Re Denver telephone call at 6:15 PM on 5/3/68 of
SA BOYD D. ADSIT to SA DONALD W. KUSULAS at Albuquerque.

SA ADSIT advised that he received a telephone call about noon from Supervisor WILLIAM NOLAN from Los Angeles stating that an individual contacted United Airlines on 5/3/68 in Los Angeles and tried to exchange two Frontier Airline tickets for two United Airline tickets on a flight from Los Angeles to Hawaii. He acted very strangely and left the two tickets and a Frontier Temporary Credit Card at the United Airlines Ticket Counter and did not return to claim them.

FBI Agents showed photographs of RAY and two American Airlines employees picked out the 1966 photograph taken at the Missouri State Penitentiary as the photograph which resembled the individual they had seen. Another employee picked out the 1960 photograph.

The Temporary Credit Card No. 31088 bearing the expiration date of 5/25/68, issued to a Mr. CARL RAY, Ray Land and Cattle Company, Route 4, Box 868, Pecos, Texas.

The two Frontier tickets which were left in Los Angeles were from Las Vegas to St. Louis and return at a family rate. The two Frontier tickets were issued at Denver on 5/1/68 and the above-mentioned temporary credit card was used.

SA ADSIT advised that Los Angeles telephonically contacted El Paso and the El Paso Division could not find anything regarding CARL RAY in Pecos, Texas.

SA ADSIT advised that the ticket agent for Frontier Airlines in Denver described CARL RAY as follows:

Race	White
Sex	Male
Age	38
Height	5'9"
Weight	200 to 210 lbs.
Hair	Blondish brown, crew cut
Build	Heavy, but not fat
Miscellaneous	No glasses; wore grayish blue sport coat, white shirt, no tie.

The ticket agent described this individual as being a little neater than the average traveler.

Frontier Airlines did some checking and found that the tickets were issued at Albuquerque, New Mexico, on 4/26/68 to CARL RAY. On the same date, he bought a ticket, one way, from Albuquerque to Phoenix, Flight 81, but did not take this flight as he had the ticket reissued for First Class Seating on Flight 785 which left Albuquerque at 8:10 AM on 4/27/68 to arrive at Phoenix at 9:42 AM.

The Frontier Airlines said that a Mrs. MICHAEL STONE, Ticket Girl, Frontier Airlines, Albuquerque, New Mexico, sold this ticket to CARL RAY.

SA ADSIT advised that the Denver Office would like Albuquerque to interview Mrs. STONE and also try to obtain the credit card application of CARL RAY.

SUBJECT: MURKIN

DATE: 5/9/68

On 5/8/68, SA GAYLE K. MARZ received a telephone call from a Mrs. GRACIA BRUCE, 3040 Mackland, NE, advising that a person who lives at 3037 Mackland, NE, across the street from her in a garage apartment on the side of a house and drives an old green Studebaker, is a definite look-alike of JAMES EARL RAY. She said that this person wears sunglasses and is in his 40's. She said that he has a definite hairline resemblance. She said that he is always neatly attired and lives by himself and does not work during the day. She said that he has been living there for approximately 8 months and the landlady who lives in the same house is a Mrs. AUBURG who works at Franchini Delicatessen on Lomas.

Special Agent DONALD W. KUSULAS was advised of the above and is handling.

On 5/8/68, Mrs. ORA AUBURG, 3037 Mackland, NE, Albuquerque, NM, was contacted at Franchini Delicatessen, and she advised that she rents out the garage apartment at 3037 Mackland, NE, and that person who rents this garage apartment is named JIM MALLOY. She said that he has been there for approximately eight months and drives an old green Studebaker. She said that he was formerly employed for the Duke City Lumber Company and is presently unemployed as he and his wife have been separated for almost a year now. Mrs. AUBURG advised that as far as she is concerned MALLOY does not resemble subject JAMES EARL RAY, and after viewing the photographs of subject RAY, she advised the only physical resemblance of MALLOY to RAY would possibly be his hairline.

On 5/8/68, JAMES RICHARD MALLOY, 3037 Mackland, NE, Albuquerque, New Mexico, garage apartment, advised that he has been living at this address for approximately 8 months. He

advised that he has lived in Albuquerque since 1949 and was employed by the Duke City Lumber Company in Albuquerque for 11 years before he was layed off last year. He said that he has held a few odd jobs since that time but is presently unemployed.

It was observed that MALLOY bore a similar resemblance to the subject RAY in that MALLOY's hairline is similar to that of photograph taken of subject RAY in California in February, 1968.

MALLOY furnished the following information regarding himself:

NEW PHOTO: Albuquerque FBI agents Tuesday released this recent picture of James Earl Ray, wanted in connection with the slaying of civil rights leader Dr. Martin Luther King. The FBI, although declining to say where it obtained the photograph, said it was taken in early February, 1968, in California. It supposedly was taken when Ray was using the alias of Eric Starvo Galt.

On 5/3/68, MIKE C. Inasmuch as the above call appears to be that of between relatives, no further investigation is being conducted.

DALE MIZER, whose permanent address is 1431 West 35th Street, Wichita, Kansas, was interviewed at the De Vargas Hotel, Santa Fe, New Mexico, on 5/6/68, in response to his telephone call.

He related that while on the Santa Fe Chief coming from San Francisco, California, to Lamy, New Mexico, on 5/4/68, he sat next to an individual who resembles JAMES EARL RAY. He also rode on a bus from Lamy to Santa Fe, New Mexico, on 5/5/68, and he saw the same man in the bus station at Santa Fe. He also saw this individual leaving the La Fonda Hotel on 5/5/68.

MIZER advised that he is an artist and he closely observes the physical characteristics of persons around him. He explained that he had not seen a photograph of RAY until he, MIZER, was examining a copy of "Time" magazine in Santa Fe on the afternoon of 5/6/68.

MIZER did not obtain the name of the individual he was referring to but stated that the latter was wearing suede shoes, slacks of unrecalled color, and a gray houndstooth jacket, as well as wearing dark wrap-around type glasses at all times. MIZER stated that this man had a crew cut and that his hair was graying. He stated that the man's short mustache was partially gray. MIZER suspected that the color of the hair might have been artificial.

During the ride from San Francisco, California, to Lamy, New Mexico, this unknown male stated that he was from "the East Coast"; however, MIZER pointed out that this man had a deep tan unlike the residents of the East Coast. MIZER noted no physical peculiarities about this man and no regional accent.

MIZER explained that the individual in question was carrying two suitcases and a zipper type suit bag when he left the bus at the La Fonda Hotel on the afternoon of 5/5/68, and the same man was seen leaving the La Fonda Hotel later without the luggage. By this means, MIZER reasoned that this man was staying overnight at the La Fonda Hotel.

Interviews of the desk clerks at the La Fonda Hotel on 5/6/68 disclosed that one man who slightly resembled the description given by MIZER registered after 3:00 PM on 5/5/68 and checked out on 5/6/68 at 12:30 PM.

Mrs. ALEX DURHAM, Room Clerk, checked this man out and she stated that he was much shorter than 5'10" and, in her opinion, he did not resemble photographs of RAY. The name in question registered as A. C. CORZZIN, giving an address of Redwood City, California, and no street address.

JOHN MOYA, Bus Depot, Santa Fe, New Mexico, stated on 5/6/68 that he did not recall seeing the man in question on 5/5/68.

In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starnes. Ernst Stavro Blofield is a formidable person, John Galt is a "social drop out" and Eric Starnes is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing an alias based on characters in Fleming's books, there is set out as an attachment to this airtel a list of various characters in those books for your assistance.
