Date 4/25/681

SUSAN HARRIS FLIKEID, with her common-law husband THOMAS FLIKEID, was interviewed at the Chicago Office with regard to the possibility if any names in her datebook could be identical with the subject JAMES EARL RAY.

SUSAN FLIKEID had previously made available her address book for copying purposes. Each and every name and notation in the address book was thoroughly and exhaustively reviewed with both SUSAN and THOMAS FLIKEID. Based upon their information, which includes physical description of the customers, their businesses, associates and length of time known, both were of the strong opinion that there is no possibility that any of the customers, with the exception of the ones furnished to SUSAN by LOU TOMENY, could be identical with JAMES EARL RAY. SUSAN advised that although she has never physically observed the persons whose names were furnished to her by LOU TOMENY, she strongly doubts that the names furnished by TOMENY could possibly be identical since she believes LOU met most of these individuals prior to April 27, 1967, which is the date that she and LOU TOMENY were arrested in Los Angeles.

She further advised that she has had no contact with LOU since the foregoing arrest. She furnished the identities of the customers whose names were given to her by LOU TOMENY.

In conclusion, SUSAN advised that all of the people listed in the address book were obtained from other contacts who were acquainted with the dates for approximately one year. She said that TOMENY also operated in the same manner and for this reason, SUSAN doubts if any of the individuals whose names were given to her by TOMENY would have been known to TOMENY subsequent to April 23, 1967.

Date 4/26/681

JERRY WILLIAM RAY stated that he and JOHN RAY were in St. Louis, Missouri, on February 2, 1968, and were at sister CAROL's residence to visit with her as he has previously stated. He stated that he is of the opinion that his brother JOHN was registered at the McArthur Hotel, but he did not register with him and he was not in his room. He said, to his knowledge, JOHN has never married and has no information concerning a Mrs. JOHN RAY. He did note that his brother JOHN was in the habit of using the McArthur Hotel for occasional dates with women. He assumes that the Mr. and Mrs. JOHN RAY registering at the McArthur Hotel on February 17, 1968, could be JOHN and a woman.

He again stated that the only individuals at his sister CAROL's residence were JOHN, JERRY, CAROL, her husband and their children. JERRY emphatically denied that the subject was present at this occasion or, in fact, any other occasion when he was in CAROL's residence. JERRY insisted that he has no information as to the present whereabouts of either JOHN or JAMES RAY.

JERRY stated that JERRY RAYNES is the step-father of the subject and definitely not the subject's father. He restated that the subject's father died in 1951.

JERRY advised that the last contact that he knew of between WALTER RIFE and the subject was in 1954 at Leavenworth.

JERRY WILLIAM RAY advised that he had never discussed photography with his brother JAMES and had no knowledge that JAMES was in any way interested in or proficient in photography. He never knew of him to make any comments concerning the taking of pictures of nude women and in fact, never knew JAMES to be particularly interested in women. In this regard, he advised that JAMES never had any lasting attachment with a woman and that he would usually either pick them up in a bar or go to a hotel and contact the bellhop. He knew of no associate of his brother in Atlanta, Birmingham, New Orleans, or Los Angeles. He could offer no suggestions as to the person allegedly contacted by his brother via long-distance telephone calls while on a trip to New Orleans in December, 1967.

JERRY then advised that he had lied previously when he said that his father died in 1961 at Hannibal, Missouri. The true father for all of the children born to JERRY and LUCILLE RAY, RYAN, or RAYNES is JERRY RAYNES, Center, Missouri. He said that his father and other members of the family variously used the names set forth previously but that his father's birth certificate is in the name of RAY. He also advised that his sister, MELBA, now uses the surname of FULLER. JERRY also advised that his paternal grandfather's name is GEORGE RAY.

JERRY advised that he had never heard his brother JAMES mention the name ALFRED GEORGE SCHNEIDER or NEAL AEBY. He said that the only individuals with whom he knew JAMES was friendly with in prison were RALPH "RAT" DAVIS (deceased), WALTER TERRY and LONNIE RIFE. He said that he did not know if JOSEPH "BLACKIE" AUSTIN had done time with his brother but that he was arrested with the subject in Quincy, Illinois, on an armed robbery charge. JERRY said that he was acquainted with AUSTIN while they both were in the Illinois State Penitentiary, Menard, Illinois. He said he thought that AUSTIN is presently on parole but he does not know whether he is in St. Louis or Chicago. JERRY doubts that there is any close contact between AUSTIN and JAMES RAY now.

Concerning his father, JERRY did not furnish a reason for the various names but said that for the last fourteen years his father has been using the name JERRY RAYNES. JERRY made the statement that "I was about 20 years old before I knew my name."

Date 4/30/681

JERRY WILLIAM RAY advised that he has no information as to any available photographs of his brother and that the only one he can recall ever seeing was a photograph of his brother in Army uniform. JERRY thinks that the last time he saw that photograph was in 1953 but that he cannot recall who had it.

