FROM PREVIOUS INVESTIGATION CONDUCTED RE ADVERTISING MEDIA IT APPEARS THAT THE MOST COMMON MAGAZINES UTILIZED WERE POPULAR MECHANICS, POPULAR SCIENCE, MECHANIX ILLUSTRATED AND FIELD AND STREAM.

SUBJECT'S BROTHER JERRY THIS DATE ADVISED THAT IN PAYMENT OF THE REMAINING AMOUNT OF A SMALLIGAN TO HIS BROTHER JAMES WHILE IN PRISON JAMES ASKED HIM TO GET A YEAR'S SUBSCRIPTION TO TRUE MAGAZINE AND HAVE IT SENT TO HIM IN PRISON. JERRY COULD NOT RECALL ANY OTHER CONVERSATIONS WITH THE SUBJECT CONCERNING A PARTICULAR MAGAZINE. MURKIN

On 5/15/68, JO ANN HAYES, Manager, Quik Shop Drive-In Grocery, 2301 West Meighan Boulevard, Gadsden, Alabama, advised that on 5/14/68 at approximately 8:00 a.m., a man came into the grocery store who resembled JAMES RAY. The Wanted Flyer on RAY was shown to Mrs. HAYES and she said it looked like the man she saw.

She described this person as a white male, age about 35 to 40, 5'10", 160 lbs. He had his head completely shaved and used a lot of hand gestures when he talked. He indicated he wanted to buy a cap to keep his head from getting sun-burned.

She noted he was driving a new looking Volkswagen, dark tan in color, with an Alabama license beginning with the numeral "1" (Jefferson County).

There was another man in the car, who did not come into the store. He was wearing a ball cap.

Inasmuch as there are no logical leads to be set forth from the above information, this memorandum is being submitted for information.

DETAILS:

This investigation is predicated on the murder of Dr. MARTIN LUTHER KING, April 4, 1968 at Memphis, Tennessee.

On April 5, 1968 at approximately 12:05 AM, J.W. FARRIS, a Yellow Cab Company driver, Memphis, Tennessee, advised the FBI that he made a pickup of a white male at the William Len Hotel. FARRIS was directed to go in the first instance to West Memphis, Arkansas. Shortly thereafter he was re-directed by his passenger to drive to the Memphis Municipal Airport. Upon arriving at the airport, FARRIS was told by his passenger to wait while the passenger checked flight departure schedules. According to FARRIS, this passenger also made an inspection of the inside and immediate area outside the airport terminal. FARRIS then was directed by his passenger to return to the William Len Hotel and there to wait for the passenger. Shortly thereafter the passenger returned accompanied by another white male and FARRIS was directed to take them to the Memphis Municipal Airport.

Investigation by the FBI determined the following:

Records of the William Len Hotel revealed that a VINCENT WALKER, 449 Steiner Street, San Francisco and a LAWRENCE RAND, or REND, 2532 Polk, Kansas City, Kansas, checked into that hotel at 2:38 PM, April 4, 1968 and checked out at approximately 12:10 AM, April 5, 1968.

Investigation by the FBI has determined that WALKER and RAND, or REND, were identical to the individuals that Yellow Cab Driver J.W. FARRIS transported to the Memphis Municipal Airport.

Inquiry at Delta Airlines, Memphis, determined that two individuals utilizing the names W. DAVIS and B. CHIDLAW departed Memphis at 1:47 AM, April 5, 1968 via Delta Airlines enroute, Houston, Texas. These individuals had no reservations for that flight.

Mr. GLEN PARNEILL, Reservations Manager, Delta Airlines, Houston, Texas on April 5, 1968 advised that the names of W. DAVIS and B. CHIDLAW had been computered into Delta Airlines records at 1:55 PM, April 4, 1968 which indicates their tickets were purchased shortly before that time and they were booked as a party of two. They traveled on Flight 157 non-stop, Memphis to Houston.

They departed Memphis at 1:30 AM, April 5, 1968 and arrived at 2:50 AM, April 5, 1968. Their names were added to the manifest and no addresses were listed.

On April 5, 1968 Miss SUSAN KRAUSE, one of two stewardesses aboard Delta Flight No. 157, Memphis to Houston, referred to above, advised as follows. She stated that her flight was late in arriving at Memphis. She had gone to the operations division to pick up forms and upon her return to the plane she went about her normal business. Miss KRAUSE advised that the names of passengers aboard the plane are not taken and the only thing she looks for is the envelope of the passenger that contains the ticket showing the passenger's class of travel. Because of the late hour of the departure of the flight from Memphis, the lights inside the cabin were turned down for the convenience of the majority of the passengers and she was not able to get a close look at anyone and was unable to recall the passengers W. DAVIS and B. CHIDLAW.

