 GALT.

Reference Chicago teletype to Director, Seattle,
 Buffalo, and Memphis, 4/17/68.

On 4/18/68, Mrs. ARLEAN FAY, Secretary to the
 Assistant Director in Charge of Investigations, Immigration
 and Naturalization Service (INS), 815 Airport Way South,
 Seattle, made available the file for MAURICE JOSEPH GALT.
 GALT has arrest record from 1959 through 1963 for offenses
 of false pretenses, theft of over \$50, and obtaining food
 by fraud. No violent crimes in his record.

Photograph of MAURICE JOSEPH GALT was obtained and
 is kept in Seattle file. There is no similarity with photo-
 graph of ERIC STARVO GALT since MAURICE GALT is 6' tall,
 and weights 220 pounds.

No relatives were listed in the INS file and
 Investigations Section states that they are not sure he has
 ever been in the United States.

No fingerprints were available in the file but can
 be obtained from RCMP, Identification Branch, Fingerprint
 Section #938 873. All crimes were committed in British
 Columbia, Canada.

Special Agent Gary McLeod of Secret Service stopped by the General Investigative Division today and mentioned that Secret Service was extremely interested in the activities of Eric Stavros Galt. McLeod stated he realized from the press release, a copy of which he had obtained, that there was probably very little information available at this time. However, he indicated Secret Service would certainly appreciate being furnished any information as the investigation progresses which would be of assistance to them in properly looking after their responsibilities in protecting the President.

Agent McLeod was assured this Bureau would, as we have in the past, make any information available to them which would be of interest to them.

Submitted for information.

Inspector in Charge Bishop called at 10:20 p. m. , 4-18-68, to advise he had received an inquiry from UPI concerning a report that USA at Kansas City had put out information that an informant of apparent reliability had stated that DePugh (head of the Minutemen) had ordered the assassination of King. Mr. Bishop advised that he had told the UPI representative "No Comment."

SAC Karl Dissly, Kansas City Office, was contacted regarding this by Extra-Duty Supervisor H. E. Helgeson. SAC Dissly stated there was an article appearing in the Kansas City paper tonight concerning legal proceeding presently underway against DePugh concerning the Federal Firearms Act case and that the statement above attributed to the USA was probably taken from a motion filed by the Government seeking to have an appeal of his conviction by DePugh dismissed and that the informant mentioned was an informant of ATTD.

ACTION:

SAC Dissly stated that the Kansas City Office was sending in a teletype setting forth full details concerning this matter.

RE: ERIC STARVO GALT

On 4/16/68, FERN TRUCKENMILLER, 1247 Vine Street, Abilene, Texas, advised that she has worked closely with her brother-in-law, GLEN E. DUGAN, 1247 Vine Street, an amateur Genealogist's in the study of decendants in their respective family. She advised that all of the records such as they maintain are in the hands of Mr. DUGAN who could best furnish the data concerning same.

On 4/16/68, GLEN E. DUGAN, 1247 Vine Street, advised that their studies of family decendants reflects the name of GAULT and GAUT in the early histories of the family. He went on to state that his family originated in Scotland and migrated to this country in the early 1800s. He stated that his last trace of the family shows them to be in Pennsylvania. He advised that nowhere in his checking has he found the name to be GALT but always GAULT or GAUT. He stated that the names of ERIC and STARVO are completely foreign to him and in no instance can he find them entering into the family name.

He advised that the only information he has on the GALT family is the private publication "The GALT Families Notes on their Origin and their History with Genealogical Lists by HOWARD SPILMAN GALT, DL Ed D. Dept. of Ed. Yenchung University, Peking, China, and Printed by the Sheffield Print Shop Yenchung University, Peking".

RE: ERIC STARVO GALT

On 4/18/68, ERIC STARVO GALT, 1944 Vine Street, Memphis, Tennessee, advised that she has worked closely with her brother-in-law, GLEN E. She advised that all of the records such as they maintain are in the hands of Mr. DUGAN who could best furnish the data concerning same.

Mr. DUGAN advised that as near as he can tell this publication was made in about 1936 and there has since, no doubt, been at least two generations of GALT, which makes the information in this printing somewhat obsolete.

