PCI, owner, Glenbrook Patrol Service, Glenview, Illinois, advised on July 19, 1968, that GLENN E. TIBBS, telephone 729-3921, was former lieutenant for his patrol service; however, due to a foot operation, TIBBS had to leave his company about June 1, 1968.

PCI advised TIBBS resides in the Sunset Trailer Park with an address of 508 Fifth Street, Northfield, Illinois; however, the trailer park is just located north of Glenview, Illinois, on Waukegan Road. He explained that for the last approximate two years TIBBS had the job of checking the security of the Sportsman Country Club, Northbrook, Illinois, for the patrol service, checking the Sportsman Country Club area in a roving patrol approximately three times a night and in this capacity became well acquainted with JERRY RAY, brother of JAMES EARL RAY, and had coffee with JERRY RAY on a nightly basis during this period at the Sportsman Country Club where JERRY was employed. PCI stated that TIBBS is an extremely capable guard and a person that can be trusted in every respect.

TO: DIRECTOR, FBI (44-38861)
 FROM: SAC, MEMPHIS (44-1987) P
 MURKIN.

The "Commercial Appeal," a Memphis, Tennessee, morning newspaper, on Friday, October 25, on Page 1, carries an article captioned "FBI Tries to Tag Voices in Ray Case." This article written by ART PETACQUE under dateline of Chicago, October 24. Two Xerox copies attached for assistance and guidance of Chicago Office, and two copies are being furnished for the Bureau's information.

Of particular interest in this article is a statement attributed to HARVEY KLINGEMAN, who operated the Indian Trail Restaurant in Winnetka, Illinois. JAMES EARL RAY did work at this restaurant for the period May 3 through June 24, 1967.

KLINGEMAN reportedly said that the United States Justice Department is using tape recordings of voices of JAMES EARL RAY's acquaintances to determine whether they contacted RAY by telephone or other means while he worked at a Winnetka, Illinois, restaurant. KLINGEMAN also reportedly says FBI Agents did not disclose the identity of the voices on the tapes. KLINGEMAN speculated that the voices were those of relatives or others who might be involved with JAMES EARL RAY at some time prior to the murder of MARTIN LUTHER KING at Memphis on April 4. The Memphis Division, which is origin in instant case, has no knowledge of any tapes of this type being used or any tapes of this type being available in instant case. It appears to the Memphis Division that this may be a complete fabrication on the part of either KLINGEMAN or the reporter involved.

It is suggested that since this information emanated in the Chicago area, the Chicago Office furnish its comments in this matter.

discarded his text and concentrated on law and order. "We've got to have some law and order in this country. This is a sad day when the greatest city in the world has fear not only in Madison Square Garden but also in every school in the city," he began.

Referring to New York's school integration troubles further, Wallace said that if he were elected, "Not one penny of federal money would be used to bus anybody you don't want bused."

LeMay preceded Wallace to the stand and called for a "drastic change" if the United States "is to win the war in Vietnam and end crime in the streets."

He said both Republican candidate Richard M. Nixon and Democratic candidate Hubert H. Humphrey "offer the same coddling of criminals and anarchists and the same no-win policy" in Vietnam.

Wallace flew here from Durham, N.C., where he charged Nixon is creating a "credibility gap" with his statements about debating other presidential candidates.

On Wednesday Wallace waived his equal time rights to clear the way for a Nixon-

the hospital early Thursday evening, fulfilled the wish of both her father and mother, who wanted a granddaughter since they already have a 16-month-old grandson by their younger daughter, Luci Nugent.

"It was a dream come true," the President said.

Mrs. Johnson, who was with her husband when he made the announcement, said she did not know what the baby would be named.

Johnson said he had spent very anxious moments while awaiting the birth.

Lynda, 24, arrived at the hospital at 7:30 p.m. (Memphis time) Thursday after her physician, Capt. Walter M. Ioner-gan, chief of obstetrics and gynecology at Bethesda, examined her at the White House and determined she was in labor.

Lynda's husband, Marine Capt. Charles S. Robb, stationed at Da Nang, South Vietnam, was told of the birth by telegram. He had been informed earlier that Lynda was in labor.

