Re Los Angeles tel to Bureau, Et Al, 4/13/68,
and Chicago teletype to Bureau dated 4/19/68.

Enclosed herewith for the Los Angeles Division
are two Itak copies of SUE HARRIS FLIKEID's address book.
Enclosed for the Memphis and Atlanta offices is one Itak
copy of the above book.

This book was obtained from SUE FLIKEID
on a confidential basis with the understanding that
the contents thereof would not be divulged to the Los Angeles
Police Department. If Los Angeles conducts investigation
based on the names contained in the address book, it is
requested that FLIKEID's identity be protected.

Each and every name and notation in the address
book was thoroughly and exhaustively reviewed with
both SUE and TOM FLIKEID. Based upon their information
which included physical description of the customers,
their businesses, associates and length of time known,
there is no possibility that any of the customers with the
exception of the ones furnished to SUE FLIKEID by LOU
TOMENY could be identical with JAMES EARL RAY. SUE
FLIKEID doubts that the names furnished by TOMENY could
possibly be identical since she believes LOU met most of
these individuals prior to April 27, 1967.

Los Angeles may desire to interview LOU TOMENY as to when she became acquainted with the foregoing. However, in view of RAY's incarceration, until April 23, 1967. The likelihood of any of the foregoing being identical with subject is remote.

All of the people listed in the address book were obtained from other contacts who were acquainted with the dates for approximately a year. For this reason, and as previously set forth, SUE FLIKEID doubts if any of the above list would have been known to TOMENY prior to April 23, 1967.

In view of the cooperative attitude of SUE and TOM FLIKEID, Los Angeles might want to consider further contacts for development under the informant program. They were advised to contact the Los Angeles Office upon arrival.

Re Albany airtels 4/10/68 and 4/11/68, setting forth concerns who purchased Thermo-Seal marking machines, and Bureau teletype to Memphis, 4/12/68.

The FBI Laboratory advised that pillowcase and bed sheet were found in trunk of 1966 white Mustang registered to ERIC STARVO GALT, which was located at Atlanta 4/11/68. These items contain Thermo-Seal laundry tapes of approximately same size as tapes on items previously recovered, but are yellow in color and contain code, "20R-3." In opinion of Textile Marking Machine Company, Syracuse, New York, the tapes were produced by a different machine than previous tapes since the first three characters are 15 point type and the last two characters are 18 point type.

The Textile Marking Machine Company suggests the twenty in above code would be the lot number, the R may mean that this was a return of a batch of laundry, and the three is the bundle number.

At about 6 p.m. on 4/4/68, while standing on the second floor balcony outside Room 306 of the Lorraine Motel, 406 Mulberry Street, Memphis, Tennessee, Dr. MARTIN LUTHER KING, JR. was struck in the right side of the face by a single bullet fired from a 30-06 rifle. The bullet severed KING's spinal cord and death was almost instantaneous.

This investigation, predicated upon a specific request from the Attorney General of the United States, disclosed that the fatal shot had been fired from the bathroom of a cheap rooming house located at 422½ South Main Street, Memphis, which bathroom was located at the rear of the rooming house, and had a window overlooking the Lorraine Motel.

At about 3 p.m. on 4/4/68, an individual using the name JOHN WILLARD had rented Room 5-B in the rooming house at 422½ South Main Street and had paid one week's rent. After hearing the rifle shot at about 6 p.m. on that same day, other tenants in the rooming house observed a man presumably identical with WILLARD, fleeing from the rooming house carrying a large package which was subsequently abandoned by him on the sidewalk in front of the Canipe Amusement Co., 424 South Main Street, Memphis. A neighborhood investigation in the vicinity of 424 South Main Street disclosed that the subject had fled from the scene in a white Mustang.

Found abandoned in front of 424 South Main Street was a 30-06 Remington model 760 rifle which was determined to have been

sold to one HARVEY LOWMEYER on 3/30/68 by Aeromarine Supply Co., Birmingham, Alabama.