On April 5, 1968, VICKIE MC LUCAS, Delta stewardess for Delta Flight 157, Memphis to Houston, Texas, referred to above, advised as follows: While Flight 157 was at the Memphis Airport several passengers came aboard and the lights were turned down low for the convenience of other passengers; consequently, she did not pay any specific attention to any of the passengers coming aboard. Miss LUCAS advised that she was unable to recall passengers named W. DAVIS and B. CHIDLAW as members of the passenger list, Flight 157, Memphis to Houston, April 5, 1968.

On April 8, 1968 JIM HAYDEN, Limousine Service, which service handles the Houston Municipal Airport, advised that his records disclose LUPY DELAO who is currently working for Delta Airlines at the Houston Municipal Airport was on duty at the airport when the Delta Flight arrived at 2:50 AM and his records disclosed that DELAO had six persons whom he transported in his limousine to downtown Houston, which persons presumably were from the Delta flight mentioned above.

LUPY DELAO, 1815 Louis, telephone CA 8-6119 advised that he did in fact transport passengers from the Delta flight which arrived at 2:50 AM and he recalled that there were six adult white males who requested transportation in his limousine. He stated he dropped three of the men at the Sheraton Lincoln Hotel in downtown Houston, two of the men were dropped at

the Rice Hotel in downtown Houston and one man was dropped at the Downtowner Motel in Houston, Texas. DELAO advised that the two men he dropped at the Rice Hotel indicated at first that they intended to be dropped at the Downtowner Motel however when getting in the vicinity of the Rice Hotel changed their minds and asked to be dropped off at the Rice Hotel. DELAO stated that these two men had very little luggage and each one carried only a small handbag. DELAO stated he could not furnish any descriptive data regarding the two men he dropped off at the Rice Hotel and did not in fact know if they actually stayed at the Rice Hotel or one of the other hotels in the area. DELAO stated that he would have arrived at the Rice Hotel at approximately 3:30 AM as this is the amount of time it normally takes to drive to the Rice Hotel from the airport via the route he took.

On April 8, 1968, Mr. JOHNNY RAGLEY, Credit Manager, Rice Hotel, personally checked all available logical records in an effort to identify two individuals who may have checked in the Rice Hotel approximately 3:30 AM on April 5, 1968. Further all available records were checked for the following names:

JOHN WILLIARD
VINCENT WALKER
LAWRENCE RAND or REND
W. DAVIS
B. CHIDLAW

No records were located which could possibly be identified with the two individuals possibly identical with the suspects who reportedly flew from Memphis to Houston, Texas on the morning of April 5, 1968.

Similar record checks were made at the Milby Hotel which is located across the street from the Rice Hotel and at the Downtowner Motel also in the vicinity of the Rice Hotel and the results of the checks were negative.

Records of the Houston Police Department, Harris County Sheriff's Office, Houston Credit Bureau and Houston street and telephone directories checked for any information for the above listed individuals were negative.

She stated that the card had been completed by herself and merely shows that a man named JOHN WILLARD appeared for four dancing lessons, three lessons being on a Wednesday and one on a Friday, month and date not indicated. Mrs. WEINSTEIN does recall that these lessons for JOHN WILLARD were given before her annual recital which is held in May, and to the best of her recollection this person took the dancing lessons during April, 1967. She stated she has no other record pertaining to a JOHN WILLARD and was unable to locate any record which could contain his signature or handwriting.

Her overall impression of JOHN WILLARD as best

she can recall was that he was not neat, lacking in personality and was an extremely poor dancer. She recalls him as being quiet and difficult to teach because he had poor balance. No one else at her studio at the present time would know him. She stated that it was possible that SHIRLEY CARROLL formerly a bookkeeper for Mrs. WEINSTEIN at the studio might have had contacts with JOHN WILLARD when he came for lessons and may have conversed with him. She stated that SHIRLEY CARROLL resides at an address in care of J.L. HOECK, Patton Road, Box 81A, Forest Hill, Maryland. Mrs. WEINSTEIN was shown photographs of ERIC GALT, also known as James Earl Ray, and she commented that the photograph of GALT with his eyes closed most closely resembled the JOHN WILLARD that she vaguely recalls. She stated the eyes drawn into the photograph do not resemble those of the man who took lessons from her. In addition the hair of the JOHN WILLARD that she knew was not as dark as that in the photograph and his complexion was olive, not fair.