JERRY said that he considered the \$150 he received from "Life" Magazine as payment for the information for the article, as his brother's and when his brother is found he will give him this money to use for his defense.

He also advised that he gave the phone number of the cottage where he resides to the "Life" Magazine reporter and that the reporter has called him at that number.

He said that he has no information indicating that his sister SUSAN has any type of a family album and in fact, doubts that she does.

JERRY WILLIAM RAY advised that he had accidentally met with his ex-wife, DJERDIS, in Wheeling, Illinois, at which time she told him that she had moved to that area.

During conversation with her about his brother JAMES, DJERDIS asked him if she had ever met him. JERRY told her that she had not and then in further conversation, she pointed out that one of the brothers had been to Northbrook, Illinois, to visit with them when they were married. JERRY told her that this was his brother JOHN. JERRY advised that he thinks that JOHN came to the Northbrook residence sometime in March, 1967, and that he sold JOHN an older model Rambler and that JOHN took the Rambler back to Missouri with him. JERRY is of the opinion that this car is now at his father's farm in Missouri.

FEDERAL BUREAU OF INVESTIGATION

Date 5/3/681

JERRY WILLIAM RAY advised that from 1948 to 1952 or 1953, he was residing in Quincy, Illinois, and that during 1950, he was sent to the reformatory at St. Charles, Illinois. He said that all of the addresses in Chicago where his brother JAMES resided meant nothing to him and he knew of no acquaintances or relatives of his brother JAMES in Chicago, Illinois. He said that the last time he saw his brother JAMES outside of prison was in 1951. The last time he saw him in prison was in 1964. He said that on several occasions, he had sent money to his brother JAMES while he was in prison and that JAMES had sent him out about \$40 or \$50. He said that this was a total accumulation of three or four amounts sent to him while JAMES was in prison. He did remember that JAMES came to the Illinois State Penitentiary, Menard, Illinois, to visit JERRY while he was in prison.

He said that the names of VERONICA WOODHOUSE and PHILLIP BAKER meant nothing to him.

He furnished CAROL PEPPER's phone number as 311-645-2948. He stated he did not have his brother JOHN's phone number either at his residence or tavern.

Concerning JAMES, he did not know of any country club employment for him in this area. The only schools that he recalls his brother attending were in Ewing, Missouri.

JERRY advised that he had received the 1968 Illinois license tags for his automobile and they are numbered KX 5820. He also stated that he had seen his wife yesterday afternoon which was the first time he had seen her since her divorce. She has never met JAMES but did meet JOHN.

JERRY related that he was leaving for St. Louis, Missouri, about 1:00 p.m. this date and would probably stay with either his brother JOHN or his sister, CAROL. His plans at the present time were to drive to St. Louis and return about 4:00 or 5:00 p.m. on May 1, 1968.

JERRY WILLIAM RAY advised that of all of the individuals that his brother JAMES committed crimes with, he was probably closer to "BLACKIE" AUSTIN than any other. JERRY said that he has no information as to any association between AUSTIN and his brother since AUSTIN was released from prison and in fact, did not know AUSTIN's present whereabouts. He said that JAMES was also close with WALTER RIFE but did not think JAMES would contact him because WALTER continually brags about everything he does. He said that for the same reason he would doubt that his brother would contact JACK GAWRON although he felt that GAWRON and his brother were also fairly close. He again stated that he did not know whether GAWRON and his brother committed jobs together and expressed the opinion that they did not. JERRY indicated that any information in his possession about the associations of his brother would be mostly speculation because of the lack of contact he has had with his brother outside of prison.

JERRY said that his closest associates at the Sportsman's Country Club were AL WRIGHT, who is married and lives in Mount Prospect, Illinois, and HUEY MALONE, who is single and resides in the same cottage with JERRY.

JERRY advised that he was calling from the pay phone in the cottage and that this is the phone he usually uses for his personal calls.

On April 22, 1968, SAs JOSEPH M. BURKE and ROBERT F. PEVAHOUSE observed a 1960 De Soto, white over green, bearing Missouri license plates CC7-363, parked in front of the employee's cottage at the Sportsman's Country Club, Northbrook, Illinois. This car is known to be operated by JERRY WILLIAM RAY.

On April 25, 1968, the Latent Fingerprint Section, Identification Division, FBI Laboratory, advised that the remaining unidentified latent prints in this case are not identical with finger or palm prints of JERRY WILLIAM RAY, FBI Number 862 651 A.

On May 1, 1968, JERRY RAY was advised by SA DUMAINE that information had come to the FBI's attention that a local newspaper reporter had been able to determine JERRY's employment based upon the information that JERRY had furnished to "Life" magazine. JERRY advised that he had no desire to furnish information to any newspaper and if contacted would not give them an interview. JERRY was informed that the FBI was under no circumstances instructing him not to cooperate with the news media and that any decision in that regard would be entirely his own.

