Re Columbia airtel to Memphis, 5/14/68.

On 5/23/68, Mrs. BETTY CHAMBERS, employee of the United Airlines, Atlanta, Georgia, presently working at the Ticket Counter at the In-Town Motor Hotel, Atlanta, was interviewed with regard to data she furnished previously to this office concerning an individual named GENE HUDSON, thought by her to resemble JAMES EARL RAY.

Mrs. CHAMBERS advised that HUDSON first checked in at the hotel approximately 3/29/68, but she did not observe him at this time. On 4/12/68, he again checked in at the hotel without any luggage, and paid for his room a day in advance. On each succeeding day, from 4/13-14/68, he again appeared at the counter and paid an additional day's room rent. On 4/15/68, he left the hotel, carrying what appeared to be all his possessions wrapped in a newspaper.

Mrs. CHAMBERS said this individual wore a bright orange turtleneck sweater and white levis the entire time he was at the hotel, and while she could furnish no reasonable explanation for her opinion, she thought he reminded her of the photograph she had observed in the newspaper following the murder of Dr. MARTIN LUTHER KING at Memphis, Tennessee.

The more recent photograph of subject, RAY, was exhibited to Mrs. CHAMBERS, and she immediately said she is absolutely certain that this is not the man she saw checking into the hotel who was using the name HUDSON. Mrs. CHAMBERS then said she thought HUDSON was a homosexual, that he gave her that impression through his manner, his speech, and his actions generally, and his conduct while at the hotel was questionable.

DATE: 5/23/68

FROM : SA JOHN B. REYNOLDS

SUBJECT: MURKIN

At 4:15 a.m., on 5/23/68, THOMAS E. CARLISLE was contacted at the Gulf Service Station located across from the Varsity Drive-in at North Avenue and Spring Streets NW, Atlanta, Georgia, as a result of CARLISLE's telephone call to this office on that date. CARLISLE furnished the following information:

He is a w/m, born on [redacted] in South Carolina, 5'5", 130 lbs., green eyes, brown hair. He listed his occupation as furniture salesman, previously employed by Webb Furniture Company, 725 East Broad Street, Albany, Ga., and also stated he is "a full time alcoholic". CARLISLE displayed Georgia driver's license number 960269 bearing his photograph and stated he was in the U. S. Air Force from July 13, 1950 until January 10, 1955, receiving a general discharge and had serial number 14341143. CARLISLE advised that he is married but separated from his wife, ANN CARLISLE, who resides at Number 3 William Bens Apartments on Whitney Avenue in Albany, Ga., and that she is employed by the Coats and Clark Thread Mill in Albany from the 3 to 11 shift. He stated he has five sons, the oldest, 16 years old, being presently confined to Milledgeville State Training School for Boys as a result of a burglary in Albany.

CARLISLE stated that he has been on lengthy drunk and was arrested a few weeks ago by the Albany, Ga., PD for drunk and disorderly conduct and fighting and was later bailed out of the Albany PD and continued his drunk and continued living along the riverbank in Albany, Ga. On Sunday, May 19, 1968, he stated he was walking around one of the churches in Albany and noticed a friend of his and asked this friend to take him to "The Anchorage", which is an alcoholic home in Albany. He stated he had previously been at this home on two or three occasions and was well known to a Mr. WOOLEY (ph)

of this home; however, on this particular occasion, WOOLLEY would not consent to take him into the home for any length of time. He stated he stayed Sunday night at The Anchorage and when Mr. WOOLLEY drove him approximately 150 miles to near Hogansville, Ga., outside of Macon, Ga., on the Hogansville Road to the "Harbor", which is also an alcoholic home. While at the Harbor, he became acquainted with one WILLIS DAVIS whom he described as a w/m, approximately 35 years of age, weighing about 185 lbs., about 5'8" to 5'9", having black hair which is short cut and kind of kinky, and wearing green slacks and shirt and a blue fishing type cap. According to him, WILLIS was at this home for approximately two weeks and seemed very well acquainted with two other individuals at this home, one named CARVE, a w/m about 50 who is over 6' tall and has numerous tattoos on his arms and another w/m named FRANK, approximately 45 years of age, about 5'9", weighing well over 200 lbs. He did not know the last names of these individuals but stated all three of them seemed to be particularly close to each other and appeared to be from the Atlanta, Ga., area.

