# RE: RAY'S RELATIVE JOHN LARRY RAY

#### AT ST. LOUIS, MISSOURI

The following investigation was conducted by SA PATRICK W. BRADLEY:

On April 26, 1968, DEAN FERRY, Manager, Customer Service, Union Electric Company, advised that their company furnishes service to CAROL A. PEPPER, doing business as Jack's Place, 1982 Arsenal Street, however records of their company do not reflect how the monthly bill is paid. Mr. FERRY noted, however that the bill is current but could not actually establish whether or not it was paid by check or cash.

On April 26, 1968, HERMAN SCHAEFER, Beer Sales Manager, Joseph Schlitz Brewing Company, 1350 South Kingshighway, advised that their records reflect that Jack's Place, 1982 Arsenal Street is a cash on delivery stop, meaning that the driver assigned that route for a given day will pull up in front of the tavern, walk in and inquire of anybody that appears to be in control of the bar whether or not any delivery of beer is desired and if so, will deliver same and accept payment in cash from whoever appears to be behind the bar without any knowledge as to whether or not this is the owner of or operator of the tavern.

# RE: RAY'S RELATIVE JOHN LARRY RAY

## AT ST. LOUIS, MISSOURI

The following investigation was conducted on April 29, 1968, by SA PATRICK W. BRADLEY:

Mr. FRANK A. MILLER, JR., Vice President and Treasurer, and FRANK J. LESYNA, President, Miller-Scheer Realty and Insurance Company, 2846 California Street, St. Louis, Missouri, advised that this company owns the building where the Grapevine Tavern is located at 1982 Arsenal Street, St. Louis, Missouri, although this is leased in the name of SHARON M. STOCKMANN, as party of the first part, inasmuch as she is the secretary of this company and the property was held in her name. They pointed out that she is no longer employed with this company, however they have the records regarding the lease of the Grapevine Tavern.

Mr. LESYNA stated that he recalls JOHN RAY coming to the office with CAROL PEPPER to fill out the lease and although CAROL PEPPER's name was utilized in the lease and she signed the lease that it was actually JOHN RAY who was giving the orders. He pointed out that at this time and because of this he questioned JOHN RAY whether or not the individual had a police record because the lease was contingent on successfully obtaining a full liquor license. For this question JOHN RAY indicated he did not have a police record however, they wanted to put the building in CAROL PEPPER's name because there would be less problems that way, not further explained.

At the time of signing this lease they paid \$75 in the form of a check on the Manufacturers Trust Company signed by CAROL PEPPER and to the best of his recollection he believes that some \$245 in cash in advance payments was made by JOHN RAY although he could not definitely state this.

A notation in the file reflects JOHN RAY's telephone number as 771-2447, and he claimed he had previously worked as a caretaker on a golfing course, location not known.

#### SL 44-775

In addition to the above business located in this particular building, they also lease other parts of the building which includes address of 1978a Arsenal, 1976 Arsenal, 1982a Arsenal and 1978-80 Arsenal.

Mr. LESYNA advised that one EDWARD BAY rents 1978a Arsenal as a residence at the rate of \$35 a month; LOUIS CANGEMI rents 1976 Arsenal where he conducts a shoe repair business at the rate of \$25 per month; GEORGE HUHN rents 1982a Arsenal Street as a residence at \$35 a month; and ELEANOR OGLESBY rents 1978-80 Arsenal Street as a combination residence and 3-2 tavern which is only open on Friday, Saturday and Sunday nights.

Mr. LESYNA made available copies of the lease and application for tenancy which reflects as follows:

Commercial Lease indicates it was entered into the first day of October, 1967, between SHARON M. STOCKMANN and CAROL A. PEPPER, for the premises of the first floor store including the basement known as 1982 Arsenal Street, St. Louis, Missouri. This Commercial Lease indicates that the use of the premises is to be a business of a tavern having a full liquor license. The terms of the lease were for two years commencing the first day of October, 1967, and ending the 30th day of September, 1969, for a monthly rental of \$80 due on the first day of each month.