On the evening of May 2, 1968, Mrs. MARGUERITE WELCH, Manager, Sportsman's Country Club, telephonically contacted SA DUMAINE, at which time she advised that there were numerous people from the various news media present at the club attempting to locate and interview JERRY RAY, which apparently was based upon the news stories which appeared in the Chicago "Sun-Times". Mrs. WELCH advised that she was going to see that JERRY was placed in a motel that evening and would release to the newspapers that he had quit his employment and present whereabouts unknown.

On the morning of May 3, 1968, JERRY RAY telephonically contacted SA DUMAINE and advised that he was leaving for St. Louis, Missouri, at about 1:15 PM, that date, driving his 1960 Desoto. He indicated that he would probably stay overnight with his brother JOHN and then stay with his father JERRY RAYNES on the farm at Center, Missouri. He expects to stay there three or four days and will call the country club on May 7, 1968, to see if the news media interest has abated. If so, he will return to Chicago and continue his employment in the club.

LEE MILLER, 6150 North Kenmore Avenue, Chicago, telephone 338-0153 (unlisted), advised SA LOUIS S. CRAIG on April 30, 1968, that he was an inmate at the Illinois State Penitentiary, Pontiac, Illinois, from about 1951 to 1953. He spent his last year on the honor farm and worked in the kitchen during that time. He stated JAMES EARL RAY was unknown to him by name; however, he recalls a fellow prisoner who worked in the kitchen at the same time he did who resembled RAY by physical description. This individual was older than he was, somewhat on the heavy side and walked with a waddle with his feet pointing out. This individual had foot trouble and when he came to the honor farm, he remembered the front portion of both shoes had been cut out. He continued that this individual was quiet, slow talking, somewhat sluggish and kept to himself. He did not come to know him well and has had no contact with him since he was discharged from Pontiac. He stated he knew nothing of this individual's background and has no idea where he could be located now.

Date 4/29/68

At the outset of the interview, JERRY WILLIAM RAY was advised of the provisions of Section 1001, Title 18, United States Code. He was advised that he did not have to talk to the interviewing Agents but that they wished to stress to him the importance of his cooperation and truthfulness in the matter of the murder of MARTIN LUTHER KING, Jr.

It was pointed out to JERRY that he had lied to the Agents in the previous interviews in that the FBI had located his brother, JOHN, and that it would have been impossible for JERRY not to have known his whereabouts. He then stated that he had lied but only in an effort to protect his brother JOHN's investment in a bar in St. Louis. JOHN had put up \$2500 to purchase the bar and JERRY was of the opinion that if FBI Agents harassed JOHN, he would lock up the bar, take a loss and leave. The bar, known as "The Grapevine", is located in St. Louis, Missouri, and is licensed in the name of CAROL PEPPER, their sister. He said that he has no information nor does he believe that JAMES RAY has been in contact with JOHN since his escape from prison in April, 1967. JERRY went on to say that he doubted very much that JAMES RAY was aware of the present whereabouts of JOHN since JOHN was classified as a "drifter". It was pointed out to JERRY that JOHN had been a visitor to the Missouri Prison on the day before JAMES RAY's escape. In answer to a direct question, JERRY then admitted that it would be possible for JAMES RAY to know the location of his brother's tavern. He said that he doubted if JAMES RAY knew his, JERRY's, present employment at the Sportsman's Club, Northbrook, Illinois, but that he might be aware of it since he had written a letter to the Parole Board in which he might have mentioned his present employment saying that he possibly could obtain employment for his brother, JAMES RAY, either at the country club or in the immediate neighborhood. He denied that he had ever furnished JAMES RAY with his present employment. He said that to his positive knowledge, the only way that JAMES could get in touch with

him was through P. O. Box 22, Wheeling, Illinois, since he, JERRY, had obtained this box for the specific use of his brother since he did not want mail from the penitentiary coming to the country club.

JERRY related that JOHN came to this area sometime around 1964 and stayed for about 2 $\frac{1}{2}$ years. To the best of JERRY's recollection, JOHN first worked at Murphy's Steakhouse, then went to the Rolling Green Country Club and from there to the White Pines Country Club where he was employed as a pot washer. JOHN then went to bartending school in Chicago and went to work for the Indian Hills Country Club in Itasca, Illinois. JERRY is of the opinion that his brother, JOHN, uses the name RYAN.

