Memorandum

TO : SAC (44-2386)

FROM : FRANK V. HITT, SAC

SUBJECT: MURKIN

DATE: 4/11/68

The following is information the SAC furnished Memphis, Mr. ROSEN and Mr. DE LOACH in a telephone conference at 4:00 P.M. this date and it also contains instructions given:

MR. HITT: Somebody dig out for me what we will need for probable cause. We have very little of the facts in this case and they will have to call that back to us before we can get the search warrant for the car. I don't want anyone to touch it till we get there. Send us some artist's photos on the next plane. We have the car. He left it on a parking lot Friday at the intersection of Memorial Drive and Connally Place in the City of Atlanta. Now, the police found it, actually a woman out here whom they don't know, told her preacher, who reported it to the police department here in Atlanta. I presume it was today, we're checking it out now. They ran an NCIC on it and also a check of the Ala. MVB and the NCIC check showed that this was wanted in connection with a Civil Rights and Election Law case. It shows GALT (ph) as the owner and it shows that caution should be used, that there is no warrant, and if not in local custody to keep under observation and call the FBI, collect at 202-393-7100, Ext. 2521. The police department has put facts together and assume it is in connection with that case. I have the ASAC and the fingerprint expert on the way out there, the police now have the car under observation. We're getting facts for Memphis in order to get search warrant and I have men on the way now to do a full neighborhood on it.

It was left and locked on a lot. We're on the way now to find that out. It was left and locked on the lot and I don't know what kind of lot it is. It is in a lot, but I'll know that when our people get there. I have the ASAC and two men on the way and we'll know the answer as soon as they get there.

CARL CLAIBORNE, who was at the Bureau, is a very good man on it. I don't want to touch it without it. We shoudn't touch it without it. If the car is on a lot and locked, I have some question as to whether it is abandoned. This is a parking lot in a low-cost housing development, so in effect, it was parked in this lot, in the low-cost area. It is a white project. It is out east of Atlanta and a little south. It is Connally Place and Memorial Drive. I don't know the sequence there. BILL ~~XXXX~~ ALEXANDER said he had received a call from the MVB in Ala. who had gotten a teletype or telegram.... you want the FBI to take possession of the car and oonduct a search? It is in a parking lot Mr. ROSEN, in a low X cost white housing project. We'll take ~~XXXX~~ possession and tow it into our garage. I already got that underway. I'll have them tow it in. We'll put ~~XX~~ it in our garage. I'll be in touch. The men are waiting for me to tell them what to do.

MR. HITT TO RADIO CAR #2

Mr. R and the B said for us to take possession of the car without a search warrant, take color photos if possible and bring it to our garage and conduct complete search down here. We'll get a wrecker to tow it in. Don't let anyone mess up prints on it.

MR. HITT ON CONFERENCE CALL:

It was a woman who saw a man get out of the car and lock it and leave. ~~W~~ We don't know who she is yet. We have someone now ~~g~~ trying to find the preacher and to learn the woman's identity. Everything underway. It is ~~XXXX~~ not a pay parking lot. Off street parking for the development. No attendant.

TO HARDING: Get the color film out to the boys on the street.

TO WDC: You will send as the picture immeidately? If we get any press inquiries at all onthing, it is just "no comment?" That is all I have here.

AT 44-2386

You want us to ~~XX~~ make airlines checks from AT to LA on the four names we have, LOMYER, WILLARD, JEROME VERNON and J. VERNON, and GALT? Alright, I'll get that started.

Plyers....Duckbill Plyers from Rummage Hardware five blocks from laundry where VERNON worked in LA and he dropped out of sight on March 27.

They tell me the Bureau just issued an ~~APB~~ APB on car to ~~XX~~ look out for it. It is coming in here now. BOB, you will send us the facts on the case?

NOTE: CALL GRAPP in LA to have him check arrivals on Friday. Check all cab pickups from that ~~XX~~ area. We have got to find woman, talk to minister, do a complete neighborhood. It is a low-class white neighborhood. I'll check any rooming houses. We have Klansmen all around the place, so there ~~X~~ could be, yes.

NOTE: Leave Memphis 6:10 and 6:15 P.M. night of killing.

TO WDC: Isn't the time though, when the car was abandoned. We'll take it apart. We're bringing the car to the garage now.

NOTE: Check resident manager of the housing project for last year's residents who might have left.