CARLISLE stated that the Harbor Home is operated by a Rev. SMITH who lives at the Home at a small cottage with his wife and two teenage children. He stated there are six other patients at the home and Rev. SMITH furnishes brown pills to the individuals that come to the Home which he believed to be dope. He stated Rev. SMITH has a great supply of these pills in a room located across from his office and stated there are more pills in this room than you would find in the average drugstore. He advised that the guests at this home go each morning to a prayer meeting from 9 to 10 a.m., and then after the prayer meeting, they go out and work either around the home or go off in the general locality and cut firewood which will be utilized during the winter months. According to CARLISLE,

AT 44-2386

DAVIS said he is from Hogansville, Ga., and worked at a cotton mill as a loom fixer at Hogansville and that his folks are trying to get him off of the bottle. He stated that DAVIS had visitors on the night of 5/22/68, which were reportedly his brother and sister. He stated, however, that these two individuals were supposedly from Oregon and that they gave DAVIS money.

CARLISLE stated that both DAVIS and Rev. SMITH and other members at the home would not be cooperative with anyone and stated that they were suspicious of him because he had previously been reading an article regarding the former district attorney JIM GARRISON in New Orleans who was investigating the OSWALD murder and had made certain comments regarding a newspaper article he had recently read which seemed to irritate the other members of the home which resulted in a certain amount of animosity towards him. CARLISLE stated that DAVIS indicated that he had a rifle with a scope and that he was capable of using this gun and also indicated that he owned a 1962 Ford automobile which was parked a good distance from the home across the railroad tracks at the residence of one CECIL (LNU). He stated DAVIS did not have any clothing with him but indicated he had firearms and clothing in his automobile.

DAVIS stated that he suspected Rev. SMITH of operating a conspiracy or syndicate type organization and would hide out anybody who came to the home who was being sought by the law. He stated that he believed all of the individuals at this home were capable of murder and it was his opinion that they were hired killers who had found a good place to stay. He advised that DAVIS, on 5/22/68, became suspicious of a ladder which was located outside of the dormitory at the home at a telephone pole which was obviously being used by the telephone people to repair telephone lines; however, DAVIS became very alarmed at the sight of this ladder and stated it was undoubtedly the FBI surveilling him. As a result

AT 44-2386

of his suspicions, DAVIS stated he was going to leave the home and CARLISLE suspected that he would leave the home on May 23, 1968. (Thursday) CARLISLE stated that DAVIS was always talking about his brother and he overheard DAVIS and other members of the home discussing his, CARLISLE's, activities, and indicated that he, CARLISLE, would get his when they went out to the woods the next day to cut firewood. CARLISLE stated as a result of this conversation, and the fact that he feared for his life, he left the home at approximately 11 p.m., on the night of May 22, 1968 (Wednesday night) and hitchhiked a ride into LaGrange, Ga., by an unknown taxi driver who was returning to LaGrange and then later obtained a ride by hitchhiking on a truck to Atlanta, Ga. He advised that he had not been to Atlanta, Ga., previously other than to pass through and is not familiar with the Atlanta area.

CARLISLE indicated that during the lessons which are held every morning for one hour, that Rev. SMITH usually walks around and makes statements to the different members of the home such as "You are a big fool", at which time one of the members will answer in the affirmative. He also stated that on one occasion, Rev. SMITH made the statement to DAVIS "You shot MARTIN LUTHER KING", which DAVIS acknowledged "yes". He also stated that Rev. SMITH was always quoting parts of scripture from the Bible which he, CARLISLE, interpreted as being directed to him which CARLISLE stated made him fear for his life and therefore he wanted to leave the home. CARLISLE stated that he in no way wanted his name used in the event any contact was made at the home; however, he stated that he was interested in the reward for the arrest of the murderer of Dr. KING and wanted the reward in order to turn the money over to his wife and five children.

CARLISLE viewed a photograph, the current photograph of RAY, and stated in his opinion this definitely was WILLIS DAVIS.

Re memo of SA SCOTT T. FENSTERMAKER 5/9/68.

The following investigation was conducted by
SA SCOTT T. FENSTERMAKER:

On 5/14/68 it was learned at Davison's Department Store that CORA MERRITT was no longer employed there and that her address is 1627 Orlando, S.W., Atlanta, Georgia.

