She advised that a Mrs. MAHER was the grandmother of the children, and in the past had induced them to run away from home and apparently had died in St. Louis while Mrs. MAHER was living with LUCILE RYAN.

She advised that definitely JAMES EARL RAY had lived with RUBY CARPENTER and her former husband, JAMES GERALD RAYNES who was commonly known as JERRY RAYNES or JERRY RAYNS in St. Louis, Missouri, sometime around 1959 or 1960. Also, during this period of time, JAMES EARL RAY had resided with his mother, LUCILE RYAN and grandmother, Mrs. MAHER, in St. Louis. FEDERAL BUREAU OF INVESTIGATION

Date May 23, 1968

RUBY SMITH CARPENTER was reinterviewed at her home, 630 North Sixth Street, Quincy, Illinois, after she telephonically contacted SA DAVIS and requested to be reinterviewed by him.

Mrs. CARPENTER furnished to SA DAVIS the following written statement which she stated she had written to give as exact account as possible of her knowledge of JAMES EARL RAY. The statement was on both sides of a white piece of paper and read as follows.

"Mr. Elyon Davis - Since you were here the last time I have thought of some things I would like to make clear, things I did not think of at first. First I know nothing of the whereabouts of James Earl Ray. I have seen him perhaps 6 times, the last in 1958 I believe. 2nd I know nothing about any unlawful acts of any of the Ray, Rayns, Ryan family. The only one of the family I have been closely associated with is the father, James Gerald Ray, who was my husband for about 3 years. We were divorced the 9th of December 1963. 3rd I have always lived an honest and lawabiding life. I have worked hard and supported myself entirely for 16 years and have helped others a great deal besides. Everything I have or ever had has been from honest and respectful work. No one has ever given me anything except my father, who left me some money at his death. 4th I would not accept anything obtained dishonestly if it were offered to me, which was not.

"I have seen many errors printed about the family. The headlines of the Herald Whig stating Ray's father has long local criminal record. An article in Chicago Daily News by Drew Pearson and Jack Anderson stating the children were adopted by various persons. None of the children were adopted unless perhaps [REDACTED] They also stated James Earl Ray was the product of a broken home. How could he be when he was 24 years old when the father left the home, and had been living away from home several years prior.