Connally Place, I don't know how far out it is ~~Xb~~ but it is only about 1½ miles from downtown AT. Well, I'll look the neighborhood over and consider that. PURCHASE AUTO?

We'll go ahead and keep in touch with more info.

SUBJECT: MURKIN

DATE: 4/11/68

At 4:55 PM Inspector SULLIVAN from Memphis said that the four names of pertinency at this time are:

ERIC STARVO GALT

HARVEY LOWMEYER

JOHN WILLARD

JAY WALLIS VERNON aka Jerome Wallis Vernon.

(former)

VERNON, Air Force Deserter, SN [REDACTED] left Los Angeles 3/27/68; left business on 3/24/68.

VERNON's picture was shown to a Memphis witness, and he would like to see more.

(by Supv. HARDING) - SA JOE HESTER, Memphis, called at 5:40 PM and stated that pictures of VERNON and two different composite sketches of the unsub, one from Birmingham and one from Memphis, being sent by a Delta Airlines flight which leaves Memphis at 5:40 PM and arrives Atlanta 7:40 PM (schedule identifies this as Delta Flight 842). SA ROESENER is meeting plane to pick up pictures. SA HESTER also advised that a copy of Los Angeles teletype giving information concerning VERNON will be sent also.

(By SAC) At 7:00 PM, WSB-TV cameramen came to the office, stated they were aware that a white Mustang was recovered, that the people in the neighborhood where it was recovered had told them the FBI had towed it in; they had license plate and the fact it had a Mexican tourist sticker on it. They wanted comments and television footage. I told them my only reply was "no comment".

The cameramen then telephonically contacted RAY MOORE, News Director, WSB-TV, and RAY spoke with me (he is an SAC Contact). He pointed out that he was in the same Sunday School with the minister who was responsible for the report getting to the FBI and said he would certainly hate to lose news items. I told RAY that I could only say "no comment", and that when we had any information I could release I would call him.

(CSH) - At 7:05 PM, SAC JOSEPH GAMBLE, Birmingham, called and asked that a lead be covered in Atlanta. This lead was dictated to JO LENE HORNE as a memo and cannot be covered until we receive the photographs. At this time I advised SAC GAMBLE that the mileage on the car was 39,100 and that two of the whitewall tires did not have identification on them. One of the whitewall tires was a Medallion 110 recap, 2/F; the blackwall tire was a Firestone blackwall. He was advised that all tires had good tread on them and the two whitewalls on the rear looked almost new.

At 7:45 PM, Lt. ROBERT SHATTLES, Atlanta PD, advised that an anonymous male, believed to be Negro, called the Atlanta PD and said the killer of MARTIN LUTHER KING was at the American Motor Hotel, Room 638. SAS WATTS & COCHRAN are checking this out.

At 8:30 PM SAC COLE, San Antonio, called and talked with SAC. He advised the Mexican Tourista Folio #(Sticker) for Mustang in AT had been furnished them as Folio [REDACTED]. He was advised the correct number is [REDACTED] (His call was verify this number).

NE

At 8:40 PM EXX/SMITH from the Atlanta Constitution called, said she understood the FBI had picked up a car which had some connection with the KING murder case and it had an Alabama license plate on it. I told her the only thing I could say would be "no comment" and that when I had information I could release I would give her a call or whoever was working.

9:00 PM - call Los Angeles & Memphis - Supv. BILL NOLAN, LA., SACJENSEN and Insp. SULLIVAN, Memphis conference call - Furnished info. as to correct # being given San Antonio (Folio #) [REDACTED]

Have asked for all manifests on all arrivals in Mexico on 5, 6 and 7 of April to see if man listed as arrival from Atlanta. Last name add-ons only get on manifest.

In car picked up was a piece to a top of a Kleenex box and written on it was "GINGER and ANITA" KATZWINKLE, 1535 Sorrento. GALT did have an apt. there - manager out of pocket, left owing rent - they do not know him, waiting for manager to come in. Had Apt. 6. Atlanta Office called LA Information Opt. and the tele. # is 465 6868.

This was found in truck of car and written on it was "at pool" - looks like may have met at pool - written on this thing OLKAHOMBE. Written above Ginger and Anita is word "DAY". These girls might know something about him.

AT 157-3094

GALT left owing rent - (When did he take apt.?, aprox. time he left there). "A very short time", relatively recently. Was in February, gave this address in Feb. (to service station).

