Memorandum

TO : SAC, BIRMINGHAM (44-1740)(P) DATE: 4/19/68

FROM : SA MONTE E. HANLEY

SUBJECT: MURKIN

Re memo of ASAC RALPH J. RAMPTON to All Sr. RAs,
4/10/68; Jackson tel to Bureau, Birmingham, and Memphis,
4/11/68; Chicago tel to Bureau, Birmingham, and Memphis,
4/11/68; Baltimore tel to Bureau, Birmingham, and Memphis,
4/11/68.

The following investigation was conducted by
SA MONTE E. HANLEY:

On 4/10/68, W. G. BROWN, Personnel Manager, and
MARGARET FLEMING, Secretary, Ingle Iron Works, Decatur,
Alabama, reviewed their personnel records and could not
locate any record to indicate that ERIC STARVO GALT or
INEZ COWART GALT had ever worked at that plant.

On 4/10/68, JAMES COLLINS, 808 Second Avenue,
Athens, Alabama, was interviewed at his employment, Alabama
State Dock, Decatur, Alabama, where he advised that the
composite furnished by Birmingham vaguely resembled a man
by the name of CLAUDE (LNU) who worked on a boat that was
docked at the Alabama State Dock about a year ago. He
described CLAUDE (LNU) as a white male, age 30 - 35, 5'8",
very fat, dark complexion, and a lot of dark hair. He
said CARSON DAVIS who lives on Norris Road, Decatur, was
skipper on that boat.

On 4/10/68, CARSON DAVIS, Route 5, Decatur (Norris
Mill Road), advised that the composite definitely did not
resemble anyone who worked on his boat. He said that a
CLAUDE WINDER worked on the boat and he later had to fire him
when they were in New Orleans. He described WINDER as a very
heavyset man, about 5'8" tall, who was an Indian and had a
very dark complexion. WINDER grew up on a reservation in
Oklahoma, and now lives in Greenville, Mississippi. He
reiterated that WINDER did not resemble the composite.

On 4/10/68, R. E. BEASLEY, Chief Security Officer, Monsanto Corporation, Decatur, advised that various tugs and barges occasionally stop at Monsanto, and he will contact the dock foreman to determine if the employees normally see any of the individuals on these boats.

On 4/11/68, BEASLEY stated that CECIL HOLLAND is about the only employee who might see any of the individuals on the boats.

On 4/11/68, CECIL HOLLAND, Route 6, Athens, Alabama, who is employed at Monsanto, Decatur, advised that he seldom sees crew members who stop at the plant and those whom he sees are usually the older men. He stated that he does not recall seeing anyone who resembled the composite.

On 4/11/68, GAYNELL HALL, Morgan County Courthouse, Decatur, reviewed the divorce records for Morgan County for the period from 1945 to the present, and did not locate any information concerning ERIC STARVO GALT, HARVEY LOWMEYER, or JOHN WILLARD.

On 4/11/68, LORENE SCOTT, Limestone County Courthouse, Athens, Alabama, reviewed the divorce records for Limestone County for the period from 1938 to the present, and could not locate any record concerning the above names.

On 4/12/68, RUSSELL PLUNKETT, Cullman County Courthouse, Cullman, Alabama, reviewed the divorce records for Cullman County from 1940 to the present, and did not locate any information concerning the above names.

On 4/12/68, FOREST MACK COLE, 4018 Carta Circle, Jackson, Mississippi, was located at his employment, the Spur Gasoline Station, 201 Second Avenue West, Cullman. COLE advised that he is currently rooming at a house located just across the street and north of the Spur Station. He also advised that he recalls living in a rooming house at 2608 Highland Avenue, Birmingham, Alabama, for about two or three weeks in September or November, 1967. He did not stay there long because he did not like the rooming house and he seldom saw any of the other roomers because he had to leave early to go to work and normally came home late

BH 44-1740

at night. He recalls the name ERIC being mentioned at the rooming house; however, he cannot associate this name with any particular individual. He was shown the composite and he advised that it resembles someone he saw at the rooming house, but he cannot associate the composite with the individual named ERIC nor with any other particular individual at the rooming house.

On 4/12/68, JIMMY SIMS, Sims Pure Oil Station, Trinity, Alabama, advised that he and GEORGE GRIFFITH were working on a truck in GRIFFITH's garage, which is adjacent to the Pure Oil Station, when JOHN CONNOR came in and told them that MARTIN LUTHER KING, JR. had been shot in Memphis, Tennessee. SIMS advised that CONNOR lives next to the gas station, but had gone to North Carolina for the week end.