The leasee was granted a three year option of renewal under the same terms and conditions provided the leasee gives 60 days written notice regarding this, prior to the expiration of the current lease. This lease was contingent upon leasees ability to secure a full liquor license.

This lease is signed SHARON M. STOCKMANN as leasor and CAROL PEPPER as leasee.

The application for tenancy for the Grapevine Tavern, telephone number PR 6-9417 reflects that the premises are to be used as a full liquor tavern.

This application reflects the name CAROL A. PEPPER, 2025 Bellevue, Maplewood, Missouri, phone 645-2948 with the

notation, new address September 22, 1967. Her husband's name is shown as ALBERT PEPPER with present address 1805 South 11th Street, St. Louis, Missouri, renting from one JOHN GAWON at a monthly rental of \$45. Character references shown as ALENA SUTTON, 7129 Leona Drive, and credit reference is reflected as Biederman Furniture Company, 11940 Manchester Road. The bank reference is shown as Manufacturers Bank and Trust Company, 1731 South Broadway. Place of employment of the husband, New Market Hardware Company, 4064 Laclede, for the past three years as a maintenance man. Number of members of the family is shown as four with a notation two boys, ages 5 and 3. This application reflects that they own a 1961 Plymouth automobile and have lived in St. Louis for the past ten years.

Notation at the bottom of the first page of this application for tenancy has written, JOHN RAY, 1912 California Avenue, however this is not written in specific answer to a given question merely written in the margin of this page. This application for tenancy is signed CAROL A. PEPPER and dated September 20, 1967.

At 4:03 p.m. on April 29, 1968, the white over light blue Thunderbird automobile, bearing Missouri license AE2-558 was observed parked on the west side of Illinois Avenue facing south approximately three car lengths south of Arsenal Street.

On April 29, 1968, ROBERT FOWLER, Security Department, Laclede Gas Company, advised that their records reflect that as of November 29, 1967, they agreed to furnish service to 1982 Arsenal Street, to new tenant, CAROL PEPPER.

He pointed out that they have no way of showing from their records how the monthly bill is paid, other than the fact that it is paid and is current.

## RE: PEPPER LIQUOR LICENSE

On May 7, 1968, St. Louis United States Attorney VERYL L. RIDDLE advised Special Agent HAROLD R. DOBSON that pursuant to a current project undertaken by his office to determine the nature and extent of criminal ownership of liquor dispensing establishments in the St. Louis Metropolitan area, which project has no relationship to this case, he had secured the cooperation of the United States Post Office and State Liquor Control Officials. The State Liquor Control Office has mailed extensive questionnaires to all liquor licensees located in St. Louis, St. Louis County and Jefferson County, Missouri, in which detailed information is requested as to ownership and other matters. The deadline for the return of such questionnaires was originally scheduled for May 1, 1968, but returns to date have been sparse which necessitated setting up a new dead-line of June 1, 1968.

Mr. RIDDLE stated that returns are to be forwarded to the State Liquor Control Office by mail and that false answers in such returns by certain target owners may cause presentation of the matter to a Federal Grand Jury to determine if furnishing false answers to the Liquor Control Office through the mail constitutes a scheme for use of the mail in furtherance of a scheme to defraud.

Mr. RIDDLE emphasized that questionnaires had been sent to all tavern owners in the area and that no individual owner would thereby feel he had been singled out for any special attention.

Mr. RIDDLE stated that he wanted to be sure that his project would not interfere with our investigation of this case in any way. He was confidentially advised of the identities of subject's brother and sister, JOHN RAY and CAROL PEPPER, as well as the name and location of the Grape Vine Tavern. He was further advised it does not appear his project would interfere with the investigation of this case.

He stated that he would take care to see that any return concerning the Grape Vine Tavern received would be placed aside and that no action would be taken regarding it without first checking with this Office. Mr. RIDDLe emphasized his desire to be of any assistance possible in our investigation of this case.

