REC 11

44-38861-1367

April 18, 1968

MURDER OF MARTIN LUTHER KING, JR.

SEE NOTE ON REVERSE SIDE

On April 17, 1968, the FBI filed a complaint before the United States Commissioner, Birmingham, Alabama, charging that Eric Starvo Galt and an individual whom he alleged to be his brother conspired to interfere with a constitutional right of Martin Luther King, Jr., namely, the right to freely travel from state to state. It was also charged that in furtherance of this conspiracy Galt purchased a rifle at Birmingham on or about March 30, 1968.

A .30-06 caliber rifle equipped with a telescopic sight was found near a Memphis rooming house immediately after the fatal shot was fired. The rooming house overlooks the motel room where Martin Luther King, Jr., was slain. The rifle has been traced by the FBI from the factory to a Birmingham dealer who sold it to Galt.

Galt has previously used the names of John Willard and Harvey Lowmyer. A white Mustang automobile purchased by Galt in Birmingham on August 30, 1967, was abandoned in Atlanta, Georgia, and was located on April 11, 1968. The odometer showed that the Mustang was driven more than 19,000 while it was owned by Galt.

Galt is known to have been in Memphis, Tennessee, on April 3 and 4, 1968. His prior movements have been traced to Los Angeles, New Orleans, Mexico and Canada. He has claimed to have been a merchant seaman and a cook on Mississippi River boats and seagoing vessels. He graduated from a bartending course in Los Angeles in March, 1968, and is known to have taken dancing lessons in Long Beach, California, from December, 1967, to February, 1968. He previously took dancing lessons in Birmingham during September and October, 1967, and reportedly took such lessons at New Orleans in 1964 and 1965.

SUBJECT: Investigation of Death of Martin Luther King, Junior

1. Your Bureau representative in Mexico City provided our representative with composite photographs of the suspected killer of Martin Luther King, Jr, and asked for a check against visitors to the Soviet and Cuban Embassies in Mexico City during the recent months.

2. Checks for persons appearing to resemble the composite photographs were negative at both Embassies. On 30 January 1968 an unidentified white male visited the Soviet Embassy but the description did not fit either the composite photograph or the description provided by your Bureau representative. However, our representative passed copies of the photographs to your Bureau representative with the notation that he did not appear to be identical with the Bureau suspect. Our representative further stipulated that any use of the photographs in an investigation should not reveal that the photographs were made in Mexico or by this Office.

This pertains to the photographs in possession of Life magazine, New York City, allegedly depicting a white man in attendance at a march with Martin Luther King, Jr., 's group. This white man is reported to resemble Galt.

On night of 4-18-68, Assistant Director John Malone, New York Office, called. He stated that they had talked to the people at Life magazine and viewed the photographs in question. The photographs were stills, 35 millimeter, and they were made on the night of 3-27-68, at a church in Newark where Reverend King was appearing. Mr. Malone said that the photographs of the white man in question were really too small to make an identification, but it appeared that the man was too old and too heavy to be the suspect. The New York Office also talked to Curtis Way, who made the photographs, and based upon information they obtained from him, they are setting out leads to Newark in an effort to identify this individual and run him down. *2*

Mr. Malone advised the New York Office was sending in a teletype tonight setting forth results of their contacts.
