Re Birmingham airtel, 6/21/68, which set forth results of interview with **ABNEY DEE CHANDLER**, Scottsboro, Ala., together as an enclosure & pamphlet application with the Palmer Writers School, Minneapolis, Minn.

OSCAR J. HELLER, District Manager, Inspectors of Petroleum, 8139 Oleander, New Orleans, La., advised SA **EDWARD J. CARNEY, JR.**, as follows on 6/25/68:

DEREK ALBERT WAUGH is currently an employee of the Inspectors of Petroleum Co., and is in training as a petroleum inspector.

WAUGH, born [redacted] at Belfast, Ireland, is a British citizen and is in the United States as a non-resident alien. **WAUGH** was recommended for employment with the Petroleum firm by a Petroleum firm employee who had met **WAUGH** in Panama. **WAUGH** by profession is a radio officer and prior to entering the United States, sailed on tankers under the flags of different countries out of England.

WAUGH has been employed by the Inspectors of Petroleum Co., since 1/1/68 and when he arrived in New Orleans, he took a room in a rooming house at 2928 Tulane Ave., New Orleans. **HELLER** recalls that **WAUGH** lived at

this address because on one occasion KELLER drove WAUGH home at the end of a day's work.

KELLER advised that WAUGH is a promising trainee and that because of his alien citizenship, he was encouraged by the company to participate in correspondence courses such as handwriting in order to better equip himself as an employee. KELLER had no specific knowledge that WAUGH may have enrolled in a commerce handwriting course.

KELLER described WAUGH as being 5'11", 165 pounds, reddish hair, cut short.

R. J. GONZALEZ, 225 South Salcedo, New Orleans, La., on 6/26/68, advised that he is the owner of the residence at 2928 Tulane Ave., New Orleans. GONZALEZ advised as follows:

During early 1968, he ran ads advising of the availability of rooms for rent at 2928 Tulane Ave., which neighborhood is a low class transient type area.

WAUGH telephonically contacted GONZALEZ in response to one of these ads and advised that he was from England, was learning the oil business, and needed a room. GONZALEZ met WAUGH at the 2928 Tulane Ave., address and WAUGH rented Apartment #3 at that address. The effective day of rent was on February 19, 1968 and WAUGH remained at that address until 4/19/68 when he moved elsewhere with a forwarding address not known to GONZALEZ.

GONZALEZ displayed his rental book and it disclosed that DEREK A. WAUGH was a renter from 2/19/68 through 4/19/68.

GONZALEZ described WAUGH as a pleasant individual, who was about 30, 6', 175 pounds, slender build, and blond hair.

He stated that WAUGH furnished no information about his background other than to indicate he would probably be working in Baton Rouge, La., from time to time in connection with the oil business. (KELLER mentioned that WAUGH had taken some training in Baton Rouge for his company).

NO 157-10673

Both KELLER and GONZALEZ viewed photographs of JAMES EARL RAY with negative results.

New Orleans will review the INS file in the name of DEREK A. WAUGH for further background information, conduct credit and criminal checks and advise Bureau, Birmingham and Memphis.

On the basis of investigation conducted thus far, it does not appear that subject RAY rented any facilities at 2928 Tulane Ave., during March, 1968.

ReLAirtel 5/22/68.

According to referenced communication, the Intelligence Units of the U. S. Treasury Department have been receiving from Federal Reserve Banks a form known as TCR-1 "Report of Currency Transactions; Person or Organization Concerned in Transaction Reported." These forms are completed or filled in by banks, savings and loan associations, and other financial type institutions when a transaction involves a deposit, withdrawal or other payment or transfer effected by, through, or to such financial institution, which involves the U. S. Currency in which \$10,000 or more is handled.

"only withdrawal transaction"

In view of this, every office receiving this communication will explore the feasibility of obtaining the information from Internal Revenue Service Intelligence Units within their division. It is very possible that the information requested by the Bureau regarding withdrawals of \$10,000 or more from banks could be more readily obtained through the Internal Revenue Service.

If any discussion ensues at banks or other financial institutions, you should not mention the completion and filing of these forms under any circumstances. This information is for your intelligence only.

Q385 Sheet of paper bearing typewritten letter dated 2/4/68, beginning "I RECENTLY RECEIVED..." and signed "Eric S. Galt"

Result of examination:

The typewritten impressions on Q385 are the same style as those appearing on other items received in this matter attributed to "Eric S. Galt."

Because of the lack of identifying features it could not be definitely determined that the same typewriter was employed to prepared Q385 and the other items but no significant differences were noted.

It was concluded that the "Eric S. Galt" signature on Q385 was prepared by the writer of other signatures in this name appearing on specimens previously received some of which have been investigatively identified as having been prepared by James Earl Ray.

Q385 will be returned separately. Photographs are retained.

Date June 20, 1968

All Sunday issues of "The Birmingham News" for the months of September and October, 1967, were reviewed at "The Birmingham News." From this review, it was determined that only one want ad for a .38 caliber revolver was placed by WALTER LEON SPAIN, that being in the October 1, 1968, issue.

FEDERAL BUREAU OF INVESTIGATION

Date June 20, 1968

WALTER LEON SPAIN, #3 Glen Iris Parkway, Birmingham, Alabama, furnished the following:

In the Spring of 1967, SPAIN's son, WALTER E. SPAIN, gave Mr. SPAIN a .38 caliber Liberty snub-nose revolver, which his son had purchased in late 1966 or early 1967 from a gun dealer near Atlanta, Georgia. His son owed Mr. SPAIN some money and the gun was a partial payment of this debt.

In the Fall of 1967, after having been hospitalized in August, 1967, at Huntsville, Alabama, for an illness and being in need of money to pay bills, Mr. SPAIN sold many personal items by means of placing want ads for these items in the "Birmingham News." Among the items sold was the .38 caliber Liberty snub-nose revolver. Mr. SPAIN recalled he placed an ad for this gun in a Sunday paper, and that same Sunday he received a call from a man who asked about the gun, the price, and the directions to get to SPAIN's residence. The caller said he was in the western section of Birmingham. About an hour after this call, and while SPAIN's wife and daughter were at church, a man came to the front door and said he had called about the gun. He looked at the gun, stated he had been looking for a gun of the same type, and when told again that the price was \$65.00, he gave SPAIN two twenty dollar bills, two ten dollar bills, and a five dollar bill, after saying he would take it. SPAIN did not give the man a receipt for the money, nor did he record his name or see any identification of the man, and he did not obtain any information as to his name. The man left carrying the gun in his hand. SPAIN furnished neither ammunition nor any papers for the gun.

When the man first arrived, SPAIN observed he had parked his car, described by SPAIN only as a late model, white or light-colored, on the street in front of SPAIN's house, a distance of about 150 feet. SPAIN did not pay any further attention to the car. SPAIN did recall the buyer saying he lived in the western section of Birmingham, but he did not mention any specific address or employment.

BH 44-1740

The buyer said he wanted the gun to keep around his house. Mr. SPAIN described the buyer as a white male, about forty to forty-five years of age, 5'8" or 5'9" tall, 170 to 175 pounds, dark hair slightly graying at the temples, with a local (Alabama) accent. The man was wearing a sport shirt and slacks, colors unrecalled, and he did not have glasses.

Mr. SPAIN was shown five different photographs of JAMES EARL RAY, and he chose one which had been taken in California during January or February, 1968, as "resembling the man" who bought the revolver; however, Mr. SPAIN would not make a definite identification of the photograph of RAY as the buyer.

Mr. SPAIN recalled he was contacted by FBI Agents on April 7, 1968, and shown an artist's conception of an individual the FBI was attempting to locate. At that time, he advised Agents the drawing reminded him of someone he may have seen previously, but was unable to furnish any other identifying information. After viewing the photographs of JAMES EARL RAY and being questioned about the sale of the revolver, SPAIN said he was now able to connect the sale of the revolver with the drawing in that the person depicted in the drawing reminded SPAIN of the person to whom he had sold the revolver.

FEDERAL BUREAU OF INVESTIGATION

Date June 20, 1968

WALTER E. SPAIN, 2904 - 42nd Avenue North,
Birmingham, Alabama, furnished the following:

Sometime in December, 1966, SPAIN went to Atlanta, Georgia, with his father, WALTER LEON SPAIN, so his father could attempt to obtain employment. While in Atlanta, WALTER E. SPAIN saw an advertisement in a newspaper for a .38 caliber Liberty snub-nose revolver, which was being sold by a gun dealer in a small town outside Atlanta, believed to be Mapleton, Georgia. SPAIN, accompanied by his father, went to this gun dealer and bought the gun and SPAIN returned it to his residence in Birmingham, Alabama.

In the Spring of 1967, SPAIN gave the gun to his father in partial payment of a debt he owed to his father. SPAIN was later told by his father that he had sold the gun after placing a want ad for it in a Birmingham newspaper. SPAIN was not present when his father sold the gun and therefore did not see the purchaser.

Memorandum

TO : SAC, BIRMINGHAM (44-1740)(P)

DATE: 7/9/68

FROM : SA A.L. KING

SUBJECT: MURKIN

On 7/7/68, Lt. Col. EARLE L. DENTON, U.S. Army, #45 Vestavia, Northport, Ala. furnished the following information:

He advised he heard that "RED" FARRIS, owner, Farris Pest Control, Inc., Tuscaloosa, Ala. has said that he met a man in a bar in Birmingham, Ala. prior to the shooting of Dr. KING who said he was going to "shoot KING" and that he had a "gun in the car". He advised he understands that FARRIS met the man a day or two prior to the shooting in Memphis.

On 7/8/68, the following investigation was conducted by SAs A.L. KING and CLARENCE E. WRIGHT at Tuscaloosa, Alabama:

WALLACE WADE FARRIS, President, Farris Pest Control, Inc., U.S. 11 By-Pass was interviewed and furnished the following information:

He advised on April 2, 1968 he was in the Escape Lounge in Birmingham, Alabama with CHARLIE THOMPSON, manager of the Birmingham Office of the Farris Pest Control, at approximately 9:00 pm. He advised a Dr. CHARLES MULLINS or DAVE MULLINS accompanied by a white male, 35-40, 5'9", dark hair and wearing sport clothes came in and sat down at their table. He advised Dr. MULLINS is well known in Birmingham and known to CHARLIE THOMPSON and further, he believes THOMPSON met the unknown white male on a previous occasion. He advised after they sat down they began to talk about MARTIN LUTHER KING and how much the Klan would pay to "kill KING". He advised Dr. MULLINS did most of the talking and remarks such as "would you take \$15,000 or \$25,000 to go along and act as a decoy etc". He advised Memphis, Tennessee was mentioned and he told them that KING was more useful being alive and further he would not go along on any such plan. He advised they mentioned going to Memphis to shoot KING but stated he could not remember the exact words used. He further advised they talked about getting one of his own people to get him out where they could "get at him".

FARRIS advised he took the above as bar room talk and this was his reason for not saying anything previously. He advised the later photos of JAMES EARL RAY resembled the individual with Dr. MULLINS but said the earlier photos did not resemble the person he observed in the Escape Lounge in Birmingham.

FARRIS advised due to the fact the bar was dark he does not know if he could identify the person that was with Dr. MULLINS even if he were to see him in person again.

FARRIS advised he cashed a check in the bar the night of April 2, 1968 and this would verify his being there. He further advised he is of the opinion they left the bar to return to Tuscaloosa, Ala. about 10:00 pm that night.

FARRIS further advised CHARLIE THOMPSON, tel # 328-0492, could be reached at his office in Vestavia Park Office of FARRIS PEST Control and he could further identify Dr. MULLINS in Birmingham. He advised Dr. MULLINS appeared to be a radical segregationist and gave the impression of being under the influence of liquor.

LEAD:

At Birmingham, Ala.

Will locate and interview CHARLIE THOMPSON, Manager, FARRIS PEST CONTROL, INC., and interview re above.

After Dr. MULLINS is further identified will, if feasible, interview re identity of white male in his company at the Escape Lounge on the night April 2, 1968.

Memorandum

TO : SAC (44-1740)(P)

DATE: 7/11/68

FROM : SA SNOW

SUBJECT: MURKIN

Re memo SA King, 7/9/68.

Following by SAS Saucier and Snow at BH on 7/11/68.

Mr. Charles H. Thompson, Mgr., Farris Pest Control, 623 Graymont Ave., West, stated as follows:

On the night of 4/2/68 he was having drinks in the Escape Lounge, 900 2nd Ave., No., with Mr. Farris of Tuscaloosa who owns the business. After a few minutes another friend, Dr. Charles E. Mullins, came in with a mutual friend, Dave Reeves, who brought their drinks over to the table occupied by himself and Farris. General "liquor talk" followed for about an hour but he, Thompson did not hear any conversation concerning King. A few days after King's murder Farris had inquired of him concerning Dr. Mullins car since news reports had indicated that a Mustang was involved. Thompson stated that Dr. Mullins drives a Mustang, but his is black.

Thompson related that Dr. Mullins is a native of the BH area whom he has known for several years and operates the Longview Hospital, 1100 Bankhead Highway, Graysville, where he is also engaged in the practice of medicine. His companion on that evening, Reeves, is a local resident who sometimes accompanies Dr. Mullins in drinking. Reeves is employed by a large pharmaceutical supply company of BH, and prior to that was employed as a salesman for Nelson Weaver Real Estate Co.

After viewing photos of subject Ray, Thompson stated definitely that Reeves and Ray are not identical. BH indices negative as to any Doctor Mullins.

No further action indicated.

Information was recieved at Tuscaloosa, Alabama that on July 14, 1968, after picking up JAMES SPEARS at Decatur, Ala., SPEARS along with ROBERT M. SHELTON, MELVIN SEXTON & COY NEAL flew to Birmingham, Alabama. After arriving at Birmingham, Ala., SHELTON placed a phone call to ART HANES, former Mayor of Birmingham, Ala., asking if they could meet. At about 9:30pm HANES arrived at the airport, and met privately with SHELTON for about $\frac{1}{2}$ hour. Nothing was said as to the subject under discussion, but it is felt that they talked about the recent Justice Department Suit against the Luverne Klavern in South Alabama.

After meeting with HANES, SHELTON, SEXTON, NEAL & SPEARS flew to Tuscaloosa, Alabama where it was learned that SHELTON may stop in Luverne, Alabama on 7-15-68 to talk with the Klan members involved in the abive mentioned suit. SHELTON feels that the best thing for the members to do at this point is to lay low, since he does not believe the Justice Department has a very ~~xxxxxxx~~ strong suit. SHLETON feels that if they had a ^{case} strong ~~xxxx~~ they would go after the Klan with a conspiracy suit, instead of a injunctive type suit.

Re Memphis airtel, 7/1/68, and Bureau routing slip 7/12/68, enclosing one box of photographs of guest registrations of hotels and motels for the Birmingham area night of 3/29/68.

A comparison of the names appearing in the photographic prints of the guest registrations with the names appearing as guests at the Rebel Motel, Memphis, on 4/3/68, was completed in the Birmingham Office on 7/24/68.

In no instance was a duplication of names noted, nor was there noted during the comparison any significant name or address which would warrant further action.

The photographic prints as furnished by the Bureau will be retained.

Memorandum

TO : SAC, Birmingham (44-1740)

DATE: 7-27-68

FROM : HOMER E. PARKER
SPC

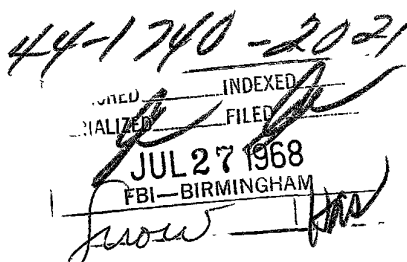

SUBJECT: MURKIN

At 5:55 PM, 7-27-68, SA CHARLIE GILLESPIE, Division 6, SOG, telephonically advised that news reports received at SOG indicated Attorney ARTHUR HANES in the RAY case was making statements to the press that he had received threats and that his family had received threats. SA GILLESPIE requested that Birmingham send a communication to Bureau advising whether Birmingham did or did not have any information on this matter.

SAC GAMBLE was connected with SA GILLESPIE at which time SAC informed SA GILLESPIE that Birmingham had sent this information to the Bureau and that I would call SA GILLESPIE and furnish him the date of the communication.

I called SA GILLESPIE at 6:11 PM and read him Birmingham Tel to Director, 7-23-68, 6:17 PM, and also told him that after receipt of this tel by Bureau, SAC received call from Division 6 instructing that Birmingham not do anything and to not maintain liaison with local PD in this matter. I told SA GILLESPIE that Birmingham would advise Bureau if any further information was received. He said this answered his original inquiry of 7-27-68.
