Memorandum

TO : SAC (44-374)

FROM : SA SYLVESTER B. SMITH

SUBJECT: MURKIN
CR

DATE: 4/19/68

On 4/12/68, LEE HICKS, Resident, 133 Brunswick Blvd., Buffalo, N.Y., contacted this office in person at approximately 5:10 P.M. She stated that her telephone number is 882-1646 and that she is employed at the Buffalo General Hospital on High Street.

LEE HICKS related that on 4/11/68, she was returning from the office of her Podiatrist, between 6:30 P.M. and 7:00 P.M., and boarded the 13A Niagara Frontier Transit Bus, known as the Kensington Bus.

She said she sat next to a white male near the front of the bus. She furnished the following description of this individual:

Race	White
Sex	Male
Height	5'10"-6'
Weight	160-165
Characteristics	No glasses
Scars	None
Complexion	Had a few blemishes
Hair	Medium brown

This individual was wearing brown loafers, light khaki pants, light beige jacket with a round insignia on the left side, which was dyed into the fabric of which the jacket was made. The insignia bore the name "University Alabama." She stated that there was nothing additional on the jacket and recalled that this individual was wearing a plaid shirt, color unrecalled.

She said when she first sat next to him, he stared at her and she thought he was some kind of a "nut."

She boarded this bus at Main and Chippewa, traveled North on Main to Ferry. The bus then turned East on Ferry and traveled to Wohlers, where she disembarked. When she got off the bus, he was still staring at her and also other Negroes who were passengers on the bus.

The bus continued up East Ferry. She related that the reason she is bringing this to the attention of this office is that she was reading the "Buffalo Evening News" on the evening of 4/10/68 and noticed a description of the suspect, with an artist's sketch. She assumed that the person that killed Dr. MARTIN LUTHER KING was from Tennessee and never discounted the white male mentioned above as possibly being connected with the KING assassination.

On 4/12/68, after going to work, she picked up a "Courier-Express" and noticed in this paper that the authorities were looking for a man from Alabama; therefore, she discounted her assumption that the killer was from Tennessee and that he possibly was from Alabama, according to the newspaper. Therefore, she thought she should furnish this information relative to the University of Alabama male for whatever purpose it may serve.

Recommendation

Furnish this information to SA R. GORDON EDDY, to whom the MURKIN case is assigned for whatever action he deems appropriate.

The Bureau has advised that a complaint was filed at Birmingham, Alabama on 4/17/68, charging GALT with conspiring to violate the rights of MARTIN LUTHER KING, JR. in violation of Title 18, USC, Section 241.

The complaint charges that on or about 3/29/68 at Birmingham, Alabama, GALT and an individual whom he alleged to be his brother, entered into a conspiracy, which continued until on or about 4/5/68 to injure, oppress, threaten or intimidate KING in the free exercise or enjoyment of a right secured to him by the constitution or laws of the U.S.; namely, the right to freely travel from state to state. In furtherance of this conspiracy, GALT on or about 3/30/68 purchased a rifle at Birmingham, Alabama.

The Bureau advised that a 30.06 rifle with a telescopic sight was recovered near the scene of the fatal shooting. It had been purchased from a Birmingham gun dealer on 3/30/68, along with a telescopic sight.

GALT owned a 1966 white Mustang, which he purchased for \$2,000.00 cash on 8/30/67. This car was recovered abandoned 4/11/68, after having been driven more than 19,000 miles.

The following investigation was conducted by SA W. EARL SUMNER at Buffalo.

Mr. GEORGE KORDON, manager, Rhythm Dance Studio, 1444 Hertel, on 4/16/68 advised that he has known and can recall most all of the students he has had, and no one fit the ~~general~~ general description of subject.

He checked all his records and could find no one by subject's known name or any of his aliases. He was sure noone by subject's name had every been a member of his dance club.

On 4/16/68 in the A.M. and P.M. on 4/17 and 4/18 a check was made at Xaiver Cugat Dance Club, 2798 Delaware Ave, and Cora Tapson Dance Studio 1388 Main Street where it was determined both of these businesses were closed. It was noted on the door at Stuhlmiller School of Dance, 2799 Delaware Ave that this School was closed for Easter Holidays and would be closed until 4/22/68. It would appear that this is the explanation for these Dance Schools and Clubs being closed on 4/16/17/and 18.

Manhunt for Galt Is Pressed by FBI

MEMPHIS, Tenn. (AP)—The FBI continued its massive manhunt Thursday for shadowy Eric Starvo Galt, charged in the sniper slaying of Dr. Martin Luther King Jr.

But little more was known publicly about the alleged assassin of the civil rights leader than when his name first arose a week ago. It was learned, however, that a man registered as Eric S. Galt in a Memphis motel a day before King was killed.

Police agencies continued their "no comment" handling of queries—including questions about a newspaper report that the search had spread outside the country, to Mexico or Cuba. And they were silent on any details at all about a man with whom Galt may have conspired in the slaying.

Warrant Is Issued

A murder warrant was issued here Wednesday night for the 36-year-old Galt, five hours after the FBI charged him with conspiracy to violate the civil rights of Dr. King. The FBI warrant charged him with conspiring with a man "whom he alleged to be his brother."

Dr. King was killed by a single bullet the night of April 4 as he leaned over the second-floor railing of a Memphis motel. Po-

lice have said the shot was fired from the common bathroom of a low-cost hotel across the street.

The FBI said Galt had used the names of Harvey Lowmyer and John Willard. A man registered as "John Willard" checked into the hotel just three hours before Dr. King was killed.

Ivan B. Webb, night desk clerk at the Rebel Motel here, said a man registered there under the name of Eric S. Galt on April 3. Webb said a white Mustang bearing Alabama license plates and Mexican tourist stickers was parked near the room occupied by Galt.

Car Impounded

A similar car has been impounded in Atlanta, Ga., and the FBI said that car belonged to Galt. A white Mustang is believed to have been the getaway car after the slaying.

Police recovered a 30.06 Remington rifle with telescopic sight soon after the slaying. The weapon had been abandoned in a doorway near the scene of the shooting.

The Birmingham News said in a copyrighted story Thursday that a gun which the FBI said had been purchased in that city had been identified in ballistics tests as the 30.06 rifle which killed Dr. King.
