AFFIDAVIT

DISTRICT OF COLUMBIA) ss:

JAMES H. MORTIMER, being duly sworn, deposes and says:

1. I am 42 years old and reside in Springfield, Virginia. I attended Miami University at Oxford, Ohio and the University of South Carolina and received a Bachelor of Science degree at the latter in 1945. I also attended the University of Cincinnati.

2. I am a Special Agent of the Federal Bureau of Investigation, and am assigned to the Laboratory of the Federal Bureau of Investigation at its Headquarters Office in Washington, D. C. I have been employed by the Federal Bureau of Investigation continuously since July 21, 1952, when I entered on duty as a Special Agent. After an initial training period of sixteen weeks at the Washington, D. C. Headquarters Office, I was assigned to the Pittsburgh, Pennsylvania Division for a period of eighteen months and then was transferred to the Washington, D. C. Field Office, where I remained until March 16, 1959, when I was assigned to the Laboratory. I have been employed there since then exclusively and full-time as an examiner of questioned documents. I received extensive training in this highly specialized field, working originally as an apprentice under an experienced examiner for a period of three years. I attended lectures delivered by experts in this field and read the extensive literature of the subject.

3. As an examiner of questioned documents, I have examined and compared numerous written, typed and printed instruments for the purposes of determining questions of identity, authenticity, and the like. I have examined and compared samples of handwriting in thousands of instances, and have testified as a handwriting expert in numerous trials in the federal and state courts.

4. On April 10, 1968, in the due course of business I received a sealed envelope which had been sent by registered mail from the Memphis Division of the Federal Bureau of Investigation. I opened the envelope and found therein a Registration Card labeled for the Vic Dupratt's New-Rebel Motor Hotel, bearing the written signature "Eric S. Galt." A photographic copy of the face of the Registration Card, which is a true and faithful reproduction of the original, is attached hereto and designated as Exhibit I. A photographic copy of the back of the card, which is a true and faithful reproduction of the original, is attached hereto as Exhibit II.

5. On April 22, 1968, in the due course of business, I received a sealed envelope which had been sent by registered mail from the Los Angeles Division of the Federal Bureau of Investigation. I opened the envelope and found therein, among other items, two original documents. One was a printed form headed "APPLICATION FOR SCHOOL ADM", bearing at the top and bottom the handwritten signature "Eric S. Galt." A photographic copy of that document, which is a true and faithful reproduction of the original, is attached hereto

as Exhibit III. The other document was a printed form headed "INSTALLMENT NOTE - INTEREST EXTRA," bearing at the bottom the typewritten and handwritten signatures, "Eric S. Galt" and "Tomas Reyes Lau." A photographic copy of that document, which is a true and faithful reproduction of the original, is attached hereto as Exhibit IV.

6. I have compared the handwritten signature "Eric S. Galt" on the Registration Card of the New-Rebel Motel in Memphis, Tennessee dated April 3, 1968 (a copy of which is attached as Exhibit I) with the two handwritten signatures "Eric S. Galt" on the application form (a copy of which is attached as Exhibit III) and with the handwritten signature "Eric S. Galt" on the installment note (a copy of which is attached as Exhibit IV). As a result of my comparison, it is my opinion that all four of the aforesaid handwritten signatures "Eric S. Galt" were written by the same person.

JAMES H. MORTIMER

Subscribed and sworn to before
me this day of June 1968.

I hereby certify that the attached three pages comprise the original affidavit of James H. Mortimer.
