

if nothing else. In time it will be dissipated and lost to memory or possible verification, etc.

This man hitchhiked into Memphis on the morning of the murder, and accepted a ride from here.

The FBI may be indifferent to the identity of the murdered man's assassin because of the friction between Dr. King and Mr. Hoover, but there is surely some agency of government who will look into it.

I can be reached by phone at RE 5-2155 (West Memphis, Ark.).

Impetus Lost In Manhunt For Assassin

10 Days After Murder Of Dr. King, Clues Seem To Have Narrowed

By JAMES KILLPATRICK

Within minutes after Dr. Martin Luther King Jr. was gunned down, police had enough clues — or so it seemed — to solve a dozen crimes.

The attorney general of the United States came to Memphis the next day and talked about an imminent arrest.

But 10 days now have passed and the glimpses through the tight screen of security put up by the Federal Bureau of Investigation show that many of the clues may not be what they first appeared.

Dr. King's body was still on the balcony of the Lorraine Motel where a 30-caliber bullet had slammed him backward at 6:01 p.m. Thursday when reports of the evidence began to pile up.

A white man had come down the stairs from the rooming house at 418½-422½ South Main, and had dropped a rifle, a pair of binoculars, and a small bag containing some clothing in a doorway. The man climbed into a white 1966 Mustang parked on Main and sped off north.

Police had a good description of the man.

He was 30 to 32 years old, 5 feet 10 inches tall, weighing about 165 pounds, with hair variously described as from dark to sandy and a complexion like someone who works outside a lot. He was wearing a dark suit, white shirt and black tie. There also was a

On April 24, 1968, SAs JAMES RICHARD FLICK, JOSEPH G. SHEA, and JACK T. BEVERSTEIN interviewed LEWIE RAYMOND DOWDA, an inmate at the Cobb County Jail, Marietta, Georgia. DOWDA advised he was formerly incarcerated at the Missouri State Prison, Jefferson City, Missouri. He stated while at the Missouri State Prison, he was acquainted for approximately three years with JAMES EARL RAY, a fellow inmate. DOWDA advised he was released from the Missouri State Prison on December 23, 1966, and JAMES EARL RAY was still incarcerated. He stated he had been the chief cook at the Missouri State Prison and RAY worked as a bread slicer.

DOWDA advised RAY was the type person the other inmates did not "mess with." He described RAY as a "loner" who usually initiated the conversation if he wanted to talk to anyone. He stated that RAY spoke in a mild, low tone and when angry would speak even softer. He stated he had never known RAY to become excited and shout. To his knowledge, he has never known RAY to smoke. He stated RAY had a fair complexion, which was blotchy, having pimples around the lower portion of his face. He stated RAY had a rash on the right side of his head during the entire time he had known RAY and RAY would scratch this rash. He stated this rash was very noticeable due to the type of haircut in the Penitentiary and RAY put some type of salve on this rash. He stated RAY's hair was lightly streaked with gray. He advised the only scar he can recall which RAY had was a large burn scar on his forearm, side unrecalled. He stated this scar was located near the wrist. He stated RAY had dingy teeth.

DOWDA advised RAY always talked about "running around" in St. Louis, Missouri. He normally talked about two girl friends, one of these he had met at the Gaslight

AT 44-2386

(a bar) located in either St. Louis or Kansas City. DOWDA stated the other girl was a girl RAY had met around the college at Columbia, Missouri, and it was his impression this girl had worked in a tavern there.

DOWDA advised RAY, while in prison, wore a ring on his left hand which was made at the Penitentiary, having been made from white metal with raised initials. He stated RAY never smiled, but when he smiled, it looked like a smirk. He advised RAY was clean and not sloppy in his dress. He described RAY as an avid reader and considered RAY to be intelligent. He advised RAY participated in softball games as a pitcher and would watch all of the baseball games at the Penitentiary, however, he had never heard RAY speak of professional baseball.

