HERBERT H. EATON, Director

May 20, 1968

Mr. J. Edgar Hoover, Director
Federal Bureau of Investigation
Washington, D.C.

Dear Mr. Hoover:

This letter comes to report to you conversations that were overheard on the eve of the assassination of Dr. Martin Luther King, Jr. The conversation might be a lead into the solution of this murder.

This conversation was overheard in a community in Granville County, North Carolina. A Negro overheard two white men talking. One of the white men was considered as being rich and both were known as being members of the Klu Klux Klan. One man was heard saying to the other, "That big mouth down there won't live to carry out what he aims to do the day after tomorrow. We have a man on the way down there to take care of that guy and he don't miss. The bullets he use really do the job".

The day after the assassination the Negro recalled overhearing the conversation and reported it to me, not knowing what else to do. He did not hear them mention the name of Martin Luther King, nor did he understand them to have been referring to a Negro.

The person will talk to FBI officials only in my presence and at night, for he is afraid for the safety of his family if it is known that he fingerpointed any individual in his community. ||

If you think that this has any merit, your agents may contact me for further exploration.

Very truly yours,

Herbert H. Eaton

MEMO ALL AGENTS:

RE: MURKIN

By airtel to all SACs dated 5/9/68, the Bureau advised as follows:

In order to cover the possibility that subject, JAMES EARL RAY, may have died since commission of the crime, each office covering state capitals should check to ascertain if any record of unidentified dead is maintained and if so, records should be checked for the period from 4/5/68, to date, for any information which might possibly identify subject RAY with an unidentified deceased person. If no central record repository is maintained, you should in connection with your contacts with law enforcement agencies, make appropriate inquiry relative to unidentified dead.

On 5/20/68, contact was made with officials at the North Carolina Bureau of Vital Statistics, Raleigh, N. C., who advised that agency maintains records of unidentified deceased, only after burial of same. Currently, there is only one such record which concerns a white female found murdered in Wake County recently. The officials advised that the identities of bodies not buried would be known only to the coroner in various counties throughout North Carolina.

Coroners in all counties should be contacted upon the next visit by an Agent to that county.

By letter to all offices dated 5/20/68, the Bureau advised all SACs should promptly remind established, cooperative news sources in a discreet, tactful manner of the existence of

RE: HERBERT H. EATON - COMPLAINANT

Re Bureau airtel dated 5/22/68.

On 5/24/68, HERBERT H. EATON, 1001 Plum St., Durham, N. C., N. C. College Chaplain, was contacted by SA CHARLES S. MILLER re contents of letter to Bureau dated 5/20/68. EATON stated he would make contact with his source on Sunday, 5/26/68, and arrange for a meeting with SA CHARLES S. MILLER.

On 5/27/68, EATON reported arrangements for contact with source that night.

On 5/27/68, CLARENCE ROYSTER, Rt. 1, Box 110B, Clarksville, Va., Oxford, N. C. Telephone Number 919-693-5205, a Negro male, approximately 47 years old, who requested his identity protected, advised on 4/3/68, at approximately 9:00 p.m., he went to the Puckett Grocery and Drug Store at Stovall, N. C., where he awaited the return of a drugist to fill a prescription. He waited for approximately 30 minutes. During part of this time, he heard the grocer, MELVIN PUCKETT, a white male, in his 60's, talking with a white farmer, also in his 60's, approximately 6' and medium size, in overalls. PUCKETT was discussing the recent declaration of ROBERT KENNEDY as a candidate for President.

ROYSTER said he had not paid close attention to the conversation until he heard PUCKETT say something about a man "carrying on down yonder." He then continued saying in effect "that big mouth down there won't live to carry out what he aims to do the day after tomorrow." He continued to say "they have a man on the way down to take care of him who wouldn't miss because he was a good shooter."