On 4/12/68, GEORGE GRIFFITH, Route 2, Hartselle, Alabama, advised that at the time KING was killed in Memphis, he was working on a wrecker owned by JIMMY SIMS at SIMS' Pure Station, Trinity, Alabama. He and SIMS were working on the truck at his (GRIFFITH's) garage which is next to SIMS' gas station. He said (FNU) CONNOR, who lives near the Pure Station ran into the garage and told them that KING had just been shot in Memphis, Tennessee. GRIFFITH stated that he did not like KING but he did not shoot him and believes it was a very foolish thing to do. He said killing KING did not help the white people and in fact it helped the Negroes and anyone else who supported the civil rights movement, and more civil rights laws will probably be passed in the near future.

On 4/15/68, JOHN CONNOR, Trinity, Alabama, advised he was lying on his couch at home watching television when the program was interrupted with an announcement that MARTIN LUTHER KING, JR. had been shot in Memphis, Tennessee. He immediately went out to GRIFFITH's garage, located next to Sims Pure Oil Station, both of which are within about 100 yards of his house, and told GEORGE GRIFFITH and JIMMY SIMS what he had heard on TV. GRIFFITH and SIMS were both working on a truck in the garage at the time.

Re Tampa teletype to Director dated 4/15/68 and report of SA RICHARD K. HARPER dated 7/5/67 at Tampa entitled, "BERNARD CLINTON LWEIS, ET AL".

RE DONALD EUGENE SPARKS, FBI # 71618A

On 4/16/68, WILLIAM KENNETH KNIGHT, FBI #2557953 furnished the following information to Special Agent RICHARD K. HARPER at the Tampa City Jail where he is presently incarcerated.

KNIGHT advised that after thinking about the MARTIN LUTHER KING assassination he learned the following which he thought he should relate.

He advised the armed robbery of SHELBY JACKSON at Baton Rouge, Louisiana on June 5, 1966 about which KNIGHT furnished information to SA RICHARD K. HARPER which is contained in referenced report. The following incident took place while travelling toward Memphis, Tennessee along with DONALD EUGENE SPARKS, and HERMIT EUGENE WING FBI # 377580B.

TP 157-3231

KNIGHT advised that they were listening to the car radio and the news of the shooting of MEDGAR EVANS was broadcast and the three of them were trying to figure out a route to Memphis which would bypass possible road blocks. During the conversation which took place KNIGHT recalled SPARKS and WING discussing the fact that SPARKS had been offered a \$10,000. payment to kill MARTIN LUTHER KING. They did not elaborate on this other than to indicate that when both were in the state penitentiary at McAlester, Oklahoma, some "agents" had come to interview SPARKS concerning this alleged offer and payment and that he had "run them off" meaning that he had refused to talk to the agents about the matter.

KNIGHT was quizzed thoroughly concerning this incident and advised that it was not discussed further, nor would SPARKS mention who had approached him with the offer.

KNIGHT stated that SPARKS is perfectly capable of committing a murder and is a known hater of Negroes. According to KNIGHT, SPARKS is not known to make jokes and it was believable to KNIGHT that an actual offer was made to SPARKS by someone.

For the information of offices receiving, DONALD EUGENE SPARKS is presently incarcerated at Fort Payne, Alabama and has been incarcerated during the period of the MARTIN LUTHER KING murder which would definitely eliminate SPARKS as a suspect.

TP 157-3231

Furthermore, Tampa is not in a position to elaborate this information and it is requested that:

OKLAHOMA CITY DIVISION

AT OKLAHOMA CITY, OKLAHOMA & McALESTER, OKLAHOMA

Review files for any pertinent details regarding "agents" attempting to interview SPARKS concerning alleged offer to kill MARTIN LUTHER KING.

For the information of Oklahoma City, Tampa files reflect SPARKS incarcerated at McAlester, Oklahoma from 3/9/65 - 5/10/66 under penitentiary #71755. Oklahoma should advise the Bureau, Memphis and Birmingham of any pertinent information in this regard.

BIRMINGHAM DIVISION

AT FORT PAYNE, ALABAMA

May desire to interview DONALD EUGENE SPARKS concerning this matter upon receipt of background information from Oklahoma.

RE: WILLIAM MADISON LEONARD
Former Inmate, Draper
Prison, Elmore, Alabama

ALTON LEWIS ABSTON, a prisoner in Los Angeles County Jail, Los Angeles, California, on April 13, 1968, advised that in 1957 or 1958, he was a cellmate in Draper Prison, Elmore, Alabama, with one WILLIAM LENNARD or WILLIAM LENNORD. He said that the profile photograph of the suspected killer of MARTIN LUTHER KING which appeared in the Los Angeles Times newspaper fits LENNARD "to a 'T'." He said that LENNARD had been in prison on a murder charge in Alabama for shooting a Negro. He described LENNARD as a white male, 35 - 36, 5'11" to 6', 175 to 180 pounds, brownish-red hair, home address, Birmingham, Alabama.