DOWDA stated that some time in 1966, a group of Black Muslims had petitioned for the right to have their own religious services. He stated the Muslims would congregate in groups and that a subsequent search of the Negro prisoners had uncovered a large cache of weapons. DOWDA stated the white prisoners then armed themselves and there was a riot at the prison. DOWDA stated three Negro prisoners were killed. DOWDA stated he would not say RAY had knifed these Negro prisoners, but did say that if RAY had not knifed them, he definitely knew who had killed them.

DOWDA stated RAY definitely was a racist and hated Negroes. He stated RAY had made the statement and firmly believed that all the Negro prisoners inside the Penitentiary should be killed. He stated RAY had on several occasions made the statement that if the price were right, he would kill MARTIN LUTHER KING, JR. DOWDA stated he does not recall ever hearing anything which would indicate a "contract" was out for the murder of MARTIN LUTHER KING.

AT 44-2386

JTB:bjc

3

DOWDA advised he would not be surprised if JAMES EARL RAY was the murderer of MARTIN LUTHER KING, however, he does not believe RAY would have killed KING without being paid for it.

DOWDA stated approximately four months before he, DOWDA, was released RAY had attempted to escape from the Missouri State Prison by going out of the prison behind the ovens in the prison bakery. He stated RAY was apprehended and RAY had broken his arm in this escape attempt. He stated RAY had talked about escaping from the Penitentiary prior to this. DOWDA advised he does not believe RAY returned from maximum security confinement prior to DOWDA's release from prison.

DOWDA stated while in prison, RAY was particularly interested in Western music. He stated he does not recall RAY ever mentioning anything about dancing. He stated that during this period a number of orchestras from the Lake of the Ozarks had played at the State Prison and RAY would never miss these performances. He stated RAY often talked about planning to go to the Lake of the Ozarks when he got out of prison. DOWDA stated he would have no idea who RAY would contact at the Lake of the Ozarks, but stated if he were to look for RAY there, he would first find out who was selling dope and through this person, locate RAY. He stated RAY had talked about being on dope prior to being in the Missouri State Prison. He advised RAY had to have an outside source of income while in prison inasmuch as RAY's dope habit was costing RAY \$35 to \$40 a week for shots and RAY appeared to be well fixed, never wanting for anything.

DOWDA estimated RAY spent \$15 to \$20 a week for personal conveniences. He stated RAY, while in prison,

AT 44-2386

JTB:bjc

used amphetamine, taking the shot in the "main line." He stated RAY would take two to three shots a day. He stated RAY never lacked for money, but had no idea of RAY's source of income. DOWDA stated he is certain RAY was not selling amphetamine to other prisoners, stating he has known RAY to give free amphetamine to prisoners who needed a shot. DOWDA denied that he himself had ever taken any shots, but admitted he has taken pills. DOWDA claimed he and RAY were not engaged in the sale of amphetamine at the Missouri State Prison.

DOWDA stated that HAROLD SCHAEFER, Guard on the gate in the kitchen of the Missouri State Prison, was very close to JAMES EARL RAY and it was DOWDA's understanding that SCHAEFER was RAY's source of amphetamine. He stated BENJAMIN O. GOODIN was a civilian in charge of the kitchen and he is certain GOODIN was not connected in any way with the bringing of amphetamine into the prison. He stated while GOODIN was friendly with RAY, he understands it was GOODIN who had disclosed RAY's hiding place when RAY had attempted to escape in 1966.

DOWDA advised one NEIL ABBY (phonetic) was RAY's closest friend in the Missouri State Prison and was responsible for bringing RAY into the kitchen. He stated ABBY at this time was chief cook at the prison. He believes ABBY was serving time for breaking into a drug store and he does know that dope was connected with ABBY's offense. He stated ABBY had a detainer on him as he was an escapee from the State of Texas. DOWDA does not know whether or not ABBY is presently in custody but does not believe he is presently in the Missouri State Prison.