ROYSTER stated that from previous acquaintance with PUCKETT, he was aware PUCKETT did not like the late President KENNEDY or his brother. At no time did ROYSTER hear any mention of the name of MARTIN LUTHER KING, JR., and he did not have any specific information as to the identity of the intended victim nor the name of the person "they" sent to shut him up. ROYSTER emphasized that he had reported the information to his minister, FLOYD EATON, Creedmoor, N. C., on a confidential basis on the possibility that it might have bearing on the assassination of Rev. KING, but he, ROYSTER, had no additional information in the matter whatsoever. ROYSTER added further that he had been the only other individual present in the store at the time of the conversation. At about the time the above comments were made, MELVIN PUCKETT'S brother, ULYSSES C. PUCKETT, came to the store and filled the prescription and ROYSTER left.

ROYSTER expressed the opinion that PUCKETT was a member of the local unit of the KKK. He based this opinion on the fact PUCKETT has a Citizens Band Radio in the store and one of the numbers on his list was that of the KKK.

ROYSTER further reported that three PARHAM brothers operated a garage at Bullock, N. C., known as the Bullock Garage. He understood DAVE PARHAM left Bullock, N. C., about two days prior to 4/4/68, driving a red Mustang. He was gone for approximately one week before returning driving a light blue Mustang. He stated DAVE, a white male, in his 30's or 40's, who, insofar as he knew, had moved to the vicinity of Bullock during the summer of 1967. ROYSTER stated that he thought possibly DAVE PARHAM could have been the person referred to by PUCKETT although he was unaware of any association whatsoever between PUCKETT and PARHAM. Furthermore, he had heard some conversation indicating DAVE PARHAM had been gone during the week of 4/4/68, on duty with the National Guard.

RE: INDIVIDUAL RESEMBLING
JAMES EARL RAY,
TRYON PLAZA MOTEL,
TRYON, NORTH CAROLINA

By communication dated May 22, 1968, the Columbia Office of the Federal Bureau of Investigation advised as follows:

On the night of May 18, 1968, BILL REID, a former officer of the Greer, South Carolina, Police Department, who now resides at Tryon, North Carolina, advised that he had observed an individual at the Tryon Plaza Motel at Tryon, North Carolina, on May 18, 1968, who fits the description of and bears a resemblance to JAMES EARL RAY. REID stated he did not know the name of this individual but he was occupying the third room east of the office at the motel.

The following investigation was conducted by SA JOHN C. HENNIGAR at Tryon, North Carolina:

On May 27, 1968, Mrs. RUTH GORDON, Tryon Plaza Motel, Tryon, North Carolina, advised that she recalls May 18, 1968, as her daughter, Mrs. THELMA BURGETT, worked part of the day on Saturday. Mrs. GORDON advised that three doors east of the office would be Room 9 at the Tryon Plaza Motel. Mrs. GORDON advised that her registration cards reflect that Room 9 on May 18, 1968, was occupied by J. FLEETWOOD SIENIER, 148 East Seventh Street, Jacksonville, Florida, representing the Massey Company. Mrs. GORDON advised that the registration card indicates he drove a Plymouth with Florida license 2-66110.

Mrs. GORDON further advised that Room 9 was occupied by R. L. BONE, 2103 South Main Street, Greenwood, South Carolina, on May 19, 1968. This card indicated that Mr. BONE represented the Saco Lowell Shops and was driving a 1965 Chevrolet with South Carolina license E-131608. Mrs. GORDON advised that she has always been an avid detective story reader and has been following the assassination of MARTIN LUTHER KING very closely. Mrs. GORDON advised that she has not seen anyone at the motel who resembles the photograph of JAMES EARL RAY which appeared in the local paper.

Mrs. GORDON advised that she and her daughter, Mrs. THELMA BURGETT, have talked about the assassination and no mention of any individual in the motel resembling RAY has been discussed.

On May 27, 1968, Mrs. THELMA BURGETT, Tryon Plaza Motel, advised that she recalls working part-time on Saturday, May 18, 1968. Mrs. BURGETT advised she does not recall anyone resembling the photograph of RAY registering at the motel.