Johnson happily munched on chocolates as he chatted with reporters about his new granddaughter.

Private hospitals have been treating most of the charity patients who normally go to Gaston—at an estimated total cost to private hospitals of about \$10,000 a day. Most faculty and interns and residents from UT, who work at Gaston, have also been shifted to other facilities.

"Recruitment still worries us," said Dr. Callison. "But with this (hospitals closing) we think we can restore the teaching program almost to where it was."

"This (hospitals closing) certainly doesn't mean the employment program was a failure," said Mr. Horton, who ordered a crash program to hire 300 nurses and skilled workers last week. "It means we can concentrate our medical services in one unit."

He declined to say how many of the 300 persons had been hired.

Mr. Horton also said the safety of nonstriking hospital employees was a consideration in the closing. Picketing this week by striking members of the American Federation of State, County and Municipal Employees (AFL-CIO) has been marked by arrests during picket line strife.

J. B. Trotter, international field representative for the union yesterday called the hospital closing order an attempt to evade the strike issue. "They (city officials) are trying to isolate a condition rather than the cause of the strike."

To be shifted are about 85 employees from Crump and 160 from Bowld. Dr. Callison said they would be transferred as units, rather than be integrated individually into Gaston's operation to make the moves more palatable to nurses and patients who want to remain together in the new quarters.

Bowld has about 40 patients and Crump about 70, said Dr. Callison, and as many of these as possible will be discharged.

About 50 Negroes gathered at Methodist Hospital's parking lot yesterday afternoon and passed out handbills. "We're not advocating a strike," said C. B. Smith, AFSCME organizer. "All we're showing is what we're asking for—more money, better working conditions and recognition of the union (by Methodist Hospital)."

FBI Tries To Tag Voices In Ray Case

By ART PETACQUE

The Commercial Appeal-Chicago Daily News Service

CHICAGO, Oct. 24. — The United States Justice Department is using tape recordings of voices of James Earl Ray's acquaintances to determine whether they contacted him by telephone or other means while he worked at a Winnetka, Ill., restaurant or elsewhere, it was learned Thursday.

The disclosure came from Harvey Klingeman, who for 35 years has operated Indian Trail Restaurant in Winnetka, a Chicago suburb. Ray, accused of murdering the Rev. Dr. Martin Luther King Jr., worked at the restaurant in 1967.

Klingeman's wife was asked about phone calls made to the restaurant for Ray during the May 3—June 24, 1967, period, when he worked as a dishwasher and kitchen helper, Klingeman said.

Mrs. Klingeman also was asked about persons who went to the back door of the restaurant, while Ray was working, and waited to talk to him outside, the restaurateur said.

Klingeman said that because of the time that had elapsed his wife wasn't able to be of much help to the Federal Bureau of Investigation agents who interrogated her.

At the time Ray worked at the restaurant, he was a fugitive from justice because of his escape from the Missouri State Prison.

He was living in Chicago and commuting most of the way to Winnetka by the Chicago Transit Authority elevated system, Klingeman said.

Klingeman said FBI agents did not disclose the identity of the voices on the tapes. He speculated, however, that they were those of relatives or others who might have been involved with Ray at some time

prior to the murder of Dr. King in Memphis April 4.

Klingeman said visitors interrupted Ray at work on at least two occasions that he could recall. He did not see the callers, Klingeman reported, adding that none of the current employees did either.

The whereabouts of Ray during this time in his life came to light when William Bradford Huie, an author Ray hired to write his life story, went to the restaurant last August to interrogate the Klingemans about the employee they knew as John L. Rayns. After that visit, the Klingemans went to the Winnetka police and told them of the writer's visit.

One of the reasons given by Huie in pursuing the restaurant period in Ray's life was his desire to knock down stories that linked him with prostitutes and cast a bad light on his habits.

