Enclosed herewith for the Bureau is a U. S. Post Office Form 1583 (Application for Delivery of Mail Through Agent), dated February 1, 1968, executed by ERIC S. GALT.

The Laboratory is requested to examine enclosure for any latent fingerprints which may be identifiable with JAMES EARL RAY and handwriting examination with other material previously submitted in this matter.

The enclosed was furnished to SA JOHN C. O'NEILL on 5/10/68 by Postal Inspector L. O. POINDEXTER, who advised that this form has been handled by postal employees and C. M. HEDGPETH, agent who received mail for GALT.

C. M. HEDGPETH has advised previously that he had received a telephonic inquiry regarding his services from ERIC GALT and it was explained to him that the service would cost \$3 per month; in addition, the subscriber to this mail forwarding service would have to pay all postage.

HEDGPETH stated that he forwarded all this information to GALT, c/o St. Francis Hotel, 5533 Hollywood Boulevard, Hollywood, California. GALT in return sent the amount of \$3 in cash and asked to be a subscriber from February 1, 1968 to March 1, 1968, and wanted all mail forwarded to the St. Francis Hotel in the name of ERIC S. GALT, ERIC S. or E.S.G. In addition, he was mailed Post Office Form 1583 to be completed by GALT so that HEDGPETH was authorized to act as GALT's agent. HEDGPETH stated that he has advertisements in the Los Angeles Free Press, avant-garde newspaper. It is to be noted that GALT also placed an advertisement in the Los Angeles Free Press. A review of postal records resulted in the receipt of the U. S. Post Office Form 1583 which is enclosed.

It is requested that enclosure be returned to the Los Angeles Office for return to Inspector POINDEXTER per his request for completion of his files.

Enclosed herewith for the Bureau is Gordon Hotel Registration Card No. 6960, in name of ERNEST S. GAULT.

On 5/7/68, Mr. JOHN R. MIZE, owner, - manager, Gordon Hotel, 211 Mitchell Street, S.W., Atlanta, telephonically advised that he, while going through his records, located a card in the name ERNEST S. GAULT.

On same date MIZE was contacted, at which time he turned over a registration card in the name ERNEST S. GAULT, 1911 W. 18th Street, Little Rock, Ark., indicating GAULT registered into Room 214 of the Gordon Hotel on 3/29/68, and checked out at 6:00 A.M., on 4/4/68. Mr. MIZE advised GAULT would have written out his name, address, city and state on the face of this card and the remainder of the writing would have been written by hotel employees.

DOUGLAS WATSON, Night Clerk, Gordon Hotel, advised he would have been the individual who checked GAULT out at 6:00 A.M., 4/4/68, as the initials "D.W." on the reverse side of this card were written by him. Mr. WATSON advised that the clerk checking GAULT into the hotel would have been ROGER SCHWALBIE, who is formerly from Parkersburg, W. Va., and who has since been fired by the hotel. Mr. WATSON advised he could not recall the description or any other details concerning ERNEST S. GAULT. He did advise GAULT stayed on the third floor of this hotel, which is a very transient type hotel and no other individuals who are presently guests of the hotel would recall GAULT.

It is to be noted this hotel is one of the lower class hotels in the Atlanta area and is frequented mainly by transients, winos and bums.

The FBI Lab is requested to compare handwriting on enclosed card with known handwriting of JAMES EARL RAY. Upon completion of examination, card should be returned to Atlanta and results of examination furnished all interested offices.

Paw Paw Laundry, Paw Paw, Michigan, advised that prior to
4/68, his company used the code similar to that contained
on pillow case and bed sheet found in vehicle registered to

one orange tape issued with this code on 1/25/68 which came
out of sub-station known as the Norge Cleaners, 1614 West
Main Street, Kalamazoo, Michigan. BUCHANAN informed this
was a bundle of six shirts belonging to one "GRIFFIN", 1206

Enclosed herewith is one handkerchief containing

It is requested that the FBI Laboratory compare

there is no direct comparison, the material may be destroyed.
It is requested that the results be furnished to Detroit and

MURKIN

As a matter of record, the Remington rifle, SN A17350 recovered in vicinity of the murder scene in this case was test fired for accuracy before this rifle was returned to the Memphis Police Department. With the telescope sight mounted on the rifle, as received, the point of impact of bullets fired at 25 yards was approximately 1 1/2" below and 1" to the right of the aiming point on the target. Where three shot groups were fired at 205' which was reported as the distance from which King was shot, the center of the groups was approximately 3" to the right and only slightly below the point of aim. The targets fired are being made a part of the Laboratory examiner's notes and retained in the Bureau's files in this case. It is pointed out that these data reflect the condition of the weapon when received in the Laboratory. It is possible that some misalignment of the telescope sight may have occurred when the rifle was abandoned by the suspect or in subsequent handling prior to receipt of the weapon in the Laboratory.