Mrs. BURGETT advised there was an incident at the motel at that time as an individual had come to the motel, registering as a single and later she found out he had a woman in the room. Mrs. BURGETT advised she approached this individual and told him to come to the office, and pay the additional price for a second person in the room. Mrs. BURGETT advised that when he got to the office, she discovered he had not registered and asked him to register at that time. Mrs. BURGETT advised that this individual refused to register, stating that it was too late. Mrs. BURGETT advised that this individual was a nice-looking man; however, he did not fit the description or photograph of JAMES EARL RAY which appeared in the local paper.

Re Bureau radiogram to all SACs dated 5/23/68.

Mr. EDWARD WADE, Director, Driver's License Section, North Carolina Department of Motor Vehicles, Raleigh, North Carolina, on May 23, 1968, advised that if possible, he would be happy to furnish the FBI a list of all driver's license issued from April 1 through May, 1968.

Mr. WADE further advised that Mr. LAERON ROBERTS is the programmer of the Data Processing Unit of the Driver's License Section and that this job would have to be performed by Mr. ROBERTS.

On May 23, 1968, Mr. ROBERTS advised Mr. WADE and IC MARION E. HILLIARD that he would be happy to do this job for the FBI; however, it would take him some time to program and run the magnetic tape as the magnetic tape for all driver's licenses issued in the State of North Carolina would have to be screened.

On May 31, 1968, Mr. ROBERTS was recontacted, at which time he advised that he was working on this project and that it was very possible that he would finish this project by June 7, 1968.

FROM : SA CRAWFORD P. WILLIAMS

SUBJECT: MURKIN

DATE: 6/4/68

On the afternoon of 6/3/68, JOHN GRIMES, U.S. Secret Service, Charlotte, telephonically advised that he had just received a telephone call from a Mrs. FITCH, Mt. Holly, N.C., telephone 827-5679 who advised that she thinks she was in a taxi cab with JAMES EARL RAY in Mt. Holly just prior to the time his photograph appeared in the newspapers.

GRIMES stated that while talking with the writer CLAUDE DAVIS had come into the office and had informed him that Mrs. FITCH is a mental case. He said in view of this we may desire to forget the matter entirely.

Info
On the morning of 6/4/68, Mrs. ROSE FITCH, Route 1, Mt. Holly, telephonically advised that the day following the shooting of MARTIN LUTHER KING, JR., she was at Jones' Market on the main street of Mt. Holly shopping for groceries. As she came out of the store she observed a man with a beard. Both she and the man with the beard took the same taxi cab with the bearded man sitting in the front seat with the driver. The driver took her to her residence where the man with the beard helped her carry her groceries in the house. He then left with the cab driver. She stated that several days later she saw a photograph of the subject who shot KING in the paper and believes this was the bearded man. She described this man as a white male, age about 35, brown eyes, long brown hair, brown beard, small build, ~~xxx~~ 5'7", 140 pounds. She stated that he walked with a very noticable limp.

In view of the possible mental condition of Mrs. FITCH and the obvious discrepancy between her discription of this man and RAY no further action is being taken.

FBI Probe Near Sensational Turn: Agents Now Eye King's Red Friends

By PAUL SCOTT

WASHINGTON — The Federal Bureau of Investigation's massive probe of the assassination of Dr. Martin Luther King is taking a possibly sensational turn.

With James Earl Ray, the suspected assassin, apparently either outside the U. S. or now dead, FBI agents have increased their surveillance of several American Communists known to have been closely associated with King, including one who wrote speeches for him in the past.

This new development was triggered by evidence gathered by the more than 1,000 agents who have worked on the mysterious King shooting and by several "tips" and letters sent to the FBI.

One of the most interesting of these "tips" came from an alert TV viewer and concerns the now famous "Mountain Top" speech King made on April 3, the night before his slaying, showing a premonition of his impending death.

"If the speech was truly made in Memphis on April 3 as reported," the letter pointed out, "then how can one account for King stating his age as 36 (instead of 39) and why does he speak of demonstrating in Alabama twice during the speech?"

UNANSWERED QUESTIONS — After checking out the time and location of King's final speech, several of the crack FBI agents assigned to the case decided to begin seeking answers to a number of their own questions, including:

"If King had personally written that speech, why would he make mistakes like those contained in it—especially the one involving his age?"