**JAMES EARL RAY, ALSO KNOWN AS
DOCTOR MARTIN LUTHER KING -
VICTIM
CIVIL RIGHTS**

Mr. Harvey Klingman, owner, Indian Trail Restaurant, Winnetka, Illinois, advised on October 30, 1968, that on the date he was interviewed by reporter Art Petacque he, Klingman, made no statement whatsoever to the effect that the Federal Bureau of Investigation (FBI) had utilized tape recordings of voices of friends of James Earl Ray. He said that he also was interviewed by numerous television and newspaper commentators and reporters and on each and every occasion he made no mention whatsoever of tape recordings. He said that the comments regarding the tape recordings set forth in Mr. Petacque's articles were a complete figment of Petacque's imagination. Mr. Klingman did state that he told the various members of the news media that the FBI had asked his wife if she could possibly identify or recognize again the voice of the individual who made the telephone calls to Ray and that she had replied negatively.

Mr. Klingman advised that he and his wife have reviewed the article which is to appear in Look Magazine and that the only portion of it that they read was the information they furnished to Mr. Huie and that it was exactly the same as what they had previously told both Huie and the FBI.

Mr. Klingman reiterated his desire to cooperate with the FBI in this matter and again stated that neither he nor his wife made any statement which could be construed to indicate that the FBI was using tape recordings of the voices of James Earl Ray's acquaintances.

JAMES EARL RAY

On November 26, 1968, Mr. JOHN L. WEST, Salesman, Bundy Oldsmobile, Inc., 8th and Illinois, East St. Louis, Illinois, advised that records of his company indicate that JOHN L. RAYNS, 507 Chestnut, Post Office Box 293, Winnetka, Illinois, purchased a 1962 Plymouth, four-door, Sedan, VIN 2921165934, on July 14, 1967, as per invoice #6852. Mr. WEST advised that this invoice indicates that the price of the above car was \$200. In addition, there was sales tax in the amount of \$9.50 and a notary fee in the amount of 50 cents, bringing total price of the automobile to \$210. Mr. WEST further advised that his records indicate that RAYNS made a cash deposit of \$20, as per receipt #38466 dated July 14, 1967, and apparently returned shortly thereafter with the balance of \$190, as the records indicate receipt #38469 dated July 14, 1967, indicate RAYNS paid this amount. WEST pointed out that although he could not be specific as to the time element involved between the period of time that the \$20 cash deposit was paid and the balance of \$190 was paid, it was apparently only a matter of a few minutes to an hour, since there were only two receipts issued between deposit receipt and balance receipt given to RAYNS.

Mr. WEST pointed out that there was no trade-in involved in the transaction. He also advised his file on RAYNS indicates Illinois sales tax form #1978804, which was dated July 14, 1967, was completed on that date and this along with the license information was mailed to the Secretary of State's Office, Springfield, Illinois, on July 31, 1967. Mr. WEST stated that from his records he had to assume RAYNS transferred his license from a previously owned automobile to the 1962 Plymouth, inasmuch as he was able to find a receipt #463, in the amount of \$3.00, which is the fee normally paid for transfer of title. Mr. WEST stated if an individual purchases an automobile and applies for a new license, he would be charged a minimum of \$7.00.

44-1114-772

JAMES EARL RAY

Mr. WEST advised he recalled that the 1962 Plymouth was taken into Bundy Oldsmobile as the trade-in from an unrecalled Negro male who had purchased a new Cutlass, about a month prior to the transaction with RAYNS. WEST stated that the salesman who sold the car to RAYNS was GOBEL BIGGS.

Mr. WEST stated he could not specifically recall the sale of the automobile to RAYNS. He stated photographs of JAMES EARL RAY were unfamiliar to him. He likewise showed photograph to other sales personnel at Bundy Oldsmobile and they, too, stated that they could not recall RAY as ever having been in Bundy Oldsmobile. WEST did point out, however, that his business is primarily the sale of new cars and used cars of a higher quality than the automobile sold to RAYNS. Therefore, the transaction was somewhat insignificant and he was unable to recall any further specific details and was only able to furnish the above information as direct result of review of the receipts, invoices and orders set forth above.