Investigation at Memphis disclosed that an individual had purchased a set of binoculars at the York Arms Company in Memphis on 4/4/68. These binoculars were among the material abandoned with the rifle and recovered in Memphis. Also recovered was a brown and green herringbone bedspread. The items abandoned in Memphis were all wrapped in this bedspread. The blue bag which was inside the bedspread contained numerous items, among which were the binoculars and a set of underwear consisting of a T-shirt and shorts. The T-shirt and shorts are those on which appears the laundry mark which has been a matter of interest in this case.

A search of motel records in the Memphis area disclosed that an individual using the name ERIC S. GALT had spent the night of 4/3/68 at the Rebel Motel, Memphis, Tennessee, and was driving a 1966 white Mustang bearing Alabama License 1-38993. Investigation at Birmingham disclosed that this automobile had been purchased by ERIC S. GALT on August 30, 1968, from a private person in response to a newspaper ad. He paid a total of \$1995 cash. While in Birmingham he furnished the address of 2608 South Highland Avenue, Birmingham. This is also the address which appeared on a driver's license issued to him by the State of Alabama. The driver's license identifying data listed his birth date as [redacted] his height as 5'11", his weight as 170 and his eyes blue and hair brown.

The automobile in question, the white Mustang bearing the Alabama tags mentioned above, was recovered in Atlanta on 4/11/68 and determined to have been abandoned there prior to 9 a.m. on 4/5/68.

In connection with the evidence submitted by Atlanta, Birmingham, and Memphis, identifiable latent prints were recovered. It was on the basis of these latents that identification was made of JAMES EARL RAY. In handling future leads, all offices should be particularly interested in securing an identifying number, military, police, or FBI, in connection with suspects so that the necessary check can be made through the Identification Division.

On 4/17/68, AUSA R. MACEY TAYLOR, Birmingham, authorized the filing of a complaint charging ERIC STARVO GALT with a conspiracy to violate Section 241, Title 18, U. S. Code, and

ME 44-1987

recommended bond in the amount \$50,000. On that same date, SAC JOSEPH H. GAMBLE filed a complaint before USC MILDRED F. SPRAGUE, Birmingham, and warrant was issued that same date.

Re Washington Field teletype to Memphis, Atlanta, and Richmond, 4/8/68, regarding unidentified male on Delta Flight 725, 4/1/68, with rifle box labeled "Mauser" which was placed by unidentified stewardess in cockpit.

Enclosed for Atlanta is a copy of the flight manifest for Delta Flight 725 on 4/1/68.

For the information of New Orleans, on 4/6/68, Mr. JOHN C. The box was labeled "Mauser". One of the stewardesses aboard the flight stored the box in the cockpit until the termination of the flight. The above mentioned flight departed Washington National Airport at 8:09 A.M., and arrived at Atlanta at 9:43 A.M. All issues of the "Atlanta Journal" and "Atlanta Constitution" are being secured for the dates 3/24/68 - 4/6/68.

These issues should be reviewed for any information, news item, classified ad, personal, or other item which would give any indication why GALT may have gone to Birmingham to purchase a gun or which would assist in determining his possible means of departure from Atlanta. In this respect, a review of car for sale ads and coordination with Agents who formerly conducted a survey of people with cars for sale, should be made in order to determine if GALT purchased a used car through want ads. It is noted that GALT has used want ads in the past for the purchase of numerous items.

MRS. FRANK MCKINLEY, 47 Northwood Ave., N.E., TR4-2173, called at 10:00 am today and advised as follows:

On 4-19-68 she and her husband were working on a house they own at 723 Peeples St. S.W., when they observed a man fitting description of subject RAY. This man was cleaning the gutters on the home of Mrs. BROOKS and MRS. HARDY at 733 Peeples. He had ~~had~~ walked into the neighborhood and asked for any kind of work and they paid him \$5.00 to clean their gutters. He told Mrs. BROOKS and HARDY that he was from California and Arizona and he couldn't remember name of company he worked for out there.

The MCKINLEYS asked him about cleaning and painting their gutters and he said he would be back on 4-20-68 to do that. He has not been seen since. When asked where he lived he stated that he lived in the Hapeville-College Park area. He left the MCKINLEYS and walked in the direction of the Howell Park Apartments.

The MCKINLEYS are of the opinion that the man they saw looks very much like the picture of RAY on television last night. She stated the description matches including the hazel-blue eyes, except he appeared to be lighter and his hair was longer.