JERRY said that on April 20 or 21, 1968, he telephonically contacted his sister, CAROL PEPPER, and explained that the uncooperative attitude of both CAROL and JOHN arose from the harassment of the newspaper reporters in the neighborhood and that both were afraid of unfavorable publicity which would adversely effect the tavern business causing them to sell out and move. He said that his sister, CAROL, has told him that she feels that she now has to move from the particular neighborhood where she resides in St. Louis, Missouri. CAROL has commented to him that the picture in the newspaper of JAMES RAY does look something like him. JERRY said that he agrees with this but that felt it could not be his brother because he read in the newspapers that the person sought by the FBI for the KING murder had attended dancing school in New Orleans, Louisiana, in 1964 and 1965, but since his brother was imprisoned during these years, he knew it could not be him.

Concerning his trip to St. Louis, Missouri, in February, 1968, JERRY advised that he stayed at the MacArthur Hotel for one night; he believes the date to be February 2, 1968, and that his brother, JOHN, either stayed in an apartment over the tavern or nearby, but not at the hotel as he previously implied. He said that about every six or seven weeks he drives to St. Louis, Missouri, to visit with

CAROL and sometimes JOHN since they are the only family he has. He denied that his brother, JAMES RAY, had been at this family reunion at this last or any other time.

JERRY advised that he owns two automobiles, one a 1960 light green four-door De Soto which presently is parked in front of the cottage at the Sportsman's Country Club. The other, a 1961 two door white over red Plymouth. Both of these cars were purchased from a stepfather, JERRY RAYNES, who resides on a farm in Center, Missouri. He exhibited a receipt from the Dunhurst Currency Exchange showing that Missouri driver's license R250-6227-822-98-473MO, plus title and registration for 1960 De Soto had been turned in. The receipt was in the name of JERRY WILLIAM RYAN, 2897 Techny Road. JERRY said that he had turned over these items April 24, 1968, and expected to obtain his Illinois driver's license and license tags within the next several days.

JERRY further related that he paid \$200 for the 1961 Plymouth and has owned it for about six months. The car is presently at his stepfather's farm and is not registered. The reason it is not registered is that the title to this car was filed by his stepfather in St. Louis, Missouri, but was not returned. Both he and his stepfather made inquiry concerning the title, but it was evidently lost. JERRY said that he has driven the car to Chicago and in this area on one occasion utilizing license plates from a junk car. CAROL PEPPER has also driven the car on several occasions with the same plates. However, the plates have since been removed from the car and destroyed.

In response to questions concerning Post Office Box 22, Wheeling, Illinois, JERRY reiterated that the only person who has ever written to him was his brother JAMES RAY with the rare exception that he might receive some advertising literature of no consequence. He persisted in stating that that he had received no communications at this Post Office box within recent weeks. After further questioning, JERRY admitted that on April 23, 1968, he received a telegram addressed to him at P. O. Box 22. He then made available a copy of this telegram which read as follows:

"DICK WOODBURY LIFE MAGAZINE"

He then related that on April 23, 1968, he went to "Life" magazine offices where he was interviewed concerning his brother, other family members and family residences and background. He stated that it appeared to him that what "Life" magazine was interested in was the family history. He also advised that his picture was taken and that for his services he was paid \$150. According to JERRY, his sister, CAROL PEPPER, refused to talk with the "Time" and "Life" reporters but that his uncle, WILLIAM MAHER, cooperated freely. MAHER also told the reporters that SUE (SUSAN DONIAN) had a family album in which there were pictures of JAMES RAY, including a picture in uniform. Concerning SUE, JERRY related that he does not know SUE's present whereabouts and is certain that JAMES also is not aware of her present address. He requested to be informed of her whereabouts which was denied.

He related that his usual day off is Tuesday, and that on occasion, he will go to Northbrook, Illinois, where he gets a train to the Union Station and spends some time in Chicago, Illinois. The evening of April 23, 1968, he spent at the Victoria Hotel, Clark and Van Buren Streets.

- 0 -

JERRY advised that sometime around September, 1960, shortly after his release from prison, he was unemployed in St. Louis and he was contacted by his brother, JOHN, who told him to come to the Chicago area which JERRY did. He commenced employment at the Rolling Greens Country Club, Arlington Heights, Illinois, from September, 1960, until January, 1962. He then returned to St. Louis, Missouri, and returned sometime in April, 1962, where he obtained employment at the North Shore Country Club, Glenview, Illinois. He also worked for the Olympia Fields Country Club for 13 days and then went to work for the Medinah Country Club until sometime in December, 1963, when he was hit by a car as he was walking along a highway. JERRY spent some time in the hospital as a result of these injuries and then went back to St. Louis, Missouri, with JOHN. He again returned to this area and was employed at the Flossmoor Country Club, from April until September, 1964. At that time, he commenced his present employment at Sportsman Country Club.

