# Memorandum

TO : FILE (44-1740)

DATE: 4/11/68

FROM : ASAC RALPH J. RAMPTON

SUBJECT: MURKIN

On 4/11/68 while talking to ASAC KYLE G. CLARK, Chicago Office, discussion centered on possible types of magazines GALT read while in Birmingham. Chicago has lead to determine sender of package to GALT during September, 1967 and letter to GALT approximately three or four weeks ago. I provided CLARK with information developed indicating GALT was not intellectual type and no specific magazines had been determined; however, I pointed out to him the letter from Chicago was business type, open face window envelope, blue in color. Landlord at 2608 Highland had returned the letter by marking "not here" on it and throwing it back in the mail box. This occurred three to four weeks ago.

Following this conversation I checked with SA BARRETT as to whether the dead letter box at the Post Office had been checked and he advised all dead letters were sent to Memphis.

I called SAC JENSEN at Memphis and asked that they make a check of the dead letter box at Memphis and advise Chicago any pertinent information .

INVESTIGATION IN VICINITY OF FIVE POINTS SOUTH  
ON 11TH AVENUE SOUTH BETWEEN 17TH STREET AND  
16TH STREET SOUTH

The following investigation was conducted by  
SA COLEMAN D. GEARY, III, on 4/8/68:

The following individuals advised that the FBI sketch  
of unknown subject in this case was not familiar to them and  
that they had seen no one resembling the individual depicted in  
the sketch nor did they know anyone by the name of LEHMEYER  
or LOWMEYER as ever having been in the area:

MILDRED RUSSELL, Receptionist, Dr. A. C. YOUNG's  
office, 1028 South 17th Street.

Mrs. ESTELLE KELLEY, Resident Manager, Apt. A-2,  
Carolyn Apartments, who stated that the following  
individuals resided in the Carolyn Apartments and  
were all known to her personally; however, none  
resembled Unsub:

BEVERLY PARSONS, Apt. A-1.

C. A. GREEN, Apt. A-3, who Mrs. KELLEY described as  
an out patient from the Veterans Administration  
Hospital, Birmingham, and has a guardian who handles

MYRTLE KING, Apt. A-4, advised that she did not possess any information concerning this matter.

C. A. GREEN, Apt. A-3, described by Mrs. KELLEY, above, as a possible mental case, advised after viewing the artist's conception of Unsub that he resembled a JIM LOWERY, whom he described as approximately 30 years, 5'9", 160 - 170 lbs., brown hair. He said that LOWERY was a foreman for the Sterling Brewery Company in Birmingham, and he resided in one of the higher-class apartments located in the area of 14th Avenue and 17th Street South, the last time he saw him being sometime in 1967. He also said that he might have owned a Mustang automobile, possibly white.

SUGGESTED LEADS:

Will, if deemed advisable to do so at a later date, contact all residents at the Carolyn Apartments set forth above to display artist's conception and determine if any of these individuals have ever seen Unsub in the area of Five Points South at any time in the past.

Although GREEN's reliability is questionable, consideration should be given to locating JIM LOWERY through contact with Sterling Brewery for elimination purposes.