Mr. GOBEL BIGGS, Salesman, Bundy Oldsmobile, Inc., East St. Louis, Illinois, after reviewing the invoice orders and other receipts pertaining to the sale of 1962 Plymouth, four-door, Sedan, VIN 2921165934, which he sold to JOHN L. RAYNS, 507 Chestnut, Post Office Box 293, Winnetka, Illinois, stated he could not recall this individual or anything of the transaction. Mr. BIGGS advised the transaction was rather insignificant and it involved the sale of a "junker" with \$200, and he could have possibly remembered more about the man had he sold the individual a new car or a used car in better condition. Mr. BIGGS did state, however, that he still has in his possession a "follow-up information card" for JOHN L. RAYNS with the address of 507 Chestnut, Post Office Box 293, Winnetka, Illinois, and he indicates on this card that RAYNS purchased a 1962 Plymouth on July 14, 1967. Mr. BIGGS stated it is the policy at Bundy Oldsmobile for all salesmen to send new car literature to individuals to whom they have sold automobiles in the past; and, based on this information card, he is relatively certain that he has sent such literature to RAYNS at the above address on at least seven or eight occasions, since the initial purchase of the 1962 Plymouth. He stated he has no way of knowing whether this literature was received by RAYNS at this address or whether it was returned by the Post Office. He stated if such literature would have been returned by the Post Office to Bundy Oldsmobile, it would have just been destroyed; therefore, he would have no way of knowing

JAMES EARL RAY

whether or not it was actually received. BIGGS, upon viewing photograph of JAMES EARL RAY, stated he could not associate this individual with being identical with RAYNS and was unable to furnish any other details as to the transaction, including the manner of payment, although he was certain from the invoice and receipts that this automobile was paid for in cash.

Mr. JAMES TABOR, Supervisor, Auto Registration Section, Secretary of State's Office, Springfield, Illinois, advised on November 27, 1968, that a check of records reflect that 1967 Illinois license LM-5942 was issued June 5, 1967, to JOHN LARRY RAYNS, 507 Chestnut, Box 293, Winnetka, Illinois, for a 1959 Chrysler, two-door, VIN M531108240, which was purchased used June 5, 1967, from GEORGE SEYMOUR HELLER, 7102 North Sheridan Road, Chicago, Illinois. Certificate of Title #B1178475 issued June 6, 1967, to RAYNS for this vehicle with no lien. On August 8, 1967, above-mentioned 1967 Illinois license transferred to RAYNS for a 1962 Plymouth, four-door, VIN 2921165934, which was purchased used July 14, 1967, from Bundy Oldsmobile, Inc., 711 Illinois Avenue, East St. Louis, Illinois. The application for this transfer reflects that above-mentioned 1959 Chrysler to be sold later. Certificate of Title #B1604563 issued August 8, 1967, to RAYNS for instant Plymouth with no lien.

Mr. TABOR also advised that 1967 Illinois license RT-5302 was issued 8/28/67 to JERRY W. RYAN, 2897 Techny Road, Northbrook, Illinois, for instant Plymouth, purchased used August 25, 1967, from JOHN L. RAYNS, 507 Chestnut, Winnetka, Illinois. Certificate of Title #B1777474 issued September 7, 1967, to RYAN for this Plymouth with no lien.

Mr. TABOR also advised that 1967 Illinois license SC-7905 was issued October 25, 1967, to GJERDIS DOROTHEA RAY, 1344 Hazel Avenue, Deerfield, Illinois, for instant 1962 Plymouth, purchased used October 20, 1967, from JERRY W. RYAN, 2897 Techny Road, Northbrook, Illinois. Certificate of Title #B2105425 issued November 6, 1967, to RAY for this Plymouth with no lien and has not been surrendered to date.

On November 29, 1968, Mrs. GENEVA JONES, Supervisor, Driver's License Section, Secretary of State's Office, Springfield, Illinois, advised she could find nothing in her files identifiable

JAMES EARL RAY

with GJERDIS DOROTHEA RAY. Concerning JERRY W. RYAN she furnished the following:

Address:	314 Wisconsin, Lake Forest, Illinois
Date of Birth:	██████████
Height:	5'9"
Weight:	178 pounds
Hair:	Brown
Eyes:	Brown
Driver's License Number:	R500-4393-5202, which expires July 16, 1971

RYAN obtained this driver's license after taking an examination on May 20, 1968, while driving a 1960 DeSoto.