JERRY said that he had resided at the Sportsman Country Club except for a short period of time from March to September, 1967, when he resided at 2897 Techny Road, Northbrook, Illinois, with his wife GJERDIS STREET who presently resides on Wisconsin Avenue, Lake Forest, Illinois. He said that while they were married, she had a child, however, this child was by her previous husband. He went on to say that he and his wife separated in August of 1967 and the divorce was finalized on January 25, 1967. Later in the interview, JERRY advised that he was married in August, 1966, and that the divorce was final January 25, 1968.

When questioned as to whether or not he had been married previously, JERRY replied that he hadn't, but that he had lived common-law with CAROL SARTAIN who is presently residing in Morristown, Tennessee. He did know that CAROL is presently married but he did not know CAROL's married name. CAROL and JERRY had one child, [REDACTED], age [REDACTED], who is presently living with CAROL's parents, Mr. and Mrs. WILLARD SARTAIN, Route #2, Whitesburg, Tennessee.

- [REDACTED] -

This town is located 24 miles outside of Knoxville, but JERRY does not know exactly where the SARTAINS live. He said that he doubted that the subject would be aware of the SARTAINS identity since JAMES was in prison before JERRY met his ex-wife.

JERRY related that his take-home pay is approximately \$113 per week and that he also receives room and board. He said that he has no money to speak of, at the present time, since all of his savings had been expended in his ill-fated marriage. He said that he sends money to his sister, CAROL, which she deposits in her account to keep for him.. He estimated that he has approximately \$200 in that account. He denied that any of his money had been utilized by his brother JOHN in the purchase of the tavern in St. Louis.

JERRY sends money to the SARTAINS spasmodically, about \$50 at a time and estimates that since December, 1967, he has sent them approximately \$150. He also sends clothing and other items for [REDACTED]'s use. He also advised that he expends a great deal of money on automobiles and since he has been in this area has had at least 12 cars but never seems to be able to purchase a newer model than a 1962. He informed that his marriage "cost him a fortune" indicating that in the first two months he was married, his wife ran up \$300 in phone bills. He also paid \$135 to send her to driving school after which she had three automobile accidents and in one completely demolished one car so that he had to buy another. His ex-wife was also extravagant and spent money freely through charge accounts.

JERRY related that he has never heard of anyone named JAMES DAVID DAILEY, THOMAS BEECHUM CREWS or JUNIOR RAY CONWAY.

JERRY advised that he was not aware that JOHN registered at the Mac Arthur Hotel, St. Louis, Missouri, during the time that he, JERRY, was there. He said that he did know that JOHN used the Mac Arthur Hotel whenever he was able to "pick up a woman". He said that JOHN has never married and has no knowledge that JOHN is presently going with or residing with any particular woman.

CG 44-1114

He related that he has no idea as to the present whereabouts of his brother, JAMES, and believes that he is either dead or out of the country. He could offer no reason for JAMES alleged murder of MARTIN LUTHER KING, Jr., but did say that JAMES would have to have been paid for this murder in view of the purchase of the car and the dance school payments which JAMES made which information he obtained from reading the newspapers. JERRY did speculate that if anyone did pay JAMES for this murder, it would have to be someone he met after his escape because he doubted that anyone in prison or anyone that he knew in JAMES' life prior to being in prison would have the money or the desire to kill KING. JERRY said that all of the other crimes committed by JAMES were small scores and that he knew he never realized much money from them.

JERRY further related that it is his opinion that JAMES would never get in touch with anyone in the family no matter how bad he needed help.

JERRY RAY was then interviewed by SAC MARLIN W. JOHNSON and ASAC KYLE G. CLARK in an effort to obtain his complete cooperation in this matter. After discussion, JERRY gave his word that he would not lie in the future and that if his brother did contact him, he would contact the FBI. He reiterated that he had no reason to believe that JAMES would contact him.

JERRY advised that he sends his money to his sister, CAROL, because he would spend it if it was available to him. He sometimes sends her his whole paycheck to put in the account. He wants the money to save to put as a downpayment on opening a bar.

Concerning his automobile accident, JERRY advised that he was walking along the highway when he was struck by a car and that he was taken to the hospital at Elmhurst, Illinois, where he was semi-conscious for three days. He

- 2 -

stayed in the hospital for 13 or 17 days and his pelvis bone had been broken. He entered into a lawsuit in an effort to recover damages, however, he was only paid \$1,00 and believes he owes the hospital around \$400.

He again stated that he had absolutely no idea as to his brother's whereabouts and then advised that if there was anyone else involved in the crime with JAMES, it was JERRY's opinion that JAMES would never divulge this person's identity. He said that at the time his brother received the 20 years' sentence, from which he escaped, he had been offered eight years to turn state's evidence but did not do so. The other person involved with JAMES did turn state's evidence and received a six year sentence. JERRY opined that even if JAMES was offered a sentence, of five years against death in the electric chair, he would not implicate a partner if in fact he had one.

