To: **FBI, Memphis (44-1987)**
Re: **MURKIN
CR**

Date: **April 22, 1968**
FBI File No. **44-38861**
Lab. No. **D-561203 JK**

Specimens received **4/19/68**

**Q247 Eastern Airlines ticket envelope for Flight 399/Y,
Atlanta to Memphis, furnished by DANNY BATES**

**K168 One 3 x 5 card bearing purported known handwriting
of JOHN WILLARD**

Result of examination:

It was concluded that the writings on K168 and the writings on specimens attributed to Eric S. Galt were not prepared by the same individual. Differences were noted between the writings appearing on K168 and the "Harvey Lowmyer" signature but because of the limited questioned material and the lack of comparable letters and letter combinations in K168, a definite opinion was not reached as to whether these were prepared by the same person.

Nothing of significance was noted as a result of an examination of Q247.

Specimens Q247 and K168 have been retained. These specimens were photographed.

2) 3 x 5 card recording contact sale made by JOHN WILLARD in approximately May, 1967 or June, 1967. Handwriting of WILLARD is on the face of card.

The Bureau is requested to advise Atlanta, Memphis and Birmingham of the results of examination.

Results of examination:

Group "O" human blood was identified on Q76, Q77, Q78, Q79 and Q83.

Human blood too limited in amount for grouping purposes was found on Q82, Q84 and Q85.

Preliminary chemical tests for blood indicated the possible presence of blood on Q80 and Q81. However, there was an insufficient amount of material on these items to permit the necessary additional chemical tests to definitely establish the presence of blood.

On 4/15/68, JIMMIE D. GARNER, Roominghouse Manager of the roominghouse located at 113 14th Street, N. E., Atlanta, Georgia, made available an unopened envelope with certain handwritten and handprinted notations thereon.

GARNER advised that when ERIC S. GALT obtained a room at this address, he had GALT write his name on the envelope. It is noted that the handprinted name ERIC S. GALT appears on the envelope and, according to GARNER, this handprinting was prepared by GALT himself. Other handwritten notations on the face of the envelope were, according to GARNER, prepared by himself. It is noted that this is the only written record available to confirm GALT's presence at this address.

Result of examination:

It was concluded that the hand printing appearing on the Q215 envelope was prepared by the individual responsible for the preparation of the hand printing on the Locksmithing Institute Enrollment Form and the Superior Bulk Film Company order blank which were previously submitted in this matter.

No significant indented impressions were noted on this envelope.

Except for the word "broult" it was concluded that the questioned writings on Q118 (torn "Kleenex box") were prepared by GINGER NANCE, K35. Similarities were also noted between the word "broult" and the known writings of NANCE but the lack of known writing precluded a definite opinion from being reached.
