SUBJECT: MUSGROVE, Joe Bailey

1. The following paragraphs summarize information relayed telephonically to the Bureau, and are forwarded to you for confirmation and for your files.

2. On 28 April 1968, our representative in Addis Ababa reported that Doctor Klaus Steer, a West German citizen and Director of the African Scientific Department, E. Merck Aktiengesellschaft, Karmstady, Germany, visited the American Embassy, at the request of the local German Ambassador, and reported that he had seen a man in Lagos, Nigeria on 23 April 1968 who strongly resembled newspaper photographs of Eric Stavro Galt, who is currently wanted in connection with the assassination of Dr. Martin Luther King. Dr. Steer said that he saw the Subject at the desk of the Bristol Hotel on the afternoon of 23 April when both were checking out of the hotel. Dr. Steer was accidentally given the hotel accounting receipt for the Subject, on which he noted "Name: Joe Musgaque, Room No: 403, Receipt No: D 52138, Account No: 08325." In a short conversation with Subject, Dr. Steer learned that Subject was employed by the "Wilder Oil Company" and was en-route to Warri, Nigeria on an 18 month contract. Subject told Dr. Steer that he had recently arrived in Lagos from Las Palmas via Accra on Nigerian Airlines.

3. The above information was relayed to the Bureau upon receipt by our duty officer on 29 April 1968. We were advised that the Bureau records did

not contain information on Subject or the Wilder Oil Company. We then requested our representative in Lagos to investigate this matter through unilateral means and through liaison.

4. On 29 April, liaison in Lagos checked the Bristol Hotel and determined that a Joe Musgrove, an American employee of McDermott Overseas Incorporated, arrived in Lagos on 23 April from Las Palmas and stayed in Lagos until 26 April, when he was to leave for the Midwestern State (Warri). Our representative received this information on 30 April 1968, and then visited Mr. Ray Landry, a U. S. citizen, Acting Chief of the McDermott Company, and obtained the following information from a personnel file: Joe Bailey MUSGROVE departed the U. S. on 9 October 1967 for employment with McDermott Nigeria. He has been resident in Nigeria since that date, except for the period 10-23 April, when he went to Las Palmas on leave. Date of Birth: [REDACTED] Occupation: Welder. Home Address: P.O. Box 1002, Farmington, New Mexico. Married, wife in U. S. Father: Banks Musgrove, 1017 East Garden (city and state not recorded).

5. Our representative also obtained a passport photograph of the Subject from the McDermott Company and is forwarding the photo to our Headquarters. Later on 30 April, liaison informed our Lagos representative that the Subject holds a U. S. Passport Number [REDACTED] issued in the U. S. and valid until 4 October 1970.

WANTED BY THE FBI

JAMES EARL RAY, also known as Eric Starvo Galt, Harvey Lowmyer, John Willard, James McBride, James Walton, W. C. Herron and James O'Conner.

James Earl Ray, a Missouri prison escapee, sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., is one of the FBI's "Ten Most Wanted Fugitives." FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Top Ten" list to insure widespread dissemination of Ray's photograph and description to speed his location.

Ray has been intensively sought since the murder of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel. An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom wanted notices were posted, determined that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias of Galt, with conspiring to interfere with a Constitutional Right of a citizen. Ray, who escaped on April 23, 1967, from the Missouri State Penitentiary, is also sought for unlawful flight to avoid confinement for robbery. His long criminal record also includes convictions for burglary and forging U.S. Postal Money Orders.

A white American, born in Alton, Illinois, on March 10, 1928, Ray is 5'10" tall, weighs 163 to 174 pounds, has blue eyes and short brown hair. He has a nervous habit of tugging at an ear lobe and his left ear protrudes noticeably. Known as a "loner" and "drifter," Ray has worked as a baker, laborer and color matcher. He has taken dancing lessons and completed a course at a school of bartending.

Consider Ray armed and extremely dangerous. Report any information concerning him to the nearest FBI office.

FBI Intensifies Search for Ray

Local Federal Bureau of Investigation agents said Saturday the Bureau has intensified its search for James Earl Ray, Missouri prison escapee, sought in connection with the gunshot slaying of Dr. Martin Luther King Jr., April 4.