VERNON bought a truck at Cort Box Ford - all these places, service station, laundry, etc are within immediate waking distance. GALT may well have just had his laundry laundered at VERNON's laundry. There is a possibility GALT is VERNON. VERNON was in probation office April 5 - talked with girls in office. They remember his being there. Don't remember time of day. He also told Probation Officer that he was working for Lockheed Aircraft, giving address where formerly lived with wife - has recently had apt. with a buddy JIM CONKLE. They gave up apt. (Any racial kicks on these - not a bit).

SAC HITT: Bill, the telephone bill sent to MAURICE HOWARD - has anyone checked the telephone calls on this bill. Answer: we advised the tele. company and are getting all tolls for past 60 days.

HOWARD sold laundry 1/15/68 on a 90-day escrow. On 3/25/68 he met with them in the early morning to discuss final details of sale - VERNON left with girl friend, driving blue Van. He went back to laundry, cleaned out cash drawer and they have not seen him since (was to meet with HOWARD and finalize purchase). HOWARD said he was sorry he did not keep appointment with him but that he had to go to the C (which is a mental hospital). HOWARD has not seen him since. There was paper out on Mr. BUTTERMAN - there is ~~litig~~ litigation as to who owns laundry.

Has VERNON been in mental institution? Is there a possibility he has been an inmate of a mental institution? Check to make sure.

St. Louis checking records - will furnish to Atlanta, B'ham, Memphis, Bureau -

SAC HITT: Where was truck repossessed from? 1900 block of Alice St., Pasadena - girl friend of VERNON's home in this area.

On April 5 he was in probation office - Asked to get personal possessions out of the truck -

Has anyone seen him with a white Mustang? No. Is he neat or sloppy: VERNON generally considered neat. Ask people re his appearance, sloppy, or neat.

Will have to interview VERNON -

Map was only issued in the 7 western states (map of U. S.) did not go any place. Mustang there but does not prove VERNON was in it. The map was left at roominghouse.

Having a continuing identity of GALT "out there" - Persons who know GALT should be able to identify him, whether identical with VERNON.

Re investigation on the two girls - about the hott est thing so far on GALT. Expedite.

LA will call if info. developed.

Supervisor BILL NOLAN, LA Division, telephonically furnished the following information at 11:05 PM:

Apartment 6, 1535 North Surano, belonged to GALT. Phone number 465-6868 belonged to ANITA KATZWINKEL, 1831 North Gramercy Place, LA. That phone was disconnected on 4/8/68. No moving, no change of residence with the phone company. The business office is closed and those records will not be available until morning. The manager of 1831 North Gramercy Place has Thursday nights off.

Present manager at Surano is VERA BERNHART (ph). Just took over a month ago. Building is in receivership and the records are in the possession of the receiver, DALE L. _____, and the office building is on Wishire Blvd. Mr. _____ recalls talking to GALT on three occasions collecting the rent, and he also recalls getting a letter from him sometime in February. The letter is in his office and Agents are on way to pick it up.

He recalls he rented the apartment sometime between 11/19 and 12/5. He collected rent on at least 3 occasions, sometime around 12/5, Jan. _____, and probably early February. He knows the guy is a skip and he remembers he got the letter typewritten in red. Can't remember much about it.

They think they have located VERNON. He's floating around town, has been in contact with six or seven recovery people on car and gave new address. Delta Flight 180 arriving 6:20 has new pictures of VERNON aboard.

BERNHART says she remembers seeing GALT in February couple of times, and he does not in any way resemble VERNON.

FROM : SA JOHN E. OGDEN

SUBJECT: MURKIN
CR

DATE: 4/12/68

On 4/12/68 Lt. QUARRELLS, Drivers License Department, Georgia State Patrol, telephonically advised as follows:

Subsequent to a check on the name ERIC GALT on the night of 4/11/68 Lt. QUARRELLS caused additional searches of Drivers License Bureau to be made on the last name GALT. He located records on one JOHN DOUGLAS GALT, described as WM, born [redacted] who was arrested 11/19/66 on charges of speeding-accident (motorcycle). GALT gave an Atlanta address of 1474 Desota Avenue, S. W., and California Drivers License issued to him [redacted] was picked up by the APD, turned over to the GSP which subsequently returned this license to the State of California.

JOHN GALLANT, Station Captain's Office, APD, advised on 4/12/68 that his files disclosed that JOHN DOUGLAS GALT, WM, age 26 in 1966, was arrested 11/19/66 and 12/7/66 on traffic charges. His files contained no information in addition to that contained in the Georgia Drivers License files.