On April 19, 1968, Mr. WILLIAM KAUFMAN, Illinois State Board of Probation and Parole, Springfield, Illinois, advised that one JERRY WILLIAM RAY, also known as JERRY WILLIAM RYAN, white male, date of birth July 16, 1935, at Quincy, Illinois, 5'10", 170 pounds, with brown hair and brown eyes, was the brother of JAMES EARL RAY.

Enclosed for Memphis and Savannah is one Xerox copy of letter and envelope sent to Mrs. DONNELLY by RAY RUSSELL.

Mrs. GLORIA DONNELLY, owner, 2731 North Sheffield, Chicago, Illinois, made available a letter from RAY RUSSELL and the envelope the letter came in, to Agents of the Chicago Division. For the information of Savannah, investigation has previously established that JAMES EARL RAY, using the name of JOHN LARRY RAYMS, rented a room, which was the rear basement apartment at 2731 North Sheffield, and resided at that address from April 30, 1967, to sometime in May or June, 1967.

Mrs. DONNELLY contacted Agents due to the fact that letter signed by RAY RUSSELL, who is apparently an inmate at the prison at Reidsville, Georgia, refers to the rear basement apartment and mentions the name, JOHN LARRY RAYMS. Mrs. DONNELLY cannot recall the identity of RAY RUSSELL. She has checked her rent records and cannot find anyone by that name that rented from them. Mrs. DONNELLY also advised she does not understand why RUSSELL would be writing to her asking her for help in getting money.

FROM SAC, SPRINGFIELD (44-561)
RE: MURKIN

Re Springfield airtel to Director, 5-1-68, and Indianapolis airtel to Director, 10-17-68.

On December 5 and 6, 1968, PAUL HOWARD, temporarily residing Room 224, Rogers Hotel, Bloomington, Illinois, an unsavory individual with alleged underworld connections, contacted a representative of the Springfield Office.

HOWARD advised that since casually meeting ROBERT HOOD STRADER in a bar he has associated with him constantly from November 26, 1968, to the present. He identified STRADER as the owner of the Prototype Specialty Company, 2745 South Holt Road, P. O. Box 41004, Indianapolis, Indiana, whose wife, MARGARET STRADER, was currently confined to St. Joseph Hospital, Bloomington, Illinois, where she has given birth to a child.

As noted in referenced communications, STRADER, who apparently has a history of mental illness, has alleged he had information concerning the assassination of MARTIN LUTHER KING. HOWARD related the story as furnished him by STRADER with events in the order as set forth in referenced airtels. STRADER alleged to HOWARD that the FBI was fully familiar with his story; that he is well acquainted with numerous agents throughout the United States and that "federal agents" were protecting him and are constantly alert to his whereabouts. HOWARD, STRADER continually discusses the MARTIN LUTHER KING killing and has furnished so much alleged detail in this matter that he has HOWARD thoroughly confused. STRADER allegedly is in the process of selling his story concerning the KING slaying to the "Chicago Daily News" for \$2,500,000 and he has an appointment with JOHN LINDSTROM on December 7, 1968, at a motel in Lafayette, Indiana, concerning his story. STRADER allegedly stated whoever will pay the most for his story will get it.

HOWARD advised he and STRADER travelled to the office of STRADER's attorney, DONALD FOLEY, of the Merchants Bank Building, Indianapolis, Indiana, where between 8:30 a.m. and 5:30 p.m., December 5, 1968, STRADER made four or five disk recordings utilizing both sides of the recording disks in which he related all of his alleged facts concerning the KING slaying. FOLEY then allegedly contacted or was to contact an agent of the Indianapolis Office.

Incidental to their trip to Indianapolis, Indiana, STRADER and HOWARD travelled to the Veterans Administration Hospital, Danville, Illinois, where STRADER is allegedly a patient on temporary leave due to report back on December 26, 1968. The purpose of the visit was to pick up checks mailed to STRADER at the hospital but after entering the hospital STRADER returned to HOWARD and stated the checks had not come.

In view of past information concerning STRADER, no action is recommended. Additional information furnished by HOWARD in this matter will be furnished the Bureau and interested offices upon its receipt.