He stated RAY had another friend, one DONALD DEAN RIGGER. He stated RIGGER was from California and RIGGER's wife was a psychiatrist at the Napa State Hospital, which

AT 44-2386

JTB:bjc

is located north of San Francisco, California.

DOWDA advised that RAY and other inmates that might have DOWDA's address would have a Route 1, Sanford, Florida, address, and would not know that he is presently in Marietta, Georgia. He stated his father, STEVEN C. DOWDA, presently resides at 110 South Chandler Street, Deland, Florida, and that anyone inquiring for him at Sanford, Florida, would be sent to Deland, Florida. DOWDA claims he has not been contacted by RAY and has heard nothing to indicate RAY has attempted to contact him. He stated RAY had talked about traveling over all the United States, but had never mentioned anything which would indicate RAY was associated with anyone in the Atlanta, Georgia, area. DOWDA stated the only other prisoner he knew who was from the State of Georgia, who was an inmate at the Missouri State Prison was one JERRY WHITE from Calhoun, Georgia. He advised WHITE had a Federal detainer against him and believes WHITE is still incarcerated at the Missouri State Prison.

DOWDA advised he had made a trip to California in November of 1967, and that he and his wife had spent Thanksgiving Day visiting her uncle, BOB GRAHAM, who resides at Palos Verdes, California. He stated GRAHAM is Regional Manager for IBM in that area. He stated that he and his wife had stopped at Jefferson City and while there, contacted a Missouri State Prison guard, Mr. "PETE" PETRIE. He stated he had not made any inquiry concerning RAY and was not aware that RAY had escaped. He stated he had not made any inquiry concerning inmates inasmuch as his wife did not know he was a former inmate of the Missouri State Prison. He stated he had stopped in the Kansas City, Missouri, area and attempted to locate PAUL ALVIN LAIL, JR., who had been in the Missouri State Prison as PAUL ALVIN CARTER. He stated LAIL had been released approximately a year before he had and that they had agreed to attempt to get together

AT 44-2386

JTB:bjc

6

after their release from prison. He stated LAIL worked in the license shop at the Missouri State Prison and although he was acquainted with RAY, he did not believe LAIL was a particularly good friend of RAY. He stated after his return from California, he was contacted by PAUL ALVIN LAIL, JR. He stated LAIL owns a home at 34 Barbodos Drive, Palm Springs, West Palm Beach, Florida, Telephone Number 965-4221. He stated LAIL in February of 1968 was out of a job and had come to Marietta, Georgia, looking for employment. He stated LAIL had come to Marietta, Georgia, with his wife and a small baby and had resided with DOWDA for approximately one and one-half weeks, leaving approximately two or three days after DOWDA was arrested, DOWDA having been arrested on March 4, 1968.

DOWDA advised he could recall nothing else concerning RAY which might assist in his location, but in the event he remembered anything additional, he would contact the FBI.

He stated RAY often talked about planning to go to the Lake of the Ozarks when he got out of prison. DOWDA stated he would have no idea who RAY would contact at the Lake of the Ozarks, but stated if he were to look for RAY there, he would first find out who was selling dope and through this person, locate RAY. He stated RAY had talked about being on dope prior to being in the Missouri State Prison. He advised RAY had to have an outside source of income while in prison inasmuch as RAY's dope habit was costing RAY \$35 to \$40 a week for shots and RAY appeared to be well fixed, never wanting for anything.

DOWDA estimated RAY spent \$15 to \$20 a week for personal conveniences. He stated RAY, while in prison,

used amphetamine, taking the shot in the "main line." He stated RAY would take two to three shots a day. He stated RAY never lacked for money, but had no idea of RAY's source of income. DOWDA stated he is certain RAY was not selling amphetamine to other prisoners, stating he has known RAY to give free amphetamine to prisoners who needed a shot. DOWDA denied that he himself had ever taken any shots, but admitted he has taken pills. DOWDA claimed he and RAY were not engaged in the sale of amphetamine at the Missouri State Prison.