During their very limited conversations WILLARD stated he worked "at NASA" and did not get off from work until 5:30 PM. He also stated that he was called back to work on overtime on occasion. She stated that he did not appear to be a highly educated man, definitely not the "engineering type". WILLARD had remarked to Mrs. WEINSTEIN that he went from work to his apartment or room, took a shower, changed clothes and then came for his dancing lesson. She recalled that he usually wore a white shirt and dark pants but on one or two occasions wore a suit. At no time did Mrs. WEINSTEIN observe a badge or identification tag with WILLARD's photograph on it as do all employees working at NASA possess. WILLARD had stated to Mrs. WEINSTEIN that he owned a record player and he once borrowed one of her records. He had mentioned that he had bought a record of Fred Astaire Dance Instructions which he said he purchased at the NASA Bay Shopping Center, Webster, Texas. Mrs. WEINSTEIN recalled that she told JOHN WILLARD that she would not dance with him while teaching him ballroom dancing as it was against her policy. On at least two occasions JOHN WILLARD brought with him a woman who acted as his partner while he took lessons. This woman was described as name "LOU", age in her 40s and definitely older than JOHN WILLARD, height 5'4", average build, dressed in ordinary cotton dresses, not slacks, with hair being dark with a reddish cast and had a poor personality. To the recollection of Mrs. WEINSTEIN, WILLARD's dancing partner supposedly worked as a waitress, cafe or establishment unknown.

According to Mrs. WEINSTEIN, WILLARD told her that he, after having taken this woman to a lesson or two, would not be able to bring her back with him because she worked too late and she wanted him to pick her up after work. Mrs. WEINSTEIN although not ever seeing WILLARD drive a car was confident that he had one but she was unable to describe it other than to say it must have been an older car. Although she is not certain she thinks that perhaps on the last time that she gave him a lesson WILLARD told her he was going to "visit his mother". She can recall no further information regarding JOHN WILLARD. Mrs. WEINSTEIN further furnished the following descriptive data concerning JOHN WILLARD:

Sex	Male
Race	White
Height	Approximately 5'9" - 10"
Age	In his 30s
Hair	Brown, ordinary cut, combed straight back
Eyes	Gray or brown, definitely not blue, and did not wear glasses
Build	Stocky, but not fat or heavy
Complexion	Olive
Teeth	Cannot recall
Carriage	Posture not good, slouched and not that of a well groomed man
Speech	Average, no accent
Jewelry	May have worn ring and wrist-watch

Habits	Cannot remember if he smoked; does not remember habit of pulling ear
Dress	When wearing slacks, wore belt and slacks much too long, dragging on floor, belt worn low

Weight	100 lbs.
Eyes	Green
Hair	Blond with reddish tint

Mrs. CASEY advised that she has been employed by the Nassau Bay Hotel as a waitress since May, 1965 and at no time has she dated anyone. Mrs. CASEY advised she has been married to RICHARD CASEY for 19 years and has a 17 year old son. She advised that subject's name and photograph were completely unfamiliar to her, with the exception of recent press coverage and that at no time has she ever taken dancing lessons. Mrs. CASEY advised she currently resides at 98 Bayou Lane, Kamah, Texas, and that her husband RICHARD is employed as an engineer by Link, Temple and Vault, contractors at the Manned Spacecraft Center. Mrs. CASEY advised that during the spring and summer of 1967 she was employed full-time working evenings in the Club Seville at the Nassau Bay Hotel. Mrs. CASEY advised she has never been arrested and that the only time she has ever been fingerprinted was in 1951 or 1952 when she was employed as a part-time clerk at the Post Office in Buffalo, New York, during the Christmas season. She advised subsequently she and her husband have resided at Columbus, Ohio; Baltimore, Maryland; Granada Hills, California; and League City, Texas, prior to her present residence. On April 19, 1968 BARRY FLEISCHMANN, Manager, Nassau Bay Hotel, 1622 NASA Boulevard, advised that he employs two waitresses whose first name is "LOU". He advised that Mrs. LOUISE CASEY is employed as a waitress in the hotel restaurant and Mrs. LOUISE WALLACE is employed in the hotel coffee shop.

