On April 17, 1968, the following investigation was conducted by SA HUGH ROBINSON, JR.:

BILL JOHNSON, Plant Manager, Decatur Laundry, 250 Trinity Place, Decatur, Georgia, advised that said Laundry uses a "Polymark" marking machine made by the Pinnacle Products Corporation, Elmsford, New York.

Mr. JOHNSON advised that this machine does place a small piece of cloth tape on a garment with numbers imprinted thereon for identification purposes. However, he stated that his laundry never puts said tape marking device on either sheets or pillow cases. He stated that all flat work which would include sheets and pillow cases are washed in nylon net bags with no identification placed on them whatsoever. He indicated that the above described tape marking device would only be affixed to a shirt or other finished type item.

On April 17, 1968, Mr. W. M. MC FARLAND, Manager, Dial Cleaners, 3426 Shallowford Road, Atlanta, Georgia, advised that said laundry uses a Thermo-Seal marking device to identify finished items of laundry. He advised that the laundry does not normally place a Thermo-Seal tape on any flat work, which would include sheets and pillow cases. He stated that these items are usually washed separate from the shirts and other items, which would receive identifying marks. Mr. MC FARLAND was unable to identify the piece of Thermo-Seal tape in question.

On April 17, 1968, Mr. JOHN STRICKLAND,

Manager, Roswell Cleaners, 836 North Atlanta Road, Roswell, Georgia, advised that his laundry has in the past used a Thermo-Seal marking device to identify laundry items. However, he stated that he has not used this machine in his operations for over six months. Mr. STRICKLAND further advised that the Thermo-Seal marking tape would almost always be affixed to a shirt or dress or other item of finished laundry. He stated that it is not his practice to put Thermo-Seal tapes on unfinished or flat laundry items such as sheets and pillow cases. He advised that this type of material is usually washed in a nylon net bag and the only identification is on the bag itself and not on the unfinished laundry item.

THE SUPPLY OF AMPHETAMINE PRIOR TO ONE NINE SIX FOUR WAS READILY AVAILABLE AT FIVE DOLLARS A SHOT OR LESS. AFTER ONE NINE SIX FOUR WAS VERY SCARCE BUT WHEN AVAILABLE REMAINED AT FIVE DOLLARS A SHOT. Re Columbia teletype to Atlanta 4-27-68.

Retel reflected that a DR. WILLIAM HUTTO, 1819 Marion, Columbia, S.C., had observed a Grey Volkswagon, bearing 1968 Georgia license 7D 8205, traveling at a high rate of speed towards Columbia, S.C., at about 8:45 AM. DR. HUTTO observed that the lone male driver in profile resembled JAMES EARL RAY.

COP ROBERT L. DRAKE, Smyrna PD, Smyrna, Georgia, on 4-27-68, advised that 1968 Georgia license 7D 8205 is registered to CHARLES WORTZ, 2016 Olive Springs, Marietta, Ga. This is the address of the Francis ~~Ann~~ Apartments according to Chief Drake.

Assistant COP James Bennett, Cobb County PD, So. Cobb Drive, Marietta, Ga., advised that they have no record of a 1968 Grey Volkswagon, VIN 318122283, bearing 1968 Georgia license 7D 8205, having been reported stolen. Above check was made on 4-27-68.

Mrs. Betty Byers, Manager, Francis Ann Apartments, 2016 Olive Springs, Marietta, Georgia, advised on 4-27-68 that CHARLES WORTZ, resides at Apartment B-1, at that address and holds a very responsible position with Lockheed-Georgia Company. She stated that he is single and drives a grey 1968 Volkswagon. She advised that her records reflect that WORTZ leased apartment B-1 in March 1967 and indicated a permanent address of 3837 Cumming, Omaha, Nebraska. His nearest relative was shown as C.B. WORTZ, 7224 Ohio, Omaha, Nebraska. She described WORTZ as M/W, late 20's or early 30's, slender, 6', Sandy colored hair which is curly and worn very long in beatnik style. She stated that when WORTZ rented the apartment he was wearing very long sideburns almost reaching his chin and since March 1967 has grown a full beard which gives him an unusual appearance. Mrs. Byers advised that WORTZ is a very friendly person who attends every social get-to-gether sponsored by the Francis Ann Apartments to promote social activities between residents of the Apartments. She stated that she has seen the picture of JAMES EARL RAY in the newspapers and does not believe that WORTZ favors RAY at all. She said that it would be hard for anyone to identify WORTZ as RAY since his full beard covers his face completely.

Inasmuch as WORTZ has resided at the above address since March 1967 and subject RAY did not escape until April 1967 and in view of above facts furnished by Mrs. Byers, WORTZ is being considered not identical with the subject.

Re telephone call from Supervisor CHARLES S. HARDING 4/26/68.

