo. Girl was a Latin type.

A.D. Stange, Jr.

On 5/3/68 Robert Lewis, Prop. Muro
La Jolla on airport road, He said the man
seen by Cant. was undoubtedly A.D. Stange, Jr.
P.O. Box 1660, Redding Calif "Lumber Broker".
He checked in on 4/19/ + was put in Room 25.

Described as 46 yrs, 6' or taller, spindly legs
heavy in shoulder "Egg shaped", blond hair ^{red} not
dyed as hair on arms was same color. Facial characteristics
similar to "mexican" photo but no scar on forehead.

Says he definitely does not believe he is subj.

However, 2 or 3 bell boys who were looking at
photo diagnosed w/ Lewis + said it looks like Stange.

Lewis said he had spoken at length
w/ Stange who is interested in going into a cattle
feeding business in P.V. Although the writers
had interviewed Lewis on 4/18 + alerted him re subj.
he had never assoc. Stange w/ subj. + still does not

Lewis said the woman w/ Stange was not
necessarily his wife. She was a Latin but not mex,
a Mexa. She wore expensive clothes + seemed accustomed
to good living.

4/23-26 ~~the~~ the Stanges were in the mountains
hunting w/ a Mex rancher from San Juan + a
cock fighter. He said they had a casual friendship

"Look-alike" — David Ramsey Youberg

On 5/6/67 suspect was observed in Yelapa, Jal. in a party of four, 2 men - 2 women. He was called "David" & spoke w/ a midwestern accent.

Upon his return to P.V. he was observed to enter Taxi cab license 249-C which was later determined to have gone to the Motel Playa de Oro.

In company of Agent Gerardo Candelario Ramos went to Motel where only David's registration was in Room 119. When he opened door it was apparent he had brown eyes (subjects are blue) ~~but~~ (had been wearing sunglasses at Yelapa).