Mrs. WALLACE is definitely not a "swinger" but on the contrary, is a quiet, stable and refined person

who is a dedicated housewife and mother with outside employment to support her family. She is not the type who would be interested in or have the time for extra marital affairs in view of her heavy responsibilities as housewife to an invalid and mother of seven children.

On April 26, 1968 information from the Baltimore Office, FBI, set forth results of the interview of SHIRLEY CARROLL who in 1967 had been employed by Itaska Dance Studio as a bookkeeper, League City, Texas. Miss CARROLL stated that she did not recognize photographs of JAMES EARL RAY, also known as, as being anyone whom she had ever met and specifically not anyone that she could associate with a person named JOHN WILLARD or in any way with a person who attended the Itaska Dance Studio at League City, Texas. She further stated that the name JOHN WILLARD was not familiar to her. She stated that she vaguely recalled an individual who appeared bashful and quite backward who had taken lessons at the Itaska Dance Studio but this individual was not a person named JOHN WILLARD and the person that she vaguely recalls does not in any way resemble ERIC STARVO GALT, also known as JAMES EARL RAY.

LINDSEY CARLETON, Webster Police Department, advised that he arrested an ELEAN LUCRETIAN GALT at 223 Maple, Kemah, Texas on March 29, 1968 and issued her a traffic ticket.

On April 19, 1968 SAs SCHWEICKHARDT, JOHN H. SCHULTE and MC CABE interviewed ELEAN L. GALT and she advised that she is employed by General Electric, Apollo Division, at Seabrook, Texas. She has never known anyone fitting suspect's description. She advised that she is from Harlingen, Texas and her father's name is JOHN GALT who she said has been already contacted by the FBI.

On April 19, 1968 ITASKA WEINSTEIN was recontacted and at that time she stated that she now recalled that a man named JAMES ELLIS also took dancing lessons from her during the period that JOHN WILLARD, another one of her students, was taking lessons. Mrs. WEINSTEIN was unable to recall if WILLARD and ELLIS had ever met. She definitely recalls that they did not at any time ever take lessons from her at the same time. Mrs. WEINSTEIN stated that as a matter of fact she now is unable to definitely state that the previous information she had furnished regarding JOHN WILLARD is correct or is perhaps descriptive data pertaining to JAMES ELLIS. She stated to the best of her recollection ELLIS is employed at NASA and resides at either League City or Webster.

Mrs. WEINSTEIN also said that her clientele is almost complete children to whom she teaches ballet type dancing. She stated that she dislikes giving ballroom dancing lessons and the only ones she could recall having taken ballroom lessons were JAMES ELLIS and JOHN WILLARD.

On April 19, 1968 JAMES M. ELLIS was interviewed at the NASA Security Office and he advised as follows:

JAMES ELLIS resides at a trailer park at 404 Third Street, Space No. 5, League City. He was born [redacted] at Atlanta, Georgia. He is employed as an experimental metalsmith, Technical Services Shop, NASA. He has been employed at NASA since August 24, 1966. ELLIS stated that he commenced dancing lessons at Itaska Dance Studio, League City, in the spring approximately March or April and continued them through approximately September, 1967. He was shown several photographs of JAMES EARL RAY; however, none were identifiable to him as anyone whom he had ever seen or had known at any time. He stated that he does not know or recall the name of JOHN WILLARD as a person he knew nor was he aware of a person by this name who was taking dance lessons from ITASKA WEINSTEIN at the Itaska Dance Studio during the spring of 1967.

ELLIS stated that he usually took his dancing lessons at the Itaska Dance Studio at approximately 6:00 PM in the evening. He stated that he usually left his employment, went to his apartment where he cleaned up, changed clothes and then went to the dance studio. He stated that during the period that he was taking dancing lessons he did date a girl who was a waitress whose name was ROSE. He recalled that he had mentioned to ITASKA WEINSTEIN that he had quit dating ROSE because she worked a late shift and expected him, ELLIS, to drop by and pick her up when she completed work. He said that this became a difficulty in that he had to get up in the morning at an early hour to get to work and he did not think she was worth it.

