JAMES EARL RAY

On June 27, 1968, Mr. AUBREY L. MORANTZ, Second Secretary and Consul, Canadian Embassy, Lisbon, Portugal, advised that an examination of the visitors book there disclosed that the subject had signed the visitors book on May 13, 1968, as RAMON SNEYD. In addition to his signature, he listed the Hotel Portugal as his local address, Ottawa as his home address, and stated that he planned to stay in Lisbon seven days. The receptionist at the Canadian Embassy and other Embassy employees were unable to furnish any details regarding subject's visit to the Embassy on May 13, 1968.

It is noted that Sr. JOSE MANUEL DA CUNHA PASSO of the Policia Internacional e de Defesa do Estado (Portuguese International and State Security Police - PIDE), Lisbon, had previously advised on June 22, 1968, that inquiry at the South African Embassy in Lisbon had succeeded in locating an employee who had received a telephone call from the subject using the name RAMON GEORGE SNEYD on an undetermined date during his visit in Lisbon.

However, a report received from Sr. PASSO on June 23, 1968, stated that the subject visited the South African Embassy and that an employee of the Embassy recognized his photograph. The report states that RAY did not furnish any name and spoke English with an American accent. He asked what the entrance requirements were if he wished to go to South Africa. He was informed that if he was an American citizen he would be required to obtain a visa and he answered that he was not American but was a Canadian national. He was advised of the requirements needed and stated that he wanted to go to South Africa to make inquiries and to endeavor to trace his brother who had left home a few years ago and had

not been heard of again. He said that he did not know where in Africa his brother was but had last heard that he was in the Congo. The subject also asked whether there was any organization in South Africa which had connections with mercenaries in Africa and which might be able to assist him in tracing his brother. He was informed that the recruiting office for mercenaries which at one time existed in Johannesburg, South Africa, had been closed and the Embassy had no knowledge of any organization in South Africa that might be able to help him. The subject left the Embassy without further questions and gave no indication as to his future plans.

It is also noted that Sr. PASSO had previously advised that inquiry at the Rhodesian Diplomatic Mission in Lisbon for information regarding any contact by RAY there had resulted negatively. However, he advised in his report received on June 28, 1968, that further inquiry at the Rhodesian Diplomatic Mission revealed that RAY visited there between May 8 and 11, 1968, the exact date not determined. He produced a valid Canadian passport in the name of SNEYD and inquired if he could be assisted in contacting his brother who he claimed was serving as a mercenary in Angola, a Portuguese possession in Southern Africa. He specifically requested an address in Salisbury, Rhodesia, to which he could forward correspondence to his brother. He was obviously seeking the address of an organization in Salisbury which may recruit mercenaries. The answer to his inquiry was negative and he posed a number of questions regarding immigration to Rhodesia.

Sr. PASSO advised in his report that all banks in Lisbon have been canvassed for any information regarding an account, safe-deposit box or any banking transaction of JAMES EARL RAY under this name and his aliases with negative results.

The PIDE conducted inquiry at the Banco Totta Alianca of Lisbon regarding an inquiry received by a Chicago bank regarding one ARTHUR T. GALT. An official of the Banco Totta Alianca informed PIDE that the request made to the La Salle National Bank of Chicago, Illinois, was based upon a request received by the Banco Totta Alianca from a Portuguese firm known as "ALAR - Empresa Iberica de Material Aeronautico." This firm informed the bank that ARTHUR T. GALT is a man about 50 years of age and a partner in two companies known

JAMES EARL RAY

as the "Executive Airlines" and "Rapid Airlines" and reportedly has a large deposit at the "Illinois National Bank" in Chicago.

On June 25, 1968, ANTHONY G. BARBIERI, Regional Security Officer, American Embassy, Madrid, Spain, advised that during the morning of June 19, 1968, an unknown individual had called the Embassy, speaking Spanish, and desired to talk to someone in the Embassy regarding the JAMES RAY case. Since no one was immediately available to talk to him, he requested that he be called at 6:30 PM at telephone number 222-1604, a bar in downtown Madrid. He identified himself only as RAMON.

