"An exact copy of my letter
to 7 various officers as of yesterday,
Good Thursday, II-th of April, 1968

Coon Amen,
Harlem, New York.

Good Friday 12-th of
April, 1968

"TO WHOM IT MAY CONCERN:

"Please pass on to all the authorities wherever possible - to discontinue the search of a white man, as the killer of Martin Lucifer King, because the smart killer is right now in his own family. He is one of his own Civil Rights Urinators and a negro, not a white. I was among them myself in 1965, there were many young nuts, such as was I, and also many whites. However, God opened my eyes in Alabama, when I witnessed the behavior of our marchers under King's leadership. He was a devil's minister, taking all the money he could from the jews, and was doing his work under their leadership and demand. Those were communist jews.

"While marching in Alabama in 1965-it was in spring-we were instructed by King's advisers-red-rat-jews to do the following:

"A group of our negroes forced their way into a nice restaurant; on a given signal, all the negroes grabbed the sugar bawls off the tables, stood up and urinated into them, amid laughter, replaced the bals on the tables-MLK laughed approvingly.

"This is the reason why I, and many others, turned against him, and it was God's will that he was shot by one of his own disciples, a negro, not a white. Please stop all your sham broadcastings and grateful homage for that killed Martin Lucifer King - he was against our best President LBJ - for the nut hippie Bobby Kennedy, who hates the President because he was not appointed as Vice Pres. when his brother JFK was murdered the same way as was MLK. Senate should prohibit all marches at least for the duration of this war, and specially in our Capital. Now the white people are to be more against us for the crazy revolts, murders and damages.

JN 157-9586

Amen!

"Our hope is still in LBJ - God let him be again our President. The second best is HHH, but Hippie Bobby and his conspirators are politically just as good as dead. God save USA with LBJ all the way.
C. Amen.

-2-

"I am mailing the Police drawing of suspected killer of Dr.K. which appeared on page 2 in yesterday's Daily News, as a white man, who actually is a negro, but a brown one, made white with cream etc. - however, I made it with a crayon darker so they may find him in Atlanta in the King's family.

"You must understand that I cannot reveal my real name and address, although I actually do live in Harlen. Please do not hesitate to use my information, because it is God's truth.

"I am mailing 7 Of these letters to various places - why 7? Because yesterday was Good Thursday, the last supper of Jesus Christ, as a reminder of HIS seven words on the Cross:

'Into Your Hands I command my soul!'
'May your Easter be blessed!'

"Sincerely,

"Coon Amen, 23 years old"

The Identification Division is requested to process this letter for latent fingerprints and compare any prints located with prints developed in this investigation. Any prints developed should be compared with those contained in the single fingerprint section.

One copy of this communication is being furnished New York for information in view of their investigative interest.

Re Albany airtel to Bureau 4/11/68.

Investigation in this matter was conducted by
SA LEO S. BRENNEISEN:

Enclosed for the Bureau is a handkerchief containing 12 Thermo-Seal laundry markers from the Abo Laundry, 210-C Puuhale Road, Honolulu.

There are only eight Thermo-Seal machines but inasmuch as one machine delivered an "O" which was cut off, four specimens were obtained from this machine. One other machine, on first contact, cut off the "O" and therefore, two specimens were taken.

DORIS ABO, an employee of the office, advised that code "O2B-6" would have never been used by that laundry because the letter "O" would never come up first as their lot numbers start one and continue.

The specimens from Abo Laundry were placed on the handkerchief by CARMEN BASA, an operator of the Thermo-Seal machine. Mrs. BASA and GRACE ABO, supervising the Thermo-Seal machine operators, also verified that the code would not have come from the Abo Laundry.

There is also enclosed for the FBI Laboratory a partial sheet of paper containing three Thermo-Seal labels

ENCLOSURE

Dear Chief of FBI Hoover

If one of your men, not a white man were to hang out around the Black Muslim building in Watts, you would hear talk that Ron Karenga and Carmichael had hired a gunsel to kill Reverend King. Carmichael hated King because he would not go along with his idea of violence.

People here could tell plenty but they are afraid. In fact the killer is being hid out by Karenga in this area. He is not a white man but a Black man with bleached hair. I heard this told by some one who is a close friend of Karenga. I can not tell more as an Uncle Tom label on me would be my end too. A smart man of your office hanging out in disguise in Watts could find the key. One hears that Stokley thought the death of King would start a revolution by all the Blacks but we decent ones want only the right man caught.

An ex Muslim

REC'D - CIV RIGHTS
FBI

APR 29 1968

April, 13th, 1968.

Hon. Chas. Whalen Jr.,

Washington, D.C.

Dear Sir:-----

In the morning news, you are quoted as having said, "The FBI, has pursued King's assassin, in a manner,, that has hardly been assuring, to a tense, and troubled nation", and several derogatory statements, which makes one wonder if you know of any better way to get the job done than the way the FBI, is trying to get it done, together with other law enforcement officers of the nation--if so, quit speaking, and criticising, about something, which from your statements, you know nothing about, as a matter of course, in cases of this kind, with nothing to go on, except more or less rumors, different statements, will be made from time to time, as conditions, and circumstances, make it necessary, and if you know any better way to do it, it is high time you made it known to the FBI.

The FBI, is the finest institution of its kind ever produced in this country, and it is high time more of our people uphold them in their work, and not put interference in their way of helping enforce the law, as we see from some members of Congress, outside the statements you have made, which makes one think of the old adage; that if you want to know all about anything that amounts to anything, just ask some one who knows nothing about it, and he will tell you just how it should be done.

If constructive criticism cannot be made, it is a good time to make no statements at all, in particular, those which would be an interference, in the enforcement of the laws of our Country.

Most Sincerely,

L. H. Frazier
L. H. Frazier.

I have just received some statements, from people in town, of Wooster, Ohio, which coincides with mine.

I certainly appreciate your support and your kind comments regarding this Bureau, and I want to thank you for sending me a copy of the letter you enclosed.

Sincerely yours,

NOTE: Frazier is possibly identical with an individual who wrote in June, 1935, requesting a photograph and description of Alvin Karpis. His letter was acknowledged 6-11-35. Congressman Whalen (R. -Ohio) was elected 11-8-66 and we have had very little contact with him.
