In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

Unidentified dead for the period beginning 4-5-68; and if fingerprints on such dead are maintained, they should be compared with those on the Identification Order on Ray in order to effect identification or nonidentification. This should be handled in the normal course of business and only reasonable investigation should be pursued along these lines.

The Identification Division has placed an appropriate stop on unidentified deceased inquiries it may receive. If feasible, appropriate offices and Legats, Mexico City and Ottawa should place similar stops with appropriate state, local or national agencies in your territories.

USA WILLIAM W. JUSTICE had previously advised the PO Inspector, Paris, Texas, had filed mail fraud charges against PHILLIP B. PERKINS and JOHN HENRY MAYS concerning a 3 Card Monte swindle they pulled in Paris 3-22-68, however it appeared additional information would be necessary if prosecution was to be successful.

On 4-2-68 informant advised MAYS had told him about the above arrest, and confided they had been accompanied by BILLY COON of Dallas, who operates a motel off Forrest Street in Dallas. COON had escaped undetected by the police, and had left the other two stranded without a getaway car. Informant described the workings of this particular type swindle.

On 4-16-68 Informant advised that on 4-8-68 PERKINS and SOL BLOODWORTH, JR., of Marshall, had been arrested in Shreveport, La by local officers while in the process of pulling a 3 card Monte swindle. PERKINS was carrying a pistol, and had a quantity of play money used in the swindle. PERKINS was charged with carrying a pistol, and was released on bond, but BLOODWORTH was still in jail.

On 4/2 and 4/17/68 the substance of the above information was furnished USA JUSTICE. FD-159 submitted.
