FBI Shows New Ray Photos

FBI Photos via UPI

Washington, May 7 [Special]—The FBI released today these two newly obtained pictures of James Earl Ray, the ex-convict sought in the death of the Rev. Martin Luther King, Jr.

The photo on the left was taken in Mexico in November, 1967. The other was taken somewhere in California in late January or early February of this year.

An FBI spokesman said the photo on the right "is considered to be the best possible likeness of Ray." He would not say where the FBI obtained these pictures.

She is known generally as PAT OLSON. Her husband, ROBERT WILLIAR, died in Baltimore, Maryland about 6-7 years ago of a brain tumor. Her child, [redacted], born [redacted] resides with Mrs. STANLEY OLSON at Pocomoke City, Maryland.

About two years ago her daughter, hereafter referred to as PAT, left Maryland and traveled to Coral Gables, Florida in the company of an unknown man, leaving her daughter behind. was taking some type of drugs during this period, and was seldom in contact with her parents. She has no particular occupation, and has become a "drifter", according to Mrs. S. OLSON. She went to Mexico, location not known, after leaving New Orleans and after a short stay there, went to California, where she is currently believed to be residing.

Mrs. S. OLSON provided some letters from PAT from which the following addresses were obtained:

12/20/67 - PAT OLSON, 5842 Carlton Way, Hollywood, California. Letter with this return address was postmarked Los Angeles, California (36) on indicated date.

11/29/67 - PAT OLSON, 5842 Carlton Way, Los Angeles, California, Apt. 3.

11/25/67 - PAT OLSON, St. Francis Hotel, Room 527, Hollywood and Western Blvd., Los Angeles, California.

4/27/67 - PAT OLSON, 1746 North Gramercy Place, Apt. 16, Hollywood, California.

3/31/67 - K. WILLIAR, in care of TERRY CALLIGAN, 1746 South Gramercy Place, Hollywood, California.

Mrs. S. OLSON advised that on a date she recalls to be 3/18/68, PAT telephoned her from somewhere in California. The conversation was general, and PAT mentioned that she was babysitting for some woman in California, city not named. Nothing was said concerning anything relating to MURKIN. On about 4/3-4/68 PAT called again from California and the conversation again was general. PAT spoke most of the time with her daughter [REDACTED]. Several days after receiving that last call on 4/3-4/68 Mrs. S. OLSON received an inquiry from the telephone operator concerning that call. The operator advised her that a PAT OLSON was using a telephone credit card of another person. No inquiries from the telephone company were received after the call of 3/18/68.

BA 44-669

Mrs. S. OLSON advised that she does not know any of PAT's friends in California. She has never heard the name of CHARLES or RITA STEIN, MARIE MARTIN or MARIN. The name, aliases and photograph of JAMES EARL RAY are unknown to her. Mrs. S. OLSON advised that her husband, age 50, is employed with the Contee Construction Co., Baltimore, Maryland, Telephone 636-3758, and is not home during the week. She is certain that he would not be familiar with the names of STEIN or MARTIN or RAY.

Los Angeles, determine if PAT OLSON is known to STEIN's and interview OLSON for knowledge of subject.

Re New York teletype, 4/30/68 to Baltimore and others.

KEN SMYTHE, Philadelphia Office, called this date to indicate that they have identified the (FNU) BODDOR on Page 2 and Page 7 of re teletype. He is ROBERT BODDORFF of Lenape, Pennsylvania. Their investigation has disclosed that he is employed with Hercules Powder Company in downtown Wilmington, telephone 302-656-9811-8797.

The Philadelphia RA at Lenape was in touch last evening with BODDORFF who advised that he was on the pertinent flight in this case and is in an almost constant state of travel for the Hercules Company. BODDORFF said that he would be glad to cooperate with the FBI and requested that an Agent see him Friday morning, 5/10/68 between 9 A.M. and noon.

It will be noted that apparently there was a transposition in numbers from the original telephone number in this case.

It is suggested that ROBERT BODDORFF, Hercules Powder Company, only address downtown Wilmington, be contacted on 5/10/68 in the morning.

Re WFO airtel 4/20/68. (44-669-149)

RE: PHILIP E. COX
MIDWAY DINER
GERMANTOWN, MD.

The writer on 5/7/68 observed PHILIP E. COX, 13905 Bauer Dr., Rockville, Md. at his place of business, the Midway Diner, at which time it was observed that he did not bear a strong resemblance to JAMES EARL RAY based on available photographs.

Polks City Directories of 1964, 1966 & 1968 listed COX and his wife BETTY J. COX as residing at 13905 Bauer Dr., Rockville. His employment in 1964 was listed as Driver, Pepsi Cola Co.. The '66 and '68 directories show his proprietorship of the Midway Diner.

Lt. GUY LEWIS, MCPD, Rockville, Md., a life long resident of the above area, advised 5/6/68 that he has known COX for about 3-4 years and recalled he was a Pepsi Cola Truck Driver prior to operating the Midway Diner. He had no derogatory information and felt that he did not resemble the photograph of JAMES EARL RAY. There were no indications that COX has ever been out of the area on any extensive periods and that he is constantly tied up with his diner as he and his wife operate it alone.

COX is described as being a white male, 6'2", 200#, brown hair and eyes, muscular build. He does not have a southern accent.

In view of the above no further investigation is being conducted re COX.

BOB GUERRA, owner

ANN ROSS, bartender

Miss ROSS advised that she did not see anyone sitting at the bar at the Bamboo Hut on the night of 5/4/68 who resembled the photograph of JAMES EARL RAY or in any way resembled the description of the individual in retel.

BOB GUERRA advised that he was on duty on the night of 5/4/68 waiting on tables situated in a different portion of the establishment from that occupied by the bar. He said that he remembered four women who sat at a table and who appeared to be bowlers attending a Women's Bowling Congress Convention currently being held in San Antonio. He said that during the evening an individual described as in retel did approach these women and try to become better acquainted with them. He said it was his observation that they did not want to have anything to do with him and tried to discourage conversation but that he was persistent. GUERRA said he had never seen this man before and that the individual has not been in the Bamboo Hut since 5/4/68. After seeing the photograph of JAMES EARL RAY on W.F. # 442A GUERRA stated that he is of the opinion that the man above referred to is not identical with RAY. He said that the patron of 5/4/68 was about 5'11" tall, weighed about 150 pounds, and had a very slender build. He said that the man was in his 40's, had long dark hair, was well dressed but looked dirty. He said he did not see any scars or marks on this man and did not note any peculiarity with reference to an ear. He said the man had a very narrow face with a long pointed chin and was drinking whiskey from a bottle he had brought with him. He said he did not see the cigarette lighter described in retel and did not hear the name BOB SHILLINGS. He stated that he would call the FBI if this individual ever appeared again at the Bamboo Hut.

ARMED AND DANGEROUS.