A telephonic check of the Atlanta Traffic Court on 4/12/68 disclosed that GALT was fined \$250.00 on the 11/19/66 arrest and his subsequent arrest on 12/7/66 was for operating a vehicle while his license was in revocation. Their files indicate GALT is wanted for violation of probation as a result of the 11/19/66 arrest and for bond forfeiture. The Atlanta Traffic Court records contained the additional information that GALT was employed by Lockheed AC.

On 4/12/68 MRS. ROBERT HARPER, 3668 Cascade-Palmetto Road, S. W., Palmetto, Ga., advised that she formerly resided at 1474 Desota Avenue, Atlanta, Ga., in about November 1966. JOHN GALT came to her residence and advised that he had met MRS. HARPER's son, ROBERT E. HARPER, JR., in Macon, Ga. She explained that her son was then in the USAF at Macon and had suggested that GALT come to see his mother and to stay there until he was able to

find a permanent place to stay. She stated that she subsequently determined that her son had only met JOHN GALT on one occasion and it was just prior to his coming to see her. GALT presumably was en route to Atlanta from California and was to begin employment for a contractor who was doing some work for Lockheed Aircraft at Marietta, Ga., name of company was unknown but MRS. HARPER recalls that it had something to do with plastic tools.

MRS. HARPER said that on the recommendation of her son she and her husband permitted GALT to stay at their residence for about six weeks. During that time he attempted to find a permanent place to stay but became involved in a traffic accident which resulted in his receiving a fine. He was again arrested two or three weeks later and on this occasion he was released under bond but had to give his bondsman (name and company unknown) the Honda motorcycle to secure the bond. Shortly thereafter the contractor for whom GALT was employed got in trouble with Lockheed over the contract and MRS. HARPER believes that Lockheed canceled the contract. GALT was forced to leave Atlanta to seek other employment and did leave almost immediately.

She stated that while GALT was staying at her residence he appeared to be a rather lonely person and the only friend she can recall was a woman named JO ANN (LAST NAME UNKNOWN) who lived in the apartments located near Lakewood Park. JO ANN had two or three children and JOHN GALT seemed quite fond of her. She recalled that he was en route to see JO ANN when the accident resulting in his traffic arrest occurred. She has heard that JO ANN has recently remarried but does not know her name.

GALT spoke very little of his background but indicated that he had lived in California for a number of years. She was unable to recall any more but got the impression that he had lived in several towns and mentioned having been in Los Angeles, Calif.

After GALT's departure she received one card from him thanking her for permitting him to stay in the HARPER home but she

AT 44-2386

is unable to recall from where this card was mailed. The only relative ever mentioned by GALT was his mother and MRS. HARPER got the impression that GALT's father was probably deceased.

MRS. HARPER provided the following description of JOHN DOUGLAS GALT:

Race	White
Sex	Male
Age	Approximately 25
Height	5'9" - 5'10"
Weight	160 - 165 lbs.
Hair	Light "sandy", thin and straight
Scars and Marks	No visible scars or marks
Occupation	Claimed to have attended trade school having to do with "plastic tools"

MRS. HARPER stated that she believes the bondsman may know the identity of JO ANN (LNU) as she heard the bondsman had contacted this woman in an effort to locate JOHN GALT.

SA JOSEPH G. SHEA telephonically contacted the Personnel Department at Lockheed Aircraft and was advised that they were unable to locate a personnel file for JOHN DOUGLAS GALT. Other individuals having the surname GALT were located SA HUGH ROBINSON is proceeding to Lockheed Aircraft to review these records as well as records of employees of subcontractors if available.

A teletype is being sent to the Sacramento Division asking that division to secure a copy of California Drivers License [REDACTED] together with any background and/or descriptive data contained in the California Drivers License file.

ADDENDUM:

SA HUGH ROBINSON telephonically advised at 6:30 p.m. he has completed check of all active and inactive personnel records as

AT 44-2386

well as records of all subcontractors employees, Lockheed,
and can find no record of JOHN DOUGLAS GALT.

CONVERSATION BETWEEN ASAC KYLE CLARK, CHICAGO, AND SAC HITT:
(9:00 A.M., 4/12/68)

HITT: Did they tell you they found two pieces of styrofoam-type packing material?

CLARK: Do they have dimensions of any impressions?