- 2 -

The following description of JERRY WILLIAM RAY was obtained through interview and observation:

Race	White

JERRY then advised that he used the Bell Employment Service, Chicago, since his brother JOHN had used it because the fee was only \$15 or \$30 to locate a job. He then related that he came to Sportsman's Country Club from Flossmoor Country Club where he had been a bar waiter. He said he started out at Sportsman's as a dishwasher and then went to work for the Marx Maintenance Company as a maintenance man in the country club. Sometime thereafter, the country club dropped the maintenance service and hired JERRY. He also advised that his brother JOHN was employed at the Indian Hills Country Club, Elmhurst, Illinois, not at Indian Lake. He then recalled that his brother was also employed at Green Acres Country Club, about 2½ miles from Sportsman's in Northbrook, Illinois.

JERRY WILLIAM RAY advised that he left Chicago, Illinois, at about 1:00 PM, April 29, 1968, driving his 1960 light green Desoto. He became sleepy while driving and stopped at a motel in Braidwood, Illinois, where he slept and stayed until about 4:00 AM, April 30, 1968. He arrived in St. Louis at 9:00 AM that day and went immediately to his brother JOHN's apartment on Lemp Street, where he stayed until noon.

Then JOHN and he went to his sister CAROL PEPPER's residence, where they stayed for approximately two hours. JERRY and JOHN then returned to JOHN's tavern and JERRY said he drank too much beer, became sleepy and feel asleep that evening. He said that he could not recall very much about the evening after he returned to the tavern and that he stayed with JOHN at the apartment until leaving St. Louis, Missouri, about 11:00 AM, May 1, 1968.

JERRY advised that he, his brother JOHN, and CAROL have read almost every article in the newspapers concerning their brother. He commented that while he was in St. Louis this last time, most of the conversation centered around the article in "Life" magazine and that there was no indication in the conversation with JOHN or CAROL that they were aware of the subject's whereabouts or his whereabouts since his escape until September 1, 1967. JERRY was advised that the FBI was very much interested in attempting to determine his brother's whereabouts from the period of time from his escape until he first appeared in Birmingham, Alabama, about September 1, 1967. JERRY advised that he had no information as to his brother's whereabouts either during the above time or his present whereabouts. JERRY explained that JOHN, CAROL's and his own information concerning the whereabouts of the subject came from their aforementioned following of the KING murder in the newspapers and that he noted in one article that his brother obviously, using the name ERIC STARVO GALT, first appeared in a rooming house in Birmingham, Alabama, around September 1, 1967.

and RENE J. DUMAINE/laj Date dictated 5/3/68

JERRY denied having any information which would in the slightest way indicate that his brother or his sister aided the subject in his escape and have had any idea of the subject's whereabouts since his escape.

JERRY then stated that his brother JOHN had told him that the FBI had combed a two-block area looking for a JACK GAWRON, since it had been developed that GAWRON had been acquainted with JAMES. JERRY said that JOHN knows that GAWRON has been interviewed by the FBI but JOHN did not indicate to JERRY that GAWRON had ever stated what he had told the FBI.

JERRY said that in the past, he had driven GAWRON around looking at possible burglary scores at which time GAWRON would pay the expenses. To JERRY's knowledge, GAWRON never committed any burglary in any of the places in which they had "cased" and in JERRY's opinion, GAWRON is "living on past glories." JERRY then stated that GAWRON was a name that he probably should have given to the Agents before since he, JERRY, was aware that GAWRON had served time with his brother JAMES. JERRY expressed the opinion that JAMES would not contact GAWRON but believes that JAMES does know GAWRON well, considering him to be slightly "stir crazy." JERRY did not mention whether or not GAWRON and JAMES participated in burglaries together and made no comment as to the closeness of association between them.

JERRY advised that WALTER RIFE was JAME's rap partner in Leavenworth and that he, JERRY, has served time with both LONNIE and WALTER RIFE in Menard.

JERRY advised that he has given the matter of what he would do if his brother contacted him considerable thought. He is now of the very strong opinion that he would assist the FBI if it could be handled in such a manner so as not to compromise him and also if he could be assured that every effort would be made to apprehend his brother without hurting him.

GALT, 2608 Highland Avenue, Birmingham, Alabama, for camera equipment on October 3, 1967:

Superior Bulk Film Company, advertises their products in the following magazines:

Popular Mechanics
Popular Science
Science and Mechanics
U. S. Camera
Popular Photography
Modern Photography

Mechanix Illustrated

The Company does not record the name of anyone requesting a manual or catalogue until an order blank form is submitted by a customer.

On October 3, 1967, the Company received an official order blank which is included as an insert in the order manual from ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, in which one Kodak Dual Projector M95Z, one Kodak Super 8 Camera, Model M8, one HPI Combination Splicer and one 20 foot remote control cable, totaling \$337.24. A money order cashier's check or draft for \$337.24 was received with the order because records reflect the above equipment was sent out on October 3, 1967, via Parcel Post under invoice number 179530, which is the date the order blank was received. The Company does not, as a Company policy, mail merchandise on an order accompanied by a personal check, unless the person making the order is known to the Company.

