SECRET LETTER

Washington, D.C.
April 22 - 1968

Mr. J. Edgar Hoover
Director F. B. I.
Washington D.C.

Dear Mr Hoovers:

Please take in consideration the following information leading to the arrest of

James Earl Ray

- 1.- On August 30-1967 (Galt) bought a white Mustang from a private in Birmingham for \$2,000 cash. Who supplied this money ?. It may be Fidel Castro from Cuba.
- 2.- On March 2nd. 1968 (Galt) was graduated at a school of bartender in Los Angeles, California.
- 3.- On March 29-1968, in Birmingham he bought a rifle caliber 30 weapon using the name Lowmyer. The next day, he returned and said his brother had told him to get a 30.06 Remington G.
- 4.- He was seen in Memphis on April 3 and 4 and is known to have departed from there for Atlanta.
- 5.- On April 4-1968 used the Willard alias when he registered at the flophouse and took a room which gave a clear view of the door of King's room at the Lorraine Motel in Memphis, Tenn.
How did he knew that the room he was renting gave a clear view of the door of King's room ?.
- 6.- On the evening of April 4 King was shot to death on the balcony of a Motel in Memphis, Tenn., by a single shot fired by a sniper from the window of the flophouse , 205 feet away.
- 7.- FBI said Galt is the owner of the Mustang seen in front of the flophouse the day King was shot and later (next day) was found abandoned in an Atlanta Ga. housing development. The car's odometer showed that it had been driven then 19,000 mi. between the date of purchase August 30-1967 and the day it was found in Atlanta April 5-1968 (219 days = 86 mi. per day).
- 8.- Soon after the assassination, Stokely Carmichael was undecided as to what response he should make. Then, intelligence sources said, he received a call from the Cuban press agency (Prensa (ha) in New York, after which he appeared on Washington streets waving a pistol and urging blacks to arm. "A lot of people who were afraid to pick up guns will now pick up guns", he said later. (Time April 19-1968 page 17).

9.- From Atlanta is easy to go to Key West and from there to Cuba, where James Earl Ray ought to be already or in some place in the coast, trying to go to Cuba or waiting for a plane from Castro to go to Cuba.

To search out in Pensacola may be of good result because Ray might have left the white Mustang abandoned in Atlanta in order to turn the police from the right trails.

I pursue to disclose the connections of Fidel Castro with the disorders in the U.S.

Attorney General Ramsey Clark
Justice Department
Washington, D.C.

Dear Attorney General Clark:

MARKIN

On Sunday afternoon, April 7, 1968, driving north on Interstate 71 in Ohio, near the Ashland exit sometime between 1:00 and 1:30 P.M. was a white male driving a car with an Alabama license plate 3-34652. His car was a very old model, very pale blue (almost white because it was so faded) with a top entirely rust covered and almost solid red-rust color. He drove at speeds of from 70-90 miles per hour, heading north. He attracted my attention first when he passed me, with his right hand covering his face, then cut his car immediately in front of me. On a very foolish and dangerous impulse indeed, I followed him for about half an hour. Each time that he passed another car, his right hand went up to cover his face. From his speed and attempt to conceal his profile I had the uncanny feeling that he was in interstate flight for some reason, and was trying to avoid being recognized. At the lower part of his back window was the sign KKK 2---. I could not see the last three numbers clearly. These were black numbers about 2½ to 3 inches high.

Please check the driver of Alabama 3-34652. Could he possibly be the murderer of Dr. Martin Luther King? Some 60 hours after the crime in Memphis, he could have driven to Ohio in that time.

This is no crank letter, sir. I am just trying to help out at this time of trouble.

Dear Sir

I would like to have this letter kept in confidence - right or wrong this is my personal guess.

I watched Dr. (Martin Luther King) Jr's funeral on T.V. which was heartbreaking, as I and thousands of others had great respect for him.

If you would rerun the film from the start, and watch the marchers closely, when the church ceremony was over and after they had put Mr. King on the mule cart, as the people started to follow the cart, the camera's stood for a minute or so - on one area - the white man in that area from side to front looked somewhat like the sketch of of the Assassin, I might be wrong - but the TV camera's most of the time show much more clearly and sometimes view things the naked eye refuses to see. I am sure you can view the film again. And I am sure not even the camera men paid attention. I being a house wife viewed the T.V. very closely and after seeing the drawing of the man - this one man marching in a space of the march - with one or 2 persons in back, that was the first thought to my mind how alike

Mr. GEORGE MEECE, owner of the Butler Cleaners,
South Erie Highway, Hamilton, Ohio, advised that he
purchased the entire cleaning plant of the Imperial