HITT: We sent all materials to Lab and they could give you further info re this. We found an automatic camera trip, an air release shutter in original package, bearing name "PRINZ", made in Japan. We also found pieces of Kleenex box with the name of two girls from Los Angeles and the address which turned out to be GALT's address in Los Angeles. This was his address as late as February. We have separated GALT from VERNON. They know where VERNON is in LA.

CLARK: About what he made up here...he had a return to him in a blue-type envelop. Did you find anymore correspondence?

HITT: Negative, car was clean.

CLARK: Were there any extra holes for possible radio transmittal other than commercial?

HITT: Negative. We're having it checked now to determine if radio in car actually commercial radio. We'll call you back on that.

CLARK: They had a fictitious call from Memphis about the Mustang and that is why we were in favor of it being a transmitter.

HITT: Do the police say they were making call over radio?

CLARK: They had two cars out but no action from them in that area. A fictitious call made possibly to throw them off. Call from Car "190" that a white Mustang and suspect seen going in some direction, in "such and such" a way. They had men around, but none made this particular call. We have a guy here who makes radios for unauthorized people, but we're waiting to contact him.

HITT: The Lab can give you further details and exact dimensions.

AT 44-2386

CLARK: I'll give them about an hour and call up there (would be around 10:30 A.M.).

HITT: If radio a "dummy" we'll give you a call, if commercial, we won't call. The generator is determined to be normal. The two girls names and his residence in LA appear to be the most immediate and logical solution at this time.

CONVERSATION TERMINATED APPROX. 9:15 A.M., 4/12/68.

HITT: I talked to Superintendent CLINT CHAFIN, APD, at 9:20 A.M. this date. He said he wanted me to know that after he read the article in the newspaper that the case had been reported to the FBI Wednesday night and that it had been referred to the PD, he checked all PD records and can find no record showing that this Mustang was reported to the APD Wednesday. The first report of it to the PD came on Thursday when the two ministers came to the PD and reported the Mustang.

CHAFIN also explained that the reason the FBI was notified concerning the finding of the car by another Field Division rather than the APD was the fact that APD ran an NCIC check and received a "no record". Since this did not seem right, they ran a MVB check in Alabama and Alabama, on its own, ran an NCIC, which set forth the information about the FBI's interest in this car. CHAFIN said he went back and checked the APD's original message to NCIC and found a digit from the VIN was missing from the original record and that accounts for their getting a "no record" and their not immediately reporting it to the FBI, Atlanta.

I told CHAFIN that the FBI's position in this case was "no comment" to any matters, and I would appreciate his assistance in any way.

CONTINUATION OF ASSIGNMENTS AS OF 4/12/68

SA SULLIVAN, assisted by SA SPOON, to procure daily newspapers for 4/5 and 4/6; determine personal ads for sale of cars on both dates and thereafter, make personal contact

AT 44-2386

with all persons advertising personal sales of cars to determine whether individual using name GALT, LOWMEYER or WILLARD contacted such persons re purchase of same.

At 11:30 A.M., this date, I (SAC, HITT) called J. COLE, SAC, San Antonio, and inquired as to what they found re Mustang entering into Mexico. He said car entered Mexico, 10/7/67 and person signed name as ERIC STARVO GALT, 2608 Highland, Birmingham, DOB [redacted] single, employed in Birmingham, Ala., destination, Mexico City. SA unable to locate departure information so far, but continuing investigation.

COLE added they had no information other than this and pointed out the "sketchiness" of Mexican records.

At 11:40 A.M., this date, I (ASAC KEITH) telephonically contacted BONEBRAKE of the Latent Fingerprint Section of the Identification Division, and requested that he compare the known prints of CHARLES BURNIE KAISER, FBI No. 10992D with the unidentified latents obtained by Memphis. BONEBRAKE stated he would advise us the results by airtel.

The Bureau telephonically contacted this office at 1:25 P.M., at which time JIM MALLEY spoke with Supv. KASSINGER as follows:

Bureau requested we make immediate check to determine whether [redacted] was a phone number of Mrs. MARTIN LUTHER KING, JR. Stated on confidential basis that Attorney General had received phone call requesting him to contact Mrs. KING at this phone number.

SA JIM ROSE advised that through SA SENTINELLA he had determined this number was the unlisted phone of MARTIN LUTHER KING, JR. MALLEY so advised.

