Enclosed for the Bureau are six copies of LHM for transmittal to the Legat, Ottawa.

This LHM contains a letter received 5/17/68 by the Memphis PD, Memphis, Tennessee, which was immediately made available to the Memphis Office. The envelope in which this letter was received was inadvertently destroyed by persons at the Police Department, however, they are certain that it had a Montreal, Canada postmark.

The Memphis Police Department intend to take no action regarding attempting to contact the writer of this letter, and it is suggested that Legat, Ottawa make necessary efforts to contact the writer in an effort to identify the person whom the writer believes may be identical with subject RAY.

Q348 Accompanying sheet of white paper bearing typewritten message dated April 17, 1968, beginning "This may be the..." and signed "Eric S. Galt"

Result of examination:

Specimens Q347 and Q348 were searched through the appropriate sections of the Anonymous Letter File but could not be identified with any prior submissions to this file. The watermark "Four Star Bond Southworth Co. USA 25% Cotton Fiber" appears on Q348. The Southworth Company is located in West Springfield, Massachusetts. No indented writing or other identifying features were noted on Q347 and Q348 which might indicate the immediate source of these two items. The type-writing on Q347 and Q348 is not identical to that on other typewritten items which emanated from "Eric S. Galt." The signature on Q348 bears a pictorial resemblance to other signatures in the "Galt" name appearing on items previously submitted; however, the poor line quality and the presence of certain characteristics indicate that the signature on Q348 was not prepared by the subject, James Earl Ray. The typing habits, spelling, grammar, etc. of Q348 differ considerably from these features of previous Galt material.

Q347 and Q348 will be returned separately. Photographs were made.

Enclosed is a letter and envelope addressed to Rev. HAL LLOYD, United Presbyterian Church, Germantown, Pa., dated 4/17/68, bearing the return address of Cloud 13, Pueblo, N. Korea, signed ERIC S. GALT, and bearing the postmark of Mansfield, Ohio, p.m. 4/23/68.

Mr. SHERMAN A. HARMON, who resides 134 West Upsal Street, Philadelphia, Pa., and who is employed with the Philadelphia Redevelopment Authority, 54th and Haverford Avenue, Philadelphia, made available the above letter and envelope about which he advised as follows:

On Easter Sunday, 4/14/68 Rev. HAL B. LLOYD, Pastor, Germantown Presbyterian Community Church, Green and Tulpehocken Streets, Philadelphia, Pa., made a sermon which was televised to several states. Since that time LLOYD has received numerous letters in response to his sermon, some of which were complimentary and some of which were uncomplimentary. These letters concern the present conditions of the Negroes in this country.

HARMON was reviewing some of these letters for LLOYD and noticed that one of the letters was signed ERIC S. GALT.

The bullet which was previously submitted by the Atlanta Office as having been removed from the body of Robert Joseph Dunaway consisted of a portion of the lead core from a metal jacketed bullet. No barrel markings of the type necessary for identification of the weapon from which this bullet was fired are present on this bullet. Therefore, no comparison between this bullet and the test bullet in K275 is possible.

There are no specimens in the National Unidentified Ammunition File which could have been fired from the same weapon as the test bullet and cartridge case, K275.

No previous record of the weapon represented by K275 was located in the National Stolen Property Index or the National Crime Information Center.

Specimen K275 is being returned to Atlanta herewith.

Re Atlanta letter to Bureau, 5/8/68.

Enclosed for the Bureau are .380 bullet fired from a .380 Remington UMC Automatic, SN PA18949, and a .380 cartridge case fired from the same weapon.

The Bureau is requested to compare bullet with bullet forwarded by Atlanta in relet, which had been taken from the body of ROBERT JOSEPH DUNAWAY, FBI No. 841 310C.

The .380 Remington weapon was obtained by an official of the Atlanta Police Department (APD), from SAN BONMARITO, Kingston, Tennessee. BONMARITO claimed this weapon was registered in Michigan. BONMARITO, when interviewed by Police officials of the APD, admitted ROBERT JOSEPH DUNAWAY had stayed at his home from approximately April 6, until approximately April 28, 1968. BONMARITO claimed he had met DUNAWAY approximately one year before when DUNAWAY came to Kingston, Tennessee, and picked up SAN AGOSTA. AGOSTA at that time was evading service of a subpoena to testify before a State Grand Jury in Detroit concerning LCN activities.