One RAMON was subsequently telephonically contacted at 6:30 PM by the Security Office. At first he declined to come to the Embassy, indicating he desired a meeting in some public gathering place. He subsequently agreed to come to the Embassy at 11:00 AM on June 20, 1968. RAMON, however, failed to keep the appointment.

The above-mentioned telephone number was identified by the Direccion General de Seguridad (Directorate General of Security - DGS), Spanish National Police, Madrid, on June 25, 1968, as being listed to MANUEL GARCIA FERNANDEZ under the name A. Aguar-Dientes (Liquor Outlet), Calle Minas 15, Madrid.

On June 25, 1968, Inspector RAPHAEL TRIGUEROS of the DGS interviewed MANUEL GARCIA FERNANDEZ, proprietor of the Casa Garcia Bar at Calle Minas 15, Madrid. GARCIA FERNANDEZ was unable to identify anyone by the name of RAMON as a client of the bar. MIGUEL SANCHEZ GALAN, bartender, was interviewed and he advised that the only RAMON using the bar was an individual who had been coming to this bar approximately two to three months ago. He was unable to further identify this individual, indicating, however, that he had been coming to the bar recently at approximately 9:00 PM. SANCHEZ GALAN stated he had no recollection of this individual having used the telephone in the bar.

At approximately 9:30 PM on June 26, 1968, the individual described by the bartender as RAMON was interviewed. He identified himself as RAMON MARTINEZ ALONZO, Spanish Identity Card [REDACTED]. This individual denied ever calling

JAMES EARL RAY

the American Embassy or any other embassy in his life.

Subsequent inquiries in the vicinity of the Casa Garcia Bar to identify the individual who had called the American Embassy proved negative.

Sr. PASSO advised that inquiry at the Portuguese Airlines (TAP), Lisbon, revealed that the subject had purchased his airline ticket on May 15, 1968, for which he paid cash. He traveled under the name of Mr. SNEYD from Lisbon to London on May 17, 1968, on TAP Flight 450, leaving Lisbon at 11:00 AM. Inquiry by PIDE of various TAP employees revealed that subject was alone at the time he purchased the ticket. There was no recollection by any employee of TAP who was present on the flight on May 17, 1968, from Lisbon to London of any unusual incident and none was able to recognize the subject's photograph.

At the time of subject's arrest in London, England, on June 8, 1968, he was found to be in possession of a South African Airways flight schedule showing flights from Lisbon, Portugal, to Luanda, Angola, Salisbury, Rhodesia, and Johannesburg, South Africa. A notation, which appeared to be Lisbon telephone number 535041, was found on the cover.

Sr. JOSE MANUEL DA CUNHA PASSO, Inspector of the Policia Internacional e de Defesa do Estado (PIDE - Portuguese International and State Security Police), Lisbon, was requested to conduct inquiry to identify the subscriber to that telephone number and conduct interview to determine connection with RAY.

Sr. PASSO advised on June 17, 1968, that the above telephone number is assigned to the South African Embassy, Lisbon. Inquiry there revealed that subject is unknown to personnel in that Embassy, his photograph was not recognized, and there was no record of any inquiry by him.

Sr. PASSO advised that all banks in the Lisbon area have been circularized with the true name and aliases of the subject to determine if he had opened an account, rented a safe-deposit box, or handled any transfer of funds or other transaction there. No positive information has been received by PIDE as yet. Sr. PASSO advised that no response from the banks will indicate that no record was found.

As a matter of interest, Mr. NORMAN GRADY, Administrative Officer, American Embassy, Lisbon, advised on 6/27/68 that no mention has been made in Portuguese newspapers thus far of subject's visit to Portugal. The local papers, in a recent article, indicated that the subject had traveled to Southern Europe subsequent to his first arrival in London, England.

Sr. PASSO furnished a photocopy of the subject's airline ticket indicating he paid cash for his Lisbon-London flight 5/17/68 on 5/16/68 at Lisbon. This is being forwarded to the Bureau as an enclosure.

Sr. PASSO also furnished, in accordance with our request, a list of passengers who traveled on Portuguese Airlines flight Lisbon-London 5/17/68 and a list of passengers who traveled on BEA Flight 074, London-Lisbon, on 5/7-8/68. In accordance with prior Bureau instructions, these two passenger lists are being furnished herewith to London as enclosures.

On June 27, 1968, Mr. AUBREY L. MORANTZ, Second Secretary and Consul, Canadian Embassy, Lisbon, Portugal, advised that an examination of the visitors book there disclosed that the subject had signed the visitors book on May 13, 1968, as RAMON SNEYD. In addition to his signature, he listed the Hotel Portugal as his local address, Ottawa as his home address, and stated that he planned to stay in Lisbon seven days. The receptionist at the Canadian Embassy and other Embassy employees were unable to furnish any details regarding subject's visit to the Embassy on May 13, 1968.

It is noted that Sr. JOSE MANUEL DA CUNHA PASSO of the Policia Internacional e de Defesa do Estado (Portuguese International and State Security Police - PIDE), Lisbon, had previously advised on June 22, 1968, that inquiry at the South African Embassy in Lisbon had succeeded in locating an employee who had received a telephone call from the subject using the name RAMON GEORGE SNEYD on an undetermined date during his visit in Lisbon.

However, a report received from Sr. PASSO on June 28, 1968, stated that the subject visited the South African Embassy and that an employee of the Embassy recognized his photograph. The report states that RAY did not furnish any name and spoke English with an American accent. He asked what the entrance requirements were if he wished to go to South Africa. He was informed that if he was an American citizen he would be required to obtain a visa and he answered that he was not American but was a Canadian national. He was advised of the requirements needed and stated that he wanted to go to South Africa to make inquiries and to endeavor to trace his brother who had left home a few years ago and had

not been heard of again. He said that he did not know where in Africa his brother was but had last heard that he was in the Congo. The subject also asked whether there was any organization in South Africa which had connections with mercenaries in Africa and which might be able to assist him in tracing his brother. He was informed that the recruiting office for mercenaries which at one time existed in Johannesburg, South Africa, had been closed and the Embassy had no knowledge of any organization in South Africa that might be able to help him. The subject left the Embassy without further questions and gave no indication as to his future plans.

It is also noted that Sr. PASSO had previously advised that inquiry at the Rhodesian Diplomatic Mission in Lisbon for information regarding any contact by RAY there had resulted negatively. However, he advised in his report received on June 28, 1968, that further inquiry at the Rhodesian Diplomatic Mission revealed that RAY visited there between May 8 and 11, 1968, the exact date not determined. He produced a valid Canadian passport in the name of SNEYD and inquired if he could be assisted in contacting his brother who he claimed was serving as a mercenary in Angola, a Portuguese possession in Southern Africa. He specifically requested an address in Salisbury, Rhodesia, to which he could forward correspondence to his brother. He was obviously seeking the address of an organization in Salisbury which may recruit mercenaries. The answer to his inquiry was negative and he posed a number of questions regarding immigration to Rhodesia.

Sr. PASSO advised in his report that all banks in Lisbon have been canvassed for any information regarding an account, safe-deposit box or any banking transaction of JAMES EARL RAY under this name and his aliases with negative results.

The PIDE conducted inquiry at the Banco Totta Alianca of Lisbon regarding an inquiry received by a Chicago bank regarding one ARTHUR T. GALT. An official of the Banco Totta Alianca informed PIDE that the request made to the La Salle National Bank of Chicago, Illinois, was based upon a request received by the Banco Totta Alianca from a Portuguese firm known as "ALAR - Empresa Iberica de Material Aeronautico." This firm informed the bank that ARTHUR T. GALT is a man about 50 years of age and a partner in two companies known

JAMES EARL RAY

as the "Executive Airlines" and "Rapid Airlines" and reportedly has a large deposit at the "Illinois National Bank" in Chicago.

On June 25, 1968, ANTHONY G. BARBIERI, Regional Security Officer, American Embassy, Madrid, Spain, advised that during the morning of June 19, 1968, an unknown individual had called the Embassy, speaking Spanish, and desired to talk to someone in the Embassy regarding the JAMES RAY case. Since no one was immediately available to talk to him, he requested that he be called at 6:30 PM at telephone number 722-1604, a bar in downtown Madrid. He identified himself only as RAMON.

One RAMON was subsequently telephonically contacted at 6:30 PM by the Security Office. At first he declined to come to the Embassy, indicating he desired a meeting in some public gathering place. He subsequently agreed to come to the Embassy at 11:00 AM on June 20, 1968. RAMON, however, failed to keep the appointment.

The above-mentioned telephone number was identified by the Direccion General de Seguridad (Directorate General of Security - DGS), Spanish National Police, Madrid, on June 25, 1968, as being listed to MANUEL GARCIA FERNANDEZ under the name A. Aguar-Dientes (Liquor Outlet), Calle Minas 15, Madrid.

On June 26, 1968, Inspector RAFAEL TRIGUEROS of the DGS interviewed MANUEL GARCIA FERNANDEZ, proprietor of the Casa Garcia Bar at Calle Minas 15, Madrid. GARCIA FERNANDEZ was unable to identify anyone by the name of RAMON as a client of the bar. MIGUEL SANCHEZ GALAN, bartender, was interviewed and he advised that the only RAMON using the bar was an individual who had been coming to this bar approximately two to three months ago. He was unable to further identify this individual, indicating, however, that he had been coming to the bar recently at approximately 8:00 PM. SANCHEZ GALAN stated he had no recollection of this individual having used the telephone in the bar.

At approximately 8:30 PM on June 26, 1968, the individual described by the bartender as RAMON was interviewed. He identified himself as RAMON MARTINEZ ALONZO, Spanish Identity Card [REDACTED]. This individual denied ever calling

JAMES EARL RAY

the American Embassy or any other embassy in his life.

Subsequent inquiries in the vicinity of the Casa Garcia Bar to identify the individual who had called the American Embassy proved negative.

Sr. PASSO advised that inquiry at the Portuguese Airlines (TAP), Lisbon, revealed that the subject had purchased his airline ticket on May 16, 1968, for which he paid cash. He traveled under the name of Mr. SNEYD from Lisbon to London on May 17, 1968, on TAP Flight 450, leaving Lisbon at 11:00 AM. Inquiry by PIDE of various TAP employees revealed that subject was alone at the time he purchased the ticket. There was no recollection by any employee of TAP who was present on the flight on May 17, 1968, from Lisbon to London of any unusual incident and none was able to recognize the subject's photograph.

At the time of subject's arrest in London, England, on June 8, 1968, he was found to be in possession of a South African Airways flight schedule showing flights from Lisbon, Portugal, to Luanda, Angola, Salisbury, Rhodesia, and Johannesburg, South Africa. A notation, which appeared to be Lisbon telephone number 535041, was found on the cover.

Sr. JOSE MANUEL DA CUNHA PASSO, Inspector of the Policia Internacional e de Defesa do Estado (PIDE - Portuguese International and State Security Police), Lisbon, was requested to conduct inquiry to identify the subscriber to that telephone number and conduct interview to determine connection with RAY.

Sr. PASSO advised on June 17, 1968, that the above telephone number is assigned to the South African Embassy, Lisbon. Inquiry there revealed that subject is unknown to personnel in that Embassy, his photograph was not recognized, and there was no record of any inquiry by him.

Sr. PASSO advised that all banks in the Lisbon area have been circularized with the true name and aliases of the subject to determine if he had opened an account, rented a safe-deposit box, or handled any transfer of funds or other transaction there. No positive information has been received by PIDE as yet. Sr. PASSO advised that no response from the banks will indicate that no record was found.

Attached communication sets forth results of investigation conducted in Lisbon, Portugal. Legal Attache in Paris recommends letter of appreciation be forwarded Senor Fernando Eduardo Da Silva Pais, Director of Portuguese International and State Security Police (PIDE), thanking him for the excellent assistance of Senor Jose Manuel Da Cunha Passo.

According to Legat Paris, his files contain no derogatory data on Pais or Passo and they are described as cooperative with Bureau. Bureau files contain no derogatory data on Passo.

Bureau files contain reference in 1945, indicating Pais was reportedly given Iron Cross by Germany and made questionable profits.

It is not felt this would preclude letter to Pais along lines recommended by Legat Paris and General Investigative Division concurs with such letter.

2. Investigation disclosed that RAY, known as RAMON GEORGE SNEYD, arrived in Lisbon on 5/8/68 and departed on 5/17/68 and apparently did not leave Lisbon during that period.
3. Extensive inquiry reflects that he lived at a small third-rate hotel and lived the life of a tourist. He slept most of the day and stayed up most of the night visiting cheap bars and nightclubs and picking up girls. We located one prostitute who knew subject.

The Portuguese Police are continuing their investigation by circularizing banks to determine if the subject opened a bank account or obtained a safe-deposit box during his visit in Lisbon. They are also interviewing employees of the Portuguese Airlines ticket office and members of the crew of the flight which he took from Lisbon to London for any further pertinent information. This is being followed closely and will be reported promptly upon receipt.

JAMES EARL RAY

The following investigation was conducted at Lisbon, Portugal, on June 8-12, 1968:

Sr. JOSE MANUEL DA CUNHA PASSO, Inspector of the Policia Internacional e de Defesa do Estado (PIDE - Portuguese International and State Security Police), Lisbon, on June 8, 1968, furnished the following documents:

1. Entry card executed by RAMON GEORGE SNEYA when he arrived at Lisbon Airport at 1:15 AM, May 8, 1968, via British European Airways Flight 074. The entry card showed that he was born on [REDACTED] in Toronto, Canada; employed by an "auto agency"; a resident of 962 Dundas Street, Toronto; carrying Canadian Passport [REDACTED] issued in Ottawa, Canada, on April 24, 1968.
2. Exit card executed by RAMON GEORGE SNEYD when he departed from Lisbon en route to London, England, on May 17, 1968, at 11:00 AM, on Portuguese Airlines Flight 450. This exit card indicated he was in possession of Canadian Passport [REDACTED] issued by the Canadian Embassy in Lisbon on May 16, 1968.

The exit card indicated that SNEYD had been questioned by the passport inspector as to the fact that his Canadian passport issued in Lisbon on May 16, 1968, did not reflect his entry into Portugal. He then produced his original Canadian passport issued April 24, 1968, in Ottawa, which reflected his entry into Portugal on May 8, 1968. This was noted by the passport inspector on the exit card.

3. Registration card for RAMON GEORGE SNEYA at the Hotel Portugal, Lisbon, dated May 8, 1968.

Sr. PASSO advised that a careful check of entry and exit records between May 8 and 17, 1968, failed to disclose that the subject, under the name of SNEYD, had departed or re-entered Portugal between those dates. Likewise, a careful check of records since May 17, 1968, failed to reflect that he returned to Portugal at any time following his departure.

ANTONIO ROCHA FAMA, Passport Inspector at Lisbon Airport, Lisbon, was interviewed on June 8, 1968, at the Lisbon Airport and advised that he recalled the incident when the subject departed Lisbon on May 17, 1968, since it was necessary for him to question the subject regarding his new passport and the fact that it did not reflect his entry into Portugal. He recalls that SNEYD then produced his original passport issued April 24, 1968, at Ottawa and explained that a new passport had been issued by the Canadian Embassy in Lisbon on May 16, 1968, since the original passport contained a misspelling of his name as SNEYA rather than SNEYD.

Mr. ROCHA FAMA stated that he was satisfied with the subject's explanation and noted that his original passport had been properly cancelled by the Canadian Embassy, but he had been advised to retain it since it reflected his entry into Portugal. Mr. ROCHA FAMA recognized a photograph of the subject from his original passport application at Ottawa.

Mr. AUBREY L. MORANTZ, Second Secretary and Consul of the Canadian Embassy, Lisbon, was contacted and interviewed. He furnished the application executed by SNEYD on May 16, 1968, for a replacement passport. He stated that SNEYD had come to the Embassy explaining that his original passport issued April 24, 1968, at Ottawa, Canada, had a misspelling of his name as SNEYA rather than SNEYD and that this had caused confusion. He requested advice as to how this could be rectified. Mr. MORANTZ decided to issue a replacement passport gratis in the name of SNEYD.

Mr. MORANTZ stated that the subject produced a copy of an original birth certificate showing his birth as [REDACTED]

JAMES EARL RAY

██████████ at Toronto, Canada. The original passport application executed by SNEYD reflected his date and place of birth as ██████████ at Toronto, Canada, and gave his residence as 962 Dundas Street, Toronto, Canada. It indicated that a replacement passport, ██████████, was being issued in Lisbon to replace the original passport, ██████████, issued in Ottawa on April 24, 1968, since the original passport contained a typographical error which had caused some confusion in the past. There was attached to the passport application an affidavit executed by SNEYD to the effect that there was no guarantor in Lisbon who could vouch for his identity, since he was there alone on vacation, as a tourist. He did not give any local residence.

Mr. MORANTZ advised that he did not engage in a lengthy conversation with the subject but interviewed him briefly and authorized the issuance of a new passport since he was convinced by the presentation of the birth certificate as to the subject's identity as a Canadian citizen. He stated that the passport application had been handled by Mrs. MANUELA TEIXEIRA LOPES, a Consular Assistant in his office.

Mrs. MANUELA TEIXEIRA LOPES, who was vacationing at a distant location in Portugal, was interviewed by telephone from Lisbon on June 8, 1968. She stated that when she assisted SNEYD in executing his passport application, he said he was staying in Lisbon only one or two days and debated whether to bother to change his passport because he "did not want to spend all of his time waiting around the Embassy." A new passport was issued the day after he first came in. It is noted that the passport photograph does not identify the photographer. Mrs. LOPES stated she may have referred RAY to Foto Lusitania to have the photographs taken, but she could not definitely recall whether or not she had done so.

Mrs. LOPES advised that subject displayed a Canadian birth certificate in the name of RAMON GEORGE SNEYD. He needed a great deal of help in filling out the application, leading Mrs. LOPES to believe he did not have a good education. She also advised that he had a rather unusual accent for a Canadian. She cancelled the passport issued at Ottawa by stamping it cancelled on each page and clipping one inch from each of the inside pages.

JAMES EARL RAY

Sr. PASSO advised that Foto Lusitania, Parc Mayer, Lisbon, had been contacted on June 11, 1968. They recognized the photograph of the subject and recalled that he had been referred there by the Canadian Embassy on May 16, 1968, for passport photographs. They took his photograph and he purchased several copies (six is the usual number). They considered this a normal routine transaction and nothing out of the ordinary was noted.

Mr. GENTIL LUIS SOARES, Hotel Portugal, 4 Rua Joao das Regras, Lisbon, advised on June 9, 1968, that the subject registered under the name of RAMON GEORGE SNEYA on May 8, 1968, and departed on May 17, 1968. This is a small, inexpensive hotel. The registration book maintained by the hotel reflects the dates of his arrival and departure and indicates his occupancy of the room during that entire period. The registration book reflects (probably taken from his passport) that his nationality is Canadian and he is 36 years of age.

Mr. SOARES advised that it was his impression that the subject resided there as a tourist. He was not particularly friendly with any other clients of the hotel. He slept late during the day and stayed out late at night. Mr. SOARES advised that it was his impression that the subject was spending his time in bars or nightclubs where he could pick up girls, since on at least two occasions he attempted to bring girls into his room and when the hotel refused to permit him to do so, he departed with the girls and stayed out for the entire night. Mr. SOARES stated that he did not know the identity of the girls whom SNEYD brought to the hotel.

Mr. SOARES advised that at the time of his departure on May 17, 1968, he paid cash for the last three days, having previously been billed for his first week of occupancy. He recognized the subject's passport photograph taken at the time of the issuance of his original passport in Canada and stated that subject did not wear the glasses constantly during his stay at the hotel.

Sr. PASSO advised that on the night of June 9, 1968, Inspector ANTONIO TEIXEIRA DA SILVA of the FIDE visited numerous nightclubs and bars of the type which the subject may have frequented, in an effort to obtain further specific

JAMES EARL RAY

information as to his contacts, associates and activities. Inspector SILVA visited the following bars and nightclubs:

Texas Bar
Arizona Bar
Niagara Bar
California Bar
Europa Bar
Atlantico Bar
Bolero Bar
Maxime's Nightclub
Galo Bar and Nightclub
Fontoria Nightclub
Tagide Nightclub
Nina Nightclub

Inspector SILVA interviewed approximately 60 individuals, including doormen, managers, bartenders, bar girls and prostitutes. He displayed the subject's photograph in all instances to determine if the subject was known and, if so, the extent of the contacts. Inspector SILVA advised that subject had visited the Texas Bar on two occasions alone and had purchased beer on each occasion. He had not remained for more than an hour. The same was true at the Niagara Bar. There were various individuals in the other bars contacted who vaguely thought they recognized his photograph but could furnish no specific information.

At the Bolero Bar, the proprietor indicated that the subject had come there on two occasions at approximately midnight and had remained there until 2:00 or 3:00 AM drinking beer. He was alone and quiet and attracted no special attention.

At Maxime's Nightclub, GLORIA SAUSA RIBEIRO, a prostitute, advised that she had met the subject when he had visited there one night. She spent several hours with him in the nightclub and then went out and spent the night with him. She advised that she does not speak English and he did not speak Portuguese and, therefore, they spoke "only the international language of love." She declined to say where she had spent the night with him, but did advise that he insisted on presenting her with gifts rather than paying her in cash since this made the transaction less commercial. He, therefore, presented her with a dress and stockings in payment for her services. She has not seen nor heard from the subject

JAMES EARL RAY

again. She could not recall specifically the date when she met him and could furnish no further pertinent information. She reiterated that the conversation was very limited.

At the Galo Bar, MARIA JOSE GUTERRES recognized the subject's photograph and stated that he had visited this bar on two occasions and had bought her drinks on each occasion. She likewise speaks practically no English and, therefore, the conversation was very limited. On each occasion, he spent one or two hours drinking beer and departed alone. No further pertinent information was available from this source.

At the Fontoria Nightclub, the subject was vaguely known by various employees. One Spanish girl, not further identified, stated that the subject had purchased her beer during a visit when he stayed there for one or two hours. No further specific information was available from this source.

It was noted that at the time of the subject's arrest in London, England, he had in his possession a timetable of South African Airways on which Salisbury, Rhodesia, was checked.

Sr. PASSO advised on June 11, 1968, that the South African Airways office in Lisbon had been contacted. One employee, not further identified, vaguely recognized the photograph of the subject as a person who may have made inquiry, but he was not certain as to this. He stated that numerous persons enter the South African Airways office and that no particular note is made of the transaction unless something unusual occurs. He may have inquired for a timetable, but the employee does not specifically recall this. There is no record of any travel having been purchased by SNEYD at this office.

Sr. PASSO also advised that inquiry had been conducted at the Rhodesian Mission in Lisbon. Employees there failed to recognize the subject's photograph and there was no record of any inquiry having been made by him.

Since the British press indicated that an inquiry had been received at the Biafra office in Lisbon from an individual who requested information as to going to Biafra as a white mercenary, Sr. PASSO was requested to make inquiry

JAMES EARL RAY

at the Biafra office.

Sr. PASSO advised that the Biafra office, which is located at 16 Avenida Torre da Belem, Lisbon, does not ordinarily receive inquiries from prospective white mercenaries. He stated that the purpose of this establishment is probably to purchase arms throughout Europe and to handle their transit through Lisbon en route to Biafra. He stated that inquiry there had failed to reflect that the subject had made any inquiries there.

It was also noted that the British press had indicated that the subject had made some inquiries in London of a British reporter regarding the possibility of going to Angola, a Portuguese possession in Africa, as a white mercenary.

Inquiry was made of Sr. PASSO regarding this possibility. He advised that there are no white mercenaries fighting in Angola. He also advised that no foreigner is allowed to enter Angola without the specific permission of the Portuguese authorities.

Since information was received indicating that the subject had converted South African money into British money in London, inquiry was conducted in Lisbon to determine if he had purchased South African currency at the Lisbon Airport.

Mr. CARLOS GANEIRO, Manager, Banco Lisboa Acores, Lisbon Airport, failed to recognize a photograph of the subject. He also displayed the photograph to several employees of the bank, who likewise failed to recognize the photograph. They explained that they handle numerous exchange transactions and they do not necessarily note an individual's appearance.

In all of the above inquiries particular attention was given to attempting to determine if the subject was alone or was accompanied by other individuals. It was ascertained that he was alone in all instances, except those described above.

MURKIN
- GENERAL

ASSASSINATION OF DOCTOR MARTIN
LUTHER KING, JR.