Unsuccessful attempts to contact MERRITT at this address were made on 5/14/68 and 5/15/68. On 5/16/68 MERRITT advised as follows:

OLYSESSES "BUDDY" LAMB did make the remark that he had killed MARTIN LUTHER KING, JR.; however, he had been drinking and had said it only as a joke and all the people who heard the remark treated it as a joke. She had met LAMB through a friend, did not know him well, and does not know his present whereabouts. He had borrowed the car of a friend of his (whom she thinks is named "JIMMY" BENNETT) from Riverdale, and had been gone from the Atlanta area with it at the time KING was killed. His absence caused some of his friends to jokingly accuse him of killing KING and led to his remark that he did. LAMB had never made any remarks of a racial nature and MERRITT has no doubt at all that his remark was only made in jest. She believes that he was simply on a "drinking spree" during his absence from Atlanta.

It was observed during the interview of Mrs. GEORGE PHILLIPS (who furnished the information concerning LAMB's remark to MERRITT) that PHILLIPS is an elderly widow. Thus, it appears that she could have misunderstood MERRITT's statement about LAMB. In addition, investigation has revealed that JAMES EARL RAY was in Los Angeles during the time LAMB was living in Mrs. PHILLIPS' boarding house. Consequently, it is not believed that this matter warrants further investigation.

SUBJECT: MURKIN

On 5/21/68, MAURICE SCARBOROUGH, 3981 Young Ave., Columbus, Ga., furnished the following information:

He stated that in September through approximately November, 1966, he was employed at the Johnson Truck Stop, Chattanooga, Tenn., and that during this time he became acquainted with a man using the name JAMES EARL RAY. He stated that he is positive of this time of employment inasmuch as he had check stubs from this place of employment indicating it was during that time. He stated that RAY hung around the truck stop for a short period of time picking up odd jobs and that RAY had a half-brother named ROY BROOKS, an employee of the Johnson Truck Stop and that BROOKS resided in Cohutta, Ga. He stated also that RAY had a half-brother whose first name he could not recall but whom he addressed as HERMAN and that HERMAN's last name was GAULT, who resided in Chattanooga, Tenn.

SCARBOROUGH stated that sometime around August, 1966, RAY left the Chattanooga area stating that he was going to Atlanta, Ga. to obtain employment with some type of car towing service in Atlanta and that he has not seen RAY since that time.

SCARBOROUGH stated after viewing a photograph of subject of captioned matter that the man he knew in Tenn. as RAY had similarities to subject, but that his hair was much more curly than that depicted of subject's. SCARBOROUGH stated that he could furnish no additional information regarding the RAY with whom he was acquainted in Chattanooga, Tenn. during the summer of 1966.

In view of fact that subject of captioned matter was in custody during this period of time, it is recommended that no further action in this matter be taken.

FROM : SA HARRY L. LEE

SUBJECT: MURKIN

Reference is made to Bureau airtel to all SACs dated 5/9/68 with regard to the contact of agencies maintaining information regarding unidentified dead to cover the possibility that the subject may have died since the commission of this crime.

Lt. WAYNE SPIVA, Identification Division, Atlanta Police Department, advised 5/20/68 that unidentified deceased human bodies are processed almost in every instance by the Fulton County Coroner's Office, located near Grady Hospital, Atlanta, and that in these instances officers from the Identification Division of the Atlanta Police Department are called upon to complete fingerprinting and to assist in the identification.

Lt. SPIVA said that he maintains a record of these requests. He examined these records, but found no instance in which an unidentified body had been located since the first of April, 1968. Lt. SPIVA said they have had almost no instances in which they were unable to identify individuals found deceased, as for obvious reasons, it is of considerable importance that a large amount of inquiry be conducted to establish conclusively the identity of persons found through police investigations in this manner.

Lt. SPIVA said, however, that he did not believe that his records were entirely complete, and he suggested contact with the Fulton County Coroner's Office.

Contact with Sgt. GARRISON at the Fulton County Coroner's Office on 5/21/68 disclosed similar data to that furnished by Lt. SPIVA. Sgt. GARRISON said that there have been no unidentified bodies handled by the Coroner's Office since the first of April, 1968, and he was certain that any

instances of this sort which arose would be fully investigated by his office. Sgt. GARRISON advised that should there be any indication of any sort that an identification of a deceased might be made with JAMES EARL RAY, the Atlanta FBI Office would of course be promptly notified.

Sgt. GARRISON further advised that he thought the most complete records maintained in this connection would be found either in Georgia Bureau of Investigation files or in the files of the State Crime Laboratory.