RE: PREVIOUS THREATS TO KING - DELANO ELMER WALKER

## AT ST. LOUIS, MISSOURI

A review of the files of the St. Louis Division concerning DELANO ELMER WALKER on April 26, 1968, by Special Agent HAROLD R. DOBSON, disclosed that during 1965 WALKER reported that while drinking in a bar in St. Louis on November 9, 1965, he was approached by a single unidentified white male who talked about the racial situation and the possibility of his assassinating Reverend KING. He alleged that the individual gave him \$50.00 and indicated that he would contact him in a few days to make more definite plans. He stated that thereafter the same man contacted him on November 11, 1965, at his residence at Elvins, Missouri. and that he told the individual that he was not interested. The Chief of Police, Elvins, Missouri, interviewed WALKER's wife and neighbors on November 11, 1965, and they advised that no one had visited the WALKER residence on that date.

## AT MOBERLY, MISSOURI

The following investigation was conducted by Special Agent WILLIAM R. DUNCAN:

WALKER was located at the Missouri Training School for Men, Moberly, Missouri, where he is serving a three-year sentence for assault. He was originally sentenced October 2, 1967, and was received at the Training School on November 14, 1967. The record indicated that during interview by prison officials on November 20, 1967, he mentioned several "bizarre incidents" including an allegation that he had been contacted to assassinate KING. Prison records indicate that WALKER has a history of mental illness.

He was interviewed on April 26, 1968, by Special Agent DUNCAN, at which time he advised that several months ago, while

drinking in a bar in St. Louis two men talked to him about the racial situation and that one of them gave him \$50.00 and stated they would see him in a few days concerning the possibility of assassinating KING. Three or four days later three men in a new Buick automobile drove to his home at Elvins, Missouri, and he told them that he was not interested in their proposition. He claimed that his wife had also seen these men. He stated that shortly after the incident he had been taken to a State Mental Hospital at Farmington, Missouri.

LANSDEN, Cairo, Illinois, as to what would happen to him if he killed KING. The Cairo, Illinois, Police Department indicated PINKSTON was reported to be in Sikeston, Missouri, when foregoing information was received.

The Little Rock, Arkansas, Division advised on August 18, 1967, that captioned individual, who is also known as B. K. His listed residence was given as Forrest "ity, Arkansas, but it was indicated he made frequent trips from there and that he had claimed to have traveled in Mexico extensively.

Files of the St. Louis, Missouri, Police Department, as examined on April 26, 1968, by Investigative Clerk JOHN D. DYER, JR., disclosed that BENNY J. PINKSTON, FBI Number 314 743 1, had been arrested by that Department on February 14, 1968, and charged with the possession of marijuana. The record indicated he had been released on bail March 13, 1968. While there, he overheard a person named MELVIN DECK, who stated he lived on a farm between Advance and Zalma, Missouri, state that he knew the father of JAMES EARL RAY, who was being sought for the killing of Dr. MARTIN LUTHER KING.

## AT FREDERICKTOWN, MISSOURI

The following investigation was conducted on April 23, 1968, by Special Agent WILLIAM R. BURTON:

MELVIN E. DECK, Route 2, Box 200, Fredericktown, Missouri, advised that he was in Cape Girardeau on Friday, April 19, 1968, at a pizza parlor and tavern and saw a photograph of the man wanted for killing Dr. KING on television, and mentioned to the bartender that he knew the father of this man. He used to be acquainted with BILL RAY, who he claimed to be the father of JAMES EARL RAY, and that he last saw BILL RAY about five years ago at an auction in Cottage Hills, Illinois, which is a suburb of Alton, Illinois. BILL RAY was then living at Alton and had moved to there from the Zalma, Missouri, vicinity in about 1940. BILL RAY originally married VESTA MEADORS, who he claimed to be the mother of JAMES EARL RAY. VESTA MEADORS moved to Alton with BILL RAY but then moved back to Zalma, where she lives with her mother. He did not know if VESTA MEADORS and BILL RAY were divorced or separated. The father of VESTA MEADORS was TONY MEADORS, who is now deceased. He stated that BILL RAY had two sons and two daughters that he knows of; the youngest son being named COTTON, and whom he thought was identical

 $\frac{2}{SL}$ : 44-775

with JAMES EARL RAY, and an older son, named JOE, present location not known. In addition, the two daughters' names he could not furnish, but stated that they were married and lived in the Alton, Illinois, vicinity. Mr. DECK made his identification from the photographs contained on Identification Order number 4182. Further, he stated that he saw this COTTON RAY about four or five years ago with his father at the auction in Cottage Hills, Illinois.

Based on information already developed in this matter concerning the relatives of the subject, JAMES EARL RAY, and the fact that JAMES EARL RAY was in the Missouri State Penitentiary four to five years ago, no further investigation was undertaken to identify or interview any other relatives of BILL RAY or BILL RAY himself, as outlined above by Mr. MELVIN E. LOOK-ALIKE INDIVIDUAL ON GREYHOUND BUS COLUMBUS, OHIO TO ST. LOUIS, MISSOURI

The following investigation was conducted by SA JOHN O. TRETHEWEY, JR.:

The Cincinnati Division advised telephonically and by teletype to the Director, April 19, 1968, that an individual resembling JAMES EARL RAY should be arriving at St. Louis Greyhound Bus Depot at 2:20 p.m. on bus 4472 arriving from Columbus, Ohio, same date.

SAS JOSEPH A. DUBYAK, DEAN R. SHUMWAY and JOHN O. TRETHEWEY, JR. were dispatched to meet bus 4472 at the Greyhound Bus Depot where all passengers alighting from the bus were carefully observed and the interior of the bus immediately inspected. However, no person identifiable with individual described by Cincinnati was observed departing bus or on empty bus. The only male person on the bus remotely resembling subject's appearance and the description furnished by Cincinnati was CHARLES WARREN HALE, date of birth Anson, Texas, who was en route from Holyoke, Massachusetts, to a Veterans Hospital near Abilene, Texas. However, HALE is definitely not identical to the subject. He stated that he doubts that the individual in cabin number 6 was actually MYRLE HAGGERTT but was probably someone impersonating him.

She said, however, that he was a very good singer and guitar player and received excellent attention from the people in the lounge. She described HAGGERTT as a white male, around 38-39 years of age, 190 pounds, blond hair, husky build.

## SUSPECT - THOMAS ROBERT HENDERSON

## AT ST. LOUIS, MISSOURI

The following investigation was conducted by Special Agent RICHARD BOYD SMITH:

On April 8, 1968, Reverend OLIVER W. GIBSON, Parish Temple, the Christian Methodist Episcopal Church, 800 North Union, St. Louis, Missouri, advised he had been Master of Ceremonies in a memorial to Dr. KING on that date and following the evening services in his church, at approximately 9:00 p.m., he was told a white man desired to see him. This individual gave his name only as 'COLLINS". Reverend GIBSON described him as being 5 feet 8½ inches tall, 155 to 160 pounds, ruddy complexion, blond straight hair, scar on the right cheek and scar on the left hand. He was well dressed in a dark green business suit with a shirt and tie. He wore a watch with a black face on his left hand and there was a ring on his right ring finger with the initial "H."

At the conclusion of the interview the individual admitted to Reverend GIBSON his real name was THOMAS ROBERT HENDERSON. He then told Reverend GIBSON he was not a beggar but a thief and a murderer. He claimed to possess \$10,000.00 in counterfeit checks in an attache case he was carrying, together with several credit cards. He claimed he had come to St. Louis from Chicago on the morning of April 7, 1968, but did not indicate the method of his transportation. He stated that he desired to find peace and claimed that he had recently been in Atlant, Georgia, and had met with Dr. KING who had befriended him. He stated he had told KING he had but one year to live due to a brain tumor. He was in possession of a card bearing KING's name and his home and office telephone numbers.

HENDERSON did not so state but gave the impression to GIBSON he was the assassin of KING by stating he had ordered

someone killed. He wondered if he should turn himself in. He stated he had studied psychology, had been in the military and had won both bronze and silver stars. He admitted to having used narcotics. He wanted GIBSON to help him find peace. He had only \$.18 in cash and GIBSON gave him \$5.00. He stated he wanted GIBSON to help him and stated he would meet GIBSON at the church at 10:30 on the following morning (April 8, 1968).

