Mr President

I have never written the president before, but I think its time for someone to now! I would like to call to your attention a very serious problem that is vexing our wonderful country, while we sit by idle and let it happen. How can you speak of America being a "strong nation" and let a "dangerous" and "savage" man like "Martin Lucifer King" go around destroying cities and property, causing death and bloodshed every where he appears????????????????? Of course his tongue speaks great swelling words of vanity while his heart is full of lies. Yet you can't come up with a law that can stop such a "violent" creature? What is wrong with this great so called "strong" nation of ours. Could it be now that "black" holds - preminence over "white"?

0266

2. what has this man done to cast such a "spell" and covering over the eyes of the officials who govern our country? When all his followers, including "Adam Satan Powell" has boasted openly of "Black power" and their intentions to overcome the Government from within. This is the way the Communists will win. Can't the Leader of our country see through this?

Consider, Mr President, The Damage done in Memphis alone, not to mention Detroit and other like places this "evil" man has visited, what has one visit from him (King) cost the City of Memphis? The State of Tennessee as well as the Federal Government? Of which we the innocent public will have to pay for.

Why shouldn't he and his followers pay for all this damage since it's evident he caused it all?

3. Is it not evident to our leaders yet that this man is evidently "stirring" the black race up in his so called "non violent" march speeches? Who was the Dummy who gave him the Nobel Peace Prize? For what peace?? When and where did he bring "peace"?

Death and destruction follows every where he marches, yet he never stays around long enough to get in on the bloodshed.

Someone will kill this man soon when everyone gets enough and I say the sooner the better!

You can't even win the "war" at home much less abroad. Please Mr President do something about this "peace breaker" I beg of you before its too late to save our country. Innocent people are suffering because of this "wolf in sheeps clothing". God Bless you.
A Memphis Resident.

LONDON, S.W. 18.

Dear Sir;

I am at present in detention at the above listed address in London England. In the near future I will most probably be deported to the United States. The reason I am writing you is that you will probably dispatch agents to London to return me to the U.S. and I would like to have it on record now that I have no intention of making any oral statements nor that I have anything to hide but I would prefer to tell my story to a judge & jury. Therefore I would respectfully suggest you send someone with less imagination than Mr. Unison. I have also written my attorney Mr. Arthur Hones a similar letter. Sincerely