DOWDA stated that ~~HAROLD SCHAEFER~~, Guard on the gate in the kitchen of the ~~Missouri State Prison~~, was very close to JAMES EARL RAY and it was DOWDA's understanding that SCHAEFER was RAY's source of amphetamine. He stated BENJAMIN O. GOODIN was a civilian in charge of the kitchen and he is certain GOODIN was not connected in any way with the bringing of amphetamine into the prison. He stated while GOODIN was friendly with RAY, he understands it was GOODIN who had disclosed RAY's hiding place when RAY had attempted to escape in 1966.

DOWDA advised one ~~NEIL ABBY~~ (phonetic) was RAY's closest friend in the ~~Missouri State Prison~~ and was responsible for bringing RAY into the kitchen. He stated ABBY at this time was chief cook at the prison. He believes ABBY was serving time for breaking into a drug store and he does know that dope was connected with ABBY's offense. He stated ABBY had a detainer on him as he was an escapee from the State of Texas. DOWDA does not know whether or not ABBY is presently in custody but does not believe he is presently in the Missouri State Prison.

He stated RAY had another friend, one ~~DONALD DEAN RIGGER~~. He stated RIGGER was from California and RIGGER's wife was a psychiatrist at the Napa State Hospital, which

is located north of San Francisco, California.

DOWDA advised that RAY and other inmates that might have DOWDA's address would have a Route 1, Sanford, Florida, address, and would not know that he is presently in Marietta, Georgia. He stated his father, STEVEN C. DOWDA, presently resides at 110 South Chandler Street, Deland, Florida, and that anyone inquiring for him at Sanford, Florida, would be sent to Deland, Florida. DOWDA claims he has not been contacted by RAY and has heard nothing to indicate RAY has attempted to contact him. He stated RAY had talked about traveling over all the United States, but had never mentioned anything which would indicate RAY was associated with anyone in the Atlanta, Georgia, area. DOWDA stated the only other prisoner he knew who was from the State of Georgia, who was an inmate at the Missouri State Prison was one JERRY WHITE from Calhoun, Georgia. He advised WHITE had a Federal detainer against him and believes WHITE is still incarcerated at the Missouri State Prison.

DOWDA advised he had made a trip to California in November of 1967, and that he and his wife had spent Thanksgiving Day visiting her uncle, BOB GRAHAM, who resides at Palos Verdes, California. He stated GRAHAM is Regional Manager for IBM in that area. He stated that he and his wife had stopped at Jefferson City and while there, contacted a Missouri State Prison guard, Mr. "PETE" PETRIE. He stated he had not made any inquiry concerning RAY and was not aware that RAY had escaped. He stated he had not made any inquiry concerning inmates inasmuch as his wife did not know he was a former inmate of the Missouri State Prison. He stated he had stopped in the Kansas City, Missouri, area and attempted to locate PAUL ALVIN LAIL, JR., who had been in the Missouri State Prison as PAUL ALVIN CARTER. He stated LAIL had been released approximately a year before he had and that they had agreed to attempt to get together

AT 44-2386

JTB:bjc

6

after their release from prison. He stated LAIL worked in the license shop at the Missouri State Prison and although he was acquainted with RAY, he did not believe LAIL was a particularly good friend of RAY. He stated after his return from California, he was contacted by ~~PAUL ALVIN LAIL, JR.~~ He stated LAIL owns a home at 34 Barbodos Drive, Palm Springs, West Palm Beach, Florida, Telephone Number 965-4221. He stated LAIL in February of 1968 was out of a job and had come to Marietta, Georgia, looking for employment. He stated LAIL had come to Marietta, Georgia, with his wife and a small baby and had resided with DOWDA for approximately one and one-half weeks, leaving approximately two or three days after DOWDA was arrested, DOWDA having been arrested on March 4, 1968. ~~PAUL ALVIN LAIL, JR.~~ *MO*

DOWDA advised he could recall nothing else concerning RAY which might assist in his location, but in the event he remembered anything additional, he would contact the FBI.

