

2025 RELEASE UNDER E.O. 14176

ONE OF THE BOYS—Marine Capt. Charles Robb, 28-year-old son-in-law of President Johnson, arrived in Da Nang yesterday for a year's tour of duty in Vietnam. He is assigned to the First Marine Division, about 340 miles north of Saigon.

LBJ's Health Is Discounted As Factor In Withdrawing

By ARTHUR J. SENDER
The Commercial Appeal-Corpus Christi Service

President Johnson's health would have permitted him to become a candidate for another term of office, two of his physicians said yesterday.

Dr. James C. Cain of Mayo Clinic of Rochester, Minn., said the President, who is 59, is in excellent condition. His cardiologist, Dr. J. Willis Hurst of Emory University at Atlanta, said Mr. Johnson has "had no trouble at all" since his heart attack in 1955 and there is no reason to believe he would be in any danger during the next four years.

While health presumably was not involved in the shaping of the President's decision, the physicians indicated that had they been asked for a medical opinion, neither would have hesitated to give his approval.

Some speculation on reasons for the decision, other than those Mr. Johnson gave, has involved concern over whether he could withstand four years more of burden.

Based in Boston where he is attending a convention of the American College of Physicians.

Postal Buildings Blocked In House

Union Station Complex Tied Up In Dispute

Plans to construct a nine-million-dollar Post Office complex on the Union Station site at 300 East Calhoun have been pummeled by a House subcommittee.

A jurisdictional battle between the White House and House Public Works subcommittee on public buildings and grounds has tied up plans for 25 Post Office facilities across the nation.

The Union facility would replace DeLoe and Davis stations, Butler Annex, and Post Office garage. Most of the new in the Main Street Post Office would be shifted to Calhoun when the new building is completed.

Without the approval of the subcommittee, headed by Representative Kenneth J. Gray (D-Mo.), Congress cannot put up funds for the projects. It is anticipated that the Johnson administration will back away from the battle and the projects will be cleared.

Plans for the projects were sent back to the General Services Administration by the subcommittee because of an administration stand that President Johnson, and not the subcommittee, should decide on the projects.

In Service In Vietnam

Fireman Ted Larry Morrow of 144 Madison Court has been awarded the Navy Commendation Medal with Combat V for his action when his boat came under enemy attack during a sweep in the Uong Tong Province.

Fireman Morrow, son of Mr. and Mrs. J. P. Morrow of Memphis, was serving as a gunner on the Navy-armed troop carrier when the attack came.

"The boat was one of the lead units, becoming a prime target throughout the harrowing mile-long passage between heavily fortified enemy positions ashore."

In the ensuing firefight, "the boat received three 86 rocket hits," the Navy reported. "Four members of the crew were wounded and the boat was severely damaged."

"But Fireman Morrow remained at his station throughout the engagement and laid down a continuous and effective counter-fire until the enemy fire was completely halted."

Fireman Morrow, who was graduated in 1966 from Treadwell High School, received the commendation medal March 22 from Capt. Robert S. Salter, commander of River Frolic One, after the boat was anchored in the My Tho River.

He was cited for returning "high volume of extremely accurate suppressive fire" despite a barrage of enemy automatic weapons, roundless rifle and rocket fire from as close as 30 feet.

Fireman Morrow entered the Navy in July, 1966.

Senators Say Offer By Hanoi Is Encouraging

By MORRIS CUNNINGHAM
Times Staff Writer

WASHINGTON, April 3. — Mid-South hawk and dove agreed Wednesday Hanoi's surprise offer to negotiate is encouraging, even though murky and unclear.

Senator John Stennis (D-Miss.), chairman of the Senate pre-arranged subcommittee and a leading hawk, cautioned that "it is impossible to know now what is meant by it certainly appears to be significant and encouraging."

Chairman J. W. Fulbright (D-Ark.) of the Senate Foreign Relations Committee and a

leader of Senate doves, said the North Vietnam offer is "certainly very important."

"It is quite different from the original rejection we have received on past occasions," Fulbright said he hoped there would be a cease-fire before any formal negotiations begin, but would not make this a precondition for talks.

Fulbright conceded he was wrong when he predicted in the Senate Tuesday that the new bombing restrictions imposed by President Johnson would prove of little consequence and would offer no incentive to peace negotia-

tion. He said Mrs. Fulbright had told him that he had talked too much. "She told me I should keep my mouth shut."

"We don't know whether this is a genuine overture or propaganda move to counter President Johnson's move, which had world appeal. Nevertheless, we must assume that it is genuine and serious and explore it and exploit it if possible."

"One thing I have cautioned about is a repetition of the the last-accepted Galt Strip. Pennington experience in Korea in which we lost more men-

during the talks than before the talks began.

"If there is to be a conference I hope a cease-fire will be a primary objective—not just cessation of bombing, but cease-fire in all respects by both sides."

There was very little speculation here on the possible effect of the Hanoi offer on the American presidential race. Gore said "it is too nebulous to have any effect at this time."

Israel Has Oranges
GAGA CITY, Egypt, April 3. — Citrus growers in Belvedere and Souda Junior High School, and Woodale, Ill., are expected to export one million crates of oranges this season.

Memphis Bands Rated Superior

Seven school bands received superior ratings in the West Tennessee band contest at Jackson, including five from Memphis.

The schools are Rickland Junior High School, Colonel Junior High, Christian Brothers High School, Memphis High School, and Central High School of Bolivar and Germantown High School.

Eighteen bands won excellent ratings. The Memphis schools in that category are High School, and Woodale, Ill., are expected to export one million crates of oranges this season.

APPLICANT

To obtain classifiable fingerprints:

1. Use printer's ink.
2. Distribute ink evenly on inking slab.
3. Wash and dry fingers thoroughly.
4. Roll fingers from nail to nail, and avoid allowing fingers to slip.
5. Be sure impressions are recorded in correct order.
6. If an amputation or deformity makes it impossible to print a finger, make a notation to that effect in the individual finger block.
7. If some physical condition makes it impossible to obtain perfect impressions, submit the best that can be obtained with a memo stapled to the card explaining the circumstances.
8. Examine the completed prints to see if they can be classified, bearing in mind the following:
Most fingerprints fall into the patterns shown below (other patterns occur infrequently and are not shown here):

1. LOOP

THE LINES BETWEEN CENTER OF LOOP AND DELTA MUST SHOW

2. WHORL

THESE LINES RUNNING BETWEEN DELTAS MUST BE CLEAR

3. ARCH

ARCHES HAVE NO DELTAS

Law-enforcement agencies using this card for pistol permits, licenses, etc., should indicate type of permit or position in space "COMPANY AND ADDRESS."

Department of Defense activities and contractors initiating this card will make no entries in "CONTRIBUTOR AND ADDRESS" and "NUMBER." Such entries will be made by the Department of Defense investigative agencies concerned. Department of Defense activities using this card for military personnel or civilian employees will enter designation and address of requesting activity in "COMPANY AND ADDRESS." Department of Defense contractors will enter contractor's name and address in "COMPANY AND ADDRESS."

The space "NUMBER" should contain the number designated for the particular case or code designation. The number appearing in this space will be quoted on answers to the fingerprint search.
