and Bureau telephone call to Cleveland, 4/26/68.

MARY CHORTOS was personally contacted on 4/26/68
and receipt of her letter at the Bureau was acknowledged.

On 4/23/68 CHORTOS advised that she had observed a
white male resembling subject RAY the previous day sitting in
a 1966 blue Cadillac bearing Missouri license plates which
was parked in the Fulton Shopping Center at Fulton and Memphis
Roads. She stated that the license plate bore numbers PS 6
and that she could not remember the other numbers. She
stated that this individual was sitting on the passenger side
of the car and as the complainant looked at him he slouched
in the seat. At the time of the telephone call, she stated
that she was quite excited and could not remember what
apartment she lived in; whether it was 231 or 213. She stated
she had no other information to furnish and did not indicate
that she desired to see an Agent.

On both 4/24 and 25/68, the parking lot at the
Fulton Shopping Center was checked between the hours of
11:00 a.m. and 12 noon, the time that she had indicated she
had seen the automobile. Fulton-Memphis Shopping Center is
a large shopping area and the traffic is very considerable

throughout the day.

Mrs. CHORTOS was interviewed on 4/26/68, at which time she stated that after she had thought about this matter and visualized the car she realized from her visualization that the car had not been blue at all but was green and further that the license plate number was PS 633 or PS 655 followed by an additional four digits. According to CHORTOS, this made the plate two letters and seven digits. She stated that ~~there~~ there was a Missouri plate and that the color was white on green.

Mrs. CHORTOS stated that her only glimpse of the subject was when she drove by the car and observed a portion of his profile from eyes down and for a moment full face when he looked in her direction. She did not see all of his face but she stated she did see his nose and that part of his face. She recalled that there was a long strand of hair hanging down by his eye. She could furnish no other description except to state that she thought he was quite handsome and could not guess his age as she "can't tell ages." She stated that her attention was drawn to this matter because of the fact that there was a Missouri license plate on the car and the next day she observed the picture of subject RAY in the Life magazine and because he slouched down in the seat. As Mrs. CHORTOS stated, she could not understand why he would slouch down in the seat when she looked at him.

Mrs. CHORTOS stated that she had written to the Bureau rather than call the Cleveland Office of the FBI because she realized that the Agents were so busy. She stated she had never met an FBI Agent before and really wanted to talk to one. She said she was very disappointed when an Agent did not come out to her house right after she had called and in fact she "cried a little."

The Agents explained to Mrs. CHORTOS that they were most appreciative of her information and had not realized that she expected to be personally contacted and that the Agents had acted in accordance with the value of the information, in immediately checking out the area indicated by her. Mrs. CHORTOS indicated that she was very pleased to have been of some assistance and was quite thrilled to have met some representatives of the FBI and indicated that if she had anything ^{to furnish} to furnish, she would immediately call the Cleveland Office of the FBI.

CV 44-565

Mrs. CHORTOS resides with a lady companion, both of whom are about 50 years of age. Mrs. CHORTOS has very heavy masculine features and was wearing a man's black sweatshirt and black pants when contacted by the Agents. It is the impression of the Agents that Mrs. CHORTOS was undoubtedly sincere in calling the Bureau, but may be experiencing some emotional problems. In view of the vague and highly questionable accuracy of the information furnished by her, Cleveland is hereby resending the lead set out to Kansas City by re IO airtel to check the Bureau of Motor Vehicles for Cadillacs bearing PS 6 plates.

Re. memo of SPC MICHAEL BACA.

On April 24, 1968, HOWARD and MYRTLE PORTER were contacted at their residence, 1329 North Route #7, Pierpont, Ohio.

They advised that on April 19, 1968, between 2:30 p.m., and 3:30 p.m., they observed a person hitchhiking on Route #7 in front of their home. When they observed him he was about 100 to 150 yards away from their home and part of him was hidden by an embankment. The writer looked out of this window and noted that it would not be possible to observe more than the upper portion of the subject's body from this point. It would not be possible to distinguish any facial characteristics. Although Mr. PORTER did not show the effect of alcohol at the time of the contact he admitted to being an alcoholic, as he stated the man in front of his home looked like an alcoholic and he knew what they looked like since he was one.