At approximately 5:55 P.M., this date, BUD LINEBAUGH called from the Bureau and advised the Bureau had received a telegram from RAY MOORE, News Director, WSB, Atlanta, recommending that the Director instruct the SAC, Atlanta to permit news media to take photographs of the Mustang. Mr. HOOVER put "NO" on incoming. LINEBAUGH called RAY MOORE at WSB and found him to be away for the weekend. He then told me (SAC, HITT) acting in his place, that this would not be done.

Memorandum

TO : SAC (44-2386)

DATE: 4/12/68

FROM : SA ROGER L. KAAS

SUBJECT: MURKIN

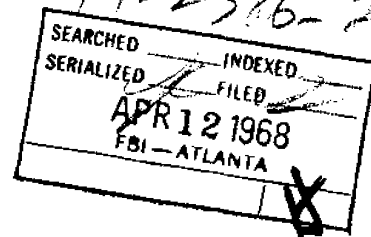

Mr. DON McKEE, AP, Birmingham, advised as follows:

He was a personal friend of Dr. KING and attended the services at Ebenezer Baptist Church. While there he was aware of the presence of an individual known to him as FLOYD "BUDDY" AYERS and has since determined AYERS has a criminal record and Klan associations.

McKEE said it was his intention to point up the lack of security surrounding the burial which allowed an individual such as AYERS to associate closely with the famous personages present so that he could have harmed any one of them had he so wishes.

McKEE stated he was fully aware that the FBI was in no way charged with the security of these people and he would make this clear in the article.

NOTE: SAC may wish to advise appropriate Treasury officials of McKEE's intent.

Memorandum

TO : FILE (44- 2386)

DATE: 4/12/68

FROM : SAC FRANK V. HITT

SUBJECT: MURKIN

I instructed SA JIM ROSE to get four men and start checking motels, beginning in the area nearest where the car was abandoned to determine if subject might have registered in any motel in this area.

At 8:15 AM advised SA ROGER L. KAAS that at approximately 1:00 AM this date a lone white male checked into Room 516, Clermont Hotel with no luggage except small amount of shaving gear in plastic bag. Unsub appeared unusual to informant, immediately asking for a girl, seemed concerned about possible presence of police in hotel, did not smile or joke and at one point to prove to CI he had money pulled wad of bills from left stocking, counted off forty-nine \$100 bills, reached down into right stocking and pulled out another wad of similar size.

CI stalled unsub and did not during course of morning obtain girl for him. CI described unsub as white male, late 20's or early 30's, approximately 5' 10", medium build, brown hair, thin face, regional accent.

CI stated he avoided this individual the remainder of the morning due to his previous actions. It should be noted CI has associated with all types of individuals and it is unusual for him to have this feeling.

At 8:45 AM SAS JOHN E. OGDEN and BRIAN FRANCIS O'SHEA were dispatched to the Clermont Hotel with appropriate instructions.

At 8:55 AM Mr. JIM HENDRICKS, Security, Southern Bell, Tele. 529 8453, advised SA KAAS as follows:

An employee furnished him following information: An individual known as "BUDDY AYERS", a former mental patient and an individual who has expressed himself as "Anti-King" was observed on television seating dignitaries including Mrs. KENNEDY in the Ebenezer Baptist Church during funeral for KING and to remain in the church during the ceremony. HENDRICKS stated his employee did not personally observe this but can furnish the identities of those who know AYERS and observed him. HENDRICKS stated he can be reached at 529 8453 should this office desire to contact him concerning AYERS.

At 5:15 PM I informed Inspector SULLIVAN at Memphis of the information we received from Los Angeles concerning GALT's leaving a forwarding address in Los Angeles of General Delivery, Atlanta, and the fact that there were two pieces of mail in General Delivery for GALT. I told him we were checking out the locksmith ledger from New Jersey. I also told him we had a stakeout at General Delivery.

He informed me that he had just received word from Birmingham that as result of newspaper publicity Birmingham had determined that GALT took a four-week dancing lesson course in Birmingham, starting 9/12/67. The dance instructor recognized him as an individual the instructor had taught dancing in New Orleans in Oct. 1965. The dancing instructor thinks he has photographs, which he will review tonight and furnish the Birmingham Office.

We should consider checking dance studios in Atlanta based on the foregoing.

DATE: 4/12/68

SUBJECT: MURKIN
CIVIL RIGHTS

On 4/12/68 SA ROGER L. KAAS received information from AT 1577-C that an individual meeting the general description of the unknown subject was registered in Room 516 at the Clermont Hotel.

