SUBJECT: MURKIN

SEARCHED	INDEXED

APR 16 1968	
FBI - BALTIMORE	

On 4/16/68 a Mr. Meyers, manager of Armistead Hotel, Holliday and Fayette Sts. Baltimore called office and stated a person who checked into Hotel last night resembles subject in this case from description.

Mr. Meyers was contacted by writer on 4/16/68 and was furnished a seaman's card with description and photograph thereon.

At this time this person who was in room 214, Armistead Hotel under name James Thomas English was interviewed by writer and SA Francis J. Walsh.

English advised that from April 1, 1968 to April 8, 1968 he was living at the Seaman's Institute, 1122 Locust St., Philadelphia, Pa. and was employed by Independent Towing Co of Philadelphia. At 6 PM on 4/5/68 he broke his ribs at work and at 11 PM he was admitted to

5010-108

Wilmington General Hospital, Wilmington Del.
 He exhibited 3 memos from doctors setting forth he was admitted at 11 pm on 4/5/68 and was released on 4/11/68 and came on to Baltimore.

The following description of English was obtained through interview and from his Seaman's Card:

Name - James Thomas English
 Residence - 52 Morphy Ave, Fairhope, Ala.
 Employment - Seaman - Merchant Marine
 DOB - [redacted] - Baltimore Md.

Height - 5'9"

Weight - 150 lbs

Hair - Brown

Eyes - Blue

Complexion - Ruddy

Social Security # - [redacted]

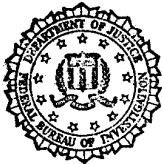

Z # - 973460-D2, issued on 11/18/66
 at Mobile, Ala. as Ordinary Seaman,
 Wiper & Cook.

English stated he is returning to Philadelphia in a few days and can be contacted at the Seaman's Institute or at

the Seamans International Union (SIU) in Philadelphia.

He stated the above information he furnished can be verified through Joe Trainor of the SIU in Philadelphia.

In view of the fact English is 53 years of age, and looks that old, and since it appears he can verify his whereabouts during pertinent period and he does not fit the description of the subject in the Murkin case no additional investigation is recommended.

On 4/17/68, WEBB advised SA BAKER that he did not have any pertinent information concerning the assassination of Dr. MARTIN LUTHER KING, Jr. on 4/4/68, and could provide no suspects in the matter.		
RE: RACIAL MATTERS		
157-857		
On 4/17/68, WEBB reported to SA BAKER that the community in which he resides (near the 1500 Block of W. Fayette Street) was in a state of chaos because of the looting which took place over the week-end following the assassination of Dr. King. He could provide no suspects involved in the violence; he went to N.C. during that time and upon his return to Baltimore, he was arrested for violation of the curfew law. He stated that he was detained in the Civic Center and fined \$25 and court costs \$4 which he has paid and was released. He will remain alert to any violence and report it promptly.

He was called by the PD about 3 a.m. on Sunday, 4/7/68, advising him that his store had been broken into, and when he went there later in day much of his merchandise had been stolen. When he next went to the store on 4/10/68, it had been completely stripped, including furnishings. He owns the building and has tenants living upstairs. The premises were not burned, but the front door was charred as if a fire bomb may have been thrown at it. He had no information which would identify the looters or ringleaders. CI advised that the same sort of rioting, looting and burning could happen again as it had happened the previous week. However he could not think of any particular specific area where such incidents would occur, or any particular condition which would cause looting or burning. CI advised that his impression of the recent rioting was that it was caused by teen aged negroes and an older criminal negro element and that most of the negroes were not involved. Relations with negroes at work were not affected. MURKIN 44-669 CI advised that he had no idea of who would have shot KING.