MR. & MRS. PORTER advised that after this person left the area they observed a news broadcast on TV and thought that the person in front of their home resembled the photo of GALT shown on the TV set. They described the person in front of their home as follows:

Race:	White
Sex:	Male
Age:	45-57 - Looked older than Mr. PORTER who is age 50 but looks older due to hard life as an Alcoholic.
Height:	5'6" - 5'8"
Weight:	160-180 #
Build:	Stocky
Complexion:	Ruddy
Hair:	Dark brown, possibly curly & Grey sideburns
Clothing	Brown suit coat and blue or grey work pants, no hat.

Upon further questioning they stated that they had to guess at the height and weight since they could not see the portion of the persons body below the middle of his chest. They were shown a photograph of GALT, and advised that this person was definitely older than GALT, his shoulders were larger suggesting a stocky build.

Due to the distance involved it is felt that they could not possibly identify anyone. It is also noted that items of identification furnished by them would not be possible to observe from the distance ~~may~~ involved between their observation point and the place they indicated he stood at the time of their seeing him, therefore no further investigation is being conducted.

Reference: MM airtel to Bureau dated 4/11/68
re shipment from A.L. Garber Co, Ashland,
Ohio to Pittsburgh Plate Glass Co, Miami.

On 4/24/68, DEAN STEWART, VP in charge of Administration, A.L. Garber Co, Union St, Ashland, Ohio made available the original yellow copy of the packaging slip pertaining to order No. 52360. He verified the fact the order as described on the slip was sent to the shipping department on 4/4/68 and shipped from the company on 4/5/68.

STEWART explained all orders are written up on such packaging slips, pointing out the original copy maintained at the company is yellow. The copy is perforated so that after the order is filled by a packer, the bottom half of the copy can be torn off and sent along with the order to the customer. The top half of the packaging slip copy is also kept at the company in the shipping dept.

In the lower left hand corner of the original and the bottom half of the copy is a space provided for the packers clock number. However, in viewing the original copy of this shipment, he noted the clock number does not appear. STEWART stated the employees in the shipping department have been careless as of late in writing in their clock numbers and only recently orders have been issued to these employees to be sure they write in their respective numbers when packing an order.

In examining the xerox copy of the packaging slip as provided by Miami Division, STEWART felt the clock number that appeared thereon was 463. In checking, this clock number was found to be that of GEORGE CHARLES GRAY, age 19, born [redacted] *Lodi, Ohio*, who was hired on 5/10/67. He noted GRAY has been working in the bindery department as a packer since 2/26/68. When hired he lived at RD 2, Jeromesville, Ohio and was single. Memo, SAC
44-565

In examining the application for employment as filled out in GRAY's handwriting and printing, it was observed by the writer that there appeared to be several letters which had some similarities with that printing as appears on the note in question.

After determining the information as shown above, it was determined by STEWART that GRAY had gone home after completing his shift, but it was expected he would return on 4/25/68.

Efforts made by the writer on 4/24/68 to locate GRAY at his home. 514 Ohio St, met with negative results.

On 4/25/68, GRAY was contacted and interviewed at the A.L. Garber Co. Upon being shown the original copy of the packaging slip in question, he readily admitted the handwriting thereon itemizing the items shipped was written by him, and also admitted the order was filled and packaged by him. He was then shown the copy of the note ~~xxxx~~ written on the small piece of paper apparently torn from the copy of the packaging slip that was shipped with the package, and he readily admitted writing the note. This note reads: "DR REV. MARTIN L. KING will be dead by 4/14/68".

