SA CHARLES DONALD BYRON on 4/6/68:

Mr. J. H. KRUEGER, Reservations Clerk, Delta Airlines, observed an FBI sketch of the unknown subject in this case, and stated that the sketch is not at all familiar to him. He stated, however, that the name W. J. LEHMEYER did sound familiar and he believed that he sold this individual a ticket to Minneapolis via Memphis, Flight 595, on approximately 3/27/68; however, he could not be certain unless a check with the Delta office in Atlanta showed that his initials were on the ticket that was issued. He stated that he checks the baggage over the counter and did not remember handling a long, narrow, cardboard box such as could hold a rifle.

Mr. MAX RATLIFF, Ramp Service Agent, Delta Airlines, advised that he loaded the baggage onto Delta Flight 595, on 3/27/68, but he did not remember handling any long, narrow, cardboard box which could possibly contain a rifle. Mr. RATLIFF observed an FBI sketch of Unsub in this case, and stated that he was not familiar to him.

SUBJECT: MURKIN

DATE: 4/10/68

On 4/6/68, in the afternoon, Mr. J. T. JOHNSON, Malibu Apartments, Huntsville, Alabama, telephonically advised the Huntsville RA that he had some information concerning the assassination of MARTIN LUTHER KING. Mr. JOHNSON advised he would come by the Huntsville RA later in the week and would furnish some names that he thought would be of assistance to the FBI.

On 4/9/68, Mr. J. T. JOHNSON, B-6, Malibu Apartments, telephone 883-1829, an employee of the Boeing Corporation, Huntsville, Alabama, appeared at the Huntsville RA and advised his father died and was buried in Nashville, Tennessee, on 1/4/68, at the Cosmopolitan Funeral Home, Nashville, Tennessee. JOHNSON advised he attended the funeral and at the funeral he met two individuals whom he felt could very possibly have been responsible for the assassination of MARTIN LUTHER KING. He named the individuals as follows:

- (a) E. W. McKNIGHT, about 40 years old, resides at 3013 Vanderbilt Place, Nashville, Tennessee, employed at the Ford Motor Glass Plant in Nashville.
- (b) A. V. OAKLEY, about 35, resides at 3503 West End Avenue, a very short distance from Vanderbilt University Campus.

JOHNSON said he based his belief that these two men may have been responsible for the assassination of KING. At his father's funeral he talked to these two men and they immediately began to talk to him about joining the Ku Klux Klan. JOHNSON advised that they got further into the racial situation and these two individuals advised the only way to stop the Negroes from hurting the white people in this country was to

take care of them with a well-placed shot from a high-powered rifle. JOHNSON advised both these men said they could do it and they would not hesitate to do it to RAP BROWN, STOKELY CARMICHAEL or MARTIN LUTHER KING. JOHNSON had no further evidence or information which would indicate that these two men were involved in the assassination of MARTIN LUTHER KING. During the course of the interview JOHNSON indicated that he based his belief primarily on the fact that he saw the artist's conception which appeared in the Huntsville paper on Saturday and felt that OAKELY looked similar to the man described in the Huntsville paper. The artist's conception as referred to in a memorandum to all Resident Agents was discreetly displayed to JOHNSON to determine if subject's may have looked similar to the person depicted in the artist's conception of the FBI.

He was advised of no information but just asked if he looked similar to the person in the FBI's artist's conception, and JOHNSON advised that neither of the men looked like this man due to the fact that both men had receding hair lines and longer faces.

The above information is being furnished to Birmingham for whatever action is deemed necessary in this matter.

SUBJECT: MURKIN

In connection with investigation in instant matter, it was ascertained from file reviews that MARTIN LUTHER KING, JR. appeared at Wausau, Wis. on 5/12/67 in connection with a speech in that area. Subsequent to his talk, he held a press conference that same date. Investigation in Wausau developed that on the occasion of KING's appearance in that city, an anonymous call was received by Wausau PD from a male caller who said he would "put a bullet through KING's head." The Wausau police at the time suspected that the caller may have been THEODORE J. ADANK, described by the PD as a possible mental case who could have capabilities of committing violence.