Regarding Albany airtel to the Bureau, 4/10/68, the following information is being furnished for the Memphis Office:

Inquiry at Robinson Laundry and Cleaners, 2547 Forest Drive, Columbia, S. C., disclosed that they sold their thermo seal marking machine to the Newberry Laundry mentioned above and that Robinson had never used markings such as located in instant case.

CO 44-299

On 4/15/68 Miss NELL TAYLOR, Center Supply Company, 915 Lady Street, Columbia, S. C., advised that this concern has not sold thermo seal marking machines for about three years. He said that this type machine with serial number 32571 was sold to Deluxe Cleaners and Laundry, West Columbia, S. C., new, several years ago. Regarding thermo seal machine with serial number 32568 she said that this machine was burned and completely destroyed in their warehouse on 3/7/63 and is no longer in use. She said these are the only two thermo seal machines ever delivered to this company as the others sold by them were delivered directly to the purchaser.

For information of Memphis Office, an insert will be submitted concerning these machines, none of which appear to be pertinent to this investigation.

RE SCOTT NORDAL (LOOKALIKE)

Enclosed herewith for the laboratory are registration cards for the Candlelight Inn, 4801 Airline Highway, Metairie, La., numbers 8267, 8488, 8584, 8834, 8825, 9370, 9471, 9679, 9748, and 9800. Also enclosed for the Laboratory is a registration card, number 6834, from the Chalmette Hotel, 808 Carondelet Street.

The following information was developed based on a report of a lookalike following publication of photograph of JAMES. SCOTT NORDAL, white male, resided 623 Royal Street, New Orleans, La., from 4/1 through 4/17/68, but said states he was absent from his room most of the time.

NORDAL was employed as a waiter at the Court of Two Sisters Restaurant, 613 Royal Street, from 3/24 until 4/13/68, with absences on 4/4 and possibly on other dates. NORDAL furnished background information to the Court of Two Sisters Restaurant which included a California drivers license and a list of all schools which he attended in California along with his mother's address in Los Angeles, California.

NORDAL placed a second lock on his room and permitted no one access to this room while he was absent. NORDAL had a large quantity of clothing and luggage and on one occasion the maid saw a large quantity of currency in a pack in the bed that contained a \$100 bill on the top.

During a search of NORDAL's room a key to the Candlelight Inn, 4801 Airline Highway, Metairie, La., was found. This key was for Room 219. A map was also found in this room that bore several cryptic notations.

The Los Angeles Division has advised the New Orleans Division telephonically that all background information furnished by NORDAL at the Court of Two Sisters has been checked and has proved to be false. The records of the Candlelight Inn Motel were checked and registration cards for Room 219 were obtained for all individuals not known to be regular customers at this motel. Further investigation in New Orleans disclosed that SCOTT NORDAL stayed at the Chalmette Hotel, 808 Carondelet Street, New Orleans, La., from 3/22 - 3/23/68.

The Laboratory is requested to compare the handwriting on all of the enclosed registration cards with the known handwriting of JAMES EARL RAY, and WALTER TERRY RIFE, FBI #455-876-6.

The Laboratory is also requested to attempt to determine through handwriting analysis if the individual registering as SCOTT NORDAL at the Chalmette Hotel signed any of the enclosed registration cards from the Candlelight Inn Motel.

All enclosed registration cards are also to be checked for any latent fingerprints of value which might be found. It is known that these registration cards have been handled by numerous individuals acting within the scope of their employment at their respective hotel or motel.

NO 157-10673

For the information of the Laboratory, the known handwriting of the individual using the name SCOTT NORDAL appears on the top half of the registration slip from the Chalmette Hotel and all writing on the bottom half and reverse side of this card was written by the night clerk at this hotel.
