The following fingerprint cards are of police officer who could conceivably have touched rifle, scope, binoculars, newspaper, lotion bottle, beer can, or other articles from evidence previously submitted and who were in room 5B shortly after the crime occurred:

The name of the clerk at York Arms Company, Memphis, who allegedly sold the binoculars to UNSUB on the day of the crime is RALPH MEREDITH CARPENTER. While a definite possibility exists that his fingerprints may be on the box or binoculars themselves, it is not deemed advisable at this time to take latent fingerprints from him. This is due to the fact that while he

appears to be a good witness and has been reasonably cooperative, it is felt that repeated contacts with him may cause antagonism. Information regarding him is as follows:

DOB	
Height	5'11"
Weight	170
Eyes	Gray
Hair	Brown
Air Force SN	14517209.

It is requested that the Bureau attempt to eliminate CARPENTER's fingerprints through Armed Forces Fingerprint Identification.

No other personnel are known to have been in the immediate vicinity of the evidence prior to its being forwarded to Washington, D. C. Should information be developed which indicates other officers or private individuals may have touched the evidence, elimination prints will be taken and cards will be forwarded immediately.