The father of THEODORE is named HARVEY. The father at one time was employed as chef at the Lomar Supper Club, 3701 N. 6th, Wausau. THEODORE ADANK has in the past been employed as a chef at Ponderosa Restaurant in Wausau. It was ascertained on 4/8/68 that THEODORE ADANK left his employment and his whereabouts were unknown.

Investigation also developed in instant matter that THEODORE has a brother named ALLAN PAUL ADANK whose current whereabouts are also unknown. He was also described by the PD as being an individual capable of committing violence and also believed to be mentally incompetent.

Investigation conducted at Wausan, Wis. by SAs GERARD J. KENNA and JOSEPH S. WALKER on 4/8/68 developed that THEODORE ADANK has been unemployed and in Wausan area during past pertinent 2-week period. It was developed that he has a girl friend named MARILYN LAVONTE, 783 1/2 Jackson, Wausan. She advised upon interview that she has seen or been in contact with THEODORE ADANK regularly, mentioning that she has had dinner with him each Friday evening during past several weeks. It is noted this would include 3/25/68. She mentioned that on 3/31/68 she also had dinner with ADANK at Stevens Point, Wis., as well as on 4/2 and 5/68, in Wausan.

JOE BRZEZINSKI, who was interviewed at Little Joe's Tavern, 1st St., Wausan, advised 4/8/68 that he was in company of THEODORE ADANK on two occasions the weekend of 3/29-31/68. He could furnish no exact specifics as to where he may have been in THEODORE ADANK's company.

THEODORE ADANK was interviewed by SAs KENNA and WALKER on 4/8/68 and impressed interviewing agents as being somewhat of a mental case. ADANK advised he has been in Wausan during the entire recent 2-week period except for one occasion when he traveled to Milwaukee, Wis. for treatment at Wood, Wis. VA Center in connection with his medical disability pension. His only income appears to be the pension he receives from the Government. He said he returned from Milwaukee that same day, which was 3/25/68. He furnished the identities of another acquaintance and bartender in Wausan who could account for his presence in Wausan on 4/4/68. These individuals will be interviewed on 4/9/68 to further corroborate the opinion that THEODORE ADANK was apparently in Wausan during pertinent periods concerned in instant matter.

Investigation concerning ALLAN ADANK developed he has been absent from Wausan for the past 4 or 5 weeks. His whereabouts are unknown, although THEODORE advised his brother may be working for some construction firm in Chicago. He said

These photographs should be viewed by pertinent witnesses at Birmingham and Memphis. In the event of any recognition, Milwaukee should be notified immediately for further intensive investigation in this matter.

SUBJECT: MURKIN
CR

The following are results of survey of service stations, restaurants, hotels, and motels located on Highway 78 from East Aboga, Alabama, and extending east to the intersection of Highways 431 & 78, which was conducted on 4/9/68 by SA FLOYD I. CLARKE:

JOYCE BROWN, Route 2, East Aboga, Alabama, waitress at Spark's Drive-In, East Aboga, Alabama, 236-9686, advised that an individual who resembled artist's conception drawing patronized the Spark's Drive-In on the night of 4/8/68. BROWN stated that this individual was accompanied by two other white males and three white females. The similar individual was dressed in a dark suit and his two companions were dressed in every day sports clothes. When the party first arrived they ordered Schlitz beer but they were informed that that particular brand was not available so they accepted Budweiser instead. BROWN stated that these individuals had not previously visited Spark's but from their conversation she surmised they were from the Gadsden, Alabama area. She also stated that when they left they said they would be back on Saturday and they left in a late model Ford, license unknown.

MARVEL SPARKS, 625 Monte Rose, Anniston, Alabama, 237-1715, owner of Spark's Drive-In furnished substantially the same story as did JOYCE BROWN, stating that a customer on the night of 4/8/68 resembled drawing. However, Spark's stated that one of the three men had been at her place of business approximately three years ago but she could furnish no additional descriptive data regarding any of the individuals.

Both SPARKS and BROWN advised that in the event these individuals returned they would secure a license number and additional descriptive data and furnish it to the FBI immediately after they received it.