Sgt. GARRISON explained that Dr. HERMAN JONES of the State Crime Lab is called upon in practically every instance to furnish some kind of medical opinion in this regard, and he thought the files maintained by that office would be complete with regards to the entire State.

On 5/21/68, Dr. HERMAN JONES of the State Crime Laboratory was interviewed, and he confirmed that data furnished by Sgt. GARRISON.

Dr. JONES said that in every instance he knows of, unidentified human bodies found deceased during the course of investigations throughout the State of Georgia are processed by individuals in the State Crime Laboratory who handle every aspect of this work, including dental examinations, etc. Dr. JONES said there have been no instances of an unidentified body found since April 1, 1968, or, in fact, there have been none over the past several years with the exception of several skeletons found in which death must have resulted several years ago.

Dr. JONES said he felt he could say conclusively that an unidentified deceased human body found anywhere in the State of Georgia would be called to the attention of the State Crime Laboratory and the records would therefore be available to this source. Dr. JONES said he could assure this office that if there were the slightest indications that in any such matter JAMES EARL RAY might be considered as a possible identification, he would promptly notify the Atlanta FBI Office. Dr. JONES emphasized the identification of deceased human bodies is of extreme importance from several aspects, and he did not think it probable that, because of the thoroughness of the investigations in this regard, the

question of JAMES EARL RAY and the identification of a body
would not be fully explored.

Re Memphis teletype to Atlanta and Knoxville,
5/1/68.

The following investigation was conducted by
SA BERNARD R. BERRY in Walker Co., Ga.:

On 5/3/68, the records of the Walker Co. Tax Office, as furnished by Clerk RALPH AIKEN, reflect that 1968 Georgia license 15J4423 was registered 3/29/68 to LEWIS SHEPPARD, JR., 808 Indian Avenue, Rossville, Ga. for 1953 Chrysler, VIN 70130084, purchased used 3/9/68. The date of the purchase of the vehicle or the Social Security No. of SHEPPARD is not indicated.

Mr. AIKEN advised that the tax records of Walker Co., Ga. reflect no record of LEWIS SHEPPARD, JR.

On the same date, Walker Co. Sheriff RALPH JONES and Rossville, Ga. Police Officer DOYLE HICKS and Mayor PAUL ELLIS, advised they know of no one named LEWIS SHEPPARD, JR.

On 5/3/68, the records of the Credit Bureau of Chattanooga, as searched by Clerk NANCY REYNOLDS, revealed that the only SHEPPARD in her files with spelling "Sheppard" was SAMUEL LEWIS SHEPPARD, Route #2, Webb Road, Chattanooga, Tenn. Upon contact, Mr. SHEPPARD advised he is retired, has never lived in Georgia, has never owned a 1953 Chrysler or 1960 Thunderbird, and never has owned a Georgia tag.

On 5/3/68, Mr. GEORGE W. CRAWFORD, Custodian at the Rossville High School, advised that he resides at 808 Indian Avenue in Rossville, Ga., and has for the past 25 years. He said he knows no one named LEWIS SHEPPARD, JR. advised he has never owned a 1953 Chrysler and stated that he knows of no one named SHEPPARD who has resided in that neighborhood.

On the same date, GBI Agent PAUL GRIFFIN, who resides at 801 Indian Avenue, advised that he has never known anyone named SHEPPARD residing in that neighborhood.

On 5/3/68, the records of the Chattanooga, Tenn. PD as searched by Clerk KAREN HANNAH, revealed the only record identifiable with a LEWIS SHEPPARD reflects that a LEWIS SHEPARD, Negro male, was arrested 3/24/68, as a passenger in a 1962 Chevrolet convertible, blue, wherein the driver of the vehicle was arrested for DUI. No additional information was available about this individual.

It is further noted that retel reflects SHEPPARD's address as 808 Enden Avenue, Rossville, which is incorrect. It should be 808 Indian Avenue.

AT 44-2386

On 5/17/68, Walker Co. Tag Commissioner J. MILLARD PICKELL, advised that 1968 Ga. tag receipt for 15J4423 did not indicate a previous Ga. registration, nor did it indicate from where the 1953 Chrysler was purchased.

The following investigation was conducted by IC MARION W. DAVIS, at Atlanta, Ga.:

On 5/13/68, Mrs. LORETTA BROOKS, Georgia State MFB, Atlanta, Ga., advised records of her department were thoroughly checked for 1966 and 1967 and she could locate no record of instant 1960 Ford Thunderbird or the 1953 Chrysler ever registered with State of Georgia.