The Bureau is also requested to compare bullet and cartridge with any bullets and cartridges in unsolved LCN murders on file.

The Bureau has received an anonymous religious greeting card the envelope of which bears the postmark Hoboken, New Jersey, and is dated May 17, 1968. Attached to the greeting card is a "Miraculous" religious medal and a message on this card implies that subject James Earl Ray could be located at an address in Memphis, Tennessee.

The handwriting and hand printing appearing on the envelope and greeting card were searched in the Anonymous Letter File but could not be identified with any prior submissions to this file, and no identifying features were noted on these two items which might indicate their immediate source.

The writings appearing on the envelope and greeting card were compared with the writings which have been submitted in connection with the MURKIN case but nothing of significance was noted.

The greeting card and envelope will be forwarded to the Latent Fingerprint Section for appropriate examination.

Q344 Deposit receipt dated 5/14/68 for \$5000.00, bearing the signature "William A. Marshall"

Result of examination:

Significant differences were noted as the result of comparing the "William A. Marshall" signatures on Q343 and Q344 with the known handwriting of JAMES EARL RAY, K171, K211 and K257, indicating that the questioned Marshall signatures were probably not prepared by Ray.

Because of variations within the limited questioned signatures a definite conclusion was not reached.

Q343 and Q344 are temporarily retained. Photographs were made.

Enclosed for the FBI Lab is one registration card of the Woodland Motor Court in name RICHARD B. MC GINNIS.

Local Thomasville, Georgia tourist court operator HARRY G. WICK initially contacted Thomasville Resident Agency 4/15/68, and advised a suspicious white male checked into his tourist court, the Woodland Motor Court, Thomasville, on 4/5/68 about 1:00 A.M. and departed following morning. White male driving 1966 white Ford Mustang bearing 1967 or 1968 Texas license FBC-848. White male described as about 32 years of age; 5'8", 160 pounds; muscular build and broad shoulders; sandy-colored hair. Subject's personal belongings only consisted of shaving kit and he left the following morning wearing the same clothes worn at time of entry. During registration this individual was very nervous and in attempting to reach assigned cabin, drove over sidewalk of motor court. Registrant did not appear to have been drinking, however.

WICK was subsequently shown Wanted Flyer of JAMES EARL RAY. WICK advised photo closely resembles suspicious person-but is certain registrant had light-colored, sandy hair and that this was his natural-colored hair inasmuch as approximately one day's growth of beard was the same color.

WICK made available registration card completed by above individual at time of registration 4/5/68, and advised that all handwriting appearing on this card is that of registrant's, with exception of letters "MUS" appearing above make of car and notations at bottom of card reflecting charges.

The FBI Lab is requested to develop any latent impressions of value on enclosed card and compare with known prints of JAMES EARL RAY. Lab is also requested to examine handwriting appearing on this card in effort to determine if identical with RAY's.

As the result of a search in the Anonymous Letter File, the writings on Q338 through Q340 have been identified with other material submitted to the Laboratory attributed to Robert P. Nothing of significance was noted between the writings on Q338, Q339 and Q340 when compared with the various writings which have been received in the MURKIN case.

In view of the incoherent nature of the material submitted, a copy of which has been enclosed for San Antonio, and the past mental history of Anderson, no additional examinations are being made.

The material submitted is returned to San Antonio.

No Laboratory report is being submitted.

it reads: "Be sure & put that letter you receive tomorrow in the mail box- Listen to nobody or call the F.B.I. office if anybody tells you not to." Card bore a 10¢ airmail stamp, cancelled.

Mrs. INGRAM at same time furnished an opened brown manilla, large size envelope, also bearing p.m., May 2, 1968, postmark and addressed to MAXINE INGRAM, which she identified as coming also from ROBERT P. ANDERSON, her former employer.

Inside this manilla envelope was a white legal-size envelope addressed: "Mrs. DEMPES, 8251 Burley, Chicago, Illinois 60617". The second letter in name DEMPES is not clearly legible.

None of the above-described card or envelopes bears ANDERSON's name or return address.

Review of San Antonio files reflects ROBERT P. ANDERSON known to Chicago Office, when he was considered as possible suspect in UNSUB; MURDER OF VALERIE PERCY, Kenilworth, Illinois, 9/18/66, POLICE COOPERATION, Chicago file 62-6435.

The following description of ANDERSON was obtained 8/1/68 from Bureau of Records and Communications, Chicago, Ill., Police Department:
