Mention was made of the man who fled the shooting and successfully fooled the police by using a radio tuned into police frequency causing them to go in the wrong direction.

Ray also said "I met a man from skid row and bought his social security card and took his identity," but this was not discussed further.

Enter Canipe Amusement Co. about 5:30 pm, 4/4/68, with Finley. Graham saw man on sidewalk. Possibly he looked at the man because he heard running footsteps. Saw man drop package in front of store. Canipe leaned out front door, then stepped back in remarking about trouble outside. Immediately thereafter saw Deputy Sheriff go past. Deputy returned with other officers.

Graham saw package, including gun barrel in large box and green matting or cloth.

Before Deputy ran by, Graham heard screech of tires and saw white Mustang speed north on Main. The other car, believed to be a white Rambler, was still there and obscured view of Mustang. Positive car was Mustang. Description of man: white male, 25-30 yrs, 5' 7" to 5' 8", 165 lbs, average build, black or dark brown hair, dark clothing (either dark suit or dark dress jacket and slacks), no hat, neat appearance.

Tactical Unit, on phone at firestation, saw men running, hung up phone, followed them to Mulberry, learned that King had been shot and that shot believed to have come from building north of firestation. Ran to Main St. where there were 2 Memphis policemen and a Deputy Sheriff. Took up position in street in front of Canipe Amusement Co., saw satchel and rifle on green cloth in doorway, kept watch of articles but stayed in position.

Other officers searched parking lot. Man came out of Canipe Amusement and said he had been ordered to go to police station. Gross checked with superior and told the man it was OK to go. Man left in pick-up truck.

Gross saw Inspector N. E. Zachary and another officer collect satchel, rifle, and green cloth with handkerchiefs so as not to touch items. Observed from 10 to 15 feet.

Does not recall Patrolman Dollahite running on Main St.

Says, if person started to go south  
on Main, first thing he would have seen  
were 3 police cars. Possibly explains  
why man dropped bundle.