The Bureau has appealed, they said, to newspapers all over the nation, asking them to again run photographs and information about Ray, in an effort to possibly locate the wanted man through someone

who might recognize him from the photo.

Ray has been added to the FBI's "Ten Most Wanted Fugitives" and he is also sought under an alias, Eric Starvo Galt.

A federal warrant charges Ray, under the Galt alias, with conspiring to interfere with a constitutional right of a citizen, and he is also wanted on a charge of unlawful flight to avoid confinement for robbery.

In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

Source has heard unrecalled Negro people here mention that there would be a Poor People's March here. None have indicated, to his knowledge, that they plan to participate or that they plan to support the march. He said that since REIES TIJERINA had been designated as head of the march for New Mexico, he does not believe the Negro people generally will indicate much interest since none of them especially favor TIJERINA. As far as he can determine at this time, he sees no indication of future looting or rioting by local Negro people but said that Negroes coming in from such places as Los Angeles could cause such activities. Re Albuquerque, Denver, Los Angeles and Phoenix teletypes 5/4/68; El Paso airtel 5/3/68; and FBI Laboratory Reports 5/10 and 5/13/68.

Enclosed for the Director and Memphis is one copy of referenced Albuquerque teletype for each inasmuch as teletype did not include Director and Memphis.

One copy of this letter is being furnished the other offices due to their investigative interest in CARL RAY.

On 5/7/68, First Class Cabin Stewardess CATHERINE HINES, aboard Frontier Airlines Flight 785 F, 4/27/68, on flight from Albuquerque to Phoenix, and Tourist Cabin Stewardess Miss J. JACKSON, aboard the same flight, advised SA BOYD D. ADSIT that they recall no one by the name of CARL RAY being aboard that flight and neither recognized any picture of JAMES EARL RAY as being that of any person aboard the flight.

On 5/4 and 5/5/68, all hotels in Denver and all motels in vicinity Stapleton International Airport were checked for reservation by CARL RAY with negative results.

In view of the differences between the descriptions given of CARL RAY by the various airlines employees and the description of JAMES EARL RAY, and in view of the information set forth in referenced FBI Laboratory reports, Denver does not contemplate setting forth leads to have other persons aboard Frontier Airlines Flight 785, Albuquerque to Phoenix, 4/27/68, interviewed concerning CARL RAY unless advised to the contrary by the office of origin.

Memorandum

TO : SAC (44-715) P

FROM : SA HERBERT F. GREATHOUSE

SUBJECT: MURKIN

DATE: 5/20/68

At around 10:00 P.M. on 5/8/68, Mr. CHARLES LOPEZ, who resides at Garcia Hall, DH-23, New Mexico State University, and is a graduate student there, advised he was in the Loretto Shopping Center on 5/8/68, around 5:00 P.M., at which time he visited Bay's ^{Day's} Greeting Card Center, at which time he saw an individual who in some ways resembled the photograph of subject RAY. He then went home and took out his "Time Magazine" and there was an article on RAY. In reading the article and looking back, he thinks the man he saw was about 5'10", a white male, about 40, 175 pounds, blue eyes and brown hair. He did not know anymore about it and did not determine what he was wearing or much about him except that he was apparently having something gift wrapped.

He could furnish no additional information.

On 5/9/68, MARGARET DAY, the proprietor of Day's Greeting Card Store in the Loretto Shopping Center, Las Cruces, N.M., observed a photograph of subject RAY and all of the poses available at the time, and stated that she does not recognize this as an individual who did business with her shop around 5:00 P.M. on 5/8/68, however, she did recall an individual who was in there about that size around 5:00 P.M. who bought a "monkey pod" wooden tray for \$10 and stated that he was taking it to his secretary and wanted to make sure it was small enough to carry on an airplane. Her impression was that he was taking the trip on a plane, but she did not determine anything else concerning him. He paid in cash and departed without her learning how he was traveling, where he went and what he was doing. She concluded that from his general appearance and comparison with photographs of RAY available, that it was not JAMES EARL RAY.

In accordance with memos to all agents 4/24 and 26/68, contacts have been maintained with all mass communications media in the Resident Agency territory covered by the Las Cruces Resident Agency for leads on JAMES EARL RAY. It has been assured that all of these people have photographs appearing on the wanted flyer for this individual. Local Police Departments have identification orders and wanted flyers on this individual properly displayed.