The Company substituted, on a loan basis, a Crestline Super 8 Camera for the Kodak Model M8 because the latter was not in stock. The Crestline Camera was received by the Company on October 12, 1967, as a rejected item. GALT also sent a typewritten note dated October 5, 1967, signed ERIC S. GALT in which GALT acknowledged receipt of items ordered adding he was returning the camera sent to him because he ordered a four-speed camera while the substituted camera was a one-film speed camera. GALT also wrote he was to leave for Mexico on Saturday which would have been October 7, 1967, and he would send his Mexican address to the Company.

On October 18, 1967, the Company mailed, via Parcel Post, the Kodak Super 8 D38 camera, under invoice order number 179530, to the Birmingham, Alabama, address. By typewritten letter, signed ERIC S. GALT, the Company was advised GALT returned the substituted Crestline Camera adding he could not wait for the originally ordered Kodak camera. He requested his refund be mailed to Puerto Vallarta, Jalisco, Mexico, Hotel Rio, Apartado Postal #23. The Kodak Camera was received by the Company on November 2, 1967.

By typewritten letter dated November 20, 1967, signed ERIC S. GALT, the company was requested to mail GALT's refund for the rejected camera to 1535 North Serrano, Los Angeles, California 90027, because GALT did not receive his refund while in Mexico. The letter indicated GALT would be at the Los Angeles address for five months.

The Company by letter dated November 30, 1967, mailed to the Los Angeles address, advised the refund check for \$142.89, #32338, was re-mailed to GALT's Mexican address. The canceled refund check has not, as of March 29, 1968, been received by the company.

The original check in the amount \$337.24 received in payment for the original order from ERIC S. GALT was deposited on October 2, 1967, at the Merchandise National Bank, Chicago, under Superior Bulk Film Account Number [REDACTED]. Mr. BURKE had no further information concerning the check.

- 8 -

Mr. BURKE advised the model M-8 camera ordered by GALT has a forty millimeter zoom lens included and added it is a very fine piece of equipment as is the other equipment ordered.

Mr. BURKE stated that the fact that inquiry was made concerning an automatic printer would indicate the person buying this equipment probably has raw stock-film and has means to process same. The fact that sound strip apparatus was also a point of inquiry on the reverse side of GALT's initial order indicates sound would also be employed.

The Crestline Camera for which the refund check was mailed to GALT is the only portion of the initial order which has been returned to the company.

Mr. BURKE asserted that he received a telephone call on October 4, 1967 or October 5, 1967, between the hours of 8:00a.m. and 9:00 a.m., from a man identifying himself as ERIC GALT. GALT advised he could not wait for the Kodak camera and that he is returning the one sent to him, referring to the Crestline Camera. GALT added he would purchase another camera locally. BURKE felt that GALT specifically wanted a Kodak Camera inasmuch as he returned a very fine camera, namely the Crestline. BURKE added he recalled the voice was from the South, meaning the person calling had a Southern accent.

Mr. BURKE made available a remote control PRINZ Air Shutter Release with a 20 foot cable, which is similar to the remote control cable sent to GALT. Mr. BURKE also made available a blank Superior Bulk Film Company check drawn on the Merchandise National Bank, Chicago, which is similar to the refund check sent to GALT. The check would be signed either ARTHUR FLANK or GUNNAR R. BURKE

GINGER LEE NANCE, nee CUNNINGHAM, 405 First Street, advised that she is presently employed by the Raynors Company, East River Road, Dixon, Illinois, telephone number 288-1431.

She further advised that she has been previously married to a CHARLES DAY whom she is presently divorced from.

NANCE stated that she and ANITA KATZWINKEL left Dixon, Illinois, possibly on the first Saturday or Sunday of May at approximately 3:00 a.m. in a 1961 Rambler, which was the property of her former husband, CHARLES DAY. NANCE further advised that she is not exactly positive of the date she left Illinois in the 1961 Rambler and stated it could have possibly been also sometime in March, 1967. NANCE and KATZWINKEL drove this car as far as Oklahoma City, Oklahoma, when the car broke down outside of Oklahoma City, Oklahoma, at a tollgate. She believes that when this car broke down, it was on a Sunday night at approximately 10:30 or 11:00 p.m.; however, she cannot recall this date. NANCE stated that the car had radiator trouble and that they had been experiencing this difficulty for approximately 15 miles prior to the car's breaking down and that during this period of time, they had met two white males driving a 1957 or 1959 blue and white Ford station wagon bearing unknown California tags. NANCE stated that when the car subsequently experienced mechanical difficulty and it was apparent they could not drive it any farther, they left the car at this tollgate in Oklahoma and continued on to California with the two white males in the Ford station wagon.