All records for County 15 have been sent to Florida for card punching and will not be available for approximately two weeks.

TO : SAC, Atlanta (44-2386)(P)

DATE: 5/23/68

FROM : SA HARRY L. LEE

SUBJECT: MURKIN

With regard to a lead set forth in memorandum of Supervisor CHARLES S. HARDING to the SAC dated 5/16/68 (Serial 1923), the following is submitted.

On 5/20/68, Sgt. GARRISON, Fulton County Coroner's Office, advised that unidentified deceased human bodies are processed through the Fulton County Coroner's Office with the assistance of officers of the Identification Division of the Atlanta Police Department. Sgt. GARRISON explained that State law requires that this investigation be conducted and he is absolutely certain an unidentified deceased human body found anywhere in the area of Fulton County would immediately be called to the attention of the Coroner's Office for a considerable amount of investigation.

Sgt. GARRISON explained that the identification of human bodies is of considerable importance, and every effort is extended by the Coroner's Office to insure that proper identification is effected. Sgt. GARRISON said he did not think it possible that the subject of this case, JAMES EARL RAY, could have died in Fulton County and that inquiry would not have been made of the Coroner's Office to establish complete identification of the matter, as notification of next of kin, the question of the expense of burial, etc. always calls for such inquiries.

Sgt. GARRISON said he felt that he could ensure that no such incident had taken place in this area, and he advised that any data tending to indicate information concerning the subject of this case would be promptly referred to the Atlanta FBI Office.

This robbery was committed by a very young white male, and a photograph of this individual was obtained by bank cameras at the time of the robbery. He in no way resembles JAMES EARL RAY, and additional descriptive data indicating him to be approximately 19 or 20 years of age would appear to eliminate RAY conclusively as a suspect in this matter.

Atlanta file 91-3985, in the case entitled UNSUBS (2); First State Bank, Marshallville, Georgia, 10/27/67, BR.

This robbery was committed by two Negro males.

Atlanta file 91-4026, in the case entitled, UNSUB; Fourth National Bank, Crosscountry Branch, Columbus, Georgia, 11/27/67, BR.

This robbery was committed by a man described as 50 to 55 years of age, 6' tall, 180 lbs., balding. An excellent suspect has been developed in this case, and it appears that an identification in this matter may be forthcoming. The photograph of RAY has been displayed in this matter, but no identification of any sort was effected.

Regular contact has been maintained with Lt. CHRISTIAN of the Robbery Squad, Atlanta Police Department, and with Lt. NORMAN FLANNIGAN, Burglary Squad, Atlanta Police Dept., with regard to the possible identification of RAY as a suspect in local robberies and burglaries. Lt. CHRISTIAN advised that reviews of his immediate records furnished no indication that RAY should be considered a logical suspect in anything occurring during the preceding year, although his photograph has been exhibited in several instances during recent weeks. Lt. CHRISTIAN said he did not believe any reasonable indication had been developed to believe that RAY should be considered a logical suspect.

Both Lt. CHRISTIAN and Lt. FLANNIGAN advised they are completely and fully aware of the need for the identification of the subject in this case and of the questions which have arisen with regard to his finances. Both have advised that any data received in this regard will be promptly furnished the Atlanta Division.

Reference is made to Bureau radiogram to all field divisions, 5/14/68, suggesting that the photograph of JAMES EARL RAY should be displayed to appropriate witnesses in unsolved bank robberies where witnesses are available (see serial 1859).

Examination of unsolved Atlanta bank robberies since the date of the subject's escape in this case in April, 1967, discloses the following unsolved bank robbery matters:

Atlanta file 91-3692, in the case entitled UNSUBS; Citizens and Southern National Bank, Bankhead Branch, Atlanta, Ga., 4/13/67, BR.

This robbery was committed by a Negro male.

Atlanta file 91-3705, in the case entitled, UNSUB; First National Bank of Cartersville, Drive-In Facility.

This robbery was committed by an individual of very small stature who was wearing a mask at the time he entered the drive-in facility. There is only one witness who observed this individual, the drive-in teller, and no identification could possibly be effected inasmuch as the man was wearing a mask at the time of the robbery. It would not appear that the exhibition of photographs in this matter would serve any purpose.