SALLY AUSTIN operator of Mu - No Court, Route 5, Anniston, Alabama, 831-4482, advised that an individual who resembled drawing stayed at the Mu-No Court during the day of 3/26/68. AUSTIN advised that her customer was

AUSTIN could not furnish any other descriptive data as she does not maintain the registration cards for the patrons as they are sent to the owners of the Court who reside in Miami, Florida. AUSTIN advised she would telephonically contact the owners on 4/9/68, secure the information from the registration card, and then advise this Agent on 4/10/68.

The following people were contacted and they were unable to furnish any ~~regarding~~ information regarding the identity of individual described in artist's conception drawing. The proprietor of the hotels or motels mention below also reviewed their registers during the period of 3/27 -4/4/68, and advised that they had no record of anyone using the names HARVEY LOWMEYER or JOHN WILLARD registering at their particular establishments; *or variations of above names*

The following investigation was conducted by
SA RALPH N. BUTLER on 4/10/68:

ROBERT SMITH, Terminal Employee, Triangle Refining Company, Birmingham, Alabama, advised there are no barge employees that company, and that Crockett Barge Company, who operates out of New Orleans, Louisiana, brings the crew fuel to that terminal and barge employees are from that company. SMITH stated a Gulf Refueling Station operated by BILL HOLMES contacts many barge personnel arriving at Birmingham and may possess information as to identification of photograph.

BILL HOLMES and C. W. YARBROUGH, Gulf Refueling Station, Birmingham, viewed the photograph (artist's drawing), and advised that they did not know of any barge employees whom they believe to be identical with photograph. Both stated they have occasions to observe most barge personnel when refueling that area.

DOUGLAS ESTELLE, Captain, Barge "Big Bear", of the Water Towing Company, Mobile, was docked at Birmingham, and after viewing the photograph, (artist's drawing), advised he did not recognize anyone believed identical with the photograph.

ELBERT NESMITH, Triangle Refineries, Cordova, Alabama, viewed artist's photograph with negative results.

Mrs. GLORIA RIGSBY, Secretary, Vulcan Asphalt and Refineries, Cordova, Alabama, advised all personnel operating on barges that company are hired by Capt. E. D. PARRA, Route 2, Box 295, Galliano, Louisiana, phone number area code 504-632-7575. Mrs. RIGSBY stated the Office

Enclosed herewith is one safe deposit box obtained from CHARLES T. SMITH, Auditor, Birmingham Trust National Bank (BTNB), Birmingham, Alabama, on 4/10/68 by SA ROBERT J. YARNALL; one box 20 Norma cal. .243 Winchester ammunition; one Remington rifle box, model 76030/06, Springfield, Stock #9684, Ser. #461476, bearing Aero Marine Supply Company, Sticker #504A, price \$139.95.

For information of the Bureau, the safe deposit box was rented in the name of ERIC S. GALT, 2608 Highland Avenue, Birmingham, Ala. on 8/28/67. This box was surrendered by GALT on 12/13/67. Since 12/13/67 this box has not been rented by the BTNB. Investigation determines, however, that the following bank employees had at one time or another touched this box:

The above listed elimination prints are to be used in connection with the fingerprint examination previously conducted on documents received from BTNB pertaining to the safe deposit box rented in the name of GALT, as it was determined that all the above listed employees had at one time or another handled these documents.

The box of Norma cartridges, cal. .243 Winchester, was furnished by DON WOOD subsequent to his original interview. Mr. WOOD stated he located this box of ammunition lying on some other supplies, some ten or fifteen feet from the ammunition storage bins and it is possible that this box of ammunition is the box of ammunition that was originally given to customer using name HARVEY LOWMEYER when he purchased ammunition and the Remington model 700 cal. .243 Winchester on 3/29/68.

The Bureau is requested to examine the box and the cartridges for latent fingerprints. Elimination prints have been previously furnished the Bureau of U. L. BAKER and DON WOOD, who also handled this box.

The same examination is requested of the Remington Model 760 rifle box, it being noted that DON WOOD located this box in the garbage subsequent to his original interview. This box was in the rear of Aero Marine Supply Company and had been open to the rain. This box is the container of the second gun obtained by subject, the model 760 Remington, 30-06 cal., ser. #461176. This box may have been handled by subject, although it never left the Aero Marine Supply Company.