On August 3, 1976, Special Agent O. Richard Hamilton was interviewed in the Atlanta, Georgia, Office of the Federal Bureau of Investigation (FBI) by four attorneys from the U.S. Department of Justice. SA Hamilton was interviewed regarding the above-captioned matter inasmuch as the case had been assigned to him at one time.

The attorneys asked Hamilton at what point in the investigation the case was assigned to him. Hamilton advised he did not recall the date the case was assigned to him; however, it was after James Earl Ray had been identified and apprehended. They inquired of Hamilton as to how he could insure that all appropriate leads were covered and investigated regarding the assassination of King. Hamilton explained to the attorneys that this investigation was handled as a "Special" in Atlanta, that separate indices were maintained containing the names of all pertinent individuals and organizations which came to the attention of the Atlanta Office in connection with that investigation. He explained the use of lead cards which were maintained in duplicate, that a master lead card was retained with a copy attached to a particular serial containing a specific lead and this was assigned to a Special Agent to cover the lead set out in the serial. He advised the coverage of that lead by the agent to whom it was assigned was reflected through a written memorandum or other appropriate communication with reference made therein to the serial containing the lead. Hamilton advised the agent covering the lead then indicated the

ASSASSINATION OF DOCTOR
MARTIN LUTHER KING, JR.

lead had been covered on his copy of the lead card. Hamilton explained that various agents were responsible for conducting neighborhood investigations, contacting or maintaining liaison with local police, and to conducting other pertinent phases of the investigation. He explained the captioned case was the priority investigation in the Atlanta Office at that time and that almost every agent was assigned to working on some phase of the investigation.

The attorneys inquired as to how the FBI developed information that Ray, then known as Eric Starvo Galt, was residing in a rooming house on 14th Street. Hamilton noted that this investigation occurred more than eight years ago, that he has not since reviewed the file and although he was not exactly sure, according to his best recollection the investigation reflected an individual in the apartment area where Ray parked a Mustang automobile saw Ray park it and get in a taxicab. According to Hamilton's best recollection, the ensuing investigation by the FBI through taxicab companies reflected Ray was taken to the 14th Street address. Hamilton assured them this may not be the way it occurred but these were the facts as he recalled them. One of the attorneys indicated that information is not reflected in the file.

The attorneys asked Hamilton what the FBI did with the Mustang which was used by Ray. Hamilton advised them the FBI in Atlanta turned the Mustang over to Memphis, Tennessee, Police officers, who returned it to Memphis. The attorneys asked whether the Memphis Police drove it back or took it in a van, to which Hamilton replied they drove it to Memphis. The attorneys raised a question that since it was not used in the trial of Ray, why the car was turned over to the Memphis Police. Hamilton replied that Ray was tried by the State of Tennessee, and that they requested the Mustang be released to them in the event it should be used as evidence, and this was done.

The attorneys asked Hamilton if it ever became a problem in his mind or a question to the FBI as to how Ray lived from day to day since he was an escaped prisoner.

ASSASSINATION OF DOCTOR
MARTIN LUTHER KING, JR.

Hamilton advised he did not know how Ray lived or his source of income; however, pointed out that Ray has an extensive arrest and conviction record for robbery, burglary, and other crimes and that many fugitives finance their living through armed robberies and burglaries. One of the attorneys asked if Ray committed numerous robberies, would he not get caught, and then the attorney asked what the solution rate usually is regarding the offense of robbery. Hamilton advised him he understands the Atlanta Police Department has about a 50 percent solution rate on robberies and a lesser percent on burglaries and that this was probably about in line with the solution rate for these crimes in most cities. Hamilton also pointed out that Ray had resided in various other areas of the country while in his escaped status and that he was not personally aware of investigation conducted by other field offices regarding Ray's source of income.

In response to Hamilton's inquiry of them as to what they felt would be Ray's source of income, they replied that it was possible that Ray had been paid by someone to kill King in which case there would be a conspiracy, which would present a problem for the FBI. Hamilton advised them that investigation by the FBI in Atlanta was always alert for evidence of a conspiracy, that no such evidence was developed during the investigation in Atlanta, and that if such evidence had been developed, it would have been thoroughly investigated.

The interview was concluded at that point. The interview lasted from approximately 12:00 noon to approximately 12:20 PM on August 3, 1976.