The following investigation was conducted by SA's BRUCE D. THOMSON and JACK M. WEBBECK at Tallapoosa and Waco, Georgia on 4/26/68:

Mr. B. V. JOHNSON, Proprietor of Johnson's Store, Route 1, Waco, Ga., advised that he is familiar with LLOYD C. JOHNSON of Waco, Ga., commenting that JOHNSON is a cousin of his. Mr. JOHNSON stated that LLOYD JOHNSON is "a no good liquor runner", and has been in trouble most of his life. Mr. JOHNSON advised that the last time he saw LLOYD he was driving a late model Chevrolet pick-up truck. He indicated that LLOYD has not been around the local area in several months. Mr. JOHNSON was displayed a photo of JAMES EARL RAY, aka Eric Starvo Galt and stated that LLOYD JOHNSON bore little or no resemblance to the person pictured.

Mr. WILLARD ROBINSON, Proprietor of Willard's Store, Route 2, Tallapoosa, Ga., Old Highway 100, advised that he is familiar with LLOYD C. JOHNSON as JOHNSON has traded with him for several years as has his father EMORY JOHNSON. ROBINSON stated after viewing a photo of JAMES EARL RAY that JOHNSON is not identical with the person pictured. ROBINSON stated that LLOYD did own a '65 or '66 Chevrolet pick-up truck, color gray or light green but that he now owns a late model Chevy II color light blue.

Mr. EMORY JOHNSON, Route 2, Tallapoosa, Ga., Old Highway 100, Buncombe Community advised that he is the father of LLOYD C. JOHNSON. Mr. JOHNSON stated that his son now resides in Atlanta or Smyrna, Ga. and is employed by a company which manufactures Campers in the Atlanta, Ga. area. Mr. JOHNSON advised that his son owns a '67 or '68 Chevy II, color blue and that he purchased the tag for this auto in Haralson County, Ga.

Mr. JOHNSON stated that he did not know the name of the company for whom his son worked but that his other son, CLYDE JOHNSON, who lives on this same road bought one of these campers.

Investigation determined that the name on this camper was ROADMASTER.
LEAD AT ATLANTA, GA.

Will attempt to determine whereabouts of Co. in Atlanta which sells or manufactures Roadmaster Campers and thereafter locate and interview LLOYD C. JOHNSON re instant matter.

Mrs. EDNA E. CROOKE, 169 Memorial Street, SE, Apartment 511, was contacted and furnished the following information:

Her apartment overlooks the parking lot in which the 1966 white Mustang was subsequently found. CROOKE said she had never seen this car arrive at the parking lot but was aware that it had parked there for several days prior to its discovery. CROOKE said that on April 5, 1968, she was visited by a friend, Mrs. FLOYD MEDLEY, Jonesboro, Georgia. Sometime about dusk, Mrs. MEDLEY was seated at the front door taking care of her young children. This area overlooks the parking lot which is in front of the CROOKE apartment. At this time nothing was said about any car being in the parking lot. After the discovery of the white Mustang and on a day which CROOKE believes was April 14, 1968, she talked with Mrs. MEDLEY on the telephone. At this time MEDLEY mentioned that while seated at the front steps on April 5, 1968, she had observed a white colored car, which was probably a Mustang slowly drive into the parking lot. Because of the darkness, she was unable to see the license plate on this car and did not get a good look at the driver. She was interested in the car because at first she thought it might be driven by CROOKE's former husband. MEDLEY said that the car drove slowly in the lot and then turned around and left.

CROOKE said she did not recall that MEDLEY had said anything further about the car. About a week or ten days ago, CROOKE was visited by a reporter named DON MC KEE and she mentioned MEDLEY's conversation to him. At that time CROOKE was aware of the unlisted phone number for MEDLEY and furnished it to MC KEE, who immediately phoned her. CROOKE said she overheard the entire conversation and that MC KEE took no notes whatsoever and that at no time

FEDERAL BUREAU OF INVESTIGATION

Date April 29, 1968

MRS. F. E. MEDLEY, 661 Utoy Court, Jonesboro, Georgia, advised that in early April 1968 her husband took a temporary job in Atlanta. During this period of three or four days she and her small children resided with EDNA CROOKE, 169 Memorial Street, Apartment 511. One evening just at dusk she and her children were seated on the front steps of this apartment. The steps overlook the parking area where the 1966 white Mustang was subsequently located. While seated there, a white Mustang drove slowly into the parking area. It was driven by a man whose face she did not see. He appeared to be wearing a white knit shirt. The car stopped for a few minutes and she observed that it had a 1967 Georgia license, beginning with the numeral 2. The driver did not get out of the car but drove back out of the area. EDNA CROOKE was not present during this occurrence and MEDLEY subsequently mentioned the incident to her, thinking the man might have been CROOKE's ex-husband, who has been causing her some trouble. MEDLEY said she is not even sure on what night this happened but is positive it was after the death of MARTIN LUTHER KING and CROOKE has told her it was April 5, 1968. MEDLEY said she did not know if there was another white Mustang in the lot on this particular evening.

MEDLEY said that a week or ten days ago she was telephoned by a reporter who was then at CROOKE's apartment. She said she was very upset because CROOKE had caused this. She stated that her conversation with the reporter was very garbled because he was not only talking to her but apparently with two or three other persons who were with him and kept interjecting remarks. She stated she never felt that what she saw had anything to do with the killer of MARTIN LUTHER KING, and she never told anyone that the car she saw had Alabama tags. She advised she now has unlisted telephone number 478-1317.