When asked why and when he wrote the note, GRAY said he wrote the note on 4/5/68, the day after the assassination, during his first break period about 10:00 AM. He said he planned to play a joke on his fellow worker, ROGER DOVE, who also works in the bindery dept, by showing him the note, hoping DOVE had not yet heard of the murder. He said he planned to say at the time he would have shown DOVE the note he knew the murder was to take place, and make it appear to DOVE he was "really in the know". However, he did not go through with this prank as he was side-tracked by someone else calling him and thus he never approached DOVE. He said he had torn the note from the copy of the packaging slip, and did not intend to send the note with the package. He said he did not realize he had sent the note with the package until the time of the interview. He said he would never have sent the note along with the package on purpose as he realized this would have caused some reaction. He insisted he did not know the note was in the package and was at a loss to understand how it got in the package. He suggested the note probably got stuck to one of the inside packages without his noticing it.

GRAY insisted he did not send the note along with the package on purpose to see what reaction it would cause as he would not do such a thing. He said he was sorry for any trouble or time consumption his backfired prank caused and said he definitely did not have any advance knowledge of KING's murder. He said he does not know the suspect, RAY, and has spent all of his life in the Ashland area.

Memo, SAC
44-565

When asked if he had ever been in trouble with the law previously, GRAY admitted that when he was 14 or 15 years of age, he was arrested for stealing property from the grade school he was attending. He was given one year probation and placed on a farm in West Salem, Ohio (12 miles from Ashland). He noted he no longer is on probation.

Further, he also admitted that when he was 17 he was picked up by the Mansfield, Ohio PD on suspicion of burglary. However, he claimed he was cleared of the suspicion after his fingerprints were taken and eliminated as being identical with those prints found at the scene. GRAY denied any other arrests.

On 4/25/68, Sgt DONALD MULLIN, Ass't Identification Officer, Mansfield, Ohio PD stated GRAY was arrested under Mansfield PD No. 13236 on 10/22/66 for investigation of ransacking cars. He was fingerprinted and mugged and released the same date, noting he was a juvenile, age 17. Sgt MULLIN pointed out it was the practice at that time of the Mansfield PD under supervision of former Ident'n Officer CARL E. BEARD, to print and mug juveniles, but to not forward the prints to the FBI, unless some specific reason arose to do so. In checking further, MULLIN located the prints of GRAY on file at the Ident Bureau of the Mansfield PD and stated they would be made available if needed.

In view of the above, and since there appears to be no violation of FBI jurisdiction, no further investigation is being conducted re this matter unless specifically instructed to do so.

He said he did not realize he had sent the note with the package until the time of the interview. He said he would never have sent the note along with the package on purpose as he realized this would have caused some reaction. He insisted he did not know the note was in the package and was at a loss to understand how it got in the package. He suggested the note probably got stuck to one of the inside packages without his noticing it.

GRAY insisted he did not send the note along with the package on purpose to see what reaction it would cause as he would not do such a thing. He said he was sorry for any trouble or time consumption his backfired prank caused and said he definitely did not have any advance knowledge of KING's murder. He said he does not know the suspect, RAY, and has spent all of his life in the Ashland area.

When asked if he had ever been in trouble with the law previously, GRAY admitted that when he was 14 or 15 years of age, he was arrested for stealing property from the grade school he was attending. He was given one year probation and placed on a farm in West Salem, Ohio (12 miles from Ashland). He noted he no longer is on probation.

Further, he also admitted that when he was 17 he was picked up by the Mansfield, Ohio Police Department on suspicion of burglary. However, he claimed he was cleared of the suspicion after his fingerprints were taken and eliminated as being identical with those prints found at the scene. GRAY denied any other arrests.

On 4/25/68, Sergeant DONALD MULLIN, Assistant Identification Officer, Mansfield, Ohio PD, stated GRAY was arrested under Mansfield PD #13236 on 10/22/66, for investigation of ransacking cars. He was fingerprinted and mugged and released the same date, noting he was a juvenile, age 17. Sergeant MULLIN pointed out it was the practice at that time of the Mansfield PD under supervision of former Identification Officer CARL E. BEARD, to print and mug juveniles, but to not forward the prints to the FBI, unless some specific reason arose to do so. In checking further, MULLIN located the prints of GRAY on file at the Identification Bureau of the Mansfield PD and stated they would be made available if needed.

