On 5/2/68 Mrs. A. M. WITTEN, 901 Dabney, Corpus Christi, Texas, advised as follows:

She was formerly employed by Liberty Mutual Insurance Company, 4th Floor, Milam Building, San Antonio, Texas. This company had in its office an album of professional insurance claimants, which she believes was compiled and maintained by Southwest Index Bureau. Recently upon seeing newspaper and television photographs of subject, it seemed to her she had observed a photograph in the album of professional insurance claimants at the Liberty Mutual Insurance Company office which was that of subject, or someone who looked very similar to him. Further, she thought possibly the name JAMES EARL RAY was included in the above index and album.

FBI loses some of its shine

The hunt for the assassin of Dr. Martin Luther King Jr. has taken some odd turns, and one of the more unusual ones is the way the Justice Department and its agency, the Federal Bureau of Investigation, have been behaving.

Immediately after the killing Atty. Gen. Ramsey Clark exuded optimism about an arrest. "We are very close," he said. A few days later he said he hoped to provide a picture of the suspect. But it was not until a week after the murder that the FBI inadvertently disclosed the name of Eric Starvo Galt.

And so it has gone since April 4. Clark's optimism has faded, and the FBI has seemed almost intent on keeping the public confused.

The FBI's image as the smoothest man-hunting agency was tarnished by the length of time taken to identify the fingerprints of Galt as those of ex-convict James Earl Ray. It was 15 days after the assassination. In question is

whether it really took that long or whether the FBI was withholding the information.

It was not until Sunday that the FBI put Galt or Ray on its most wanted list. The success of the list in apprehending wanted persons over the years has been good. It is hard to understand why the description and photo of Galt were not released as soon as they were uncovered.

The FBI could never be accused of being loose-lipped, but the most wanted list was a creation of its director, J. Edgar Hoover. He has always been proud of the role it has played in apprehending those unfortunate enough to be listed.

We wonder if the recent policy adopted by the American Bar Assn. against pre-trial publicity has unduly influenced the FBI. If this is the case, the results are plain enough. The public linking of Galt and Ray was made about two weeks after the killing, and no one has yet been apprehended.

MEMO

April 26, 1968

FROM THE DESK OF
MAURICE A. HARR,
CAPTAIN
CRIMINAL INVESTIGATION

Attached is a memo received
from Los Angeles last week
with reference to James Earl
Ray & our translation.

4-21-68

FROM: Los Angeles, Calif.

MEMO: Galveston Police

1. James Earl Ray loves Western & terror pictures. His favorite movie place in L.A. was Cameo Theatre on S. Bway. He has sat besides me several times in the movie but I never knew he was wanted*.

* Wanted men are posted so high in post office that they aren't really easy to see. Didn't spot him because of it. This man likes the sea; always a different green grass, glamour & color, and a warm atmosphere. The answer is Galveston - a colorful place. It would be nice if you would get him; good publicity, too.

2. He will be found in such movie theatre; not high sounding ones, like Paramount, etc. He was there only in afternoons until dark. I noticed him as he appears unassuming, quiet, not troublesome. These are reasons he has not been apprehended.