Records of the NASA Security Division, checked April 19, 1968 reflect that JAMES M. ELLIS was issued a Manned Spacecraft Center (MSC) decal No. 69413 on August 24, 1966. COX was shown photographs of ERIC STARVO GALT, also known as, and COX stated that these photographs are not familiar or identifiable by him as being anyone whom he, COX, has ever known. He, COX, said that the last time he was in Birmingham, Alabama was in March, 1966 and that at that time he stayed at a rundown motel on the road towards Mobile, Alabama. He stated that the name SHAW GALT is completely unfamiliar to him. He stated the only person he could recall knowing that he could consider as having come from Birmingham was a girl he can recall only as CONNIE whom he met in Houston. He stated he dated her when he came to port at Houston. He recalled that CONNIE had a family in Birmingham. COX advised that the fact that he was not in Birmingham in September, 1967 could be verified through records of the Coast Guard, Washington, D.C. through his, COX's Z Number, Z976491-D-3.

BRIZENDINE said that he remained in the truck that evening sleeping until the next morning and then because he was left without a driver to assist in the cross country run he turned the truck around and returned to the point of origin. BRIZENDINE stated that he has not seen WILSON since the time of WILSON's arrest when he was taken into custody. BRIZENDINE stated that he later heard from now unrecalled sources that WILSON had been fined \$100 for drunk driving and had attempted to contact Willis Shaw Company for money to pay the fine. Houston City Directory
Houston Cross Reference
Houston Telephone Directory
Houston Credit Bureau
Harris County Sheriff's Office

An effort to locate 8125 Lamar Drive revealed that the address is non-existent. There is in Houston a Lamar Street and West Lamar Street, however, there is no address of an 8100 block on either street.

Information developed by the FBI determined that ERIC STARVO GALT stayed alone at the Hotel Rio, Room 212, Merelos 86, Puerto Vallarta, Mexico during the period October 19 to November 6, 1967 and from November 7 until November 13, 1967 at the Hotel Tropicana. One of the U.S. residents who was visiting at the Hotel Rio during the time that GALT resided at this hotel was Mr. and Mrs. LU (MARY E) SCHRADER, 3126 Highway 146, LaPorte, Texas. Another was Mrs. E.N. COLLINS, JR; and Mrs. VIVIAN FRIEDBERG, 5711 LaFitte, Galveston, Texas.

The following investigation was conducted by SA FRANK M. IVEY:

On May 1, 1968 Mrs MARY E. SCHRADER, 3126 Highway 146, LaPorte, Texas advised that she and her husband stayed at the Hotel Rio in Room 206, Puerto Vallarta, Jalisco, Mexico for about four or five days in late October, 1967. She stated she did not recall anyone by the name of ERIC STARVO GALT or other aliases of this name staying there at the same time. She was unable to identify the photograph of the subject as anyone that she had seen during her stay in Mexico.

On May 1, 1968 LEWIS R. SCHRADER, 3126 Highway 146, LaPorte, Texas was interviewed at his place of employment, Ebasco Construction Company, where he is a pipe-fitter employed on the construction site of the Houston Lighting and Power Company, San Leon, Texas. Mr. SCHRADER stated that he and his wife were on a vacation trip during late October, 1967 and stayed at the Hotel Rio (room unrecalled) Puerto Vallarta, Jalisco, Mexico. He stated he did not recall anyone staying there at the time by the name of ERIC STARVO GALT and was unable to identify the photograph of the subject as anyone he had seen.

The following investigation was conducted at Houston, Texas on May 1, 1968 by SA B. PERKOWSKI, JR.:

Mrs. VIVIAN FRIEDBERG, 5711 LaFitte Avenue, advised she stayed at the Hotel Rio in Puerto Vallarta,

Mexico, sometime in about October, 1967 for a period of about four or five days. She was accompanied by her sister, Mrs. E.N. COLLINS, JR. Shown photographs of JAMES EARL RAY and told that he may have used the name of ERIC GALT, she stated she does not recall that she noticed this person at the Hotel Rio or elsewhere during her visit to Mexico. She does not recall her room number in this hotel and does not believe she held any conversation with GALT.

She stated also her sister lives in Houston, Texas at 5208 Mt. Houston Road and is employed in the office of Dr. HAROLD SCHAFFNER at 5105 San Jacinto, telephone number JA 3-9812.

Mrs. E.N. COLLINS, JR., 5208 Mount Houston Road, Houston, Texas advised that during her trip to Puerto Vallarta, Mexico in October, 1967 when she was accompanied by her sister, VIVIAN FRIEDBERG she can recall no male who looked like the pictures of JAMES EARL RAY, also known as Eric Starvo Galt. It is her recollection most of the residents at Hotel Rio were elderly people and not fit the description of RAY, also known as Galt. She was unable to recall the number of the room at the Hotel Rio in which they stayed.