"If the speech was written by someone other than King, who was the author and when was it written?"

The answers to these questions are considered highly important to the investigation, since, if another person was concerned in the preparation of that speech, the writer might be able to shed new light on it — especially those mistakes.

Also, if King had received help with the speech, the passages dealing with the civil rights leader's premonition of death would probably have been fully discussed. King's request to the Detroit police department for protection

when he visited that city a few weeks before his death indicated he feared for his life then.

Information gathered by the FBI on King, prior to his assassination, showed that a secret member of the Communist Party's executive committee was one of King's closest advisers and speech writers.

This ghost writer for King prepared many of his most famous speeches, according to testimony given by FBI Director J. Edgar Hoover during a closed door meeting of a House Appropriations subcommittee.

Since Ray during his trips prior to King's assassination visited the same city in which this ghost writer lives, the FBI is now investigating to deter-

mine if the two met covertly. **WIDENING THE INVESTIGATION** — Recent evidence in one of the most massive probes in the nation's history has forced serious investigation of these possibilities:

—That somebody close to King or within his own organization tipped off his assassin as to the civil rights leader's routine on the day of his slaying.

—That Ray was hired directly by certain black nationalists who paid him with money made available by foreign sources.

—That an international Communist "assassin squad" was involved in the slaying.

Because of Ray's mysterious trips to Mexico and Canada shortly before the assassination, the entire U. S. intelligence operation, ranging from the Central Intelligence Agency to the Defense Intelligence Agency, has been pressed into the hunt for King's killer.

One CIA report indicates that Ray, who is linked to the murder weapon by fingerprints and ballistic data, may have visited Cuba during his Mexican trip, according to information furnished by a Mexican airline official.

The FBI assumption is that, if there was a conspiracy to kill King, those involved made arrangements to spirit their hired killer out of the U. S. to Cuba via either Mexico or Canada.

THE EVENING TIMES

Probably the greatest irony of the probe of King's assassination is that FBI Director J. Edgar Hoover, one of the civil rights leader's severest critics when he was alive, is doing everything in his power to solve the case.

On the other hand, King's closest aides in the Southern Christian Leadership Conference are showing little or no interest in whether the killer is found.

When Rev. Ralph Abernathy, King's successor as president of the SCLC, presented a series of demands to Attorney General Ramsey Clark for the "Poor People's" campaign none of these called for more intensive effort to solve King's assassination.

According to persons who attended the meeting, nothing was said about King's death

or the FBI investigation, although a number of the poor in "Resurrection City" had urged Abernathy to press for a more vigorous probe.

Congressional supporters of Hoover say there are a number of compelling reasons for Abernathy's silence. Most important of these is King's instruction to key aides of his Southern Christian Leadership Conference not long before his death that no verbal attacks were to be made against Hoover or the FBI for fear of counter action by the FBI director.

The last time King blasted Hoover and the FBI publicly, these lawmakers pointed out, the FBI director called the Negro leader the "most notorious liar" that he had ever known — a statement Hoover has never retracted.

At the time, the King-Hoover exchange resulted in a White House arranged meeting at which the veteran FBI director did most of the talking.

According to an unpublished account given to House Appropriations subcommittee members, Hoover frankly told King that if King ever repeated his unfounded charges against the FBI, everything he knew about King would be made public.

After that blunt warning, King refrained from ever repeating his attack against either Hoover or the FBI. Rev. Abernathy, who accompanied King to Washington for that meeting with Hoover, adopted the same policy.

Dear Mr. Murphy:

This letter will confirm telephone conversation with Special Agent Crawford Williams of your office on June 3, 1968. At that time Special Agent Williams was advised that a Mrs. Fitch, not further identified, of Mount Holly, N. C., telephone 827-5679, alleged that she had information concerning the individual believed to have been responsible for the murder of Dr. Martin Luther King.

Mrs. Fitch was informed that I would have a representative of your Bureau contact her rather than have her furnish the information to me and then have it repeated to you.