Mr. DUGAN advised that it is his belief that the name of GALT appeared in Denmark back in 1397 and there followed a migration to Scotland and thence to America. He stated that it is his belief that some of the individuals being unable to spell their name or through misunderstanding in recordings of the name, the names of GAULT and @AUT appeared.

Mr. DUGAN pointed out that the most recent source of information on the name in question is through the records of the Library of Congress, Local History and Genealogy Section, Washington, D.C., and the Latter Day Saints, Library of the Mormon Church, Salt Lake City, Utah.

RE: CHARLES RUMFORD - JAMES A. POUNCEY

On 4/5/68, CHARLES RUMFORD, 1926 1/2 7th Ave., No., St. Petersburg, Fla., personally contacted the St. Petersburg RA and advised JAMES A. POUNCEY, 216 S. Albany, Apt. 7, Tampa, Fla., had told him one month prior to the assassination of Rev. KING that KING would be shot before the summer. POUNCEY reportedly said this at a bus station in Feb., or early March, 1968. Investigation, thereafter, conducted to locate JAMES A. POUNCEY from April 5 through 9, 1968, and all negative.

On 4/9/68, interview of RUMFORD established he could not furnish more information, as he had been "under a strain," he said he wanted to get into "public life" and varied unnamed persons were trying to thwart his ambitions. RUMFORD exhibited

Enclosed herewith for each office are two copies of an artist's conception of purported subject who murdered MARTIN LUTHER KING, Jr.

Attached drawings were made available evening of 4/16/68 by Mr. EDWARD MC CLELLAN, Executive Director, NAACP, 431 S. Dearborn Street, Room 1317, telephone 939-5365, Chicago (racial liaison source of the Chicago Office) and OTIS RAPHEL, artist for the Chicago Police Department (PD). MC CLELLAN advised RAPHEL prepared the drawings based on impressions conveyed to him by Rev. CLIFFORD ROYCE, also known as "Mr. Psychic", 32 N. State Street, 10th Floor, Chicago. MC CLELLAN advised that ROYCE purportedly possesses extra sensory perception and has a "batting average of about 94.6%" in his predictions and psychic impressions. ROYCE in advising MC CLELLAN and RAPHEL of his impressions of the assassination of MARTIN LUTHER KING, Jr., stated he feels the assassin is currently in the vicinity of New Orleans. He described the assassin as being approximately 5'10½" tall, 158-165 pounds, brown hair, light brown eyes, extremely small waist, 24-26 years of age, and feels subject at one time and possibly currently has homosexual tendencies. Further, that at one time the assassin was the subject of psychiatric treatment for which he was institutionalized and that the assassin was born in Georgia and received psychiatric treatment in Mississippi, or else was born in Mississippi and treated in Georgia. ROYCE also receives impressions that following the assassination, the murderer originally stopped at a motel approximately 30 miles west of Memphis on a main highway. The motel is in a run-down condition, described by ROYCE as being more or less a truck stop of approximately 15 units and ROYCE envisions a number of trees adjacent to the motel. According to ROYCE, this motel is located outside of a town and the assassin in this case has a "B" in his name and his name has no more than 6 letters. ROYCE's impression is that the assassin stopped at this motel after the murder of KING.

OTIS RAPHEL advised that approximately one year ago, Rev. ROYCE had asked to see him at which time ROYCE requested RAPHEL to draw the picture of a woman he visualized. ROYCE proceeded to describe the woman whom he felt would in the not to distant future, marry a particular person. According to RAPHEL approximately 6 months later the man in question married a woman not previously known to ROYCE but who looked exactly like the sketch drawn by RAPHEL based on impressions of ROYCE 6 months previous to the marriage.

It may be noted that MC CLELLAN was formerly the commanding officer of the Chicago PD Human Relations Unit, and in 1966 when he commanded and was later a part of this unit during the marches staged by MARTIN LUTHER KING in Chicago, MC CLELLAN spent a good deal of his time in maintaining contact with KING and at times serving as his in effect "body guard". MC CLELLAN in furnishing this information and the artist's drawings advised he desired to make this information available since he wished to leave no stone unturned in doing everything possible to identify and apprehend the murderer of KING.

Enclosed sketch is being furnished to the Bureau and the interested offices in view of the source from which it was received. Any action taken on this sketch is being left to the discretion of the Bureau and the office of origin.