8. Telephone Calls From Pay Telephones
December 15 - 17, 1967 Along Inter-
State Highway 10, Texas

CHARLES STEIN when interviewed by agents of the FBI at Los Angeles in April, 1968 alleged that while traveling by automobile in the company of JAMES EARL RAY from Los Angeles to New Orleans in mid-December, 1967 RAY made approximately six telephone calls most of which were made while traveling through Texas. He recalled that one call may have been completed as STEIN had to wait for quite a while for RAY to return to the car. In the other instances RAY was gone for such a short period of time from the car that STEIN was of the opinion that the calls were not completed. STEIN was unable to recall the exact location from which RAY made the alleged completed phone call, but he was of the opinion that it was in the area "just west of Houston" at a service station type establishment just off of U.S. Interstate Highway 10. The call was made at night, from a phone booth located on an access road paralleling the freeway near a liquor store and gas station at a point where the freeway is eight lanes wide with a fence separating

the freeway from the access road; STEIN further defined the time of the call as at approximately 9:00 PM on December 16, 1967 and was probably made to New Orleans, Louisiana.

On April 26, 1968 Everett Collier, Vice President and Editor, Houston Chronicle, a daily Houston newspaper, advised as follows:

LOUIS LOMAX and CHARLES STEIN had arrived at Houston at 4:15 PM, April 25, 1968.

LOMAX is a controversial TV personality from the Los Angeles area who had his own TV show until March, 1968. He has also authored a book entitled "The Negro Revolt".

LOMAX and STEIN, accompanied by a Chronicle reporter, searched the area west of Houston in an attempt to locate the phone booth from which JAMES EARL RAY allegedly made a call on the evening of December 16, 1967 and the search was unsuccessful. According to COLLIER, the Chronicle reporter, who accompanied LOMAX and STEIN on their search, described STEIN as being extremely vague and not at all sure of the area where the call was allegedly made.

COLLIER also advised that the North American Newspaper Alliance (NANA) has been trying to get in touch with LOMAX on April 26, 1968 for the purpose of writing a story on April 26, 1968 about STEIN's trip from Los Angeles to New Orleans with RAY.

COLLIER stated that he thought NANA was controlled by columnist DREW PEARSON.

On April 27, 1968 DON MICHAELS, Houston Chronicle, advised that he dropped LOUIS LOMAX and CHARLES STEIN at San Antonio at 4:30 PM on April 26, 1968. They intended to rent a car in San Antonio and indicated to MICHAELS that they would turn the car in at San Antonio when through.

MICHAELS made the observation that both LOMAX and STEIN appeared to be "lost" as far as their operation is concerned. MICHAELS further commented that, in his opinion, STEIN is taking LOMAX "for a ride". MICHAELS learned from comments made by STEIN that STEIN had slept most of the way on the December cross-country trip, California to Louisiana when he accompanied RAY.

HO 44-1509

On April 28, 1968 HUGH AINSWORTH, Newsweek correspondent, Houston, Texas, contacted Southwestern Bell Telephone Company, Houston, and advised that LOUIS LOMAX and CHARLES STEIN had identified a coin telephone located at an Enco Station, Route 90, Uvalde, Texas as one allegedly used by JAMES EARL RAY to make a telephone call to New Orleans between the hours of 6:00 PM and 9:00 PM, December 16, 1967. The telephone number was identified as being BR 8-9048. AINSWORTH requested that toll calls from this telephone be checked by Southwestern Bell Telephone Company to determine if any calls had been made to the New Orleans area on December 16, 1967. AINSWORTH requested that he be advised of the result of this check.

On April 26, 1968 a subpoena was issued for the records of Southwestern Bell Telephone Company, Houston, Texas to be made available before the Grand Jury, Laredo, Texas on May 20, 1968. Southwestern Bell Telephone Company made available their records, period December 15 - 17, 1967 for all coin operated telephones along Highway 90, U.S. Interstate Ten. Subsequent to a review of these records by agents of the FBI, a representative of Southwestern Bell Telephone Company was advised that the subpoena had been complied with and records need not be furnished on May 20, 1968.

On the basis of the aforementioned review of Southwestern Bell Telephone Company records the following data was obtained:
