Re Memphis airtel to Charlotte 4/17/68, and Bureau airtel to Charlotte 4/18/68.

RE: BEDSPREAD

In referenced Memphis airtel, a lead was set forth for the Charlotte Office to contact all textile manufacturers in an effort to determine the source or manufacturer of the bedspread abandoned at Memphis by the subject.

For the information of the Bureau, there are 45 textile manufacturers in the city of Charlotte alone, and over 100 textile manufacturers in Gastonia, N. C. Throughout the state of North Carolina, there are hundreds of textile manufacturers.

On 4/19/68, JIM OAKLEY (former SA), Security Officer of Beaunit Mills, Gastonia, N. C., advised that it would be extremely helpful if a swatch of the material in the bedspread could be made available for examination by experts in the textile field in determining the manufacturer.

In the event the Bureau desires that this lead be pursued, even though JAMES EARL RAY has been identified as the subject, it is requested that a swatch of the bedspread be furnished Charlotte for display to textile manufacturers.

He advised that he was sitting on the front porch at his residence and about five or five fifteen P.M., April 8, 1968, an unknown white individual walked up to the porch where he was sitting.

DUNSTON further advised that after a few minutes this unknown individual made the remark that he was in bad trouble and when asked what kind of trouble, this unknown white individual asked DUNSTON if he knew Dr. KING and DUNSTON stated that he replied in the affirmative.

DUNSTON advised that this unknown white individual started crying and on several occasions, repeated "I'm in trouble".

DUNSTON stated he was also asked by this individual not to tell anyone and further that the individual made the statement "I didn't want to do it".

DUNSTON advised that approximately 6:30 or 7:00 O'clock after talking with the unknown white individual and determining that this individual was planning to go to Washington, D.C., to surrender himself to the Department of Justice, DUNSTON told the individual that he would call Washington, D.C., for him.

DUNSTON advised that this appeared alright with the unknown white male and that he called the Department of Justice and told a secretary there that this individual was at his residence. DUNSTON remarked that this male individual was scared and did not want to be apprehended by local authorities.

DUNSTON advised that this unknown white individual remained at his residence until sometime after midnight that night and that he knew he was there at midnight but DUNSTON said that this unknown individual was in a small house to the rear of his residence and when he went there between 1 and 2:00 A.M. on April 9, 1968, this unknown white individual was no longer there.

DUNSTON advised that he gave this unknown individual \$3.50 and this person had remarked that he needed \$2 and DUNSTON was not sure whether this individual was going to continue walking bumming or catch a bus at Whiteville, North Carolina.

DUNSTON stated that he did not discuss with anyone in his house of this unknown individual being there and admitted to him that he was responsible for the one that killed Dr. MARTIN LUTHER KING.

DUNSTON described this individual that appeared at his house on the afternoon of April 8, 1968, as being a white male, aged 23 to 25, blue eyes, black hair, 5'10", dark complexion, tattoo Heart with Born To Lose on upper right arm, appeared to be intelligent speaker and this individual did not tell his name or where he was from and according to DUNSTON, he could not tell from his speech what region of the country he was from.

DUNSTON stated that this individual did not have any luggage and appeared to him to be an intelligent man but very scared and that this person whad some scratches on his left side of his face and as a result of these scratches, told DUNSTON that someone had grabbed him but he had gotten away.

DUNSTON stated that he had not lived in Whiteville long but lived there because his wife was a school teacher and stated after school was out, he and his wife would return to Raleigh, North Carolina, and he would not do any more longshoreman work until the fall of 1968. He pointed out that he only liked to work three or four days each month and admitted that he had served time in the prison department for receiving stolen property.

The following investigation was conducted by Special Agent DAVID W. WATSON on April 8, 1968, at Whiteville, North Carolina:

The following individuals were contacted and advised that they knew of no individual by the name of FREDDIE or FREDRICK DUNSTON. All advised that they knew of no Route 350 at Whiteville, North Carolina, and stated that as far as they knew there was no highway numbered 350 in the vicinity of Whiteville, North Carolina, or Columbus, County, North Carolina.

On April 9, 1968, inquiry at the Whiteville Post Office, Whiteville, North Carolina, determined that one FREDERICK DUNSTON received his mail at Route 5, Box 150, Whiteville, North Carolina.

On April 9, 1968, after interview was had with FREDERICK LEON DUNSTON, an attempt was made to locate the unknown individual that reportedly talked with DUNSTON on the afternoon of April 8, 1968, with negative results. An attempt was made to locate this individual by patrolling east and west of Whiteville, North Carolina, on U.S. Highways 74 and 76 and north and south on U.S. Highway 701 from Whiteville, North Carolina, as well as on North Carolina Highway 130.

It was determined that the first bus leaving Whiteville, North Carolina, for Washington, D.C., from the Whiteville Bus Terminal would depart at 10:40 A.M. and the unknown individual was not at the Whiteville Bus Station nor on this bus when it departed from Whiteville, North Carolina, on the morning of April 9, 1968.

On April 9, 1968, Mr. HORACE SHAW, Superintendent, Columbus County Bureau of Identification, Columbus County Courthouse, Whiteville, North Carolina, was advised of the FBI's interest in locating the unknown white individual that was reportedly in Whiteville, North Carolina, during the afternoon and night of April 8, 1968. The radio message was dispatched over the facilities of the Columbus County Sheriff's Office in an attempt to locate this individual.

Re Albany airtels 4/10/68 and 4/11/68, setting forth concerns who purchased Thermo-Seal marking machines, and Bureau teletype to Memphis, 4/12/68.

The FBI Laboratory advised that pillowcase and bed sheet were found in trunk of 1966 white Mustang registered to ERIC STARVO GALT, which was located at Atlanta 4/11/68. These items contain Thermo-Seal laundry tapes of approximately same size as tapes on items previously recovered, but are yellow in color and contain code, "20R-3." In opinion of Textile Marking Machine Company, Syracuse, New York, the tapes were produced by a different machine than previous tapes since the first three characters are 15 point type and the last two characters are 18 point type,

The Textile Marking Machine Company suggests the twenty in above code would be the lot number, the R may mean that this was a return of a batch of laundry, and the three is the bundle number.

MURKIN

At about 6 p.m. on 4/4/68, while standing on the second floor balcony outside Room 306 of the Lorraine Motel, 406 Mulberry Street, Memphis, Tennessee, Dr. MARTIN LUTHER KING, JR. was struck in the right side of the face by a single bullet fired from a 30-06 rifle. The bullet severed KING's spinal cord and death was almost instantaneous.

This investigation, predicated upon a specific request from the Attorney General of the United States, disclosed that the fatal shot had been fired from the bathroom of a cheap rooming house located at 422½ South Main Street, Memphis, which bathroom was located at the rear of the rooming house, and had a window overlooking the Lorraine Motel.

At about 3 p.m. on 4/4/68, an individual using the name JOHN WILLARD had rented Room 5-B in the rooming house at 422½ South Main Street and had paid one week's rent. After hearing the rifle shot at about 6 p.m. on that same day, other tenants in the rooming house observed a man presumably identical with WILLARD, fleeing from the rooming house carrying a large package which was subsequently abandoned by him on the sidewalk in front of the Canipe Amusement Co., 424 South Main Street, Memphis. A neighborhood investigation in the vicinity of 424 South Main Street disclosed that the subject had fled from the scene in a white Mustang.

Found abandoned in front of 424 South Main Street was a 30-06 Remington model 760 rifle which was determined to have been

sold to one HARVEY LOWMEYER on 3/30/68 by Aeromarine Supply Co., Birmingham, Alabama.

Investigation at Memphis disclosed that an individual had purchased a set of binoculars at the York Arms Company in Memphis on 4/4/68. These binoculars were among the material abandoned with the rifle and recovered in Memphis. Also recovered was a brown and green herringbone bedspread. The items abandoned in Memphis were all wrapped in this bedspread. The blue bag which was inside the bedspread contained numerous items, among which were the binoculars and a set of underwear consisting of a T-shirt and shorts. The T-shirt and shorts are those on which appears the laundry mark which has been a matter of interest in this case.

A search of motel records in the Memphis area disclosed that an individual using the name ERIC S. GALT had spent the night of 4/3/68 at the Rebel Motel, Memphis, Tennessee, and was driving a 1966 white Mustang bearing Alabama License 1-38993. Investigation at Birmingham disclosed that this automobile had been purchased by ERIC S. GALT on August 30, 1968, from a private person in response to a newspaper ad. He paid a total of \$1995 cash. While in Birmingham he furnished the address of 2608 South Highland Avenue, Birmingham. This is also the address which appeared on a driver's license issued to him by the State of Alabama. The driver's license identifying data listed his birth date as [redacted], his height as 5'11", his weight as 170 and his eyes blue and hair brown.

P11

The automobile in question, the white Mustang bearing the Alabama tags mentioned above, was recovered in Atlanta on 4/11/68 and determined to have been abandoned there prior to 9 a.m. on 4/5/68.

In connection with the evidence submitted by Atlanta, Birmingham, and Memphis, identifiable latent prints were recovered. It was on the basis of these latents that identification was made of JAMES EARL RAY. In handling future leads, all offices should be particularly interested in securing an identifying number, military, police, or FBI, in connection with suspects so that the necessary check can be made through the Identification Division.

On 4/17/68, AUSA R. MACEY TAYLOR, Birmingham, authorized the filing of a complaint charging ERIC STARVO GALT with a conspiracy to violate Section 241, Title 18, U. S. Code, and

ME 44-1987

recommended bond in the amount \$50,000. On that same date, SAC JOSEPH H. GAMBLE filed a complaint before USC MILDRED F. SPRAGUE, Birmingham, and warrant was issued that same date.

For further information re JAMES EARL RAY, all offices are directed to press release furnished them by the Bureau on 4/19/68.