He claimed that he was wanted both by the Federal Bureau of Investigation and the Mafia but stated "they can't catch me."

The files of the St. Louis Division disclose that THOMAS ROBERT HENDERSON, FBI Number 719 320 C, has suicidal tendencies, once was a narcotics user, is a mental case and a drifter and has numerous arrests.

Information was received from the Federal Bureau of Investigation, Washington, D. C., telephonically on April 8, 1968, that THOMAS ROBERT HENDERSON was not wanted by the FBI.

On April 8, 1968, Reverend GIBSON stated that HENDERSON had failed to keep his appointment with him on that date and that HENDERSON's whereabouts were unknown.

Reverend GIBSON recalled that during the original contact by HENDERSON, HENDERSON had indicated he has always experienced trouble with his parents and that he had first noticed this difficulty at the age of ten when he has sworn at his mother, whose name was PEGGY. He had stated he rebelled against authority. He further claimed to have been in Atlanta, New Orleans, Texas, California, Colorado (where he had relatives) and that he had flown from Chicago to St. Louis. He stated that he had been in jail much of the time.

Reverend GIBSON stated he was confused as to the purpose of HENDERSON's visit and was fearful of being alone with him due to his alleged wanted status. He stated he did not desire to spend more time with HENDERSON due to the late hour and circumstances under which he had been originally contacted. He stated he could only account for the contact by assuming that HENDERSON had been in the crowd at the KING Memorial where the location of GIBSON's

SL: 44-775

church was announced. He felt this visitor was the same as THOMAS ROBERT HENDERSON, FBI Number 719 320 C.

On April 9, 1968, the Identification Division, Federal Bureau of Investigation, Washington, D. C., advised that the remaining unidentified latent prints in this case were not identical with the fingerprints of TOMMY ROBERT HENDERSON, FBI Number 719 320 C.

The following investigation was conducted by Special Agent EDWARD M. MORELAND:

On April 8, 1968, Reverend CLYDE OSTER, First Baptist Church, 6136 Garfield, Berkeley, Missouri, advised that at 12:55 p.m. on that date he had received a telephone call from a man who had identified himself as PHILLIP BANELLI (phonetic), who advised him he was at Lambert-St. Louis Airport and that he had a serious problem which he desired to discuss with a minister.

Reverend OSTER proceeded to the Airport to counsel BANELLI. He described BANELLI and the story BANELLI gave him the same as THOMAS ROBERT HENDERSON was described by Reverend GIBSON, as set out previously herein. At the conclusion of Reverend OSTER's conversation with BANELLI, BANELLI requested that he drive him into St. Louis. Reverend OSTER thereafter drove BANELLI to Ogden and Easton Avenues, where BANELLI left the automobile at 4:30 p.m.

#### RAY LOOK ALIKE

The following investigation was conducted by SA WILLIAM R. BURTON, on May 2, 1968:

## AT SENATH, MISSOURI:

After an unsuccessful attempt to contact Mrs. NOLA J. OSBORN on April 29, 1968, she was contacted at her home, Route 2, Box 175, Senath, Missouri, on May 2, 1968.

Mrs. OSBORN advised that the information furnished by her in her letter to J. EDGAR HOOVER, Director of the Federal Bureau of Investigation, contained everything that she could possibly think of in regard to the incident which she related in the letter.

She stated that after arriving at her home in Senath on April 11, 1968, she and her daughter and son-in-law, Mr. and Mrs. GERALD GENTRY, re-hashed the incident and the question of a license plate on the white Cadillac had come up. At that time none of them could remember having noted the license plate and she could think of nothing else concerning this car which would be of any assistance in identifying it. She again stated that the individual she saw driving this car bore a resemblance to the side photograph of JAMES EARL RAY, particularly the hair-line contour. She again stated that the individual was wearing dark glasses. After she and her daughter and son-in-law had pulled off of the highway at the pecan candy store, the Cadillac continued on down the road and once it was out of sight, they continued on their trip and saw it no longer.