MURKIN

(OO: Memphis)

Memphis Office is continuing to review the investigation relating to information contained in the "Look" Magazine articles prepared by WILLIAM BRADFORD HUIE.

Investigation concerning his employment at the Indian Trail Restaurant (5/3/67-6/24/67) and his residence at 2731 North Sheffield, Chicago, Ill., is contained in the report of SA RENE J. DUMAINE dated 10/2/68 at Chicago. Note that this is his first employment following his escape from the Missouri State Penitentiary on 4/23/68.

The Springfield Office has determined that the subject on 6/5/67, while still employed at the Indian Trail Restaurant in Winnetka, Ill., purchased a 1959 Chrysler from one GEORGE SEYMOUR HELLER, 7102 North Sheridan Road, Chicago, Ill. It is not known what became of this Chrysler; however, the Illinois license for the Chrysler was transferred to a 1962 Plymouth which was purchased 7/14/67 from Bundy Oldsmobile, Inc., East St. Louis, Ill. Note that this Plymouth was purchased about three weeks after the subject left his employment at Winnetka, Ill., and four days after the purchase he signed a lease on 7/18/67 at the Harkay Apartments, Montreal, Canada.

ME 44-1987

Both the Chrysler and the Plymouth are mentioned by HUIE in the first of his "Look" articles, and this Plymouth is the car RAY had in his possession when he met the mysterious "RAOUL" in Canada. In the second of the "Look" articles, it is reported that on instructions from "RAOUL" this car was sold by RAY in Chicago on or about 8/22/67. Illinois Motor Vehicle records reflect that on 8/25/67 this Plymouth was purchased from the subject by JERRY W. RYAN, 2897 Techny Road, Northbrook, Ill., and on 10/20/67 JERRY W. RYAN sold this car to GJERDIS DOROTHEA RAY, 1344 Hazel Ave., Deerfield, Ill. It is believed that JERRY W. RYAN is the subject's brother and that GJERDIS RAY is JERRY RAY's former wife. Investigation is continuing in this regard.

The second of the "Look" articles states that when RAY met "RAOUL" at Windsor, Ontario, on 8/21/67, RAY made two trips in his automobile between Windsor and Detroit, each time bringing undeclared items through customs which items were turned over to "RAOUL" in Detroit. The "Look" article states that on the second of these trips RAY declared his television set and paid duty in the amount of \$4.50. He declared the television set in hopes that this would prevent a thorough inspection of his automobile by customs officials. Neither Detroit nor Buffalo has been able to locate a record to verify that such a customs declaration was ever made.

This same "Look" article states that after leaving Windsor, Ontario, on 8/21/67, RAY spent the night of 8/21/67 in a motel about five miles east of Gary, Indiana. A canvass of motels in that area has failed to locate a registration for RAY on that date.

The "Look" article indicates that RAY was instructed by "RAOUL" to go to Birmingham, Alabama, from Canada. RAY went to Birmingham where he spent the night of 8/25/67, at the Granada Hotel. This article further states that on other occasions RAY stayed at the Provincial Motel in New Orleans; at the Flamingo Motel in Selma, Ala.;

ME 44-1987

at the San Francisco Motel in Acapulco, Mexico; and at an unknown motel in Nuevo Laredo, Mexico.

Guest registrations from the Granada Hotel, the Provincial Motel and the Flamingo Motel have been obtained and are being compared in an effort to identify "RAOUL." The San Antonio Office has been unable to locate a registration for RAY in Nuevo Laredo. The Bureau has not instructed the Legat, Mexico, to conduct investigation at Acapulco.

LEADS:

REQUEST OF THE BUREAU:

Instruct Legat, Mexico, to conduct appropriate investigation to verify subject's stay at the San Francisco Motel, Acapulco, and to determine who his associates were during the approximately five days he spent in Acapulco. You will note the "Look" article states subject stayed one night at the San Francisco Motel and the next four nights at some other motel in Acapulco. Since we know he arrived in Puerto Vallarta on 10/19/67, he should have been in Acapulco approximately 10/14-18/67.

CHICAGO OFFICE:

Locate and interview all persons involved in the sale and/or transfer of instant 1959 Chrysler and instant 1962 Plymouth and determine who has possession of these cars at present.