The following investigation was conducted on April 15, 1968, by Special Agent SPENCER H. ROBB:

On April 15, 1968, M. S. DEAN, Identification Officer, Alabama Board of Corrections, Montgomery, Alabama, made available his file on WILLIAM MADISON LEONARD, JR., Number 78492, which he stated was only former convict of this name or similar name he could locate in his files. He also made available a photograph of LEONARD made in 1965.

A review of this file reflected the following background data:

FBI File No. 44-38861

Lab. No. D-560661 IH

Specimens received 4/12/68

Q124 A piece of brown wrapping paper containing a label bearing the number 777, a Garber shipping slip containing the number 52360, a three inch slip of paper ripped from the shipping slip, and a piece of cellophane tape.

Q125 A piece of brown wrapping paper with a label attached bearing the number 6829

Q126 A cardboard box, postmarked 4/5/68

Result of examination:

The hand printing appearing on the slip of paper comprising a portion of Q124 was searched in the Anonymous Letter File without effecting an identification. Appropriate photographs have been added to this file for future reference.

The cellophane tape comprising a portion of Q124 is of common $\frac{1}{2}$ inch-wide variety, the ends of which appear to have been torn or cut unevenly.

Due to the limited nature of the questioned hand printing on Q124 and because of unexplained variations, a definite conclusion could not be reached whether the hand printing on Q124 is identical to the hand printing appearing on documents attributable to Eric S. Galt, submitted in this case. A number of significant differences were noted indicating

this questioned hand printing may not have been prepared by the writer of the hand printing on documents attributable to Galt.

Q225 Sheet of paper bearing typewritten message beginning "Dear Sir, Inclosed is..." signed "Eric S. Galt"

Q225 Post Office Department Application For Delivery of Mail Through Agent, Form 1583, signed "Eric S. Galt"

Result of examination:

It was concluded that the "Eric S. Galt" and the "Eric Galt" signatures on Q216 through Q221, Q223 and Q224 were prepared by the writer of the signatures in this name appearing on specimens previously received. The signatures on Q222 are too distorted for identification with these previous signatures but similarities were noted.

Because of the lack of comparable writings and variations, it could not be determined whether the other writings appearing on Q216 through Q224 were prepared by the writer of the available writings which are attributable to Galt, however, similarities were noted between the payee names on money orders and the "Galt" writings.

Because of the lack of comparable letters and letter combinations necessary for an adequate comparison, it could not be determined whether the "Harvey Lowmyer" signature on the Q72 gun invoice was prepared by the writer of the money orders, Q216 through Q224, and other writings attributed to Galt.

It was concluded that the questioned signatures on Q225 and Q226 were prepared by the writer of the "Galt" signatures on other specimens previously submitted.

The typewritten impressions appearing on Q225 are the same style as those appearing on other items believed emanating from Galt, but the lack of identifying defects precludes a determination that the same typewriter was used to prepared all of these items.

The submitted specimens are temporarily retained. Photographs were made.

SUBJECT: MURKIN

OO: MEMPHIS

At approximately 10:45 A.M., 4/19/68, a man called from the Veterans Administration and said that he wanted to talk to an FBI Agent. He said that he has seen the artist's sketch and photograph of GALT, and he believes he has some information we would be interested in. He refused to give his name and refused to discuss the matter further on the telephone. He said he is in the Veterans Administration Hospital because of a slight heart attack which occurred about ten days ago, and that he is well enough to talk to an Agent and would like to do so. He was assured that we appreciated him calling and offering his assistance. He said he would discuss the matter over the telephone, except for the fact that he had to use a phone where everyone walking up and down the aisles could listen to him. He said that he is in Room 89 on the Fifth Floor North of the Veterans Administration Hospital, and that he is the only occupant in this room.

He was advised he would be contacted about this matter.

Upon reviewing FEDUCCIA's visa application and U.S. Passport photo GUARDIA felt there was a strong resemblance between FEDUCCIA's photo and the composite drawing of the unknown male wanted for the murder of Reverend MARTIN LUTHER KING, JR. GUARDIA advised that FEDUCCIA had not applied at the Costa Rican Embassy with his visa application, but had sent his application by messenger. GUARDIA indicated FEDUCCIA held U.S. Passport J367626.