NANCE stated that one of the two white males was known as MAX, last name unrecalled, and is described as approximately 35 years of age, 5'7" tall, 175 pounds, light colored hair possibly worn short, having unknown tattoos possibly on both arms.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

NANCE stated that the other individual traveling in this Ford station wagon was identified as the brother of MAX, who is described as approximately 5'10" tall, 30-35 years of age, younger than MAX, black hair, approximately 140 pounds, smaller in stature than his brother, hair worn straight back, cannot recall whether or not it was parted. NANCE stated that she believes the brother was from an unknown community in Wisconsin. NANCE stated that in her estimation, MAX's brother was rather good-looking and that it was her understanding that he had had domestic problems with his wife and this was possibly the reason they were going to California.

NANCE stated that she had very limited conversation with these two individuals and that generally the conversation was between MAX and his brother. NANCE stated that she does recall that MAX told her he was employed as "a patrol cop" in San Diego, California; however, she observed no guns or badges. However, she did see a hat which was blue in color which had a badge attached to it which was silver. The Federal Bureau of Investigation shield was displayed to NANCE and she advised that except for the color and the eagle appearing on the top of this badge, the shape of the shield appears similar to what she observed on this hat. NANCE stated that they traveled straight through to California only stopping for gas and that they generally stopped at gas stations which she believes to be known as White Rock. NANCE estimated that they arrived in California possibly around 11:00 p.m. Tuesday night, date unrecalled, and that after arriving in California, she called her father, BRIAR CUNNINGHAM, 8811 SK 64 Park Street, Bellflower, California, at possibly telephone number 633-1359. She does not feel that this number is presently operating. NANCE stated that her grandmother, MARY BLACKWELL, resides at 811-20 Park Street, Bellflower, California, telephone number 634-6970. NANCE's father then met NANCE and KATZWINKEL at an unknown bus station possibly the Greyhound Bus Station in San Diego, California. According to NANCE, this was the last time they saw MAX and his brother and that she does not know where they resided in San Diego and that she did not furnish them her name and address in either California or Illinois.

- D -

NANCE stated that her father then drove them to her residence where they spent the night and subsequently, transported them to Los Angeles, California, the next morning.

According to NANCE, they took up residence at the Palms Apartment, exact address unknown, Sunset Boulevard, Hollywood, Los Angeles, California. NANCE stated that the reason she went to this location was that she and KATZWINKEL knew that a friend of theirs from Illinois, SUE HARRIS, was residing at this address. NANCE and KATZWINKEL obtained their own room at this apartment the number of which she cannot recall at this time and she estimated that she stayed at this apartment approximately three weeks.

NANCE stated that she and KATZWINKEL then moved to 1535 Serrano; however, she cannot recall the apartment number at this time and that she estimates she resided at this apartment approximately 1½ months. NANCE stated that she believes she departed California in June of 1967, sometime around her birthday which is June 5 and that she left this apartment, possibly leaving behind some of her personal effects. She stated that she hitchhiked from Los Angeles to a truck stop known as "Little America, which is 75 miles outside of Cheyenne, Wyoming, where Routes 88 and 33 intersect." She stated that she met her boyfriend, JIM LEEHY, of Dixon, Illinois, at this truck stop and that they continued to hitchhike together from here to Dixon, Illinois. She estimated that they had eight separate rides, none over 300 miles, mostly with truck drivers in their vehicles. She cannot recall at this time riding in a Mustang. NANCE definitely stated she never wrote her name and address on any paper and furnished this to any individual she met while traveling to Dixon, Illinois.

NANCE stated that while she was in California, she dated a VINCE (Last Name Unknown), exact address unrecalled, Los Angeles, California, telephone 469-5811, Extension 125. She stated that this is possibly a hotel but she does not know for certain. She believes this individual was an IBM operator, employment unknown. According to NANCE, she met this individual at the Vagas Club during the period of time she lived at the Palms Apartment and that this Vagas Club was in the immediate area where she resided. NANCE described

this person as a white male, approximately 30 years of age, 5'5" tall, 130 pounds, dark hair and eyes, hair worn straight back and believed to be of Italian extraction. NANCE stated that she has never written her name and address and given it to this individual.

NANCE also advised that while in California, she also dated a second individual known only to her as "RED" whom she also met at the Vagas Club, Sunset Boulevard, Hollywood, California, and that she met this person at the time she was residing at the apartments on Serrano. She described this person as a white male, approximately 28 years of age, 6' tall, 170 pounds, red hair worn short, straight back but in a crewcut. She stated that he resided at an unknown apartment house in Los Angeles at telephone number 662-5226 and that he is possibly employed as an electrician at an unknown factory. NANCE stated that she also did not give her name and address to this individual.