In view of the above and since there appears to be no violation of FBI jurisdiction, no further investigation is being conducted re this matter, UACB.

DATE: April 29, 1968

FROM : SA HAROLD E. WEIDA

SUBJECT: MURKIN

On April 18, 1968, DAVID H. FOSTER, Funeral Director, Spikers Funeral Home, 710 West Tuscarawas Street, Canton, Ohio, advised that on the previous evening he had met with his stock club at Dick Logan's Restaurant in Canton and at about 9:45 p.m., he and another member, Attorney DON STEINER, had proceeded to the Cabaret Bar located across the street from Logan's Restaurant. As they were sitting at the bar, another patron, whom he described as 36 to 38 years of age, white male, brown wavy hair, good looking, well dressed, wearing cuff links and a black onyx ring on his right hand and a wedding band on his left hand with neat appearing nails and hands, who was approximately 5 feet 10 inches, 160 pounds, struck up a conversation with them and stated that he was a psychologist teaching at Kent State University (KSU), and further stated that he was from the Akron, Ohio, area and subsequently stated the Alliance, Ohio, area. Mr. FOSTER stated that the man introduced himself as Dr. ORDIN T. PILT or TILT (ph). He stated he noted the man was drinking VO and water and further commented that he had received his B.S. degree from Toledo University and his Doctor's degree from the University of Michigan.

FOSTER stated that the following morning he had observed a photograph in the newspaper of ERIE STARVO GALT and thought there was some similarity in the appearance of the photograph and the man he had seen in the bar.

Mr. FOSTER was questioned as to whether he noted any special peculiarity and he stated he did not, that the man's conversation indicated that he was probably a midwesterner or a native of that vicinity. He added that the barmaid, LINDA, had served this patron and also suggested that Mr. STEINER may have made some observation regarding this individual.

LINDA FARKAS, 1220 Wertz Avenue, SW, Canton, Ohio, was contacted at the Cabaret Bar and stated that she had had a telephone call from Mr. FOSTER regarding the patron who had been in the bar the previous night. She stated that she did not feel that he resembled the photograph she had seen of ERIC STARVO GALT which appeared on TV the previous night. She stated that she recalls the man had said his name was ORDWAY T. PELT (ph) and had insisted that he be called DOC. She said that he had asked her to dance; however, she had refused and he had also asked her for a date to go bowling, but she again refused. He inquired as to where "the action was in Canton", indicating that he was not familiar with the area, however, he also mentioned that he was from the Alliance and Akron, Ohio, areas. She said that she recalled that he drank VO and water and left after a short time in the bar. She described him as approximately 30 years of age, white male, light brown hair, blue eyes, 5 feet 8 inches, slight build, wearing a shirt open at the neck and a suit, wearing a wedding band, and she did not think that he appeared identical to the photograph of GALT.

On April 18, 1968, DONALD STEINER, Attorney, was contacted at his office in the Harter Bank Building and stated that he had been in telephonic contact with DAVID FOSTER, a member of his stock club, and they had discussed the individual they had seen at the Cabaret Bar the previous evening, and what resemblance he may have had to ERIC STARVO GALT. Mr. STEINER stated that he was embarrassed to have had Mr. FOSTER suggest that possibly the patron was identical with GALT inasmuch as he did not feel that the person was identical although there was some similarity in his appearance. He stated that during the conversation that this patron had introduced himself as Dr. PEEL (ph) and that he was a psychiatrist and teaching psychology at KSU. He stated he was in the presence of this man approximately $\frac{1}{2}$ hour and described him as a white male, 40, dark hair, medium to slight build, 5 feet 10-11 inches, 170-175 pounds, and no noticeable rural accent to his speech. This patron indicated that he was familiar with the writings on psychiatry and Mr. STEINER questioned him about special writings and he acknowledged that he was familiar with them. He also