The writer and SA BRIAN F. O'SHEA proceeded to the Clermont Hotel and interviewed GLEN LOUDERMILK, JR., the desk clerk on duty. LOUDERMILK advised that the individual who had spent the night in Room 516 at this hotel checked out at 8:28 a.m. 4/12/68. He presented registration card [REDACTED] which reflects that D. J. MARTIN, Route 2, Lilburn, Georgia, checked in after 11:00 p.m. on the night of 4/11/68 or the early morning of 4/12/68 (exact time unknown) and checked out at 8:28 a.m., 4/12/68.

LOUDERMILK advised that he was on duty at the time this individual checked out and that the guest only stopped by the desk to see if his account was "straight." He described D. J. MARTIN as a white male, 32 - 33 years of age, 5' 9", 160 lbs., dark brown hair. He was in "casual" dress. He had a shirt with an open collar; however, the color of the shirt and other description of clothing could not be recalled. LOUDERMILK noted the individual paid for the room in advance and made a \$1 deposit for a key deposit which he did not claim at the time he checked out. He appeared to have no luggage but was carrying something under his arm which was possibly a suit or other article of clothing.

Mrs. GLADYS ROGERS, Room Clerk, Clermont Hotel, advised she was on duty when the guest in Room 516 checked in. She recalled that he arrived around midnight and had no luggage. He paid for his room in advance and before going to his room told Mrs. ROGERS he was going out to get something to eat and would return shortly. Mrs. ROGERS said he came back about 45 minutes later and went to the room, after which he made several calls to the bellboy on duty (AT 1577-C). The bellboy told her that the man in Room 516 was trying to get him to send a girl to his room and had displayed a sum of money which he had concealed in his socks.

Mrs. ROGERS said that when she observed the guest in Room 516 he did not appear to be intoxicated and she described him as follows:

Race and Sex:	White; Male
Age:	30
Height:	5' 8"
Weight:	150 - 160
Hair:	Dark Brown
Accent:	Regional

Mrs. ROGERS said she was not sure but she seemed to recall he was wearing a suit when he checked into the hotel.

Neither Mrs. ROGERS nor Mr. LOUDERMILK observed "MARTIN" to have an automobile but noted that he could have had a car parked in the lot as no attempts were made to obtain the tag number of the guest.

Mrs. ROGERS recalled that Lt. MEDERT of the Atlanta Police Department works at the hotel as a security guard and was on duty during the evening when "MARTIN" checked in. She was unable to recall whether MEDERT had an opportunity to see the guest.

The artist's conception of unknown subject as prepared in the Birmingham Division was displayed to LOUDERMILK and ROGERS but neither were able to say that this photograph closely resembled MARTIN.

AT 44-2386

SA BRIAN F. O'SHEA interviewed Mr. EARLY TERRELL, Room 105, Clermont Hotel, who advised he was in front of the hotel between 8:15 and 8:30 a.m., 4/12/68 at the time when MARTIN would have departed. TERRELL was unable to recall whether anyone from the hotel entered a car during this period and was unable to identify the artist's conception of the photograph of the unknown subject.

SA ROGER L. KAAS telephonically contacted the postmaster at Lilburn, Georgia, who advised they have a DENNIS MARTIN residing on this route and he will make inquiry of the postman who covers this route upon his return to the post office in an effort to establish whether this individual may also be known as D. J. MARTIN.

Room 516 of the Clermont Hotel was examined by SA'S O'SHEA and OGDEN. No items which would serve to identify the guest occupying this room were located. A claim check, number 1-845, for the Sans Souci Parking Lot was found in the waste basket of this room by SA O'SHEA. No time-in is stamped on the claim check. In view of the large number of cars handled in the lot of this type, further efforts to identify D. J. MARTIN at this location is of doubtful productivity.

Rural Carrier W. S. CARPENTER advised one DENNIS J. MARTIN now receives mail in the old box of ROBERT WILLIAMS, off 78 Highway, Lilburn, Georgia. CARPENTER stated he has never seen this individual who has been receiving mail there for approximately six months following the death of WILLIAMS.

WILLIAMS' house is located by turning right on first paved road off Highway 78 past WILLIAMS' car lot; continue to cross roads, again turn right, and it will be the first house on the left. CARPENTER added numerous individuals are now receiving mail at this box.
